

Jesus Christ is the Way, the Truth, the Life ... and He died for you.

Oh, how great is Your goodness,
Which You have laid up for those who fear You,
Which You have prepared for those who trust in You.

THE PORTHOLE TO HEAVEN

RHEMA 2/15/02 THE PORTHOLE TO HEAVEN

PIX: Wayne saw a picture of a wide flat plain with a porch and a door there, way out in the middle of nowhere. I thought the dry flat plain was an interesting connection to my old bull vision of the plain and also us throwing the javelins onto the plain, and my vision of Isa 35 desert. Right now I am listening to a tape series called the Back door to the throne room. In the tape series, it is about various leaders who go through difficult events just prior to their promotion. I felt these things were all connected and the following scriptures are quickened.

"The voice of him that crieth in the wilderness, Prepare ye the way of the LORD, make straight in the desert a highway for our God. 4 Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain: 5 And the glory of the LORD shall be revealed, and all flesh shall see it together: for the mouth of the LORD hath spoken it." (Isa 40:3-5 KJV)

CONFIRMATIONS UPDATE: Elijah list posted on 3/5 and 3/6 about the portholes, from John Paul Jackson and Pat Cocking.

WORD TO PONDER 2/15/02 THE PORTHOLE DOOR TO THE THRONE

Many years ago you gave your life to Me and followed me into the dry desert of a thirsty and

flattened land. The valleys in your life were raised and the mountains were brought low, your crooked places were made straight and the rough places were made flat. There you prepared a place for Me. And there you sang to Me and gave me your all. There you pursued until you lay still before My feet, spent in your exhaustion of pursuit. Oh My love, how you have touched My heart.

And now I have kissed you with My Presence and brought hope to life once again. I will raise you up. I will place you before the door, the porthole to heaven's throne. This is a special door, for when you walk through it, it shall fulfill your every heart's desire. I AM your door.

"But then I will win her back once again. I will lead her out into the desert and speak tenderly to her there. 15 I will return her vineyards to her and transform the Valley of Trouble into a gateway of hope. She will give herself to me there, as she did long ago when she was young, when I freed her from her captivity in Egypt. "In that coming day," says the LORD, "you will call me `my husband' instead of `my master.' 17 O Israel, I will cause you to forget your images of Baal; even their names will no longer be spoken. 18 At that time I will make a covenant with all the wild animals and the birds and the animals that scurry along the ground so that they will not harm you. I will remove all weapons of war from the land, all swords and bows, so you can live unafraid in peace and safety. 19 I will make you my wife forever, showing you righteousness and justice, unflinching love and compassion. 20 I will be faithful to you and make you mine, and you will finally know me as LORD. (Hos 2:14-20 NLT)

OPENING THE PORTHOLE TO HEAVEN

~ What the Lord told me when I received the Baptism of the Spirit ~

When people receive the gift of speaking in tongues, not everyone receives in the same way. For myself, I went to kids camp in my teens and was prayed over to receive what they called the "Baptism of the Holy Spirit" (Acts 1:5) I was supposed to feel the Holy Spirit come upon me, then speak in tongues. I felt nothing when they prayed. I was expecting some bolt of lightning to come down from the sky and hit me in a whoosh of the Holy Spirit. But they simply prayed, and I simply thanked Jesus like they told me to do.

However, an hour later as I lay in my bunk bed, little foreign sounding syllables popped into my mind. So, I spoke them with my head under the pillow. It was one sentence. My counselor told me that could happen, and to be faithful to practice my new language and it would grow. So that is what I did. I spoke my one sentence faithfully for about a year! To this day, I still remember that sentence.

Then one day I was driving to school singing a popular love song along with the radio, and the second verse was sung in French. So I started singing my own pretend "French" to the words. By the end of the song, I had a complete and wonderful language, only I didn't know it! However, every time I sang that song I would sing it in my "pretend language" even when they were singing in English. It sounded so beautiful I didn't want to sing it in English. Then one day I started singing other popular love songs of the day in the same way. Then the realization hit me, I was doing what the Bible called "singing in the Spirit"! (1 Corinthians 14:15) "Wow! Is this finally the expansion of my new language?" So I stopped singing and just spoke it. Sure enough, there was a full blown language!

Now, not everyone will struggle as hard as I did. The reason it took me so long was because of doctrinal currents against me. I was told speaking in tongues was of the devil and that the occult speaks in tongues. It didn't seem to connect with me that Paul in the Bible spoke in tongues all the time. (1 Corinthians 14:18) The only reason I had the courage to receive it, was because of the loving counsel of a dear lady who shined with the love of God. I felt that if she could love me like that, and she spoke in tongues, then she certainly wasn't of the devil. Simply put, I knew the devil couldn't love and she was no devil.

Since that time long ago, now that I am fluent in the spiritual gifts, I have come to realize that the devil can not create. Only God can create. The devil only mimics, only copies the real thing. So of course the occult speaks in tongues, that's because God created the real speaking in tongues!

I have received a couple of wonderful confirmations about speaking in tongues. One time I was praying in tongues and in English over people I'd met on the Internet and I saw a picture-vision of a flat bed truck driven by 2 angels. On the flat bed truck were a whole bunch of packages, each wrapped and looking exactly like the size of bricks. The Lord told me I was dispatching supplies. So I asked Him what those bricks were. He said, "Each individual prayer." Then a few days later I listened to a tape where a man was given a vision that every time he spoke in tongues, he saw

packages the size of bricks come down from heaven that were deposited inside of him. When they were deposited, he felt a strengthening of his inner man. He was praying supplies for himself. So, not only did the Lord confirm that my praying in tongues was praying in supplies to others, but at the same time, I was praying in supplies for myself.

I have an interesting story about praying in supplies for others. Remember that one little sentence I mentioned when I first received tongues? When I shared it with Anna, my Mom, who also had been indoctrinated against tongues, she said it sounded like Spanish and looked it up in her Spanish dictionary. She was so surprised at the meaning, she also sought and received the Baptism of the Spirit.

Twenty-five years after that, having completely forgotten its meaning, Anna happened to ask me if I still remembered my one little sentence. I spoke what I remembered and she again looked up the words in her old Spanish dictionary, and this is what she found; my sentence was translated, "Door of a port hole released. They eat with Daddy." This was my commission from the beginning. I didn't know I was repeating a request thousands upon thousands of times. I was bombarding heaven and didn't even know it! I believe part of that fulfillment is the opened doors to teaching others how God speaks. It is a good lesson in the importance of tongues.

THE PORTHOLE: WHERE WE HAVE BEEN AND WHERE WE ARE GOING

The Lord sent His bride out into the wilderness. He has been bringing down the mountains and bringing up the valleys, and making the smooth pathway in the desert without the stumbling stones, flat, straight... building a holy highway of God. She has been singing there, and coming forth out of that place leaning on her Beloved. In the process, her relationship with Him has been turning from serving Him as Master to intimacy with Him as Husband. Entering that gateway, into intimacy with Him is what the heavenly porthole is all about.

Hos 2:14-16 NKJV

Therefore, behold, I will allure her, will bring her into the wilderness, and speak comfort to her. I will give her her vineyards from there, and the Valley of Achor as a door of hope; She shall sing there, as in the days of her youth, as in the day when she came up from the land of Egypt. "And it shall be, in that day," Says the LORD, "That you will call Me 'My Husband,' And no longer call Me 'My Master.'"

Isa 40:3-5 NKJV

The voice of one crying in the wilderness: "Prepare the way of the LORD; Make straight in the desert a highway for our God. Every valley shall be exalted and every mountain and hill brought low; The crooked places shall be made straight and the rough places smooth; The glory of the LORD shall be revealed, And all flesh shall see it together; For the mouth of the LORD has spoken."

Isa 57:14 NKJV

And one shall say, "Heap it up! Heap it up! Prepare the way, take the stumbling block out of the way of My people."

Isa 62:10 NKJV

0 Go through, Go through the gates! Prepare the way for the people; Build up, Build up the highway! Take out the stones, lift up a banner for the peoples!

Song 8:5 NKJV

Who is this coming up from the wilderness, leaning upon her beloved? I awakened you under the apple tree. There your mother brought you forth; There she who bore you brought you forth.

INSERT VISIONS ON THE WILDERNESS, THE FLAT DESERTED PLAIN A Highway of God

In the 1980's I had many visions of building a highway. Anna, Wayne and myself, and others were building this highway. At first we were digging with our bare hands, removing the stumbling stones. As the visions progressed we received larger and more sophisticated equipment and plowed our way through to help build this road.

VISION 1985 - THE COWS ARE COMING:

I was standing next to Jesus and looking down from heaven at this bull. It was running the most beautiful, smooth gait, full speed across this vast flat desert. As I watched, in the distance behind me, I saw all these cattle running across the desert in the same path. They were running like a wild clamor. It was kind of funny and cute and very noisy. Then I was in the bull's body and realized the bull was me. As I pulled to a halt, there were all these people in jogging/track clothes. They had been running. We were on a track. The track coach reported to me and said. "I think they are all going to be OK, but I am concerned about this one."

I knew this person. As I looked at him, his legs were all cramped and buckling. I took his legs and stretch them and commanded In Jesus Name that his muscles relax and obey. Then I worked them carefully. That was the end of that vision.

But in real life, later after asking about him, I found out that he had tried to commit suicide. He slit both wrists and someone found him before he died. When he lived, he became a sold out Christian and has a deep faith now.

VISION: I had another vision where I was herding the cattle to a new land. Anna was with me, and she was bringing up the rear. In one scene, we were underground as though in a tomb waiting for the cattle to come. Suddenly their thundering noise came overhead and we knew they were arriving.

TRANCE VISION 1980'S: THREE JAVELINS

I has in heaven and Jesus was standing next to me. I saw much of my life pass before me starting when I was 16. (That was when I gave my life completely to Him and read the Bible for the first time, although I prayed most of my life and was raised to trust Him.) One scene I was hovering over our old kitchen and watching Anna & myself preparing food together in the kitchen. We looked exactly like we did at that time. And it was interesting to me to see us so vivid and alive and looking so young.

Another scene I was in heaven, Jesus pointed towards the desert and told me to look. I was looking out on a vast brown desert area and I saw this isolated javelin sticking in the earth. I was very excited when I saw this and said "I remember when I threw that!" I knew that somehow I had hit the mark and followed Him out there in the middle of the dry desert.

When I came out of the vision, I knew it had taken me since I was 16 to throw the javelin that far. It was my journey of following Him into the wilderness where I have learned to lean upon My Beloved.

I have had many visions and experiences where I have been with Jesus, but I have never got to look straight into His eyes. Some time later I thought very deeply about the ramifications it would have on my loved ones for me to see Jesus face to face. I somehow felt they would feel left out so I told the Lord I wanted them to come too. He heard my prayer and I saw the same javelin in the same place, only now there were 2 others there. One on my right, and one on my left.

That prayer became a landmark sacrifice that began what the Lord called "the ministry of waiting for your brethren." I sobbed that night when I saw them. It was a deep pain of sacrifice and yet I was still willing and meant what I'd prayed. It's been many years now and I still long for Him as ever.

WORD TO PONDER: I WAIT TOO 12/24/02

My beloved one, how you have pleased My heart. I taught you how to have a relationship with Me, one of increasing enlargement. This has been through loving abasement. And in the same manner that I have taught you, you have turned and shared with others the same road. As you have freely giving what I have given you, you have also given unto Me a greater ministry. The ministry of travail.

What you do not understand is in your waiting for Me to perform exactly what I have promised and in your waiting for your loved ones to join you, you have been one in Me. I have given you a piece of My heart, the one that groans and travails in great longings of love. For even as you wait and trust Me for those you love, you know My own heart. It is what I do. I waited for you. I waited for them. I waited for the world. And now you know. How I love and groan to embrace them as My own. I want them with Me for eternity.

Thank You dear one for trusting Me to be Who I say I AM and trusting that I will perform exactly what I have promised. Yes sometimes the groanings are deep with sorrow and unrequited love. You sometimes wonder if the waiting will be worth it. One day you shall look Me in the eye and you will

know that it is all about love. And then you shall know Me even as you are known.

"When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things. For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known. And now abide faith, hope, love, these three; but the greatest of these is love." (1 Cor 13:11-13 NKJV)

TRANCE VISION: The following is a vision of gazing wonder the Lord gave me as quoted from my journal: "When I went to sleep on November 14, 1985, I had a strong yearning for Jesus. As I slept, He came to me and opened my eyes. I saw a huge, gigantic banner unfolding across the sky. It said, "THE LORD JESUS CHRIST." Suddenly I found myself in heaven looking down upon a vast desert. It was dry, brown, flat, and immense. As I gazed upon the lifeless desert, someone was standing above and behind me declaring the scroll of Isaiah 35:

"The wilderness and the solitary place shall be glad for them; and the desert shall rejoice, and blossom as the rose. It shall blossom abundantly, and rejoice even with joy and singing: the glory of Lebanon shall be given unto it, the excellency of Carmel and Sharon, they shall see the glory of the Lord, the excellency of our God. Strengthen ye the weak hands, and confirm the feeble knees. Say to them of a fearful heart, be strong, fear not: behold your God will come with vengeance; He will come and save you. Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. Then shall the lame leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out, and streams in the desert. And the parched ground shall become a pool, and the thirsty land springs of water..." (Isaiah 35 KJ)

After Isaiah 35 had been announced, I heard the Lord say, "And the desert shall blossom as a rose. It shall happen all at once, and it shall happen suddenly." Immediately I saw the desert come to life. The sight was astounding and oh so beautiful! Everywhere blossoms emerged: this dry, lifeless region became a spacious garden of color and beauty. Then I came out of the gazing vision. As I woke, I was still in awe of what I'd seen, because it was so beautiful. I knew the Lord was speaking a promise of what He would be doing to our dry desert like lives. He was going to rain His Presence upon us and we would emerge with life and beautiful blossoms."
{end of vision}

Opportunities Are Not Requirements

Posted by [[swauthor](#)] Mar 28th 2009 - 10:59AM Posts to date: 3742

RHEMA 3/28/09 OPPORTUNITIES ARE NOT REQUIREMENTS

HEARD: Allowances were made. Took it to prayer. Unstable.

HEARD: Opportunities are not requirements. We are sad but we honor your decision. There you have it. Close a door. Find My will and then stick to it. Say no to the devil and all else.

WORD TO PONDER: OPPORTUNITIES ARE NOT REQUIREMENTS 3/28/09

There are many doors of opportunities in life. Some of them you are drawn to, some of them are drawn to you, and some of them are simply there. Beloved ones, do not presume that a door of opportunity is My will or is not My will based upon any kind of influence. If you are faced with decision, always take it to prayer, find My will and then stick to it. Resist all other influence and learn to close doors with freedom in the same way you would open doors.

I allow doors of opportunity to come your way when I think that it will be a chance for you to

grow. However all opportunities come with new challenges that require change, sacrifice and stretching. That is why many doors are only opportunities to weigh within your own willingness of heart when taking the matter to prayer. These opportunities are not intended for you to presume it is My will for your life.

Ex 11:9-10 NLT

Now the LORD had told Moses, "Pharaoh will not listen to you. But this will give me the OPPORTUNITY to do even more mighty miracles in the land of Egypt." Although Moses and Aaron did these miracles in Pharaoh's presence, the LORD hardened his heart so he wouldn't let the Israelites leave the country.

Gal 5:13-14 NKJV

For you, brethren, have been called to liberty; only do not use liberty as an OPPORTUNITY for the flesh, but through love serve one another.

1 Sam 24:4-7 NLT

"Now's your OPPORTUNITY !" David's men whispered to him. "Today is the day the LORD was talking about when he said, 'I will certainly put Saul into your power, to do with as you wish.' " Then David crept forward and cut off a piece of Saul's robe. 5 But then David's conscience began bothering him because he had cut Saul's robe. 6 "The LORD knows I shouldn't have done it," he said to his men. "It is a serious thing to attack the LORD's anointed one, for the LORD himself has chosen him." 7 So David sharply rebuked his men and did not let them kill Saul.

Gal 6:10 NKJV

Therefore, as we have OPPORTUNITY, let us do good to all, especially to those who are of the household of faith.

James 1:2-4 NLT

Dear brothers and sisters, whenever trouble comes your way, let it be an OPPORTUNITY for joy. 3 For when your faith is tested, your endurance has a chance to grow. 4 So let it grow, for when your endurance is fully developed, you will be strong in character and ready for anything.

**KNOCK, KNOCK, KNOCK, KNOCK**

[Persistence In Prayer Opens Doors]

One night as I was ready to go to sleep I kept asking the Lord if He had anything to say to me. I heard nothing. Then I asked again. Finally, I wasn't being very adult, and was really begging Him like a kid would do. One more time, I said, "PLLLLLLLLLL Lord?"

**VISION:** I saw the lines in a frownie face. The lines were being redrawn from the lips going down, to upwards in a smile. I laughed out loud and said Goodnight!

---

**WORD TO PONDER: I WILL TURN YOUR FROWNS UP**

Those frownie faces that do not become you shall one day be turned up into delighted smiles!

"The full soul loatheth an honeycomb; but to the hungry soul every bitter thing is sweet."  
(Prov 27:7 KJV)

=====

**SANDY RHEMA**

[Lord, it's me again. Please forgive me for nagging You so much, but I really want to hear from You.]

HEARD: Words in My mouth.

[Lord, You mean it's not nagging?]

HEARD: Exactly the opposite. I am drawing you.

=====

NOTE: In hindsight, I think this next entry is quite humorous; it was before I was given a writing ministry.

EXPERIENCE: After hearing so little of late, I have grown very hungry and have been knocking continually for several days. Upon waking from another blank night, I asked the Lord what was going on. I thought of many possibilities, but nothing was planted in my heart. Then when I was getting ready for the day I heard the Lord say, "Encouragement." That was it.

I left for errands and then received the strangest Word. I was at the grocery store and heard the phrase, "Maybe she ought to know." I had the distinct feeling that either the Lord or some angels were speaking something about me. At that exact moment, a bakery lady with a giant clear plastic sack of fresh bread walked past me, carrying the bread over her shoulder. This was really quickened to me but I did not know why. Then later as I was driving home, I drove behind an "oversized load" truck on the freeway. I kept thinking about that oversize bread sack the lady was carrying and wondering what I was supposed to know. Well I haven't heard Him in days, I guess He is trying to send me encouragement.

=====

**GRANDMA ANNA RHEMA**

HEARD: I heard two knocks in the Spirit.

HEARD: Behold I stand at the door and knock. If any man hear My voice and open the door, I will come in to him and will sup with him and he with Me.

HEARD: Fear not little ones. It's the Father's good pleasure to give you the kingdom. Yes, it's a pearl of great price and you have the pearl encircled with your hands. The Kingdom of God suffers violence and you have taken it by force. Your importunity shall bring forth that which was otherwise impossible. You knocked, and knocked, and knocked. Finally the door opens. Be

---

ye not troubled neither be ye afraid. Only believe.

HEARD: Imporunity. Declare delivered. Make merry and be glad. Up and out. Through. Finished. The end. Amen. Blessed ones. Waiting for God. Thank you.

BOB JONES QUOTE - ENTERING IN

<http://www.bobjones.org>

BOB JONES QUOTE - ENTERING IN

"...Don't talk to Him with the religious jargon. Just talk to Him with the truth, He already knows what's in your heart. If you had a bumner day, tell Him about it. If you are having problems, tell Him about it. You enter into the Presence of the Lord with faith, truth and inner honesty. These are 3 things that get you in there. First faith, then truth and be totally honest. And you are going to come into the Presence of the Lord. But I like to cultivate it. Through the years. It took me a while to get into it. But I believed and I kept seeking until I found. If you seek you will find. If you knock, the door will be opened to you. And sometimes my greatest knocking was silence. Shutting this off. (head) And you can, and listen. When it first starts, all these other phones in your mind are ringing all the time. And sometimes you don't hear until about 3 oclock at night when all the other phones have gone off. At 3 o clock at night this mind of yours is not doing the last day's work anymore and it hasn't started doing the next day's work. And your flesh has already rested from the last day. And it isn't hurting so bad you couldn't hear. Then is when you begin to get the light impressions. Then is when you need to listen. At first you need to write them down..."

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER: SEEK ME

I can hear you knocking, dear one. I told you that you shall find Me if you seek Me. So why do you frown? Do you think I am lost? Smile, precious! I am not lost, but I do hide Myself. I draw your heart to earnestly seek Me with all your heart, so that you would know Me in all My ways. How I love to reveal My heart to those who are truly hungry for Me. Do not feel guilty about your tendency to nag until I answer. I am drawing you and developing within you the habit of searching for Me, so that you will learn to abide in Me, and not stray from My side. I know that once you "catch" Me, you will never let go!

Luke 11:9-13 NLT

"And so I tell you, keep on asking, and you will be given what you ask for. Keep on looking, and you will find. Keep on knocking, and the door will be opened. For everyone who asks, receives. Everyone who seeks, finds. And the door is opened to everyone who knocks. "You fathers--if your children ask for a fish, do you give them a snake instead? Or if they ask for an egg, do you give them a scorpion? Of course not! If you sinful people know how to give good gifts to your children, how much more will your heavenly Father give the Holy Spirit to those who ask him."

## THE PRICE IS RIGHT - Let's Make a Deal

Posted by [ [swauthor](#) ] May 17th 2006 - 7:58PM Posts to date: 3742

### UPDATE NOTE: 12/29/07

I have been told since the posting of this, that there were 2 shows very similar. The one I have called and described below in 2004 as "The Price is Right" was actually called, "Let's Make a Deal." A couple days ago I heard the Lord say, "I am spending you" and that was before I knew this was coming out on the list. So I am sure the timing of these opportunities are now.

In the Price is Right show they actually got to see what was behind the doors without the risk of guessing the reward. Their goal was to count the unknown cost. I feel that the Lord is giving us both options, one with our sight or the other without our sight. I think the options are totally dependant upon how well we graduated with repentance.

### Luke 14:28-33 NKJV

For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it — 29 lest, after he has laid the foundation, and is not able

---

to finish, all who see it begin to mock him, 30 saying, 'This man began to build and was not able to finish.' 31 Or what king, going to make war against another king, does not sit down first and consider whether he is able with ten thousand to meet him who comes against him with twenty thousand? 32 Or else, while the other is still a great way off, he sends a delegation and asks conditions of peace. 33 So likewise, whoever of you does not forsake all that he has cannot be My disciple.

#### THE PRICE IS RIGHT - written in 2004

Often the Lord speaks to us in Word puns where they can mean 2 different things and He is highlighting both interpretations. The phrase, "The Price is Right" is one of those tongue in cheek prophetic puns. As a child, I remember watching the game show called The Price is Right on TV. The player would bid on unseen merchandise behind one of 3 different doors... taking a risk that the gift they had in their hand was either better than or worse than opportunity behind whatever door they chose. By trading for a door, some lost what they were given, some gained, and some played it safe by keeping what they had.

=====

#### MONEY IN OUR HAND

It seems that we wait forever for our spiritual graduation and thus doors of opportunity to open. Then, when the time comes, too many doors open at once and we are forced to choose. Upon high school graduation, I can remember doors opening to 3 colleges. My Dad told me the one he thought I should go to but that was my least favorite. If I had been a wise daughter and just listened to him, I would have saved myself years of waiting to meet my husband and a lot of money. As it turned out, after changing my major and colleges several times, I finally moved to the college my Dad had suggested in the first place. It also happened to be where I met my husband. As far as that college diploma... it came 20 years after I graduated from high school. After failing a writing and piano class, (I hope some of you are laughing at the irony) I managed to graduate with a B+ average and obtain that diploma. I finally got to the goal, but I sure went through a lot of circles to get there.

Just like the show on the Price is Right, we are handed some money and given choices. That money is assets such as our character, our training, our preparation, our conscience, our anointing, and our calling. Upon graduation, it's as though the Lord says, "Here it is. I have given you everything you need in preparation to walk through your unknown door. Now you choose." Wisdom would say that the above statement is enough to make one's hair stand on end and refuse to budge without the Father's counsel.

=====

#### DOOR NUMBER ONE

Fresh out of our testings, usually the first door we come to offers the thing we have wanted the most. It can be sprinkled with glitter but along with it are many chances to compromise everything the Lord has taught us. When provoked, the enemy always overplays his hand, and that trait will manifest itself if you lay low enough and wait upon the Lord. The enemy gets wind of what the Lord is doing, and tries to jump the gun on offers so that we miss the real thing. The enemy says, "Hey the price is right. All it will cost is a little fudging here and a little compromise there. You can negotiate and rationalize your way through." If we choose this door, we risk everything and may gain our ambitions but lose a large portion of our full inheritance.

---

=====

## DOOR NUMBER TWO

When the Lord offers His good gifts, He says, "The price is right for the greatest door of opportunity this world has ever known." "You have My grace and I have also placed in your hand the character to enjoy the gift on the other side of this door. Do you remember your pain of past failure when you quit your obedience classes? I have given you the training from those past experiences so you will stay committed on the path once you walk through that door. I have also given you the courage to lean on Me and not trust in your own strength. I have given you gifts, anointing, and talents to spend. The cost to walk into your new beginning is already paid...through your testings and through My grace. When you walk through this great door in history, spend what you have wisely."

=====

## THE IRONY - OUR DESTINY IS SET

Rev 22:11 NKJV

He who is unjust, let him be unjust still; he who is filthy, let him be filthy still; he who is righteous, let him be righteous still; he who is holy, let him be holy still."

Who we are is a product of the seeds planted and nurtured. Who we are is known by our fruits. Our fruits are determined by our seeds. Our seeds are determined by our choices. Our choices are determined by our faith.

We are living in an age of harvest, where everything in the earth is coming into full bloom. We are the product of many generations of seeds, wealth, knowledge, faith, prayers, gifts and callings. This is true of both good and evil seeds. With this thought alone, we are already set up to choose the door to our destiny. It is still our choice, but we are already the byproduct of our own choices.

Who we are at the time we approach our door will determine the choice we make. What that means in plain English is that before we approach that door, we need to spend our decisions wisely because fruit does come, and it is coming on fast.

=====

## IT'S A MATTER OF TIMING

Because we have His God seed planted in us through Jesus Christ our Lord and Savior, our only choice is the right door. If we miss it, He will bring us through the same cycles of training with more nurturing until we finally have "enough money" to go through the right door.

Right now 'the price is right' for the current generations to make preparations to go through destiny's door together into the land of promise. There is a door opening through Jordan's floodwaters, and as a unit we will pass safely over together. When the last person crosses over, the door of opportunity will close until another time.

=====

---

**DOOR NUMBER THREE**

For those who have chosen the door of wickedness, they still have time to repent so that they may cross over in safety. The price is the blood of Jesus Christ and the word of their testimony in Him. For those lacking the funds, repentance is instant cash.

Rev 3:15-21 NKJV

"I know your works, that you are neither cold nor hot. I could wish you were cold or hot. So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth. Because you say, 'I am rich, have become wealthy, and have need of nothing' -- and do not know that you are wretched, miserable, poor, blind, and naked -- I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. As many as I love, I rebuke and chasten. Therefore be zealous and repent. Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me.

=====

**CONCLUSION**

=====

{ Words to Ponder are summaries of His quickened Words }

**WORD TO PONDER: SPEND YOUR TRIALS WISELY 2/23/04**

Dear ones, all of time has waited for this hour when the fruit of the earth overtakes the plowman. All that is fruit will receive its reward, whether to be burned or preserved. Your fruit is a product of everything you yield to. Yield to Me and I AM the Merciful One Who will tear the weeds from your life and nourish My good plantings.

As you come to your destiny's door, the spotlight will shine upon your assets that have been bought and won by passing your tests and by My blood. It is not too late to close the wrong doors in your life. Do you need more grace in this late hour? Dear one, repentance will buy you more than enough.

Rev 12:10 KJV

And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

1 Corinthians 3:12-15 NKJ

Now if anyone builds on this foundation with gold, silver, precious stones, wood, hay, straw, each one's work will become clear; for the Day will declare it, because it will be revealed by fire; and the fire will test each one's work, of what sort it is. If anyone's work which he has built on it endures, he will receive a reward. If anyone's work is burned, he will suffer loss; but he himself will be saved, yet so as through fire.

### Make way for Him open the door

Posted by [ [louise](#) ] Dec 21st 2007 - 1:14AM Posts to date: 4

19th Dec 2007

I am so aware in these days that the Spirit of God is trying to 'get through' to us. To get our attention like never before.

He stands at the door knocking but, we can't hear because, the noise of our lives is too loud. More and more we need to be sensitive to the call of His voice . It is too easy to get distracted with the cares of the world. The world needs us to be ready to speak the words of freedom, to reach out in love to the hurting, to reveal Jesus to them.

In this season our Father is revealing Himself to all, saved and unsaved, with many signs and wonders, miracles of healings, He will do anything to get our attention....'I AM, here' they say.

Soon we will begin to see the nations uncovered , one by one, God will expose them to His justice. The day of the Lord is at hand and I see the storm clouds gathering over them and I see the rain of His Spirit pouring out onto a dry and barren lands. Lands that have been deserted because they were no longer fruitful. Lands that have become overgrown with

---

noctious weeds, lands that have become poisoned with corruption. We must be ready so that we, will not be washed away in the outpouring , We must be rooted and grounded in Him in His love.

I see that the time is short and so there is an urgency in the Spirit to be ready . Ready to move as the Spirit leads, as never before but, our spiritual ears must be free from all the clamor that surrounds us. We must put down the fleshly desires that shout to be satisfied .

**Psa 96:1 Oh sing to Jehovah a new song; sing to Jehovah, all the earth. 2 Sing to Jehovah, bless His name; show forth His salvation from day to day.3 Declare His glory among the nations, His wonders among all people.4 For Jehovah is great, and greatly to be praised; He is to be feared above all gods. 5 For all the gods of the nations are idols; but Jehovah made the heavens.6 Honor and majesty are before Him; strength and beauty are in His sanctuary. 7 Give to Jehovah, O families of the people; give to Jehovah glory and strength. 8 Give to Jehovah the glory due to His name; bring an offering, and come into His courts. 9 O worship Jehovah in the beauty of holiness; fear before Him, all the earth. 10 Say among the nations, Jehovah reigns; and the world shall be established; it shall not be moved; He shall judge the peoples in uprightness. 11 Let the heavens rejoice, and let the earth be glad; let the sea roar, and the fullness of it. 12 Let the field be joyful, and all that is in it; then shall all the trees of the forest rejoice 13 before Jehovah; for He comes, for He comes to judge the earth; He shall judge the world with righteousness, and the people with His truth.**

.. I hear Him calling even now , can you hear what the Spirit of the Lord is saying? .....'come near My children, come near to My heart. Don't be afraid I will not turn away from you if you call on Me. It is I who desire to talk and walk with you, to bring you into the place of peace, a place of rest. I and only I hold the answer to all the problems that try to steal your peace. Ask and I will respond. My desire is to pour out my Spirit through you to bring life where there was death, to individuals , to cities and even to the nations.

**Psa 46:10 Be still, and know that I am God! I will be praised among the nations, I will be praised in the earth.**

## Moving You Quickly Through the Door

Posted by [ [swauthor](#) ] May 16th 2007 - 4:06PM Posts to date: 3742

**RHEMA 5/16/07 MOVING YOU QUICKLY THROUGH THE DOOR**

**HEARD:** The bare necessities. Travel light, release them to Me. We'll move quickly through the door into another place. Don't stand too close to the door, move quickly through it.

Fresh approach. Kingdom. The kingdom is My will done on earth. I will tell you all you need to know. In My time. It's perfect.

**WORD TO PONDER: DON'T LINGER AT THE DOOR 5/16/07**

I AM strongly moving you through the hallways of transition. I AM releasing you to walk through the door of hope. Travel lightly and take only the bare necessities with you, for the heavy clutter will not fit through the threshold. Do not hesitate with reluctance at what you need to let go of. Deep inside, you already know dear one, you already know. I want you to move quickly through this door, and onto the other side into your new place. Don't worry about what's to come. I will tell you all you need to know in My very perfect timing.

---

**Hos 2:14-15 NLT**

**I will return her vineyards to her and transform the Valley of Trouble into a gateway of hope. She will give herself to me there, as she did long ago when she was young, when I freed her from her captivity in Egypt.**

## **CLOSING THE DOOR TO DEMONIC DREAMS**

Posted by [ [swauthor](#) ] May 15th 2006 - 10:13AM Posts to date: 3742

### **CLOSING THE DOOR TO DEMONIC DREAMS**

**A Teaching on Overcoming Bad Dreams**

**4/10/02**

**Hi Loved Ones,**

**Some have a life style of having bad dreams or demonic dreams. I pray that this teaching helps close some of the doors of torment for those in need.**

**HIS PROMISE**

---

His Word promises His beloved sleep:

Psalm 127:2 NKJV

It is vain for you to rise up early, To sit up late, To eat the bread of sorrows; For so He gives His beloved sleep.

Psalm 4:8 NKJV

I will both lie down in peace, and sleep; For You alone, O LORD, make me dwell in safety.

Proverbs 3:24 NKJV

When you lie down, you will not be afraid; Yes, you will lie down and your sleep will be sweet.

Jeremiah 31:26 NKJV

After this I awoke and looked around, and my sleep was sweet to me.

Since good rest is His promise, I have come to believe the Lord uses a pattern of demonic dreams to warn us that something is wrong. In the following scripture He says that dreams are meant to turn men from their deeds and to keep them from pride.

~ ~ ~ ~ ~

#### A WARNING

The scripture says: "Why do you contend with Him? For He does not give an accounting of any of His words. For God may speak in one way, or in another, yet man does not perceive it. In a dream, in a vision of the night, when deep sleep falls upon men, while slumbering on their beds, then He opens the ears of men, and seals their instruction. In order to turn man from his deed, and conceal pride from man, He keeps back his soul from the Pit, and his life from perishing by the sword." (Job 33:13-18 NKJV)

~ ~ ~ ~ ~

#### THE DOOR ONTO THE HOLY HIGHWAY

There are doors or spiritual portholes in our life that can open and close depending upon the choices we make. When we make choices that are not holy ones, it leaves us open for torment. For many years I have seen the holy highway being built. The Lord is calling us to climb up, place darkness beneath our feet and walk upon this holy highway. It is like a bridge or a thoroughfare rising above the land and no beast is allowed upon this road.

Isa 35:8-9 NKJV

A highway shall be there, and a road, And it shall be called the Highway of Holiness. The unclean shall not pass over it, But it shall be for others. Whoever walks the road, although a fool, Shall not go astray. 9 No lion shall be there, Nor shall any ravenous beast go up on it; It shall not be found there. But the redeemed shall walk there.

~ ~ ~ ~ ~

---

## THE DOOR OF OUR CONSCIENCE

Everyone has a conscience. It is possible to so burn ones' conscience that it becomes numb and without feeling. Ask the Lord to teach you what your conscience feels like and how to be sensitive to its nudging when you are rationalizing, wrestling with it, or ignoring it. Ask the Lord for grace to obey it.

Acts 24:16 KJV

And herein do I exercise myself, to have always a conscience void of offence toward God, and toward men.

John 5:14 NLT

But afterward Jesus found him in the Temple and told him, "Now you are well; so stop sinning, or something even worse may happen to you."

Rom 2:14-16 NLT

Even when Gentiles, who do not have God's written law, instinctively follow what the law says, they show that in their hearts they know right from wrong. 15 They demonstrate that God's law is written within them, for their own consciences either accuse them or tell them they are doing what is right.

~~~~~

THE DOOR TO THE TORMENTORS

The scripture says that when we do not forgive someone, that we can be turned over to the tormentors. One of the ways we can be tormented is through bad dreams.

Matt 18:34-35 KJV

And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him. 35 So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses.

Job 7:13-15 NKJV

When I say, 'My bed will comfort me, My couch will ease my complaint,' 14 Then You scare me with dreams and terrify me with visions, 15 So that my soul chooses strangling and death rather than my body.

~~~~~

## THE DOOR OF DRUGS

Taking drugs opens the doors to the demonic world. The following scriptures are connected with the Greek words for drugs: Revelation 9:21; 18:23; 21:8; 22:15, Galatians 5:20. The words in those scriptures are translated sorcery and witchcraft.

The Greek word for drugs:

NT:5331

pharmakeia (far-mak-i'-ah); from NT:5332; medication ("pharmacy"), i.e. (by extension)

---

magic (literally or figuratively):

KJV - sorcery, witchcraft.

FROM NT:5332

pharmakeus (far-mak-yoos'); from pharmakon (a drug, i.e. spell-giving potion); a druggist ("pharmacist") or poisoner, i.e. (by extension) a magician:

KJV - sorcerer.

I have noticed that prescription pain medications from the codeine family opens this door, even temporarily when used after surgery, etc.

~~~~~

THE DOOR OF UNCLEAN ENTERTAINMENT

The enemy is using the media and entertainment to flood people's minds, eye gates, and conscience with filth. The enemy is using these things to bring compromise into the church and the church is feeding upon and spending their money on unholy entertainment. Demons have been loosed upon the earth to bring into captivity those who feed at the world's table, and the Lord is allowing this to chastise His people and bring them back to Him.

Isa 33:15-16 NKJV

Who stops his ears from hearing of bloodshed, And shuts his eyes from seeing evil: 16 He will dwell on high; His place of defense will be the fortress of rocks.

Ps 119:67 KJV

Before I was afflicted I went astray: but now have I kept thy word.

Num 33:55

But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell.

Prov 27:20

Hell and destruction are never full; so the eyes of man are never satisfied.

Rom 12:1-2 NKJV

I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

NKJV

~~~~~

#### THE DOOR OF WITCHCRAFT CURSES

---

The covens are cursing the Christians, especially their sleep between midnight and 3 AM. Also, a spirit of unrest has been loosed upon the earth and it is a curse spread because of fear and anxiety and this has been allowed because of our sin of unbelief. This is a time where the Lord is calling His people to a higher place in Him, leaving the world's influence behind, where they can come into His sabbath rest, a place of perfect belief in Who He is, and how He rules over all. Before sleeping each night, cover yourself and your loved ones with the blood of Jesus. Ask for angelic warriors to protect your sleep and also anoint your bed with oil in Jesus Name. Pray blessings upon all who would curse you, for if they are unworthy, the blessing will return to you! (Matt 10:13, Luke 10:6.)

Prov 26:2 NKJV

Like a flitting sparrow, like a flying swallow, So a curse without cause shall not alight.

For those who are on the front line battle, it is important to keep your daily prayers of repentance and confession over yourself and loved ones, so there will be no reason for a demonic curse to stick. All men daily fall short, it is only by His continuing forgiveness and grace that He does not deal with us as we deserve.

Ps 103:10 NLT

He has not punished us for all our sins, nor does he deal with us as we deserve.

~~~~~

CHANGE YOUR FOCUS

The enemy has one goal and that is to be at war with the saints. That is his desire, his expertise, because he wants to lure us away from our focus on the Lord. I will never forget when satan appeared before Smith Wigglesworth one night. When Smith saw him, he said, "Oh, it's only you," then turned over and went back to sleep. That is a powerful testimony of true authority. He so trusted in the Lord that he was able to go back to sleep, he wasn't even going to pick or accept a fight, it just wasn't even in his schedule. He knew the secret of sabbath rest.

One way that the enemy stirs our life is to get us to think about or even to relate our bad dreams to others. When it seems as though it would be like a purging of the dream to tell it, be considerate and do not share the details of your demonic dreams with others. Just plead Jesus' blood over your memories and over the blatant lies and don't focus on the trash. Rather, bury the garbage where it needs to go... outside the camp.

Deuteronomy 23:11 NLT

Toward evening he must bathe himself, and at sunset he may return to the camp. 12 "Mark off an area outside the camp for a latrine. 13 Each of you must have a spade as part of your equipment. Whenever you relieve yourself, you must dig a hole with the spade and cover the excrement.

~~~~~

#### SUBMIT TO THE LORD

Often we quote, "Resist the devil and he will flee." But that is just one phrase sandwiched between a bunch of others that are calling for humility and submission, drawing near, having clean hands, pure hearts, and bowing low in humility before the One Who can lift us up.

---

James 4:6-10 KJV

But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble. 7 Submit yourselves therefore to God. Resist the devil, and he will flee from you. 8 Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded. 9 Be afflicted, and mourn, and weep: let your laughter be turned to mourning, and your joy to heaviness. 10 Humble yourselves in the sight of the Lord, and he shall lift you up.

Consider this possible interpretation and read verse 7 again: Do not resist the devil until you have first submitted to God. After many years, off and on, of being chastised with bad dreams relating to my day's choices, I have come to the conclusion that all the above doors are vital and important to our life in the Lord. I do believe that bad dreams, especially if they occur more often than not, are a sign that something is wrong and the Lord is giving us LOVING warnings that we are not lining up with His Word, which is better than having a worse thing befall us.

~ ~ ~ ~ ~

**WHEN ALL ELSE FAILS**

If after all the above doors are closed and kept closed, and one is still plagued by bad dreams, it is for your training in overcoming the enemy. And it can also be persecution because you are marked with a calling upon your life. Count yourself blessed.

Matt 5:10 KJV

Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven.

Rom 5:3-5 NKJV

And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance; 4 and perseverance, character; and character, hope. 5 Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given to us.

Rom 8:35-37 KJV

Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? 36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. 37 Nay, in all these things we are more than conquerors through him that loved us.

~ ~ ~ ~ ~

And so Lord we once again commit ourselves to You, to raise us up as You see fit. Thank You for Your loving warnings, for they keep us from destruction.

Lovingly,

Sandy

THE DOOR OF YES

Posted by [[swauthor](#)] May 17th 2006 - 8:11PM Posts to date: 3742

THE DOOR OF YES

[It is Time For Answers to Prayer]

HEARD [3/11/04]: My house shall be called the house of prayer. We are one, let us begin. Why do we pray?

[Well Lord, I thought we pray to bring Your kingdom on earth]

HEARD: Good answer, what else?

EXPERIENCE: Then I began to hear Him, as well as feeling and experiencing phrases from both His and my own memories. They were so painful that I stopped recording. They were on the subject of travail, Gethsemane and other experiences. Just as I was wondering why I had this painful experience, I heard:]

HEARD: Finished. The time is up, the time is up, the time is up!

VISION: I saw a screw being screwed down with a power driver.

INTERPRETATION: The forerunner intercessors have gone through painful travail and the intercession of waiting is complete and finished. It is now time to be confirmed, established and driven into a sure and strong place.

Isa 22:22-23 KJV

And the key of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open. And I will fasten him as a nail in a sure place; and he shall be for a glorious throne to his father's house.

=====

REVELATION GIVEN TO THE BODY OF CHRIST

This above rhema reminded me of a significant revelation the Lord gave to His people in January of this year. I was on my way to church and I heard the Lord say:

HEARD [1/04/04]: Give them what they want!

Upon hearing this, it put the fear of God into me! This can be interpreted ANY way... you shall have what you say... you shall have what you believe, whatever you want, whether good or evil, it shall be given to you! For this reason instead of being overjoyed, I felt the awesome responsibility of such a door being opened.

CONFIRMATION: Later at church, the pastor mentioned that God does not always give us what we want, because we ask amiss and it would not be good for us. (James 4:2,3) He brought out the fact that the Lord granted Hezekiah's request to live and not die, but his son became Israel's most wicked king. His son was not born until after the Lord had extended his life for 15 more years.

=====

SANDY RHEMA 1/07/04

HEARD: Before you stands an open door, sweet one. I promised this to you, years ago. The door of yes. Where are we? You will understand when you look them up. It's a new day in every way.

VISION: I saw that I hit the hard page return on my computer keyboard 8 times. This keystroke created 8 new blank pages. This represents a brand new beginning not yet written.

=====

GIVE THEM WHAT THEY WANT CONFIRMATION [1/23/04]:

Denny Cline posted a Word on Elijah List that confirmed, "Give them what they want." Error! Bookmark not defined.

(Excerpt of Word)

"Tuesday night the 13th of January, I woke up and decided to worship. As I continued, this Word came to me more clearly than most things I feel or hear from the Lord.

"I am looking at America through the eyes of the church now." When I asked the Lord what this meant, here are the impressions I received:

1. What the church believes for, America will receive. 2. What the church allows is what America will endure. 3. What the church disallows is what will be prevented. 4. The way the church views America is what she will become.

=====

GIVE THEM WHAT THEY WANT CONFIRMATION [2/03/04]:

The following (excerpt) came out on Elijah List from John Paul Jackson on 2/3/04: "...four words leaped off the page at me: "because you have prayed" (verse 21). God was telling Hezekiah that because he had prayed, God would act on Hezekiah's behalf...."

"How does this apply to us, thousands of years later? I am convinced that many Christians live a prayer-less life. It's not because they do not believe God will act - they do. However, they believe God will act without their prayers. Scripture tells us differently: "because you have prayed." An indifferent attitude toward prayer is both inaccurate and costly."

WORD TO PONDER: THE DOOR OF PROMISE IS OPEN

There are promises I made to you years ago. You have faithfully waited for the timing and now the door of promise is open. Trust Me, when I say it's a new day in every way. I know you do not understand this to the degree that I intend. It would simplify matters if you would simply call this door, the door of yes.

Yes, dear one, you are writing history. The pages are blank because it is a new beginning, - yet to be discovered. Do you understand what this means? I have granted a second chance, a clean slate.

The pain of travail and delay is over. You are about to reap the joy of answered prayer like never before. Yes indeed, I do listen and hear you as you pray and I will plant this deeply into your heart and renew your faith. Pray like you have never prayed before. I am offering you a door of Yes, a door that says, "Give them what they want." The ramifications of such a time as this are immense. Think it through and plant your daily prayers wisely.

Josh 10:14 KJV

And there was no day like that before it or after it, that the Lord hearkened unto the voice of a man: for the Lord fought for Israel.

### AS THE DEER PANTS

Posted by [ [swauthor](#) ] May 17th 2006 - 5:26PM Posts to date: 3742

#### AS THE DEER PANTS

SANDY RHEMA

I look back to the year after I graduated from high school as the hardest year of my life. I had a very hard time adjusting to change and spent a great deal of time wrapped in miserable thoughts and emotions. That year, I also felt the plunder of my own personal compromise with giants of sin and wrestled to overcome them. It was during that time that I experienced a wonderful comfort singing Psalms to the Lord. My most favorite was singing Psalms 42. When I sang my heartache to the Lord, it blew away the torment I felt and also brought me into comforting intimacy with Him.

Ps 42:1-5 NKJV

---

As the deer pants for the water brooks, so pants my soul for You, O God. My soul thirsts for God, for the living God. When shall I come and appear before God? My tears have been my food day and night, while they continually say to me, "Where is your God?" When I remember these things, I pour out my soul within me. For I used to go with the multitude; I went with them to the house of God, with the voice of joy and praise, with a multitude that kept a pilgrim feast. Why are you cast down, O my soul? And why are you disquieted within me? Hope in God, for I shall yet praise Him for the help of His countenance.

=====

**SANDY RHEMA**

I slept poorly last night and am resting this afternoon.

**NAP TIME HEARD:** Daughter, I love you. I will strengthen you. My beloved.

**VISION:** I saw a beautiful doe sitting down in peace.

**HEARD:** It's you.

**SONG IMPRESSION:** Then I remembered the words to the song: "As the deer pants for the water, so my heart pants after You."

**VISION:** I saw an angel get into the back seat behind the driver's seat of our car. He was crammed into the car and way too big for it! He was long and lean, with well toned muscular legs. The car door was still open and I saw him duck back under the car roof and lean out of the car in order to give me the most beautiful smile.

**HEARD:** I am here to help you. Strength.

[I was so touched that the Lord understood my weariness and had sent an angel of strength to strengthen me. Just that smile alone was enough to see how much the Lord loves us. I was so encouraged. I also thought of a beautiful deer laying among the green grass in peace. In the 23rd Psalm, it says He makes me lie down in green pasture and leads me beside still waters. Many animals will not lie down if they are agitated with unrest.]

=====

**GRANDMA ANNA RHEMA**

**EXPERIENCE:** I had just finished reading some past rhema and scripture (Psalm. 42) about a deer. I closed down the computer to go to lunch. As I was driving, suddenly out of no where appeared a young buck racing along side of me on the drivers side of the road. I could have reached out and touched him. I must have been going 35 miles an hour. I could scarcely believe my eyes. I knew it was a sign to me. I slowed down and the deer still kept pace with me. When I got to the corner, it crossed in front of me and went under the underpass and up the hill.

I am so humbled by His communing with me in such an obvious way. How I love Him. It was His way of encouraging Sandy and myself in our current circumstances.

=====

**CONCLUSION**

=====

{ Words to Ponder are summaries of His quickened Words }

**WORD TO PONDER: DEEPER YEARNINGS**

My Beloved, the one who pants for Me! How I love your deep yearnings for Me. Take the effort to nurture your thought life with creativity birthed from My Spirit. Use discipline to turn from thoughts not edifying. Bring all into obedience and quiet yourself before Me.

There are seasons and times when I draw close to My people. I want to draw closer to you and will place within you My yearning to draw closer to Me. If you give heed to My gentle call, we will be given many precious bursts of life together in a new and meaningful way. I await your response, dear one.

Ps 42:1-2 NLT

As the deer pants for streams of water, so I long for you, O God. I thirst for God, the living God. When can I come and stand before him?

## RESIST COMPROMISE

Posted by [ [swauthor](#) ] May 17th 2006 - 5:25PM Posts to date: 3742

### RESIST COMPROMISE

[Closing the Door to Compromise]

Last night I watched a true story movie. I was disappointed over the bit of carnality in the story (rated PG), it was not necessary. Since it was a true story I wanted to see how the ending resolved. As it turned out, it had a totally lousy ending and injustice reigned in the courtroom. When I went to sleep I had the following dream:

**DREAM:** I dreamed I saw a vision of an old fashioned lady with a cigarette dangling in her mouth. She was one of the occasional characters in the true story movie I saw last night. While in the dream, I was agreeing with the Lord that she had a carnal mouth in her language,

---

but then rationalized watching the show, saying the ending was good.

[This dream was an object lesson from the Lord, because in reality it was a terrible ending of injustice reigning in the court system.]

HEARD: The end does not justify the means.

VISION: I saw a long line of people. One person started to compromise, then I saw the group of people compromising more and more and more. It started with one and then went down the line. In the vision I realized that one bad apple can ruin the whole lot.

1 Cor 5:6 AMP

Do you not know that [just] a little leaven will ferment the whole lump [of dough]?

VISION: I saw a pair of gloves and they were red.

[INTERP: Red can mean several things including sacrifice, but in context to my seeing a lot of red stop signs lately, red in this vision means to STOP. Gloves in past rhema represent our destiny.]

HEARD: My point exactly. Compromise, did you miss something?

Col 3:7-8 NLT

You used to do them when your life was still part of this world. But now is the time to get rid of anger, rage, malicious behavior, slander, and dirty language.

=====

QUICKENED MAGNETIC SIGN: Watch your step, everyone else does.

=====

HEARD: Painful. Compromise.

=====

HEARD: How's my luck holding out? (Then I heard the name of an elder I used to know.)  
Blind. Compromise in the institution.

VISION: I saw a door was swinging closed but it only closed half way.

=====

HEARD: How fast can I go? How fast do you want? We have to allow them to make mistakes.  
Compromise in the fast lane.

---

=====

HEARD: Compromise. To raise a familiarity of the comfort zone.

=====

HEARD: 3 weeks late into the hard winter. That is a parable.

HEARD: Holiness is what You want from me. Take my mind and transform it. Take my will and form it to Yours. Help them overcome this. Compromise.

=====

VISION: I saw a pastor very alarmed when he found out that the degree of the coming enduement of power that he had been waiting for was exclusive for holiness.

HEARD: Do not argue. A holy people. Zipporah.

Ex 4:24-26 NLT

On the journey, when Moses and his family had stopped for the night, the LORD confronted Moses and was about to kill him. But Zipporah, his wife, took a flint knife and circumcised her son. She threw the foreskin at Moses' feet and said, "What a blood-smeared bridegroom you are to me!" (When she called Moses a "blood-smeared bridegroom," she was referring to the circumcision.) After that, the LORD left him alone.

HEARD: Spirit of compromise. Before they died, they were spent. I died, I died, I died.

[INTERP: Before they finally yielded to the Lord, they spent themselves arguing and striving with Him about compromising His holy standard.]

HEARD: A built in mike. They need to hear My voice. Some powerful stuff is coming down the pike. Oh Father teach us Your way. Are you with Me?

=====

HEARD: The unholy spirit versus the Holy Spirit.

WARFARE: I was taken up into a trance and wrestled in the sky with some kind of a powerful being between 11:11 and 11:56 PM. It attacked my back and I could not reach it. Finally I got a strong grip on it and whipped it around like a bull whip, over and over again, repeating the name of Jesus! Supernaturally I was given a very strong will and would not let it go until it yielded. I woke still fighting. I prayed that I would know its name and that I would understand what this fight was about because this was quite a fight and I did not know what I was fighting. Then I went back to sleep.

DREAM: I was dreaming that I was warring against this same spirit. I was at the microphone explaining what the war was about and I looked over in the kitchen area where I had placed

---

some kind of an object lesson. Then a women that I knew who operated in a carnal and counterfeit spirit went to the kitchen and said, "There are no right or wrong answers." Still in the dream, I felt this was spoken under the influence of compromise, or the Ahab spirit.

HEARD: That's what this is, a tug-a-war. Close the door. Compromise.

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

[The following is an excerpt from the Word to Ponder, Before the Second Wind]

WORD TO PONDER: I PRAY FOR MY BRIDE, MY WIFE

Dear Father, I pray for My beloved. I love My bride! The battle has been long and under the strain of her load she has fallen, not knowing which way is up. Hear her cries for help and send her mercy. For I long to send her mercy, I long to bless her with My second wind of refreshing and endue her with My power.

Father, help her to choose the right path — the pathway of holiness. For only in that path can she overcome the insurmountable odds sent against her. Even now the deceiving antichrist spirit is in the world. The only way she can overcome this is to cut off its luring passions and lusts. My bride has been lured into carnal entertainment and this deceptive spirit is stealing the heart of My wife! Instead of being washed pure by the water of Your Word, she has fallen into compromise through the brainwashing of carnal filth.

Give her mercy and operate on the cataracts that blind her vision. Let her see the deception and return to Me, her Husband. Oh Father, she is so close to death! Help her to sever this, for this same spirit that is mesmerizing her to sleep and compromise is also the same spirit that can one day trod her under foot. The only way to escape that day is the pathway of holiness.

Even now We are measuring the temple that encompasses those who dwell in My most holy place; those who have separated themselves from the outer courts of the world. Even now You are offering this same grace to others, to cut off the death grip of carnality. And even now You are offering access for those to come into Your most holiest place.

"A highway shall be there, and a road, And it shall be called the Highway of Holiness. The unclean shall not pass over it, But it shall be for others. Whoever walks the road, although a fool, Shall not go astray." (Isa 35:8 NKJV)

THE WAY OUT OF THE MAZE

Posted by [[swauthor](#)] May 17th 2006 - 5:24PM Posts to date: 3742

THE WAY OUT OF THE MAZE

VISION [4/12/01]: I saw someone going through a maze made out of pieces of land which were in the shapes of animals. It was his goal to travel through these lands to get to a piece of land on the other side. The pieces looked like land masses or continents that had definite borders. As he traveled, most of the owners of the pieces of land opposed him. He was just trying to travel through and they were trying to impede his way. It was interesting that some land owners opposed him, and some did not. It was a definite maze of working through territory to get to the other side.

Deut 2:4-6, 8-9 NLT

You will be passing through the country belonging to your relatives the Edomites, the descendants of Esau, who live in Seir. The Edomites will feel threatened, so be careful. Don't bother them, for I have given them all the hill country around Mount Seir as their property, and I will not give you any of their land. Then as we traveled northward along the desert route through Moab, the LORD warned us, `Do not bother the Moabites, the descendants of Lot, or start a war with them. I have given them Ar as their property, and I will not give you any of their land.' (And Deut 2:16-19)

Deut 2:24-25 NLT

Moses continued, "Then the LORD said, `Now cross the Arnon Gorge! Look, I will help you defeat Sihon the Amorite, king of Heshbon, and I will give you his land. Attack him and begin to occupy the land. Beginning today I will make all people throughout the earth terrified of you. When they hear reports about you, they will tremble with dread and fear.'

HEARD: But God has established us right in this place. In the presence of our enemies. He makes a way. And there shall be a sign. And the sign shall be for the rest of your days. And they shall have an earthly domain. Thy kingdom come on earth. As it already is in heaven.

EXCERPTS HEARD: Safe passage. Journey. With My assistance. All along the way.

How you respond reveals. What we do about it. When My people really humble themselves. And pray. I turn the tide. Humble yourself. You've come to a conclusion. A very real answer. What's in the Bible? We HAD to graduate. And get this, we HAD to make peace with our enemies.

Prov 16:7 KJV

When a man's ways please the LORD, he maketh even his enemies to be at peace with him.

=====

HEARD: Fresh approach. How can we handle this? There's always a way out. If you repent.

=====

"His tangible Presence and grace will usher in the Fear of the Lord thus allowing and granting a heart of genuine repentance leading to the knowledge of the Truth. The Word of Truth will provide a sanctifying light preparing us for even greater measures of His Spirit. (John 17.17)"

John 17:17 NKJV

Sanctify them by Your truth. Your word is truth.

QUOTE FROM MAHESH

Mahesh Chavda Ministries

<http://www.watchofthelord.com/>

"I was at Christian Broadcasting Network, doing a conference for them. There were these heavy television lights, about 12 of them, big ones. There was a big section in front and a section in the back. And I said, "Holy Spirit, You are welcome!" When I said, "You are welcome" the lights all exploded. Everyone within about 25 feet all fell down instantly. And the glory of the Lord came down. I want you to know it scared the daylights out of me. It scared me so bad because the Lord was present..." [Mahesh went onto to say he repented of sins he hadn't even thought of doing, because the fear of the Lord was upon him.]

"... I felt like there was another wave of the Holy Ghost coming again and I said, "Holy Ghost You are welcome again" and the lights in the back exploded. In the next 700 club program, Pat Robinson began the program with 30 million watching. He said Brother Mahesh was here and when he prayed our lights burst and we are in revival."

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER: REPENTENCE IS THE DOOR OUT

My Love, you have been in cold, dark circumstances and have been walking in circles for many years. Deeply discouraged at times, you have felt like you were in an underground maze with no way out. I have heard your cries and I send My angels to open the trap door above you, that you may escape. For you have wandered long enough.

I always provide a way out. The door I have provided is the door of repentance. Many blessings that have been blocked will spring forth upon true repentance. Repentance really is a gift. It is impossible to repent when involved in a dark and blind world where each man's standard is right for himself. It is only through the standard of My Word that blind eyes open to Me, the Truth. Yes, when My truth is manifest, it produces godly sorrow, but this sorrow leads to salvation and deliverance from evil. Open now the door of repentance and close the door of straying away from My Word. Align your speech, your conduct and life style with My Word and witness the power of your Holy God to set you free from the maze of endless cycles.

2 Tim 2:24-26 NKJV

"...in humility correcting those who are in opposition, if God perhaps will grant them repentance, so that they may know the truth, and that they may come to their senses and escape the snare of the devil, having been taken captive by him to do his will."

THE CALLY STORY

Posted by [[swauthor](#)] May 17th 2006 - 5:23PM Posts to date: 3742

THE CALLY STORY

The following hilarious and true story happened to me in 1994. The spiritual parable is very relevant right now as we are preparing to crossover Jordan and move into our new land of promise.

THE CALLY STORY

Our cat Cally had kittens who are now 5 months old and I just found out that cute little boy kitties can impregnate little girl at this age. Uh oh... I also heard of a good family willing to adopt them if we have them 'fixed.'

Time has run out and these little furballs are now scheduled for surgery. They are supposed to fast 12 hours before surgery so two bowls have mysteriously disappeared. Oops, scratch that idea. Normally, mother cats wean their babies at about 6 weeks but someone forgot to tell Cally. I am looking out the window, and those precious little bundles are nursing! Try again...

Cally is now in exile away from her babies, food and water. The babies are crying at her shed door, and she is crying at them. It's going to be a long night.

Well it was. I didn't sleep hardly at all last night as every dog in the neighborhood was barking and I kept thinking about the kittens. This morning I quietly squeeze through the shed door so Cally won't dash out. I manage to get her in the carrier and when I open the door the kittens scurry to her cage and they all cry at once. Cally is now crying and the kittens are alerted.

We pick up the kittens and put them in the box. But before we can get the lid down, we have lost one. No, make that two. Try again. And again. This is crazy, we are chasing kittens in every direction! After 5 scampering attempts, we simply can not entice them to come to us. These are now very educated cats. Suddenly two bowls mysteriously appear. They run to the food. We got em'.

Now we are all packed in the jeep and it sounds like a traveling cat zoo. Cally is howling. She is banging her head and body at the door, she scratches to no avail. A frightened baby pops her head through the little hole in the box. Her eyes are literally bugging and she squeaks. By the time I stop on the freeway shoulder, she has managed to stretch the hole and get her stomach stuck. She is dangling half way in and half way out but at least her eyes are back in her sockets and she has a hardy meow. I carefully tug and pull her out the hole without lifting the lid, lest I have kittens making a wild escape. Now Cally's window is snug against the box's enlarged hole and maybe they can comfort one another by being close. I drive into the clinic, harried and feeling like I had lived a full day and it is only 7🙄0 AM.

Who is that lady with the clipboard and why is she waiting for me in the parking lot? "Excuse me, are you Mrs. Warner?" I have this bad feeling in the pit of my stomach. "Yes, I have cats scheduled for surgery." "I am very sorry Mrs. Warner but we are going to have to cancel and reschedule. I tried calling you, but you had already left." "Oh no — I have to go through the whole thing again....this time with educated cats!"

On the way home I am thinking about the scriptural principal of something being repeated twice. (Gen 41:32) I know this is a God story. "Lord what are You trying to tell me?"

This next appointment is vital because their new owners are coming into town next week. I am sure they will love living on a farm, with all the freedom and fun any cat would want. No matter what, I have to keep this appointment!

Well, it is now once again the night before surgery. Not a creature is stirring, and especially not even a mouse. We have no mice. I have locked Cally and her kittens in together. It's better to nurse and have surgery, then not at all. I think I have slept, but that clock says 4:45 AM. I am wide awake wondering how the little family is doing. Maybe I should separate them into the cat carrier since 4 hours of no food is better than none at all. It's dark and cold outside, but I am determined to follow through on this appointment. I rush out in bare feet and pajamas and jump into the shed, slamming the door behind me. The kitties are contentedly sleeping next to Cally! I separate the sleepy little furballs from her and place THEM in the cat carrier. It was so easy! All is perfect! Now I can go back to bed and get warm.

I reach for the latch on the shed door and it is gone. The door won't open! The little wire thing that is attached to the latch on the outside of the door is missing. It had fallen off when I

slammed the door. I am trapped inside the dark shed with Cally and her kittens, and I have this strange knowing that God is definitely speaking to me. This story isn't just some parable that the Lord is wanting to tell me, He is talking to me about ME. It's me in this shed.

I am now in exile, in a cage with all the tools for pruning anyone could ever want. I sit down on an ice chest and take note of what I have. 2 handsaws, electric pruners with electrical cord and outlets intact, an ax, and other misc. items. I push a wire through the little hole where the missing wire used to be. I put a metal tent stake through it, I put a stick through it. Nope, I'm definitely trapped.

OK, my son's alarm is set for 7🙄0 and I am supposed to leave at 7🙄0. I don't know if he will even know I have not left the house when he wakes. Will he realize the car is still in the driveway? He probably won't make the connection since it's there every morning. My beloved husband gets up much later depending on what time he finally falls asleep. I could ax my way through the door, but he would really be upset having to build a new door. It's 4:45 AM so what else is there to do? I can lay the camping tarp on the floor, unroll the sleeping mattress, use 2 life jackets for my pillow and unfold a plastic tablecloth for my blanket. Sounds good to me. I am now camping out on the floor of our shed in the dark, surrounded by purring kittens. I start to laugh. "OK Lord, You got me. Do you have anything You would like to say to me?"

I must have snoozed some because I just heard the thunk of the newspaper in our driveway. I wildly shake and kick the door. "Help me, can you HELP me? I'm stuck in here!" I am yelling like my life depends upon it — I still want to make that appointment. Silence. Nothing. He must have thrown it from the street and not heard a thing. Back to camping. Let's see, the newspaper usually comes about 6:30 AM. I wonder how much longer I get to stay in here!

It's about 7 AM and I hear footsteps coming up the sidewalk, stopping in front of the shed. Silence. "Is someone out there?" "Yes" "Could you PLEASE open this door, I am stuck inside." "Uh, yes." Door opens. A pale and scared paper boy is staring at me. "Are you all right?" "Yes, I accidentally locked my self inside, because the little wire thing fell out of the hole." He is looking at me like I am a little crazy standing there in my pajamas. I don't blame him a bit. I am so happy to be out and besides that, I don't have the time to worry about it — I have an appointment to make. He is rambling on as he walks away, "I wasn't sure what I'd find behind this door, and I went to get help. I wasn't sure about calling the police. And someone drove me back here." "Well Thank you VERY much for coming and helping me. I really appreciated it!"

Cally is now outside happily eating at the food dishes. At this point I don't care how much she has eaten, but back in the shed she goes. I need a clean shower and to get warm after camping. "Ding dong, ding dong, ding dong!" The door bell is ringing incessantly at 7 AM and I am dripping wet. "Sonshine, please wake up and answer the door. Don't be upset, it may be the police. I was locked in the shed and the paper boy rescued me. Tell them I'll be out in a minute." My son answers the door in a stupor. Two sheriffs question him. "We heard there was a disturbance. Was there a fight? Is everything all right?" "Yeah, my Mom just locked herself in the shed." They grin. In my robe and wet hair I come to the door. "I accidentally locked my self inside the shed, because the little wire thingy that is attached to the latch fell out of the hole." I don't know if they knew whether I was talking straight or not. I don't know that I was. My face is turning bright red.

Totally mortified that the sheriffs had come to our door, I realize I don't have time to think about that now. I have just enough time to eat a bowl of cereal, catch Cally and stuff everyone in the car. I go outside, jump into the shed and my son is right behind me. SLAM! He has just slammed the door shut... I AM LAUGHING HYSTERICALLY. I roar. I laugh so hard I am crying. I am holding my stomach, with hilarious tears rolling down my cheeks. All I can think of is this thing is repeated twice, it is of the Lord. Two times for the cats, two times for me.

"Mom you are scaring me, you are hysterical!" "Well if you had gone through what I have

gone through with these cats, you would be hysterical too!" I am laughing even harder while watching my son frantically take inventory of everything in the shed and do exactly the same things I had tried. He didn't think it was funny at all.

Finally, I decide to forget my husband having to build a new door, I AM NOT GOING TO MISS THIS APPOINTMENT. The only way those cats will have their new home next week, is if they are fixed. We have run out of time. Warning, crazy women with ax in hand. Slam, thud, pow, a chip at a time. 20 minutes of repeated blows with the bull's eye changing upon each swing. Sweat, panting... My son takes a few swings and hands it back. I take a few then give it back to him. I am determined to get out of there.

Footsteps. We hear footsteps! The door opens and a very undressed puffy eyed husband looks incredulously at me. My normally very kind and gracious husband appears to be quite perturbed. He grumpily says he just got to sleep at 4 o'clock and what are we doing axing the door? "Well excuuuusssseee me!" I wasn't mad until then. Now I am mad. I march out, rescue Cally, who is now enjoying a banquet and stuff her and the kitties in the car. Normally-kind-and-gracious husband is standing at the door in his altogether, muttering, "May I go back to sleep now?" That made me madder. Here I had just been through world war 3 and all he can think about was that we disturbed him? I am so mad I don't even say goodbye to my son. I smolder all the way to the appointment.

I am now home and my back-to-being very kind and gracious husband reminds me that last night he had recommended that I bang on the shed door loudly to scare the cats, so they would hide and not try to run out as soon as I opened the door. I am feeling very humble for my anger. He thought all we were doing was scaring the cats with all that noise and wondered why we were inside with the ax! I guess our neighbors came by also, since they heard the ax. What a day.

Surgery went fine, in spite of their eating. When I picked up the cats, they told me to put them in a dark and quiet place. I left them in the shed with the door slightly open knowing they would come out when they were ready. But instead of sleeping, the journey had stimulated them and they wobbled out the door totally drunk! You never saw such precious sights as Cally and these little creatures trying to find their legs. Looking cross-eyed and with rubber legs they were wandering around bumping into each other. Their brother, cold sober with no surgery, hisses and runs away. When they found their mother, Cally immediately weaned her babies, having no desire whatsoever to be touched and they were all planted in their new home one week later.

END NOTE

Four years ago I posted this story with additional detail. In this post, the story was not shortened, but two pages of interpretation were cut off and replaced with the following Word to Ponder. If you are drawn to chew some additional meat, please search the website for The Cally Story and read the Interpretation and End Note.

WORD TO PONDER: PREPARATION FOR CIRCUMCISION

My precious one, time has run out. I AM bringing you into the green land of fulfilled promises. You were hand fed the milk of My Word well passed your time. Milk alone will not sustain you in the new land I have prepared. You must learn to hunt, to seek Me for your daily portion.

Exile, separation and famine of hearing has driven you to Me. I know how hard this has been for you. It has felt like tough love. I have used all that has come into your life for good and someday you will know them all as good gifts. I have used these as tools to awaken a desperation deep enough to move you forward into maturity.

Precious, I know how deeply your flesh cries out for comfort, and how desperately you try to give solace to unfulfilled love. Please understand that carnal appetites bring temporal pleasure, but ultimately they bring death. The worldly appetites will never satisfy or replace your deep need for fellowship with Me. To feed them will only leave you more and more empty and driven. You can not take these with you into this new land of bountiful promise.

Unpruned flesh would greatly multiply if planted in this new land. Captivity to worldly appetite will place you on trial before the face of your enemies who are the giants of accusation. Your flesh must be cut back, for I AM a jealous Maker. Unholy appetites for the world must go. Gilgal is of utmost importance for your safety and welfare as I move you forward into your promised land. If you cry out to Me, I will give you the will and the grace to cut back your flesh. I will grant you the joy of My intoxicating Presence and make the operation as painless as possible.

Josh 5:8-9 NKJV

So it was, when they had finished circumcising all the people, that they stayed in their places in the camp till they were healed. Then the LORD said to Joshua, "This day I have rolled away the reproach of Egypt from you." Therefore the name of the place is called Gilgal to this day.

FINDING YOUR PEACE

Posted by [[swauthor](#)] May 17th 2006 - 5:22PM Posts to date: 3742

FINDING YOUR PEACE

I had come to a crossroads in my ministry. Even before the actual cross road came, I had been praying about it for many months. I knew this was a time for doors to open. However when a door was actually presented to me, this door could be interpreted both ways. The enemy wants us to go through doors that will veer us off course, so we need to pray diligently to know which doors to close. When we are at a cross road, this is important for our destiny. I waited upon Him, but even with input, I still could not decide whether this opportunity was the door of the Lord. After a few days of thinking through the details, I had totally, 100%, lost my peace.

VISION: I was opening up these little wooden mail boxes. They were stacked one on top of the other, each with its own door. Inside each was a different pair of shoes for different

people. The boxes had a label called PEACE.

HEARD: Until we can walk in peace. That's My point. Rest.

Eph 6:15 KJV

And your feet shod with the preparation of the gospel of peace.

This was the Lord's answer to me, that unless I could walk through a door of opportunity in His peace, I was not prepared and needed to rest and wait upon Him instead. He told me that the first door would come again later and He would multiply its influence for my waiting. As it turned out a second door opened that was similar to the first opportunity. I had wonderful peace in walking through and the Lord strongly confirmed my decision. However He told me not to compromise my anointing or focus in which He had called me. I was to stay within the boundaries He had already made known to me. When we walk into new places there is a tendency to get carried away in the flow. His peace will be our safeguard and barometer.

UPDATE CONFIRMATION: I listened to a tape from Rick Joyner and he mentioned that the scripture didn't say the God of warfare or whatever will crush satan under our feet, rather it says the God of peace does this. We need to recognize that walking in peace is actually a weapon.

Rom 16:19-20 NKJV

I want you to be wise in what is good, and simple concerning evil. And the God of peace will crush Satan under your feet shortly.

=====

NOTE: I went to bed to rest in His Presence. I had an ache in my heart from empty nest. Our son had just moved away to go to college.

HEARD: Divine appointment. Peace.

DREAM: I was desiring to float in a little pool so that I could rest and relax. I noticed that my shoes were in the pool and they were floating just fine. Shoes represent my peace.

HEARD: It felt so good to rest with Papa. He misses me like I miss my son.

HEARD: Make it plain to her. Intimacy.

=====

HEARD: Shoed with peace.

VISION: I saw 2 glue bottles.

HEARD: Bonded.

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER: WALK IN PEACE

I want to establish your walk with peace. Without My peace, it leaves the door open to enemy onslaught. Listen to this practical barometer gage I have placed in your heart. I have given you this gift so that you will know the way to go even when the way seems obscure and not clear. If you have lost your peace, pull back, close the door and return to rest in Me.

I so long for our times of intimate fellowship, where you pour out your heart to Me and then listen to Mine for you. As you learn to lay aside all unrest of heart and soul, it closes the door to unrest and opens the doors for our special times of communion. It is in this place of bonding that you become established in My peace.

Even as I glue the soles of your shoes, so I also bond your walk in Me with My peace. My peace gives you a firm foundation that not only takes the shock out of the bumps in life, but also makes you stable. So, trust Me to give you the peace you need to walk without fear. Trust Me that My Word over your life is a good gift and good news.

"For shoes, put on the peace that comes from the Good News, so that you will be fully prepared." (Eph 6:15-16 NLT)

"How beautiful on the mountains are the feet of those who bring good news of peace and salvation, the news that the God of Israel reigns!" (Isa 52:7-8 NLT)

## DO NOT BOW TO INTIMIDATION

Posted by [ [swauthor](#) ] May 17th 2006 - 5:20PM Posts to date: 3742

### DO NOT BOW TO INTIMIDATION

**EXPERIENCE:** While I was trying to rest, a dog in the neighborhood was loose and barking incessantly. I started binding the spirit of distraction and unrest in the dog. Because it was so disturbing, I discerned it was a spiritual plant.

**HEARD:** Grounded.

[The same exact instant I heard grounded, the dog stopped barking.]

Luke 10:18-19 NLT

---

"I saw Satan falling from heaven as a flash of lightning! And I have given you authority over all the power of the enemy, and you can walk among snakes and scorpions and crush them. Nothing will injure you.

**QUICKENED MEMORY:** We had several instances of being attacked by a spirit of intimidation this week. I won't go into the details, but these were attacks intending to produce fear. This reminded me of a past Word to Ponder about rebuking spiritual dogs of intimidation:

**WORD TO PONDER: REBUKE THE DOGS**

I speak a hedge of protection around My own. The dogs of intimidation are loud. Rebuke them or ignore them, but do not fear them. Think of the positive side; you must have caused alarm for them to bark. If you wonder about your direction, remember as you grow closer to Me and follow My path, you cause enemy distress. If you are sleeping, they will too.

Release worry from your brow. It does not belong in your life. Rise above the rumble and walk in My rest. Command those dogs into obedience with the rod of My Name. Be strong and of good courage. Stand in defense and walk in faith.

**Ps 22:19-22 NKJV**

But You, O LORD, do not be far from Me; O My Strength, hasten to help Me! Deliver Me from the sword, My precious life from the power of the dog. Save Me from the lion's mouth and from the horns of the wild oxen! You have answered Me. I will declare Your name to My brethren; In the midst of the assembly I will praise You.

**HEARD:** Catalina.

**INTERP:** This was the Lord's funny pun. I laughed out loud when I heard Him say that. Catalina is the name of a salad dressing. The Lord knows that just about the only joke I can remember is this one: "What is the honeymooners favorite salad?" "Let us alone." (Lettuce alone) Catalina is a pun for "Dear Cat, lean on the Lord (and don't bow to intimidating dog barks!)" That was exactly how I had been feeling listening to the dog bark. I wanted to be left alone so I could be at rest and commune with Him. He has a wonderful sense of humor.

=====

**HEARD:** Grace. To possess the spoils of war. Share your gifts. Don't stop. Keep going. Ascend.

**HEARD:** The devil. Enemy trying to break through. Hedge. What needs to happen. Stand. Giant. Name of it, Intimidation.

**WARFARE:** The hedge was lifted and I fought against a spirit of intimidation. When done, I woke Wayne and we prayed together. I went back to sleep in peace.

=====

**HEARD:** Dog intimidate. Don't give even an inch. Be bold. It will get you where you want to go. Results. Flee. God has His eye on you.

=====

**DREAM:** I saw a large group of people getting ready to minister. They were encircling those inside the circle that needed ministry. There was also a small single straight line of people outside the outer circle facing a field of opposition.

The confidence of the people getting ready to minister began to wane as they turned around and saw the opposition. I warned them several times, "Get your eyes off the enemy and back onto the Lord! Get your eyes off the enemy and back onto the Lord!"

I also told this to the people who were lined up with their backs to us. One turned around and argued that the Lord had positioned them there as intercessors. They were sitting in chairs facing the opposition and I felt the Lord had not placed them there, and all they were doing were being decoys by with bouncing things back and forth in warfare. I felt that if they were intercessors they would have had their eyes and focus on the Lord and not on the opposition.

=====

**CONCLUSION**

=====

{ Words to Ponder are summaries of His quickened Words }

**WORD TO PONDER: DO NOT BOW TO INTIMIDATION**

As I send you forth into times of ministry, understand that conflicting forces aggressively challenge with obstacles, hindrances and curses to oppose your freedom. You may feel intimidation and oppression in the air. These things are in the air 24 hours a day. I promise you that when I send you forth to minister, if your eyes are on the opposition, your confidence will wane and you will feel My anointing ebb. The entire scheme of the enemy is to distract you away from Me, to get your eyes off of Me and onto conflict, and thereby dropping your shield of faith. As long as you keep your eyes on Me, your faith will be strong and joyful and My Presence will have free reign in your ministry times.

"For shoes, put on the peace that comes from the Good News, so that you will be fully prepared. In every battle you will need faith as your shield to stop the fiery arrows aimed at you by Satan." (Eph 6:15-17 NLT)

## RESTING IN THE CLOUDS

Posted by [ [swauthor](#) ] May 17th 2006 - 5:19PM Posts to date: 3742

### RESTING IN THE CLOUDS

[Open The Door To Rest]

GRANDMA ANNA RHEMA

EXPERIENCE: Today I was so tired I fell asleep in my chair.

HEARD: Handmaidens usually do too much. They wear themselves out.

Upon awakening I looked out the window and saw a sign in the sky in the clouds. The clouds

---

looked like a lady sitting at a desk. Then she turned into a duck. It's head was turned with the bill tucked under the feathers of its wings. That is where its oil glands are located.

In my thoughts, I likened the oil glands to His anointing. The duck's bill was even receiving what I would call an anointed mouth as it rested. Lord, help me apply this lesson while I am working at my desk or out and about. I so desire to live in Your anointed presence by way of Your Kingdom principles. I want to come into your rest in all that I do and say and not be so stressed out.

**SELAH WORD: LEARN TO REST WHEREVER YOU ARE**

Beloved handmaidens, learn a lesson from the ducks. They rest with their bills comfortably tucked into the feathers where I placed their oil glands. Likewise, search out the oil of My presence. You will find it in My place of rest. You are wearing yourselves out with too much activity. I have not placed all that stress upon you. Come into My resting place and hide yourself in the shadow of My wings. That is where you will receive My anointing.

"So God's rest is there for people to enter. But those who formerly heard the Good News failed to enter because they disobeyed God. So God set another time for entering his place of rest, and that time is today. God announced this through David a long time later in the words already quoted: "Today you must listen to his voice. Don't harden your hearts against him." This new place of rest was not the land of Canaan, where Joshua led them. If it had been, God would not have spoken later about another day of rest. So there is a special rest still waiting for the people of God. For all who enter into God's rest will find rest from their labors, just as God rested after creating the world. Let us do our best to enter that place of rest. For anyone who disobeys God, as the people of Israel did, will fall." (Hebrews 4:6-11 NLT)

=====

**SANDY RHEMA**

I had been thinking about the doorway to His throne room. For many years I had been interceding over this.

**HEARD:** Just opposite the doors. To the throne room. The wait, it won't be that long.

**VISION:** I was lying on my back looking up at the huge doors, waiting for them to open. I had my hands behind my head, my right leg crossed over my left knee, and I was bouncing my calf and foot back and forth, like I used to do as a child. When I was bored as a child, I would lie on my back, crossing my knees in the same fashion, and look up at the cloud formations in the sky.

The Lord was tongue and cheek telling me that I was to wait in front of the doors, and I might as well relax while I was doing it!!!

**CONFIRMATION:** Today, my son and I are outside watching Wayne pressure wash the house. My son (knowing zilch about my rhema this day) puts his arm around me and chants: "One, two, three, four. We need someone to open the door. Five, six, seven, eight. We need someone to open the gate!"

**CONFIRMATION:** When I came back in I glanced at my Family Circus calendar: The family was looking at the clouds and an outstanding sky. Jeffy asks, "Is it an ad for something Mama?"

---

This confirmation was a 2 fold joy, because today was also the day I took the cloud photos in to get negatives made for my book cover.

=====

**CONCLUSION**

=====

{Words to Ponder are summaries of His quickened Words}

**WORD TO PONDER: REST AND WAIT FOR YOUR DOOR OF PROMISE**

Long you have waited for My promises to come to pass! As you wait upon Me, I want you to learn to rest in your faith. It is one thing to believe Me, it is another to rest in the process. Resting does not change your focus or anticipation, it merely gives you a relaxed contentment as you do so. Dear one, I will grant you many joys with signs along your pathway. These will delight your heart as you fully rest in Me. I AM able to perform that which I have promised. What joys await you, dearest!

**Heb 4:1-3 NLT**

God's promise of entering his place of rest still stands, so we ought to tremble with fear that some of you might fail to get there. For this Good News--that God has prepared a place of rest--has been announced to us just as it was to them. But it did them no good because they didn't believe what God told them. For only we who believe can enter his place of rest.

**{Ears 2 Hear} INCREASINGLY TRANSPARENT**

From the Rhema Journals of Sandy Warner

=====

**INCREASINGLY TRANSPARENT**

=====

Towards the end of the metamorphous of the caterpillar into a butterfly, its hiding place (the pupa or cocoon) changes and resembles a waxy, jade vase. This shell of a womb has become increasingly transparent. The caterpillar completes the miraculous transformation into a beautiful adult butterfly and is finally prepared for life outside the darkened tomb.

=====

---

**SANDY RHEMA**

**HEARD:** Transparent. Witness. Stand. Transparent, a generation. Do you know what transparency means? Nothing to hide. Pure. Clear. Protected. Transparent.

=====

**PARABLE:** As I was reading the following scripture it was quickened to me as a parable of being transparent and vulnerable with nothing to hide while being a witness to what the Lord has said.

**Ex 34:31-35 NLT**

But Moses called to them and asked Aaron and the community leaders to come over and talk with him. Then all the people came, and Moses gave them the instructions the LORD had given him on Mount Sinai. When Moses had finished speaking with them, he put a veil over his face. But whenever he went into the Tent of Meeting to speak with the LORD, he removed the veil until he came out again. Then he would give the people whatever instructions the LORD had given him, and the people would see his face aglow. Afterward he would put the veil on again until he returned to speak with the LORD.

=====

**QUICKENED QUOTES FROM THE FINAL QUEST**

**By Rick Joyner**

<http://www.morningstarministries.org/>

"...He already knew all that there was to know about me. It was all for my sake... to bring me out of hiding... to bring me out of the darkness and into the light."

"...His judgments set me free. Opening ourselves to God and to each other, becoming genuinely transparent. As we behold the glory of the Lord with an unveiled face then we are changed into His image. The veils are caused by our hiding."

"...Walking in the light is being true and it is being free from the compulsion to hide."

=====

**SANDY RHEMA**

**HEARD:** Publish privacy. You can edit what you want. Transparent. As you wish. I am blessed. I love you. It's not about what you do, but about who you are. In Me.

**VISION:** I saw the flash of an angel's light.

**HEARD:** Establish you. Angel. Hug. Genuine effort to come out of hiding. My beloved, thank you. That's My girl. I love her. Mine for all eternity.

**CONCLUSION**

=====

{ Words to Ponder are summaries of His quickened Words }

**WORD TO PONDER COMING OUT OF HIDING**

Thank you, dear one, for giving so graciously to others what I give to you. You share your testimony, your relationship with Me, and your life in a transparent manner due to the nature of My calling upon your life and I would have you no other way than to be genuine and real. THE STORY ABOUT THE RAT RACE

THE STORY ABOUT THE RAT RACE

[Close The Door To Burn Out]

It is New Year's Eve going into 2004 and my newly married son just called, asking me if he and his wife could come right over. I am thinking, "That's a strange question, since when does a son call and ask his mom if he could come over? Something must be up."

He proceeded to tell me that our precious daughter in law had just opened the glove box and there was a huge, live wood rat staring her in the face. She screamed and jumped out of the car the same instant. This scared the rat so badly that somehow it ran behind the sealed dashboard and now they didn't know what to do.

They had spent Christmas with her folks, a few hours south of here. The house was in a wooded area and it must have come in from the cold, then bummed a ride on their trip home.

Just overnight, it managed to shred paper, chew the car seat, eat the Christmas snacks, poop, and make a nest inside the glove box.

I wondered if the Lord was wanting to say something to me since I had just read about the rats in Iraq and how they are scaring people and even biting them. It was quickened to me that sometimes the Lord warns us through negative parables, (rats are unclean in the scriptures) so I prayed and asked Him what He was saying. He answered my prayer the following morning.

I woke New Year's Day to a beautiful carpet of snow. We don't get a lot of snow around here so this was a special treat and I wished I had not put away my new unfinished Christmas puzzle the night before. I would have enjoyed doing it on the window table with such beauty surrounding me. But last night, I felt I would be wasting time by doing puzzles and besides that, I wanted to get ahead in the Ears2Hear posts so I could take some time off. {I won't tell you how many times the Lord has told me throughout the years not to rush, rush, rush so I can rest, rest, rest...}

I had just completed another series and was praying about upcoming Ears2Hear. As I was going through rhema, I opened a directory that was quickened to me and my eye landed on the following entry:

=====

SANDY RHEMA HEARD: Slow down. Pause. Take a break.

QUICKENED GLANCE: My eye fell upon the following comic. Often when the Lord talks to me, He draws my eye to something when at the same time I am thinking about something of similar context. He quickens where my eye lands and His personal Word is revealed to me. This is one of my most favorite ways to hear Him, through quickened eye glances.

QUICKENED COMIC: {From Family Circus} Billy's Dad, with brief case in hand, is walking out the door. He says, "It's off to the rat race." So little Billy, school books in hand, goes out the door and says, "It's off to the mouse race!"

=====

THE RAT STORY CONTINUES

OK Lord, You have my thorough attention. The rat in the car... our cars, or any kind of transportation, are our symbols of either our ministries or our relationships with You. Yes, once again you got me. TAKE TIME and enjoy the moments of every day, WITH You... enjoy Your daily benefits.

Ps 68:19 KJV

Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation. Selah.

I have decided that this post is a keeper and so I am "busy" working on The Rat Race, (and enjoying it). "Ring, ring, ring."

It was my Sonshine. He has just reported that they now have one "foot long" DEAD rat. Praise the Lord! Further more he said that at midnight (New Year's Eve) their car alarm went off. It must have been the rat. Well Lord, we got Your alarming message, loud and clear. Thank You for loving us enough to alert our attention with negative parables. Open our ears to hear You in all the ways You speaks to us.

Prov 1:2-7 NKJV

To know wisdom and instruction, to perceive the words of understanding, to receive the instruction of wisdom, justice, judgment, and equity; To give prudence to the simple, to the young man knowledge and discretion -- A wise man will hear and increase learning, And a man of understanding will attain wise counsel, to

understand a proverb and an enigma, the words of the wise and their riddles. The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction.

Wayne warned him that it might be a good idea to set another trap. We were all surprised at that idea. Nevertheless, our son set another trap. The car alarm again went off in the middle of the night and guess what? Another dead rat waiting for him in the morning. When the Lord really wants to get our attention, He usually doubles the message. Loud and clear, stay out of the rat race and take time to pause and rest in Him.

=====

PAST RHEMA ABOUT RATS

Years ago, someone asked me if I would like to be a part of their ministry. This person was getting about 1-6 hours of sleep a day and working nonstop. I felt that it was a trap to get me off course. The Lord confirmed it by giving me a yucky rat dream.

People often quote the following scripture but don't stop to apply it in context. To me, this scripture says that He sends dreams to warn us about going in a certain direction, or even warns us regarding our motives.

Job 33:15-17 KJV

In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; Then he openeth the ears of men, and sealeth their instruction, that he may withdraw man from his purpose, and hide pride from man.

After the rat dream, another confirmation came when I was listening to a sermon about slowing down and learning to rest from undue stress. He was saying that it was very important to the Lord for Him to have put resting on the Sabbath in the 10 commandments. He mentioned that over-stressed people can't even sleep. He said those who run the rat race, end up being a rat!

HEARD: Hey, busy believer, what can I say? Life style, slow down. Relationship. Cast your care.

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER CATCH THE RAT

Beloved, I do love your passion and zeal for life. And I especially love your enjoyment of the ministry to which I have called you. However, you get knocked off kilter when your goals became ambitions merely for the pursuit of getting them done. It is further awry when you are hurrying to finish so that you can go play.

In a busy world, so often you forget about our relationship. When you slow down, you learn to listen to what I have to say through your daily life. You learn to enjoy the moments of every day, instead of pushing your way through them, so you can enjoy the end of the day.

Do not get caught in a rat race of speeding forward. Rather, take it a day at a time knowing I have a perfect timing and a way to fulfill everything. Remember to pause and listen. I may quicken a particular thought and draw your eye to land upon something that sheds light on that same thought. Often, where I draw your eyes, are answers to questions you have prayed. If you are so goal oriented that you miss all the scenery in your day's journey, life becomes a maze and a rat trap. Slow down, and learn to pause. Take what you are doing at the moment and turn your heart towards Me. I may have something very special to say to you.

"And she had a sister called Mary, which also sat at Jesus' feet, and heard his word." (Luke 10:39 KJV)

### DOORS, DOORS AND MORE DOORS

[A Season of Closing and Opening Doors]

Hi Loved Ones,

This year 2004, the Lord has clearly said to many prophetic people that it is the year of doors. After the Day of Atonement last fall I have seen several doors which brought me to the conclusion that He was highlighting a theme on doors.

If I were to highlight perhaps just one main door among many, I believe it would be called the Door of Opportunity. I have just walked through several months of doors of opportunity and

---

have come to the conclusion that this door is two fold. There is an "in" door and there is an "out" door. There are doors opening to the Lord, doors opening to the enemy; doors the Lord wants us to walk through, doors the Lord wants us to shut, doors the enemy wants us to walk through and doors the enemy wants us to miss.

My life has been so consumed with doors the past few months that it has almost been like a revolving door. To say it clearly, "Stop the world and let me off!" Now the Lord does not want us to be walking in circles and merry-go-rounds, neither does He want us walking out the in door and in the out door. His earnest desire for us is to pray and listen; then choose and walk the right path.

If I could say it even more clearly, I believe we are at a crossroads and the doors we choose will determine our future. It is true that each day the Lord places us at a crossroad and every decision we make determines our future. However this year we are being presented some wonderful opportunities to get off our merry-go-rounds and forever walk away and move forward into our promises.

As you can guess, the upcoming series will be about doors. In order to make the right decisions that are being presented to us, we need to be persistent in prayer until we clearly hear from the Lord about each issue. The first 3 posts are about persistence. After that, the following posts on specific doors will be posted in pairs. The first post of the week will be about a door to close, and the last post of the week will be the door to open in its stead.

=====

**QUICKENED THOUGHT:** In every opportunity is a choice. In every choice is a test. In every test there is a destiny.

"For a great and effective door has opened to me, and there are many adversaries." (1 Cor 16:9 NKJV)

=====

**UPDATE NOTE:** After I wrote this upcoming series on doors, I received confirmations from 3 other ministries that are preaching about doors right now. The Holy Spirit is really highlighting this message. Here is a 4th confirmation I received this week:

**QUOTE MAHESH:**

Mahesh's Website: <http://www.watchofthelord.com>

On the way home from church I had a Mahesh tape on in the car. Here is his quote: "I saw many of you like a mansion, a beautiful house. I saw many doors to this beautiful house. When I was praying, I saw angels of God. You know when you check the doors at night? They were checking the doors. Some of your doors need to be locked and secure. If not, the thief comes in through those doors that are not locked or slightly opened. You've got to lock those doors. Don't let the enemy in."

John 10:10 NLT

The thief's purpose is to steal and kill and destroy. My purpose is to give life in all its fullness.

=====

**CONCLUSION**

=====

{ Words to Ponder are summaries of His quickened Words }

**OPPORTUNITY KNOCKING**

Sometimes you will be offered opportunities in your life, and you may start to walk through the door, but I will place a deep unrest in your soul. Listen to your level of peace. For I am walking in you, and My peace abides with you as you please the Father. When you have lost your peace, stop and reconsider your direction. Sometimes doors open so you can get a tiny taste of something different merely to confirm and replant the way you are already going. Sometimes a new door is a temptation to stray and let go of what you have.

If you think that you might be able to handle both the direction you are taking now, and also the opportunity presented, reconsider. For both are in their infant stage and you can not hold and nurture two babies at once. Either you will neglect the one while you give to the other, or you will become distracted and give neither the time they deserve. Do not be disheartened by small beginnings, for I delight in growing and multiplying them.

"You will show me the path of life; In Your presence is fullness of joy; At Your right hand are pleasures forevermore." (Ps 16:11 NKJV)

**{ Ears 2 Hear } INCREASINGLY TRANSPARENT**

From the Rhema Journals of Sandy Warner

=====

**INCREASINGLY TRANSPARENT**

=====

Towards the end of the metamorphous of the caterpillar into a butterfly, its hiding place (the pupa or cocoon) changes and resembles a waxy, jade vase. This shell of a womb has become increasingly transparent. The caterpillar completes the miraculous transformation into a beautiful adult butterfly and is finally prepared for life outside the darkened tomb.

=====

---

**SANDY RHEMA**

**HEARD:** Transparent. Witness. Stand. Transparent, a generation. Do you know what transparency means? Nothing to hide. Pure. Clear. Protected. Transparent.

=====

**PARABLE:** As I was reading the following scripture it was quickened to me as a parable of being transparent and vulnerable with nothing to hide while being a witness to what the Lord has said.

**Ex 34:31-35 NLT**

But Moses called to them and asked Aaron and the community leaders to come over and talk with him. Then all the people came, and Moses gave them the instructions the LORD had given him on Mount Sinai. When Moses had finished speaking with them, he put a veil over his face. But whenever he went into the Tent of Meeting to speak with the LORD, he removed the veil until he came out again. Then he would give the people whatever instructions the LORD had given him, and the people would see his face aglow. Afterward he would put the veil on again until he returned to speak with the LORD.

=====

**QUICKENED QUOTES FROM THE FINAL QUEST**

**By Rick Joyner**

<http://www.morningstarministries.org/>

"...He already knew all that there was to know about me. It was all for my sake... to bring me out of hiding... to bring me out of the darkness and into the light."

"...His judgments set me free. Opening ourselves to God and to each other, becoming genuinely transparent. As we behold the glory of the Lord with an unveiled face then we are changed into His image. The veils are caused by our hiding."

"...Walking in the light is being true and it is being free from the compulsion to hide."

=====

**SANDY RHEMA**

**HEARD:** Publish privacy. You can edit what you want. Transparent. As you wish. I am blessed. I love you. It's not about what you do, but about who you are. In Me.

**VISION:** I saw the flash of an angel's light.

**HEARD:** Establish you. Angel. Hug. Genuine effort to come out of hiding. My beloved, thank you. That's My girl. I love her. Mine for all eternity.

**WORD TO PONDER COMING OUT OF HIDING**

Thank you, dear one, for giving so graciously to others what I give to you. You share your testimony, your relationship with Me, and your life in a transparent manner due to the nature of My calling upon your life and I would have you no other way than to be genuine and real.
