Putting My Ducks in Order

Posted by [[swauthor](#)] June 27th 2010 - 9:41AM Posts to date: 3947

RHEMA 6/14/10 PUTTING MY DUCKS IN ORDER

VISION: I saw a duck try to get into a certain spot and he rolled over and tumbled. Then I saw a pair of hands pick it up and put it into a stable place.

VISION: I saw a duck that had gotten out of the kid's toy box and it was put back into the toy box.

HEARD: Blessed is My house. Amen.

WORD TO PONDER: PUTTING MY DUCKS IN ORDER 6/14/10

Dear hearts, I see you searching to find the places where you fit. I know you want your ducks in a row. Some places are too narrow a fit and your attempts are causing you to stumble and turn over in sifting. Precious, so often you think it is you. Remember that I too am looking for a resting place where I may lay My head. My Spirit within you is very large and will not remain quenched and strive with men forever.

I know you want a place of fellowship and play time in My gifts and Presence. I will reach down and pick you up and transplant you into a place that I have prepared for you. Simply ask Me and be willing to move.

Matt 8:20 NKJV

And Jesus said to him, "Foxes have holes and birds of the air have nests, but the Son of Man has nowhere to lay His head."

Luke 2:7 NKJV

And she brought forth her firstborn Son, and wrapped Him in swaddling cloths, and laid Him in a manger, because there was no room for them in the inn.

Treat One Another With Loving Respect

Posted by [[swauthor](#)] Dec 22nd 2009 - 4:33PM Posts to date: 3947

RHEMA 12/09/09 TREAT ONE ANOTHER WITH LOVING RESPECT

PIX: I saw an angel sitting at a school desk, with several bolts of fabric material.

I had the feeling that the angel was unable to do anything with this new material until something was taken care of. I sensed the angel was saddened in some way and this perplexed me.

HEARD: Sober up. Why does it feels so bad? Let them begin. A way to follow through without harm.

Matt 7:12 NKJV

Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets.

Matt 22:37-40 NKJV

Jesus said to him, "'You shall love the LORD your God with all your heart, with all your soul, and with all your mind.' This is the first and great commandment. And the second is like it: 'You shall love your neighbor as yourself.' On these two commandments hang all the Law and the Prophets ."

UPDATE 12/21/09: Sometime emailed me today and asked me what "boomerang" meant.

WOW TURBO SNAKE

The kids love to wash their hands in Grammy's sink. They both have 2 stools and bubbles and can spend an hour in there! I noticed in the process that our sink backs up and is draining slowly. So I bought Wayne a \$10 turbo snake gizmo at Walmart to help unclog the sink. This was supposed to be a BD present so he wouldn't have to get underneath the sink and take it apart.

As soon as we got home from his BD lunch, I could hardly wait to try it! Sure enough, in less than a minute I had it out of the package and inserted through the side hole in the drain plug. I could only put the wire in about 4 inches and it got stuck. I twirled it a couple times and pulled it out. WOA!!!!!!!!!!!!!! The ugliest clog of hair and toothpaste slime suddenly appeared. It was GROSS. So I put it in again and this time it went down about 12 inches and I pulled out another glob. Wow what a tool.

As I pondered this and recent events in my own life, I saw the parable that sometimes our pipes get clogged with shed, dead, old stuff like hair balls. When we are trying to wash away things that occasionally come up in our relationships, sometimes repeated old offenses start to back up and clog up and finally stop up.

PRAYER: Lord, forgive us for the many times we all have repeated the same offenses through out the years in our relationships. We ask that You will help us get to the root of the problem and pull the decaying and rotten globs up and out in Jesus Name. Grant us grace to free our pipes from past debris and open to Your cleansing flow. Thank You, Lord, for washing us with Your forgiveness and mercy, for we all have sinned and come short of You.

Your foundational rule in the earth is that whatever we want men to do to us, we are to do to them. Please reinforce this reminder into our lives. Grant us grace to mature and no longer go to old childish behaviors. Grant us Your love for all we relate to and may we always live to be Your peacemakers in Jesus Name.

Matt 5:9 NKJV

Blessed are the peacemakers, for they shall be called sons of God.

Matt 7:12 NKJV

Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets.

Matt 22:37-40 NKJV

Jesus said to him, "'You shall love the LORD your God with all your heart, with all your soul, and with all your mind.' This is the first and great commandment. 39 And the second is like it: 'You shall love your neighbor as yourself.' On these two commandments hang all the Law and the Prophets ."

The Plumbing And The Plumb Line

Posted by [[blackopal](#)] June 1st 2010 - 5:45AM Posts to date: 217

The above post came out on the e-mail list yesterday and I just read it this morning. Since I have just walked through exactly the same intercession I know the Lord is putting a strong emphasis on this Word.

05/24/10 THE PLUMBING AND THE PLUMB LINE

We have had a situation with our sink - slow draining - and after having waited for a long time for "someone else" 😊 to fix it I took the matter in my hands. Bought the Turbo Snake and removed all those gross things. It was quite impressive that this little tool was able to do the work and nothing more serious needed. Even a child can do it!

A little time later our prayer group was invited by the pastors of a church to go to their church and pray, seek the Lord about some issues they have been struggling with.

05/12/10 VISION OF THE PLUMBING SYSTEM

It all began with a vision I saw of their plumbing system clogged, overflowing, not functioning. I considered this happening in the spirit but was told by the pastor later that their physical

plumbing system literally had shut down three times in the last six months.

The plumbing is an important part of a building, of the building process. It is hidden, not visible to the natural eye. Usually only those with skills and training "see it" and are able to maintain and/or fix it. But with such simple tools as the Turbo Snake, even former "serious things" can be fixed now easily. Is it possible that maybe the Lord is saying that He has some very simple tools for the fixing of our spiritual plumbing?

Based on my past rhema I know problems with the "plumbing" (removing spiritual waste safely) are always connected to problems with the "plumb line." We need to build the right way, using the plumb line, if we don't want problems later in our house. If we use God's plumb line in the building process, we won't have problems with the plumbing later!

So what is and how does God's spiritual "plumb line" work?

PLUMB LINE – WORD STUDY

1)H594 anak – plummet, plumb, lead-weight . From an unused root, meaning "TO BE NARROW."

The NARROW GATE is the plumb line! It is He Himself!

NAB Matthew 7:13 "Enter through the narrow gate; for the gate is wide and the road broad that leads to destruction, and those who enter through it are many. 14 How narrow the gate and constricted the road that leads to life. And those who find it are few

NAB John 10:7 So Jesus said again, "Amen, amen, I say to you, I am the gate for the sheep. 8 All who came (before me) are thieves and robbers, but the sheep did not listen to them. 9 I am the gate. Whoever enters through me will be saved, and will come in and go out and find pasture.

I need to choose and go through His narrow gate. According to the world's perception the commandments, the laws and rules of God are too "narrow" and restrictive. And they truly say I must be holy just as my heavenly Father is holy. Of course I am made holy by the Holy Spirit, through the grace of the Father in Jesus. It is not by might, not by power but by His Spirit. But I have to first submit myself to His plumb line and have to confess that I am lacking. Then He will come as FIRE and purge me... According to Amos 7:8 this is NOT an option!God will make sure that it happens!

NAS Amos 7:7 Thus He showed me, and behold, the Lord was standing by a vertical wall, with a plumb line in His hand.8 And the LORD said to me, "What do you see, Amos?" And I said, "A plumb line." Then the Lord said, "Behold I am about to put a plumb line in the midst of My people Israel. I will spare them no longer.

2)bediyl eben - H913 bediyl & H68 eben

H913 bediyl – alloy, tin, dross – plumbum nigrum: alloy found in ore mixed with silver, which is separated from it by means of fire.

From H914 badal – to separate, divide, set apart, to divide into parts. To separate, to disjoin as two places by a veil, wall, fence.

NAS Exodus 26:33 "And you shall hang up the veil under the clasps, and shall bring in the ark of the testimony there within the veil; and the veil shall serve for you as a partition between the holy place and the holy of holies.

H68 eben – stone, hewn stones, precious stones, stones of fire, stones containing metal (ore), tool for work or weapon, weight, plummet, stonelike objects : hailstone, stony heart, sacred object, strength, firmness, solidity, motionless, petrified with terror.

From G1129 banah – to build, rebuild, establish, cause to continue, build a house.

NAS Zechariah 4:10 "For who has despised the day of small things? But these seven will be glad when they see the plumb line in the hand of Zerubbabel-- these are the eyes of the LORD which range to and fro throughout the earth."

NAS Ezekiel 43:12 "This is the law of the house: its entire area on the top of the mountain all around shall be most holy. Behold, this is the law of the house.

The plumb line separates the holy from the unholy, the precious stones, gold and silver from the dross. Just like the veil(s) of the Tabernacle/Temple separated the different parts in them! It all happens in the FIRE. We are invited just as Israel was invited to His Holy Mountain to receive His Word, His commandments, that He could write them now on the tablets of our hearts. To experience His burning love for us. Israel trembled and sent Moses. What do we

choose? And today is the Day of Pentecost...

Andrea Danko

> NAS Song of Solomon 1:5 "I am black but lovely, O daughters of Jerusalem, like the tents of Kedar, like the curtains of Solomon.

Tested to Keep the Peace Between Generations

Posted by [[swauthor](#)] Sept 4th 2009 - 6:11PM Posts to date: 3947

TESTED TO KEEP THE PEACE BETWEEN GENERATIONS 8/24/09

HEARD: Assignment to keep the peace. To stay in unity. Gathered. Prayer.

Today I heard about a family conflict between a parent and adult child. I knew the Holy Spirit was grieved and I also felt it was a test for them to graduate from past communication patterns.

CONFIRMATIONS QUICKENED EYE GLANCE: As I was thinking about this my eye saw this scripture:

Ps 27:10 NKJV
When my father and my mother forsake me, then the LORD will take care of me.

CONFIRMATION: Wayne happened to share the scripture he was reading today. He is reading the New Testament through in chronological order.

Matt 10:34-40
"Do not think that I came to bring peace on earth. I did not come to bring peace but a sword. 35 For I have come to 'set a man against his father, a daughter against her mother, and a daughter-in-law against her mother-in-law'; 36 and 'a man's enemies will be those of his own household.' 37 He who loves father or mother more than Me is not worthy of Me. And he who loves son or daughter more than Me is not worthy of Me. 38 And he who does not take his cross and follow

after Me is not worthy of Me. 39 He who finds his life will lose it, and he who loses his life for My sake will find it.

UPDATE CONFIRMATION TAO 8/26/09

Tao had a vision and he saw 2 groups of people and there was a gap between them. Outwardly there were age differences and culture differences. There was lack of communication between them. The Lord wanted them to unite with each other.. Somehow there were some serious conflicts between them. Then Tao saw one young man from the younger group express himself very emotionally and explain that this miserable situation could be avoided if the people from the older group volunteered to help them.

When Tao had this vision he thought of this scripture:

"See, I will send you the prophet Elijah before that great and dreadful day of the LORD comes. 6 He will turn the hearts of the fathers to their children, and the hearts of the children to their fathers; or else I will come and strike the land with a curse." (Malachi 3)

=====

PAST WORD TO PONDER

SOMETHING BETTER, GENERATIONS JOIN 6/21/96

I AM doing a new thing in the ministry of Elijah. I AM joining 3 generations into one marriage. I AM grafting them into one body, in giftedness, walk, promises and faith. They will know the truth of what it means to be of one mind, one heart and function as One, even as We are One. Together, they will occupy their promises as one family.

Mal 4:5-6 NKJV

Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD. And he will turn the hearts of the fathers to the children, and the hearts of the children to their fathers, lest I come and strike the earth with a curse."

John 17:11-12 NKJV

... that they may be one as We are.

1 Cor 12:20-21 NKJV

But now indeed there are many members, yet one body. And the eye cannot say to the hand, "I have no need of you"; nor again the head to the feet, "I have no need of you."

Isa 62:4-5 AMP

You {Judah} shall no more be termed Forsaken, nor shall your land be called Desolate any more. But you shall be called Hephzibah {My delight is in her}, and your land be called Beulah {married}; for the Lord delights in you, and your land shall be married {owned and protected by the Lord}. For as a young man marries a virgin {O Jerusalem}, so shall your sons marry you; and as the bridegroom rejoices over the bride, so shall your God rejoice over you.

"Producing" Fruit

Posted by [[swauthor](#)] July 26th 2009 - 11:23AM Posts to date: 3947

RHEMA 7/25/09 "PRODUCING" FRUIT

HEARD: I understand you. The same thing happened to Me. They left their abiding place. They left their Source. The fruit of the Spirit.

QUICKENED REMEMBRANCE: Thinking about the revolt in heaven.

HEARD REOCCURRING SONG: THE GLORY OF LOVE
You've got to give a little, take a little,

and let your poor heart break a little.
That's the story of, that's the glory of love.

You've got to laugh a little, cry a little,
until the clouds roll by a little.
That's the story of, that's the glory of love.

HEARD: Glue. Bonded. Floor time. I put in my time. Sweetheart that's not what I am asking.
Have you been listening to anything I've been saying? Listen with your heart. Is it what you
do or who you are?

HEARD: Hurting. You have to get involved. This is My health. A future and a hope. Trust Me.

QUICKENED REMEMBRANCE: Last night on Extreme Makeover they were building a new home
to give more freedom to their 3 year old son who is bound in a wheelchair. The Dad said, "If he
wants to play baseball, we'll make it happen." This brought me to tears to see the parable of
the earnest love of the Father for his son.

HEARD: You understand. Follow through. Hi ho, hi ho, it's off to work we go. Progress. That
room's changed and that room is in the process.

VISION: I was floating as though in water, but was completely dry on the top of a black rubber
covering floating on top of a lake. I had a big Ginzu bread knife in my hand. Someone above
me on the bank of the lake reached out their hand to help me out, and said, "Do you trust me?
"

HEARD: Moving out. Get ready for a ride.

WORD TO PONDER: THE TRUE FRUIT OF MY LOVE 7/25/09

When you give your time, are you listening and responding with your heart, or are you doing
your duty? Is love what you do, or is it who you are inside?

Innocent trust and love are fragile, and once broken, hearts become layered for self
protection. Those who are layered over with thick skin are covered with scars from having had
their trust betrayed. They are unable to feel the passions of My love. They are unable to feel
My Presence. I have been peeling the layers of hard hearts year after year. Much progress has
taken place as I AM changing hearts to know the true fruit of My love.

Yes, I too AM betrayed every day. However, I listen intently with My heart. I look beyond the
fault and see the need. I hear the truest heart cries and longings. I AM passionately involved.
It floods Me with years of longsuffering as I bring My children out of the vices of death and
into the abundant life I have promised them. My love bears all things, believes all things,
hopes all things, endures all things. My love never fails.

Beloved, I want to move you. Trust My infinite love for you, so that you may feel once again.

1 Cor 13:4-8 AMP

Love endures long and is patient and kind; love never is envious nor boils over with jealousy,
is not boastful or vainglorious, does not display itself haughtily. 5 It is not conceited (arrogant
and inflated with pride); it is not rude (unmannerly) and does not act unbecomingly. Love
(God's love in us) does not insist on its own rights or its own way, for it is not self-seeking; it
is not touchy or fretful or resentful; it takes no account of the evil done to it [it pays no
attention to a suffered wrong]. 6 It does not rejoice at injustice and unrighteousness, but
rejoices when right and truth prevail. 7 Love bears up under anything and everything that
comes, is ever ready to believe the best of every person, its hopes are fadeless under all
circumstances, and it endures everything [without weakening]. 8 Love never fails [never
fades out or becomes obsolete or comes to an end].

Gal 5:22-23 NKJV

But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness,
gentleness, self-control. Against such there is no law.

On the Other Side of Betrayed Trust

Posted by [[swauthor](#)] Aug 9th 2009 - 3:31AM Posts to date: 3947

ON THE OTHER SIDE OF BETRAYED TRUST 8/08/09

- Our motives can betray us when we are drawn off the mark.
- Our expectations and hopes can betray us when they are not fulfilled, and we become disappointed.
- Our faith can betray us when we trust in God and He doesn't answer according to our expectations.
- Loved ones can betray us when they speak intentions that we count on and then they don't follow through.
- Our emotions can betray us when we want something that God doesn't.
- Our dreams can betray us when they are lost and not recoverable.
- Our belief in leaders betray us when they are self driven and miss the mark.
- Our belief in institutions betray us when their goals are found to be only glitter.
- Our exaltation of the supernatural can betray us when it does not bring us to God.
- Our bodies betray us when they no longer function the way we need them to function.
- The law betrays us when we see shades of injustice within a black and white standard.
- Our plans betray us when what we thought would work does not succeed.
- Our idols betray us when we seek comfort and find unrest and discontentment.
- Every place where we have experienced betrayal takes away our innocence and "blind" trust as naive children.

INSERT BETRAYAL RHEMA FROM 2004

RHEMA 3/06/04 EVEN SO, IRREVOCABLE LOVE

I had written about irrevocable love last night and then set it aside to pray about it.

Rom 11:29-30 NKJV

For the gifts and the calling of God are irrevocable.

HEARD: In answer to your prayers. Resolution.

PIX: I saw a leech like creature come to the surface of someone.

HEARD: Root of bitterness.

HEARD: Some will betray Me. Some will compromise and some will be faithful all the way. Even so.

QUICKENED MEMORY: At the moment of hearing "even so," the Holy Spirit brought the disciples to my memory. Judas, the betrayer, was chosen by Jesus to be among the disciples, Peter denied Him 3 times and John the beloved served Him faithfully all the way.

HEARD: It's been that way from the beginning.

QUICKENED MEMORY: I received a flash revelation of when satan betrayed Him, then when the angels compromised and married with the sons of men.

Isa 14:12-15 NKJV

"How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, you who weakened the nations! For you have said in your heart: 'I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation on the farthest sides of the north; I will ascend above the heights of the clouds, I will be like the Most High.' Yet you shall be brought down to Sheol, to the lowest depths of the Pit".

Gen 6:1-7 NKJV

"Now it came to pass, when men began to multiply on the face of the earth, and daughters were born to them, that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose. And the LORD said, "My Spirit shall not strive with man forever, for he is indeed flesh; yet his days shall be one hundred and twenty years." There were giants on

the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown. Then the LORD saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually. And the LORD was sorry that He had made man on the earth, and He was grieved in His heart."

He had imparted a tiny portion of His heart. I was very sad and sobered to know that the Father continues to be betrayed, and that His goodness and holy attributes continue to be compromised and misaligned. Those few that are faithful... He calls friends.

I was brought to tears to understand what it means to His own heart when we serve Him out of volunteer love. As I was hit by this truth, I heard Him whisper, My friend...

HEARD: My friend.

WORD TO PONDER: MY FRIENDS 3/06/04

Some will betray Me. Some will compromise and some will be faithful all the way. Yes, My love, it has been that way since the beginning...

And even when I already knew the outcomes, I chose to love. And even so, it is the same with My gifts and callings. They are irrevocable...

Yes, precious one, now you know. I have given you a glimpse into Mine own heart. How I long for friends, just like you do! How I long to be one with those, just as you call them. - kindred hearts. How it melts My heart when I see them suffer because they love Me and continue to choose to love Me no matter what. I AM all powerful, all knowing and always present. I always was and always will be. And yet only you can give Me volunteer love. And now you know. How I feel.

John 15:13 NKJV

"Greater love has no one than this, than to lay down one's life for his friends."

{END 2004 RHEMA}

=====

CONTINUED: Why would He mention betrayal? Because this is the last of a 10 year season (1999-2009) and He is wanting to move us onto a higher level of experience, intimacy and faith in Him.

Broken innocence can produce knowledge, understanding and wisdom. It can make us desperate and drive us to God where we cry, "Lord I believe! Help me in my unbelief!"

Why would God mention betrayal? Betrayal is something that cuts so deep that we usually cover it over. But God knows every place where we wince and instinctively close our eyes. When God brushes close to a memory in the past, (especially the last 10 years) , it is not because He is going over old ground to test in areas of presumption & mindsets, motives of soul & flesh, or our levels of distraction & focus.

What He is circling now, are resolutions to old patterns, so their doubts are not brought with us into the new season of sight. We don't realize how our response to past betrayals affects our level and ability to really trust God and trust Him in those He brings into our lives. We don't realize that in places where we have experienced betrayal, it affects our ability to truly hear, see and especially receive what God is saying.

This next year, 2010 is the year of the eye. Every area where we have experienced betrayal, we need to bring back to Him and let Him wash it so that He can take us to the next level of sight. It is time to earnestly pray that He open our eyes to see, that He take off the blinders and let us see. Our sight must have the foundation of trust that He is our Good God and brings everything together for our good.

Rom 5:1-5 NKJV

"Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ, 2 through whom also we have access by faith into this grace in which we stand, and rejoice in hope of the glory of God. 3 And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance; 4 and perseverance, character; and character, hope. 5 Now hope does not disappoint , because the love of God has been poured out in our hearts by the Holy Spirit who was given to us."

Finding Stability of Peace in Relationships

Posted by [[swauthor](#)] Aug 8th 2008 - 9:02PM Posts to date: 3947

RHEMA 8/08/08 FINDING THE STABILITY OF PEACE IN YOUR RELATIONSHIPS

{ I was praying about suffering instability in relationships. I have been hearing about all kinds of people who are miserable in their jobs, marriages and churches and it seems like they are all complaining about the same thing: relationships. }

HEARD: To stand at the door and knock. The prayers of the righteous. They avail much. Vigilant.

Col 4:2-3 NKJV

Continue earnestly in prayer, being vigilant in it with thanksgiving.

HEARD: Handle this relationship.

PIX: I saw an umpire do the safe sign as someone was coming into home base.

HEARD: Daddy's home. I will help you. Balance. Do not be afraid.

PIX: I saw someone kept pressing the "Control" button over and over again.

HEARD: Setting you free from all that ensnares. Blanket. Comfort us, Your beloved children. And minister in the affairs of life. Peace.

Rom 12:18 NKJV

If it is possible, as much as depends on you, live peaceably with all men.

Eph 4:1-3 NKJV

...with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace.

Heb 12:14-16 NKJV

Pursue peace with all people, and holiness, without which no one will see the Lord: looking carefully lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble, and by this many become defiled;

HEARD: I helped you to be stable.

WOW GOD IS SO AMAZING

As a background, I always use my mini hand recorder to speak what I hear and see instead of writing it. The last thing I recorded was "I helped you to be stable."

So today Wayne and I went shopping and while he was in the post office I got out my pocket PC to read some Words to Ponder. At the very moment I slide the scroll button to the following, I heard my own voice say, "I helped you be stable!" It totally shocked me as I stared at my pocket PC wondering how it was speaking to me! I knew it was a God moment but was certainly startled and puzzled.

Then I remembered tucking my voice recorder into my purse on the way out the door which was now on the floor of the car. I must have kicked that part of my purse with my toe when I reached to get my PPC. So all of this is happening at the SAME time I am sliding my PPC stylus down the scroll bar on the Ponders. When I felt quickened to stop the sliding, without knowing what the Ponder was, it stopped on the following!

DEBUGGING YOUR EMOTIONS 1/23/07

Just like a computer needs a certain background file that debugs internet server information to keep it running **stable and secure**, so do you. There are spiritual operations that run in the background of your life and help you process all the things that you face from day to day. They **help you do your tasks and remain stable and secure**. These operations are hidden places and not visible, just like underlying computer files. It is vital that these "files" be put in the correct "directory."

When your source is in the wrong "direction", the very thing that kept you emotionally sound, will turn into a virus that eats away your soul and causes you to suddenly freeze up and emotionally crash. Beloved when your **source for stability and comfort** is turned the wrong direction, your tendency to crash will increase until everything comes to a standstill. Listen to your patterns and understand the process. The ways of the world offer fleshly comfort, but the end is destruction. Only what comes from My Holy Spirit will feed your life with abundance and constancy. Lean on Me and pray over all your tasks and all that you process in your day. **As you commit your way to Me, I will surely lead you and keep you stable.**

Prov 1:33 NKJV

But whoever listens to me will dwell safely, and will be secure, without fear of evil."

Heb 12:28-29 AMP

Let us therefore, receiving a kingdom that is firm and stable and cannot be shaken, offer to God pleasing service and acceptable worship, with modesty and pious care and godly fear and awe; For our God {is indeed} a consuming fire. {Deut 4:24.}

APPLICATION: Before we went shopping, today at lunch Wayne and I had been talking about stability in relationships with people. And we had been talking about the different personality types and how some clash. I realized when we were talking how much I need God's peace to remain stable. And I find God's peace in my relationships only when I find harmony in places where we meet. If there is discord I lose that vital peace. Therefore I need harmony in my relationships to keep me stable. I put considerable prayer into stressful communications. It is part of my calling in being a peace maker and an intercessor through bridging the gap in places that are not in harmony in the body. However it is not always possible to keep that harmony and I was talking to Wayne about that. So after reading the above Word to Ponder to Wayne in the car he said, "Hmmmmm sounds like God wants to D-bug your relationships!!"

I reviewed all of this in my mind: Not only did I hear early this AM about God wanting this stability in relationships, but I talk to Wayne about it at lunch, then after lunch I kick the recorder with my toe to remind me what God told me, and then I turn with anointed clicker to the ponder about being stable. hmmmmmmmmm.....

WAYNE'S WISDOM

Wayne said, "Some personality types are not harmonizers by nature. So you must learn to put them into the right directory or category in your life and the other people in other directories and never let them cross. He said never allow a certain personality type to have authority over your life. Keep them at arm's length. Live day by day and dont do anything that causes you to worry 5 days in advance when it comes to approaching stressful relationships. The Lord is telling you to look back and listen to the long track record so you dont have to go around this track again."

I gulped pretty hard and asked him to please repeat that so I could type it into my rhema!!!!

For myself, I see compartments or directories in my life as the expectations I have in people. I have learned that in certain personality types to have no expectations when it comes to having healthy, equally reciprocal, relationships. Even if they learn to give, it is rarely balanced and equally yoked in a reciprocal relationship. Much of this has to do with trying to force something to connect on the level we want that just isn't God ordained. I have learned that to gain my peace over unresolved relationships is to change my expectations.

INCREDIBLE TIMING CONFIRMATION JOEL OSTEEN: So just as I am finished typing above, I decide to go in and watch some God TV. Joel Osteen was on and the first thing I heard him say was:

"She didn't do it on purpose, we just have different personalities and different strengths!"

That got my attention!!! So I typed the following quotes from the show in hopes that it would bless others. This is from Podcast #395, Recognizing What Battles to Fight.
<http://mobilcast.com/joelosteenaudiopodcast>

Here are some quotes from the sermon:

"Bringing tension into the house, getting uptight, it finally dawned on me, Joel this is not a battle worth fighting. \$10 a month in electricity, is worth keeping the peace in my home. What's my point? The reward was not big enough for the heartache it was causing me."

"How many battles are you involved in that don't have big enough rewards? You may be right and win the victory but a lot of time we come out so battle scared and beat up, wounded, mad at ourselves, tension into the house. **Recognize the battle that does not have big enough rewards. You'd be better off to be the bigger person, to let it go for the sake of peace.**"

"Not every battle is worth fighting, some are simply distractions to try to lure us from our destiny. If there are no spoils, that's not a battle worth fighting."

"Trying to prove themselves to people, trying to win over all their critics, playing up to someone and trying to get their approval... Those are all distractions, we need to choose our battles wisely. We're not supposed to be in a fight mode all the time. A warrior just doesn't fight any battle, he only fights battles where there is a spoil. **If it's not between you and your God given destiny, you should simply ignore it.**"

"Somebody doesn't like you? Somebody doesn't want to be your friend? Somebody is rude to you at the office? That's not worth starting world war 3. No one person can me give everything I need. **I am not going to get frustrated and try to change somebody or try to make somebody give me something that they dont have.**"

"Spending years and years trying to win the approval of someone. Sacrificing their own goals to try to impress a boss or win over one of their critics. The problem is that person is never going to give them their approval. We need to accept that fact that not everyone is going to like us and not everyone is going to agree with us."

"I could compliment them every hour, send them flowers every day, mow their lawn every week but this person is never going to like me. You should not waste your valuable time and energy trying to change their mind. If you will let that go... then God will not only send you people that accept and approve you, but He will send people that celebrate you. People that celebrate your talents, celebrate your personality and celebrate your accomplishments. You wont have to constantly be trying prove yourself, walking on egg shells, hoping that you are good enough. No you can just relax and be who God made you to be and they'll think you are the greatest thing in the world."

"Quit wasting your time trying to win somebody over that is never going to be won over. Quit trying to make somebody love you that's never going to love you. Quit trying to persuade them to be your friend when they are never going to be your friend. If you have to constantly play up to them and convince them you are important and talk them into spending time with you, that is not a battle worth fighting. I'm going to let that go and start trusting God to bring me divine connections, people who will celebrate who I am."

"Sometimes the reason people never accept us is because they are so insecure. They'll never give you a compliment, never let you in their group because they are threatened by you, intimidated. And the way they express that insecurity is to try to push you down so they will look bigger. They minimize so they can equalize. They will diminish what you have to offer, so they wont look so small. If you will let it go, God will bring people into your life that add value to you, not take away. People who celebrate who you are and be happy when you succeed. Not people that find fault, people that get jealous."

"If you will let that go... then God will not only send you people that accept and approve you, but He will send people that celebrate you. People that celebrate your talents, celebrate your personality and celebrate your accomplishments."

2 Sam 16:12 AMP

It may be that the Lord will look on the iniquity done me and will recompense me with good for his cursing this day.

1 Sam 17:28-30 NKJV

Now Eliab his oldest brother heard when he spoke to the men; and Eliab's anger was aroused against David, and he said, "Why did you come down here? And with whom have you left those few sheep in the wilderness? I know your pride and the insolence of your heart, for you have come down to see the battle."

And David said, "What have I done now? Is there not a cause?" Then he turned from him ...

Extreme Perspectives, Extreme Love

Posted by [[swauthor](#)] July 10th 2009 - 4:29PM Posts to date: 3947

RHEMA 7/02/09 EXTREME PERSPECTIVES, EXTREME LOVE

HEARD: Waxed strong. Confident.

Luke 1:80 KJV

And the child grew, and waxed strong in spirit, and was in the deserts till the day of his shewing unto Israel.

Heb 11:34 KJV

Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens.

HEARD: Spot check. Sure to find your way around each obstacle. There's always more than one solution. And so you reach. Beyond. A way around the problem. To take the walkway. What's extreme? Perspective.

PIX: I saw something that was very huge and then I saw the same scene very tiny as looking through a key hole.

HEARD: Carnal. How to overcome. It cant be that simple. Yes it is. What's a new way of looking at this? Love. The heart of God is to beat free and patient.

WORD TO PONDER: EXTREME PERSPECTIVES, EXTREME LOVE 7/02/09

Beloved what you see as an unresolved obstacle has many solutions. My love bears all things, believes all things, hopes all things and endures all things. My love never fails. Yes it is

sometimes extreme to walk the walk of My perfect love when in the face of something that appears massive. However where My Spirit is, there is liberty. I can change your perspective and that same obstacle can become something very small and insignificant. As you grow in My love, you will understand the wisdom of how it can resolve so much in your life.

2 Cor 3:17 NKJV

Now the Lord is the Spirit; and where the Spirit of the Lord is, there is liberty .

1 Cor 13:7-8 NKJV

Love bears all things, believes all things, hopes all things, endures all things. Love never fails.

1 John 4:19 NKJV

Love has been perfected among us in this: that we may have boldness in the day of judgment; because as He is, so are we in this world. 18 There is no fear in love ; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love . 19 We love Him because He first loved us.

Sandy, your post reminded me of something that happened the other day. I couldn't find my reading glasses anywhere. Later in the day I was upstairs and my husband called to me from the bottom of the stairs. We spoke and then, lo and behold, there next to him on the hall table were my glasses. I could see them from where I was standing at the top of the stairs, high up above, yet I had walked past that table all morning and missed them. I heard: "Seen from above. You can see clearly from there."

Mellow Out: Changing Hard Hearts

Posted by [[swauthor](#)] July 15th 2008 - 10:46AM Posts to date: 3947

RHEMA 7/02/08 TO MELLOW OUT A HARD HEART

HEARD: The place where bricks are made. My beloved.

Where do we go from here? What is the best choice? My will. To give you room, to be free. I dont want you sad or grieving.

To have a place where you are welcomed. Want ad.

PIX: I saw a man with grey hair who was leaning back in an executive desk. He was speaking a command over his company.

HEARD: Facing some difficult decisions. Undergraduate. Graduation.

Investigation. Decisions once made are easy to change. When hearts mellow out and re-arrange. I have a surprise for you. We won. Victory.

WORD TO PONDER: CHANGING HARD HEARTS 7/02/08

I AM changing hearts in places where wrong decisions were made. I AM mellowing hearts by giving them room to reconsider old decisions without direct pressure. I AM bringing the good and right balance into memory and as a result, changing hearts to realign with My will. This will be in your favor beloved.

Phil 2:12-13 NKJV

Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; 13 for it is God

who works in you both to will and to do for His good pleasure.

Divine Tensions in Sharing our Faith

Posted by [[swauthor](#)] Nov 30th 2007 - 1:20PM Posts to date: 3947

11/30/07 TEACHING: UNDERSTANDING DIVINE TENSIONS WHEN SHARING OUR FAITH WITH THOSE WE LOVE

Many years ago someone that I felt accountable to expressed reluctance in reading my first book prior to publication. This person did not want to "judge" my work due to our relationship. I was unable to understand the depth of such a statement and wrestled with that concept for many repeating cycling with various people until the Lord brought me full circle. At that point I had experienced this divine wrestling/ tension several times from both sides of the fence of being accountable for the release of others testimonies and also being accountable to others for the release of my own. It is from that place I feel the burden of the Lord to share the following.

BETWEEN EARTH AND HEAVEN: LIKE FLYING A KITE

When a person starts to move higher in faith experiences with the Lord, they start to experience a divine tug-a-war with those they are bonded to that are still "grounded" in their flight. It is like flying a kite, and the tension between the person on the earth holding the string, and the "kite" who is stretching and yearning to go past the boundaries of what is extended to them. As long as there is a person holding onto the string on the ground, the kite is able to soar higher and higher as the person releases a little bit of string at a time. It is the very tension that brings the kite its stability to go higher. But if the person lets go of the string, or the tension on the string drops, so does the kite. If not recovered or passed to another person, the kite falls to the ground and so does faith.

The string represents several things at once: the bonding between the two people, the trust-relationship and discernment between the two, and last but not least, the string represents the faith of both. It is a divine teamship that God uses in both lives. And it is in that place

between the two that this mutual dance in the Spirit takes place on the ground and in the air.

The person in the air is caught in the yearnings of having tasted levels of the supernatural and wanting release to stretch into more. They experience emotional tragedies when what they experience is not immediately validated by the one on the ground. They suffer the desires to be understood and not judged, to be accepted and not rejected. They want to be equally yoked in experience and faith with the one holding their string. And most of all, they feel unstable in their faith journey and desperately need to feel validated... that what they are believing IS a safe place, even if they are suspended in the air without feet on the ground. It is a very painful place to be the unstable kite and caught between the tensions of finding God and sticking with the person holding their string.

The person on the ground is caught in their own yearnings to soar, but experiencing the gravity of doubt and unbelief due to not having taken the same flight. They suffer the self torment of condemnation and shame, thinking something is wrong with them since they are not experiencing the same. They worry about the one they are watching and holding, lest he falls flat on the ground and they have to pick up the broken pieces. They worry that they are missing their divine visitation. They fight their tendency of being critical, negative and exacting. They struggle between the divine tension of trying not to judge, yet remaining grounded in scripture, wisdom and discernment. They feel the tension of hopelessness that they will never experience their feet off the ground, and the yearnings of God's draw upon their hearts to leave the gravity behind.

This divine call upon the two hearts, of taunt wrestling and tension, is the string of their mutual faith, yearning and desiring more of God and not knowing how to gain it so they both can fly. It IS a divine call that God uses in both lives. I have witnessed this scenario so many times in my communications. Couples in marriages are suffering this tension. Pastors and their sheep are experiencing this. Parents and children, friends with friends; any place you find a bonded relationship where opinions matter, where faith matters, where finding God matters.

=====

THE STRETCHING OF APRON STRINGS

It has been prophesied that each generation is climbing higher in God than the previous generation. In very simple terms, it is a part of the fruit that comes from the mystery of bonding. When I was in child growth and development class in college, I learned that there are patterns in human development where we advance in our abilities to stand on our own two feet without having to "check in" and make sure that we are OK. This need to check in did not take place without an emotional bonding.

They have done many studies of this, from infancy on, where the infant needs to have direct contact with their caretaker. As long as they are getting this check in time, they feel like their lives are safe. When they go through the stages of crawling, toddling, walking, running... they have done studies of "normalcy" where the child usually goes so many minutes before popping back to their caretaker. I watched this with my own son as he was growing up. He would be on the floor playing with toys, and suddenly he would get up, run to me for a hug, or to say something and then he would go right back to what he was doing. Later it was not a touch or a word, but gaining direct eye contact with me, even if in the other room or much farther away. As he grew older, his "check in" times became farther apart.

I watched this with my grandson the other day. He was enjoying his new ability to crawl and he was on the floor and up into my arms and then sliding back down again in less than a minute. He simply needed his check in time to make sure nothing had changed and all is fine!

We cant really understand the mystery of this bonding, but it also happens when we grow up in maturations of faith and experience. When we read experiences that previous generations had in revival or relationship, this grounds us that our God is the same, yesterday, today and forever. When we read His Word and see that others have read it in like mind and heart, we receiving a grounding that helps us check our state of being. And of course we check in daily with God and He reassures us we are growing fine and everything is going to be OK.

When I am with my grandson I am taking delight in each and every progress he is making in his journey of discovery and growing. I dont want to hinder him from discovery and stretching his muscles and life outside the boundaries of being directly held. But when he pulls himself up near tables, my hand is gently resting on the corner, lest he fall on the sharp part. He may or may not know my hand is there. But my hand is there because I know by experience what that corner can do. It is the same in our faith and our relationship with the generations who have gone through these things. Decisions and changes of directions are corners where we need a safe covering by a loving and watchful hand.

When connecting with another generation, common denominators ground us and equip us to grow stable. There is a tension to want to cut the apron strings in order to increase territory. But cutting the strings is not God's perfect will. He said one generation is not made perfect without the other.

Heb 11:40 AMP

Because God had us in mind and had something better and greater in view for us, so that they {these heroes and heroines of faith} should not come to perfection apart from us {before we could join them}.

God is wanting ALL to grow up into Him and find their way and He uses the mystery of bonding to accomplish this. The stretching of apron strings is just like the tension between the kite and the ground. God uses the tension between the generations to draw the one, and pull the other, bringing both to Himself. It is not possible without the string between the two.

=====

WHEN THE STRINGS GET CAUGHT

There are times that snares occur when the grounded one and the soaring one wrestle so badly that the strings of faith, bonding and relationship wind up in a ball of knots. All comes to a halt as we wait upon God to unravel a mess.

In our relationships with one another and with God, all need to repent of grieving the Holy Spirit for bad attitudes, argument, wrong motives, stubborn opinions, striving, judging and harsh words. Repent means to sincerely change and walk in a different way and with a different heart.

The soaring one needs to find a wisdom and balance between keeping what are holy pearls meant for the holy place, and sharing what is meant for those on ground level.

The one on the ground needs to find the faithfulness and patience to support the person without being critical and negative.

The soaring one needs to trust God to bring validation if he is not receiving any support from the one holding his emotional strings.

The one on the ground needs to remain faithful in prayer and work on communication skills so as not to damage the strings of relationship.

=====

UNEQUALLY YOKED?

In my observances of so many people, the pain and divine tension that I have witnessed seems to be a result of what I have called unequally yoked faith. It is where the faith, gifts, experiences between the two reciprocating people seemingly are not matched to be able to validate either position. When the faith gets balled up, it results in the hopelessness of being stuck in the same place and without remedy for change.

After so many years of observance, I have come to the conclusion that what God has joined together, is yoked for a purpose: HIS PURPOSE. It is a very simple thing for Him to catapult someone off the ground. And it is a very simple thing for His wind to release a kite higher. But instead, He uses this divine dance between earth and heaven to grow up His kids into His likeness and His love.

Earth and heaven are connected between two hearts of faith and when both are connected, love is the divine current that pours up and down the string, oiling and smoothing the kinks, so that both can find their way to God.

Rom 15:5-8 NKJV

Now may the God of patience and comfort grant you to be like-minded toward one another, according to Christ Jesus, that you may with one mind and one mouth glorify the God and Father of our Lord Jesus Christ. Therefore receive one another, just as Christ also received us, to the glory of God.

1 Cor 1:10 NKJV

Now I plead with you, brethren, by the name of our Lord Jesus Christ, that you all speak the same thing, and that there be no divisions among you, but that you be perfectly joined together in the same mind and in the same judgment.

Eph 4:1-4 NKJV

I, therefore, the prisoner of the Lord, beseech you to walk worthy of the calling with which you were called, with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace.

POEM: ICE DANCERS 12/02/04

~ To those who are learning to lay down their lives and love ~

.... Parents and children, churches and pastors, friends with friends, husbands and wives, prayer partners, bosses and managers, teams of all kinds....

Have you ever met such a team as these?
Wrestling for answers to put them at ease.
In heaven we laugh and cry as they turn
Watching and waiting to see what they learn.

In and out through the stride of their lives,
Trying to find balance and settle their strife.
What they don't know about this tug of war
It's not with each other, but with themselves a sore.

Like mirrors of reflection they are in synch
Still wrestling for answers in what they think.
To heaven above we see dancing on ice
Whirling and gliding in holy sacrifice.

What they do not see with their hearts in motion
Is My pure character in utter devotion.
With a span between them they swirl side by side.
Space and time will help as they learn to abide.

Then coming together he lifts her in the air.
She stretches to heaven with Words to declare.
They yearn in their reach and cling for their balance
As they seek Me for poise through intimate stance.

In distance or touch, their hearts are the same.
They contend for what's right, to separate shame.
This is My uniting, My work, and My love.
Wrestle not with each other, or Me from above.

You can not run from My work that is pure.
I'm melting you together in a pool of cure.
All over the world the ice does melt.
As you yield to Me all that you have felt.

Your answers were not in making things work,
Grappling with each other and things that lurk.
As you tangled, your spirits rose in the sky
Losing your peace and groaning with sigh.

You grounded your mind-sets to rest in My plan.
Yes you died dead, to become a free man.
But I resurrect all planting that is Mine.
That you bare fruit for My glory to shine.

Whether business or church or life in between
It's life in My Spirit, in a walk that is seen.
Heaven and earth merges for My touch
Let go and let Me use you for such.

Don't play games in exchanges or apart.
Simply accept this uniting is My start
Of a team that will function to My heartbeat
I will use your blend everywhere you meet.

No longer wrestle against lives devoted.
My Spirit reigns with My DNA coded.
Learn to relax as you live in symmetry
I will heal your feelings of lost dignity.

You are predestined and set up from Me
Rest as you walk into your destiny.
The future brings joy as you see the harvest.
Of all that you've covered waiting in the nest.

Don't meddle trying to fix another's heart
Instead trust Me that I know what I start.
My flame of love in My servant's waiting
Will spread My fire, from character not abating.

Put confidence in Me and trust each other
While you offer prayer for one another.
Identities come from what's real inside
From loving sacrifice that can not be denied.

Let the ebbs of life come and go with the flow
As you glide out and in to share what you know.
From the rhythm of skaters that dance on the ice
I will multiply your unity and your sacrifice.

Ps 50:5 NKJV

"Gather My saints together to Me, those who have made a covenant with Me by sacrifice ."

When Your Support System Crumbles

Posted by [[sauthor](#)] Jan 12th 2007 - 6:29AM Posts to date: 3947

RHEMA 1/6/06 WHEN YOUR SUPPORT SYSTEM CRUMBLES

VISION: I was in the car on a long bridge and suddenly there was a pile of rubble and the bridge just dropped off with no time to stop. I just sighed and told the Lord I belong to Him as the car went over. To my surprise, there was a disheveled, but manageable ramp built right at the drop off, taking the car down over all the rubble and off the end of the bridge without crashing.

At the bottom of the bridge, the car went into a warehouse like place and I looked up and there were 2 angels that were working on dispensing mail like packages. One dropped off from above into my seat. This was a very strange "package".

COMMENTS: In my childhood years of backpacking and camping on river banks, my sleeping bag was a survival one of down feathers. I didn't "roll" my bag up, I "stuffed" it into a small sack with a draw string on top. That was what this was like, only it was not my bag. In my rhema, I have much rhema about the KJV word "beset" from Psalms 139, meaning to be surrounded and carried in a bag. It is a very precious word. Anyway, when the bag dropped in my seat I realized that someone had "stuffed" a lot into that bag and it was not my "stuffings." When I lifted my arm up into the air to throw the bag back, it was too heavy for me to lift or throw because of my weakness and trauma over the crumbled bridge.

WORD TO PONDER: WHEN YOUR SUPPORT SYSTEM CRUMBLES 1/06/07

Beloved ones, I understand so well how it feels to suddenly without notice have a support system crumble. Most often then not, these are supportive relationships that can easily wreck in the stress of life. Relationship is like traveling a bridge over rough waters, it divides the sorrows and doubles the joy in life. But when that bridge crumbles it is massive chaos until help comes. I hear your cries for deliverance and healing, I AM sending My angelic helpers to build a platform over the rubble to help you see your way clear. The secret to this platform is to keep your conversation edifying, ever mindful to build one another up, encourage and lift one another in your faith.

Sometimes relationships are dysfunctional and what caused them to become that way comes from broken people having no way out of repeated abuse until all they know is to respond through that pain, no matter what they are dealt. Find ways to honor and support one another. Rebuild trust by showing a true desire for change and then walking out those changes. Find ways to express yourself differently. Create a new future and release the past as over and gone.

Keep moving dear one, dont look back, just maneuver your way through the mess, and once away from what has crumbled, dont stuff your feelings. If you need to talk to someone about what has fallen, then share your burden. Unstuff these emotions that you have carried for so long. Pray over them. Share your burden and bring it all to prayer. Release and forgive, express your sorrow, move away from the pain as you pour out that which you have held inside. These burdens are not yours to carry alone, ask Me for help. If you feel it is too much to share with one person, then trust Me to bring you several and dispense portions of this heavy heart until you are free at last. Commit your way to Me and I will set you free.

Eph 4:29-32 NKJV

And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness, wrath, anger, clamor, and evil speaking be put away from you, with all malice. And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you.

In my spiritual language the teeth means relationship, when I see the teeth in visions, I feel that the Lord means the relationship. Recently I have a parable experience when I see the dentist.

Experience: The dentist needed finish a complicated procedure on my teeth, which took him about two hours to finish. In order to finish what he intended for this procedure, I had to follow his instructions closely. For example, sometimes when he told me to open my mouth, I immediately opened. When he told me to bite with the teeth, I bite. In a way whatever he told me to do I just followed. Finally this two hours procedure was done according to his intentions. It was during this procedure, I thought of the following.

Application: When the Lord need do a work in us or through us, He needs us to follow His instructions closely. When we obey Him in each step, the Lord will accomplish what He intends to accomplish. Since the teeth is related to relationships, when the Lord tries to repair a relationship in our lives, He needs our cooperation. When we are faithful in obeying Him, the Lord will be faithful in repairing our relationships.

Dear brothers and sisters, do you pray to the Lord to restore your broken relationship? He hears your desperate needs for restoration, He will do it in His timing, He needs your cooperation to finish what He intends to do. Trust in Him, He is our spiritual dentist.

"Jesus answered them, "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners to repentance."" (Luke 5:31-32)

With His love and Kindness

Wow, that brings light to a huge past hurt that has cropped up in the past few days. I thought I had forgotten it and forgiven it, saying it didn't matter. Instead I had stuffed it and was surprised by the emotion and hurt I felt when it surfaced.

Hurts are like mushrooms, they grow in the dark, growing off the decay of our emotional reactions to offenses. They multiply, sending out spores unseen till suddenly a new crop appears. Forgiveness and repentance is the only way to rid ourselves of these parasites that multiply unseen till they cannot be contained in the "stuff sack."

Forgiveness, not stuffing is the answer. I am learning to reject taking in offense, refusing to eat of it; much like one would reject eating rotted food. Partaking of offense and rotted food makes the consumer sick. Forgiveness brings healing and life as does nourishing food.

I have not mastered this yet, but the Spirit is quick to remind me of the principle of humble forgiveness when I am wronged, because I have wronged others and have been greatly forgiven.

Thank you,
Debra Sonner

RHEMA 4/22/07 REBUILDING TRUST
HEARD: How do you prove someone is trustworthy? Time.

WHAT IS TRUST

Ps 18:30 NKJV

As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him.

Trust is a foundation in relationship. People trust God, loved ones, leaders and peers. Trust is:

- To allow without fear
- To believe in someone's reliability
- To have confident expectations of performance
- To have certainty based on past experiences
- Hope that you will not be rejected or abandoned
- Faith in someone's authenticity to be honest
- Extending credit to someone's integrity
- Reliance upon someone's commitment
- Being vulnerable with confidences
- Acceptance that a word will be backed with its deed

> The foundation of trust is based on how well you know whom you trust and their maturity. This takes time in relationship between 2 reciprocal parties.

REBUILDING TRUST

Zech 13:5 NKJV

And one will say to him, 'What are these wounds between your arms?' Then he will answer, 'Those with which I was wounded in the house of my friends.'

People lose trust in God, loved ones, leaders and peers. How does one rebuild trust?

- Acknowledge what happened
- Be willing to forgive yourself and the other and start over
- Own up to your part of the failings and confess your faults
- Verbalize your true remorse and suffering for breaching trust
- Be accepting of someone's best intentions
- Build a knowledge about someone
- Find insight into someone's motives
- Assess someone's fears and needs
- Give understanding to the person's weaknesses
- Develop realistic expectations about someone's performance
- Accept with unconditional love as a bridge past fear of rejection
- Build the self esteem and confidence of someone
- Be real about your level of commitment
- Be real about your lack of commitment
- Do your best to remain consistent
- Back your words with your deeds
- Deduct the person's passions in life, the key to their commitment
- See the bigger picture outside of the breach in trust

> The foundation of rebuilding trust is in how well you know the person. This takes time between two interacting parties.

> The level of someone's commitment and trustworthiness to God will be the level of their commitment and trustworthiness to you. It is a matter of maturity.

Lessons from the Bridge Collapse

BRIDGE COLLAPSES DURING RUSH HOUR AT 6: 05 PM ON 8/01/07

OT:605 'anash (aw-nash'); a primitive root; to be frail, feeble, or (figuratively)

melancholy:

KJV - desperate (-ly wicked), incurable, sick, woeful.

NT:605

NT:605 apokatastasis (ap-ok-at-as'-tas-is); from NT:600; reconstitution:

KJV - restitution.

QUOTES FROM ABC NEWS: DEATH TOLL RISES FROM MINNEAPOLIS BRIDGE COLLAPSE

<http://abc.net.au/news/stories/2007/08/04/1996648.htm?section=justin>

"As investigators looked for the cause of the collapse, Minnesota Governor Tim Pawlenty said there had been "warning signs" of problems with the **40-year-old bridge**.

A local newspaper reported that plans to shore it up had been postponed pending other repairs.

Bridge 'structurally deficient'

Investigators said determining a cause for the collapse would take time.

The Minneapolis Star-Tribune reported that Minnesota's Department of Transportation debated how to shore up the steel truss span, which had been rated "structurally deficient" by federal inspectors. The bridge was one of tens of thousands of US bridges given the designation.

The agency had decided to bolt plates into areas where inspectors found flaws in the steel girders, but that work had been postponed while the bridge was being resurfaced and other repairs were made over the summer, the newspaper reported.

"This bridge has been under inspections since 1990," Mr Pawlenty told CNN.

"There were warning signs that there were problems with this bridge, concerns with this bridge. But no one came forward and said a collapse is imminent or it should be closed.

"They kept talking about future fixes. And so now, going back with hindsight, we're going to be able to say 'Well, should they have taken a different course or is what they did reasonable?'"

{end quote}

SPIRITUAL INTERPRETATION AND LESSONS FROM THIS NATURAL PARABLE IN HISTORY

The above article states that the bridge was 40 years old. This was strongly quickened to me about my day yesterday, the day the bridge collapsed. I did not know what had happened in

the news, since we rarely watch the news. Today I told someone in the company I work with that my position in the company has been a bridge between the old and the new and I was trying to make sure the bridge didn't topple in the process of building a stable foundation in which to spring into promises. Today someone emailed me the news about the collapsed bridge and I realized what I had said about making sure the bridge did not topple was prophetic.

I have always known my position at this company was a parable of the older generation who have circled for 40 years, being a bridge to help the younger generations and those left from the older generation to cross over into the new land. The Lord told me this prior to my accepting the position.

Yesterday was a disaster where the issues I was dealing with had to do with **too much change, too much growth and all too fast**. The problems I was dealing with at work had to do with not enough team work to handle the traffic, and some people on the team not following through on their commitments to stand together united. When they let their part down, the other half of the team was not strong enough to carry the whole load. Communication broke down and is on hold waiting for resolution, reconciliation and restoration!

What I have described here is a reenactment/ fulfillment of the same Word I wrote about above, connected to this thread in the forum:

WHEN YOUR SUPPORT SYSTEM CRUMBLES 1/06/07

Beloved ones, I understand so well how it feels to suddenly, without notice, have a support system crumble. More often than not, these are supportive relationships that can easily wreck in the stress of life. Relationship is like traveling a bridge over rough waters, it divides the sorrows and doubles the joy in life. But when that bridge crumbles it is massive chaos until help comes. I hear your cries for deliverance and healing, I AM sending My angelic helpers to build a platform over the rubble to help you see your way clear. The secret to this platform is to keep your conversation edifying, ever mindful to build one another up, encourage and lift one another in your faith.

Sometimes relationships are dysfunctional and what caused them to become that way comes from broken people having no way out of repeated abuse until all they know is to respond through that pain, no matter what they are dealt. Find ways to honor and support one another. Rebuild trust by showing a true desire for change and then walking out those changes. Find ways to express yourself differently. Create a new future and release the past as over and gone.

Keep moving, dear one, don't look back, just maneuver your way through the mess, and once away from what has crumbled, don't stuff your feelings. If you need to talk to someone about what has fallen, then share your burden. Unstuff these emotions that you have carried for so long. Pray over them. Share your burden and bring it all to prayer. Release and forgive, express your sorrow, move away from the pain as you pour out that which you have held inside. These burdens are not yours to carry alone, ask Me for help. If you feel it is too much to share with one person, then trust Me to bring you several and dispense portions of this heavy heart until you are free at last. Commit your way to Me and I will set you free.

Eph 4:29-32 NKJV

And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness, wrath, anger, clamor, and evil speaking be put away from you, with all malice. And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you.

DIVIDED CAMPS!

As another parable of this time in history, the day before the bridge collapsed, accusations of a fast growing forerunner ministry was brought public by others in the same field. The forerunner ministry is increasing in supernatural signs that others are not experiencing and so they are in doubt. The division has grieved the heart of the Lord very deeply. It is a division that has been brewing many years, but held back. It was forced into a public place that caused people that were united, to have to choose sides. The stretch was too much, and the bridge collapsed under the strain. The accusers did not understand the need to join together at such a time as this, for the sake of the children and the new land we are about to conquer. The accused could have been the fall guy for the sake of unity, and not defended its ministry. But both sides chose to make it public and now the children who do not know how to discern, who have trusted both sides are faltering and hanging in the middle!

Ps 35:11-14 NLT

Malicious witnesses testify against me. They accuse me of things I don't even know about. 12 They repay me with evil for the good I do. I am sick with despair. 13 Yet when they were ill, I grieved for them. I even fasted and prayed for them, but my prayers returned unanswered. 14 I was sad, as though they were my friends or family, as if I were grieving for my own mother.

BRIDGE COLLAPSES DURING RUSH HOUR AT 6: 05 PM ON 8/01/07

6: 05: {desperate, sick, melancholy; restitution}

WORD TO PONDER: LESSONS FROM THE BRIDGE 8/02/07

Beloved ones, you have been given your sight. You have tasted the sweetness of your future promises and you are rushing to get there! What you do not understand is that you have an entire company moving there with you. You are not alone, I AM bringing the masses of My people into the new land of their promises.

You may be on the forefront of breaking through into new areas for expansion, but if you change, grow and move too fast, it will bring too much strain upon those who are helping others make the transitions. You need to pray in more help for bigger teams, more provision for those teams, and be willing to move at a slower pace so that you can bring the masses with you. Stay united, stick together and wait for increased teamwork to solidify and reassemble. Help will come. New alliances will connect for stronger reinforcements. Listen to the warning signs and heed them lest all that you have built crumble with the load.

HEARD 8/04/07: A three fold cord is not quickly broken.

Ecc1 4:9-12 NKJV

Two are better than one, because they have a good reward for their labor. For if they fall, one will lift up his companion. But woe to him who is alone when he falls, for he has no one to help him up. Again, if two lie down together, they will keep warm; But how can one be warm alone? Though one may be overpowered by another, two can withstand him. And a threefold cord is not quickly broken.

WORD TO PONDER: RELATIONSHIPS ARE FRAGILE – HANDLE WITH CARE 8/04/07

Dear ones, always treat your relationships as fragile, precious cargo. That is because relationships are created from people who are vulnerable. These range from close, intimate relations to casual ones. I AM bringing people back to life, with hearts that feel My yearnings for fellowship, bonded communications, ones that reach through to the hearts of isolation and misery. As the days grow darker in the world, I AM making the hearts of My people warmer and more vulnerable so that they will be more sensitive to My Spirit. Beloved, what this means in practical terms: if you say something that is not helpful and edifying, it wounds ALL those who are involved. When My Spirit is grieving over the soul of another, you shall feel it. They feel it, all the body feels it. Repair your bridges now and bring healing to that which has been dislocated.

Heb 12:12-16 NKJV

Therefore strengthen the hands which hang down, and the feeble knees, and make straight paths for your feet, so that what is lame may not be dislocated, but rather be healed. Pursue peace with all people, and holiness, without which no one will see the Lord: looking carefully lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble, and by this many become defiled.

Miracle Bridges in the Making

Posted by [[swauthor](#)] Aug 24th 2007 - 1:17PM Posts to date: 3947

August 24, 2007

Bill Yount:

"Angels Are Descending to Inspect Spiritual Bridges throughout the Body of Christ"

AS ANGELS WERE DESCENDING TO INSPECT THE "SPIRITUAL" BRIDGES THROUGHOUT THE BODY OF CHRIST, THE FATHER WAS ASKING A QUESTION... "CAN THESE BRIDGES HOLD THE WEIGHT OF MY GLORY?"

Webster's Dictionary defines the word "bridge" as: a structure spanning and providing passage over an "obstacle" as a waterway.

Have you been feeling like there are obstacles in your road of getting to where God wants you to be?

Broken Roads...Broken Bridges

I sense many are now traveling down a broken road because of a broken bridge in their lives.

In times of war, if the enemy wants to paralyze a nation, he will target the bridges that connect the people in that nation to one another. Once disconnected, they have little power to resist the onslaught of their enemy.

I saw Many "Relationships" Representing "Bridges" throughout the Body of Christ Deteriorating and on the Verge of Collapsing!

I saw some relationships representing bridges that were connecting the Body of Christ together, but had failed to be maintained over the years and now were on the verge of collapsing. The collapsing of these bridges would mean that many of us would be unable to cross over into our Kingdom purpose and destiny without these certain relationships being renewed, restored and strengthened.

The relationships we once thought we could go on without were now appearing before us as our "only" bridge to cross over into our inheritance! As I saw this, I sensed within me a proverb in the land stating, "I am not going anywhere without you and you are not going anywhere without me." Whether we liked each other or not, our opposing attitudes began to fade as we saw by revelation, "These bridges must be restored and updated!"

Many Dreams, Visions, Ministries and Even the Glory of God Will Experience Delays While this "Bridge" Inspection is Going On!

The cries of those who were injured and wounded through "spiritual" bridges that had collapsed regarding relationships, were now being magnified and heard in the portals of Heaven! Angels were now being assigned as "bridge inspectors" to carefully inspect the infrastructure of relational bridges to see if they were strong enough to carry the weight of the multitudes who would cross over into glory.

Many of God's people were seemingly going through the motions of forgiving one another, but were failing to be reconciled to each other. Many were loving each other from afar off, yet still felt uncomfortable being close together to support the bridge God had called them to help build and to be a significant part of.

Don't Burn Any Bridges Behind You!

I sensed the Lord saying to all of us, "Don't burn any bridges behind you." Let's not write off anyone in our lives who we don't think we need anymore. About two years ago, I was offended by a brother in another ministry that I thought I didn't need in my life. I was ready and justified to separate myself from this brother and his ministry. As I was about to sever my relationship with him, the Lord spoke to me, "You will need this brother and his ministry five years down the road from now to fulfill your destiny!"

Miracle Bridges are in the Making!

Some who have tried to be reconciled with their loved ones and even their enemies, will discover that God has been faithfully working behind the scenes. He will honor those who have loved the unlovable and these faithful ones will begin seeing miracles take place to restore their collapsed bridge (which seemed impossible to rebuild). God will release miracles in many

who have been faithful to hope against hope in their relationships to discover afresh that God's love can build a bridge!

Some Bridges are Made to be Walked On!

Have you ever felt like people were taking advantage of you at times and seemingly walking on top of you? Welcome to the Kingdom of God! Besides having cars and trucks passing over them, some bridges are made to walk on. I know of one huge long bridge that is actually closed one day a year for people to just walk across it, and the people are thrilled to walk across that great bridge.

With Three Nails and Two Pieces of Wood, Jesus Built a Bridge for You and Me!

I sense the Cross is coming back into the construction site of many of our deteriorated and collapsed bridges. Death to self will be a powerful strengthening force to uphold these bridges. We must humble ourselves to prefer others and esteem their ministries and dreams even above our own. Crosses and nails will become a common ingredient to build these bridges that will eventually hold the weight of the Glory of God! Welcome Bridge Builders....and don't forget those three nails and two pieces of wood.

Repairing the Bridge of Relationship

Posted by [[taojin](#)] Feb 11th 2008 - 2:50PM Posts to date: 467

On 2/10/08 I had the following visionary experience and I feel it was related to this topic:

Vision: I lay down in a vehicle and the vehicle was moving on a bridge. As I lay down there, I looked up the sky; I saw a glorious meeting place hanging in the sky. It looked like a room, but I didn't see the wall. I saw a meeting table and a couple of seats around the table, and the color around the meeting place was the bright yellow. I didn't see anyone there. The vision continued... As I neared the end of the bridge, I saw lots of people wear construction clothes; they looked like construction workers doing some construction work on the ground.

"Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings." (Isaiah 58:12)

"He will turn the hearts of the fathers to their children, and the hearts of the children to their fathers; or else I will come and strike the land with a curse." (Malachi 4:6)

With His love and Kindness

Hi Tao

Thank you so much for sharing your vision. The Lord has laid upon my heart an intercession over divisions in the body of Christ, and much of my recent rhema has had that tone. There are several things quickened to me about the wonderful vision the Lord gave you.

First you saw a couple of chairs at the meeting table. The Lord says all it takes is just 2 people to gather in His Name and agree on earth, and they can ask what they will and He will do it.

Matt 18:19-20 NKJV

"Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in My name, I am there in the midst of them."

I believe that your vision is a promise of the culmination of the above posts in this theme of crumbled relationship and repairing bridges. The glory of supping in heaven at His table, with Him and one another is WAITING for those who have the courage to move forward on that bridge of relationship.

There are many who have been de-railed this last year among the divisions and He is waiting for those intercessors who are willing to repair their differences for the sake of the kingdom, to come into agreement with heaven's heart over these matters.

I believe as we are willing to move forward, He will be sending angels on the other side to repair broken bridges. Heaven's glory awaits agreement... for it is there that the Lord commands a blessing!

Ps 133 NKJV

Behold, how good and how pleasant it is For brethren to dwell together in unity! It is like the precious oil upon the head, Running down on the beard, The beard of Aaron, Running down on the edge of his garments. 3 It is like the dew of Hermon, Descending upon the mountains of Zion; For there the LORD commanded the blessing — Life forevermore.

I am very blessed by your vision, as I have just typed my rhema from yesterday, the same day as your vision. It fits perfectly.

RHEMA 2/10/08 REPAIR FELLOWSHIP

HEARD: Finding hope. Fellowship repair. It's easy as you lay down your weapons. Giving honor and abasement.

Rom 12:9-19 NKJV

Let love be without hypocrisy. Abhor what is evil. Cling to what is good. 10 Be kindly affectionate to one another with brotherly love, in honor giving preference to one another; 11 not lagging in diligence, fervent in spirit, serving the Lord; 12 rejoicing in hope, patient in tribulation, continuing steadfastly in prayer; 13 distributing to the needs of the saints, given to hospitality. 14 Bless those who persecute you; bless and do not curse. 15 Rejoice with those who rejoice, and weep with those who weep. 16 Be of the same mind toward one another. Do not set your mind on high things, but associate with the humble. Do not be wise in your own opinion. 17 Repay no one evil for evil. Have regard for good things in the sight of all men. 18 If it is possible, as much as depends on you, live peaceably with all men.

Satisfaction Not When, But How

Posted by [[swauthor](#)] Dec 26th 2007 - 1:17PM Posts to date: 3947

RHEMA 12/21/07 SATISFACTION NOT WHEN, BUT HOW

HEARD: I will help you, satisfy all the longings of your soul. It's not a matter of when. It's a matter of how.

**WORD TO PONDER: LOOKING UNTO ME TO UNDERSTAND AND SATISFY YOUR NEEDS
12/21/07**

Precious ones, if you draw near to those you love and look with misaligned expectations that the longings of your soul will be satisfied, you will face disappointment. It is not because they are not good gifts, for loved ones ARE My good gifts. But the disappointments occur because you have your expectations and dependencies in the wrong place. I AM your Provider, your Sustainer, and the One Who intimately understands all the longings of your soul deeper than any person can. And when you are given moments and times of satisfaction, always remember it comes from My influence upon the hearts of those you love.

Give heed how you satisfy your own longings. Do not look to the world, to the pleasures of sin, or in the lusts of the flesh. When you line yourself up with the details of My Word, you will find your soul satisfied with all the goodness of My peace, joy and love. You can not find that deeply settled and satisfied place without living in My Spirit. Any other life will be unrest to one's soul that will be forever searching to find its home.

Ps 107:7-15 NKJV

And He led them forth by the right way, That they might go to a city for a dwelling place. 8 Oh, that men would give thanks to the LORD for His goodness, And for His wonderful works to the children of men! 9 For He satisfies the longing soul ,And fills the hungry soul with goodness. 10 Those who sat in darkness and in the shadow of death, Bound in affliction and irons — 11

Because they rebelled against the words of God, And despised the counsel of the Most High, 12 Therefore He brought down their heart with labor; They fell down, and there was none to help. 13 Then they cried out to the LORD in their trouble, And He saved them out of their distresses. 14 He brought them out of darkness and the shadow of death, And broke their chains in pieces. 15 Oh, that men would give thanks to the LORD for His goodness, And for His wonderful works to the children of men!

Jer 31:14 NKJV

Their souls shall be like a well-watered garden, And they shall sorrow no more at all. 13 "Then shall the virgin rejoice in the dance, And the young men and the old, together; For I will turn their mourning to joy, Will comfort them, And make them rejoice rather than sorrow. 14 I will satiate the soul of the priests with abundance, And My people shall be satisfied with My goodness, says the LORD."

Gal 5:22-25 NKJV

But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law. And those who are Christ's have crucified the flesh with its passions and desires. If we live in the Spirit, let us also walk in the Spirit.

ACQUITTED! OVERCOME HESITATION

Posted by [[swauthor](#)] Nov 8th 2007 - 9:54PM Posts to date: 3947

RHEMA 11/08/07 ACQUITTED! OVERCOME HESITATION

HEARD: Torch bearer. My bride sees all of her faults. It's a hesitation that you feel about yourself. It's always there. I feel your heartbeat. I feel these things.

She doesnt know what a blessing she is. Precious. A huge effort. Faith. You belong here. Among the mix. Gathered together with my family. Welcome home.

All My expression. Locked them out, lost their confidence. Then Jesus quickened. I value your opinion. I am finding answers. Wisdom. It's always there.

HEARD: Rock.

PIX: I saw a large white rock the size of a fist.

HEARD: Stone.

INSERT WORD FROM BONNIE CHAVDA 11/03/07

BONNIE'S WORD: Another prophetic Word that Bonnie delivered, she saw a rabbi walking past her with something in his pocket. When he reached in the pocket, she felt it too and it was something very precious, it was a white stone. She heard the Lord say, "Acquitted!" She said that when we overcome, judgments are handed down and we are acquitted.

PIX: I saw all these purple strings in the prayer room. They were attached to mylar balloons that were floating above. I had the impression that they were attached to purple heart

balloons, which represents heroes of courage who have gone through great battles.

HEARD: Finding hellos, not goodbyes. Oh they were shining. Relevant. Truth. Adopted. Truth.

WORD TO PONDER: ACQUITTED! OVERCOME HESITATION 11/08/07

My beautiful bride, I listen and I feel your heartbeat. There is a hesitation that you feel about yourself. It is always there. Yes I feel these things dear one. The accuser took you to trial and now your freedom to communicate and express yourself has become bound. You see all of your faults and you lost your confidence. But I have declared, "You are acquitted!" This is not a time of rejections and goodbyes! This is a time for hellos! I AM planting you and adopting you within My family. You have no idea what a blessing you are! Welcome home beloved bride! No more hesitation.

Judg 18:8-10 NKJV

Then the spies came back to their brethren at Zorah and Eshtaol, and their brethren said to them, "What is your report?" So they said, "Arise, let us go up against them. For we have seen the land, and indeed it is very good. Would you do nothing? Do not hesitate to go, and enter to possess the land. When you go, you will come to a secure people and a large land. For God has given it into your hands, a place where there is no lack of anything that is on the earth."

VERY QUICKENED VISION

I received the following Word from a reader today.

Sandy,

I have written you before about your word on fisher's of men. Now I'm writing about a dream/vision I had this past week. I keep seeing it over and over. I've asked the Lord for guidance, and tonight your name came into my mind so I'm sending it to you.

I was in a group of people who were talking about a train and it's wrecking. I knew they were restoring this train engine to do the same run again. It was to go down a very steep hill. Then it went to the engine was fixed and it was going to do the run. I was standing there but noone knew I was there. I saw the young engineer. The train engine started on it's journey. Suddenly I was in the engine with the engineer. He asked me how I got there - I didn't speak, but somehow he knew I was sent by God.

We got to the hill and he started down. He started applying brakes to slow the engine down. It wasn't working - the train just got faster. I saw the brake mechanism and it looked as if it was frozen with ice on it. The engineer just looked at me and then I was outside of the engine. I saw it crash. I went up to the door and saw the engineer; he was dead. His eyes were just looking straight ahead - no fear, kind of blank. He had brown eyes and brown hair. I started climbing into the engine and it was like my feet got stuck, and I couldn't move.

Suddenly people started coming up. They still couldn't see me. At this moment I was standing outside of the engine again and looking at where it had jumped track. I could still see the engineers eyes looking out.

I heard someone say "this is it we'll never try this again". "This was the last run on these tracks."

RESPONSE FROM SANDY:

Thank you so much for sending this warning. I think He is saying, **yes He is going to rebuild what was wrecked, but wait until the season changes and the ice is completely melted.**

RHEMA 2/09/07 DEALING WITH THE CRACKS AND FISSURES

HEARD: To read such a journey. Melt down. Sobering how we parallel. Finding cracks and hairline fissures. We'll find everyone of them and deal with them as they come.

REPLY FROM READER:

Sandy,

Thank you for replying. As I was reading your reply I heard "not the same tracks". I hope this helps.

RESPONSE FROM SANDY:

I believe the much of what has taken place to derail relationships in the kingdom of heaven are language barriers. He will be going in and repairing these issues one crack at a time.

POEM: LANGUAGE BARRIERS 10/16/05

When you hear the words of man,
They can cut like no other can.
Before you jump to wrong conclusions,
Take it before Me in quiet seclusion.
Before you come out to face the world
Ask Me to see the truth uncurled.
Everyone has a different walk.
All respond with different talk.
Listen, clarify and return again.
In the end you will make a friend.

Prov 27:6 NKJV

Faithful are the wounds of a friend, but the kisses of an enemy are deceitful.

RHEMA PAST THE WRECK AND RUBBLE 1/10/07

HEARD: I just need to put something into the water. What? Time in a bottle. A clear path. Comfort her. Follow Me past the wreck.

VISION: I saw something peel away like a veil or some skin.

HEARD: A new heart. Why is this so holy? Your loving ways.

VISION: I saw a kitty cat. I said to the kitty, "You are talking like a baby. I need you to talk with me." The kitty cat said, "Alright, I stand." I understood it was time for the kitten to grow up.

Having made the transition. It's time. Leave this. Agony. Get into the driver's seat.

PIX: I saw someone get into a low sports car with a long pair of legs.

PIX: I saw someone reading a long prayer.

HEARD: Red letter edition day. By the Holy Ghost. Razor sharp. A clear cutting edge in which you speak.

PIX: I saw the clear cutting edge of a sharp knife.

HEARD: I wash your soul. No more implode. Free to love with caution. Finding a huge wealth underneath all the rubble.

BOBBY CONNER: TRAIN WRECK
Posted 1/23/07 from Elijah List

CONFORMED TO THE IMAGE OF CHRIST
by Bobby Conner

God's highest goal for our life is for us to be conformed to the image of Christ. Paul penned in Romans 8:29-30,

"For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He predestined, these He also called; whom He called, these He also justified; and whom He justified, these He also glorified."

The Spirit of truth is commanding us to walk with clean hands and a pure heart on our journey to His holy hill, drawing ever closer to our Lord. Notice in Psalm 24:3-4,

"Who may ascend into the hill of the Lord? Or who may stand in His holy place? He who has clean hands and a pure heart, who has not lifted up his soul to an idol, nor sworn deceitfully."

We can only approach the throne of God with confidence and boldness if our hearts are clean. The writer of the book of Hebrews reminds us in Hebrews 4:16,

"Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need."

Again we are instructed how to approach God's throne in Hebrews 10:22-23,

"Let us draw near with a true (honest and sincere) heart in full assurance of faith (by that leaning of the entire human personality on God in absolute trust and confidence in His power, wisdom, and goodness), having our hearts sprinkled from an evil (guilty) conscience and our bodies washed with pure water. Let us hold fast the confession of our hope without wavering, for He who promised is faithful (reliable, sure)."

NO COMPROMISE

"There has never been such a season of advancement as the one we are entering into...."

The Body of Christ is in a season of no compromise--this is a time to confront carnality in our lives. The warning is extremely clear: be sure your sin will find you out (see Numbers 32:23). God will expose how foolish it is to attempt to cover-up your sins,

"For the bed is too short to stretch out on, And the covering so narrow that one cannot wrap himself in it." Isaiah 28:20

Let God deal radically with the sin in your life. Spend time laying your heart bare before the Lord, and ask Him to search deeply within. Hear the cry for an exposed clean heart in Psalm 139:23,

"Search me (thoroughly), O God, and know my heart! Try me and know my thoughts!"

Only as the Spirit of truth searches our heart will we truly know what is within, (see Jeremiah 17:9-10). Our heart can become extremely twisted, and so deceptive, that we cannot know it. In 2 Corinthians 13:5, Paul encourages us to examine ourselves, to see whether we are in the faith.

"Examine yourselves as to whether you are in the faith. Test yourselves. Do you not know yourselves, that Jesus Christ is in you?--unless indeed you are disqualified."

We are told to examine ourselves to make dead sure we are truly walking in faith. Quickly and completely come clean, confessing every known sin. Let nothing stand between you and the Lord (see 1 John 1:9). If we permit hidden, unconfessed sin to lodge within our heart, our progress of moving forward with the Lord will stop (see Psalm 66:18). Paul writes,

"Therefore 'Come out from among them and be separate,' says the Lord. 'Do not touch what is unclean, and I will receive you.'" 2 Corinthians 6:17

As reported in Joshua 3:2-4, we too, must busy ourselves by preparing the people to advance to move forward into position, because there has never been such a season of advancement as the one we are entering into. The people must be prepared, because we have never been to where we are going now.

NO COMPROMISE WITH THE FLESH

Our prayer must be: "Lord, restore my passion for Jesus." The blood of Christ has provided us with overwhelming victory--we do not have to continue living in defeat, however, it will

require our persistent dedication to overcome the strongholds against us. If we will dedicate ourselves again, and resolve to obey Him, this can change. We can start walking in lifelong victory.

The pure in heart will see the Lord (see Matthew 5: . The happiest, most content people in the world are those totally trusting Christ--those standing strong and straight on Christ, who is the solid Rock (see Matthew 7:23-24).

Trusting in Jesus brings great peace. The great and precious song states:

"Trust and obey, for there is no other way to be happy in Jesus, but to trust and obey."

This is one of the most important aspects of the Christian walk: learning how to quickly obey the voice of the Spirit of God (see John 10:3-5). Never run from God, but run to Him. God longs to help us, not hurt us. God has promised to never leave us, but to live in us and always be with us and, because He is always with us (see Hebrews 13:5), we are assured of the overwhelming victory.

EVANGELISM WILL REAP THE HARVEST

This is an unprecedented season: entire nations will be shaken for the cause of Christ, and evangelism will again be the Church's most important mission. Expect swift shift and rapid change--the winds of change have been blowing for several years, but never with the intensity we will see in these days.

THE COMING TRAIN WRECK--A FUSION OF FAVOR AND FAITH

"This decade will be known as 'the days of the sword, the Spirit, the Word and power.'"

We have entered into a time of critical mass that will produce a forceful fusion. God is causing the "The Favor Factor" and "The Faith Factor" to be joined in an extremely powerful way. This will be released in awesome power for the establishing of Kingdom authority.

It will take remarkable displays of God's demonstrated power to win this generation (see 1 Corinthians 2:1-5). In John 2:23, we read,

"...many believed in His name when they saw the signs which He did."

In a powerful prophetic trance, I was shown two extremely fast locomotives, each moving full speed ahead. However, they were approaching each other, but they were on two separate tracks. I noticed the name on one of the massive train engines was FAVOR, and I observed the name of the other locomotive as being FAITH.

I thought these two trains were going to pass by each other very quickly and closely, but then my attention was directed toward an approaching engineer. I could see He was wearing a bright, shiny conductor's uniform. He approached the tracks and stood at the switch. He positioned the switch in such a manner as to cause both trains to speed head-on toward each other. Shocked, knowing this would result in a huge train wreck, I said,

"Sir, you have set these trains on a collision course," to which He smiled saying, "YES." It was the Lord. His response removed all the fear from my heart, because I knew then that this must be done to accomplish what was needed. God is bringing about the joining of The Faith Factor and The Favor Factor. God is going to bring them together with such stunning force that it will result in a divine FUSION--releasing true Kingdom authority.

Our day is a day of swift shifting; a radical spiritual revolution is at the door. The sword of the Lord has been drawn. This decade will be known as "the days of the sword, the Spirit, the Word and power." The expression of Christianity is about to change, moving from talk to demonstration. Expect God to display His mighty deeds by doing new things (see Isaiah 48:6). The invitation is found in Psalm 66:5, that we are to see the awesome deeds of God. Get ready to be awed.

The fear of the Lord is coming. I cannot stress how important it is to be pure of heart. Ask the Spirit to remove every evil thing from your heart; it will be spiritual suicide to attempt to live a double life. Remember, a double-minded man is unstable in all his ways (see James 1: .

This train vision really reminds me of one of my own dreams that I believe in many ways conveys the same message.

Dream of 8/17/06

I was in a big room where there were many people lying on the floor. Some of them I knew were dead, some badly hurt. One of them sat up and asked: "What happened?" I heard the answer: "There was a big accident and many have died." Then I was taken by the Spirit to a great highway. It was wide but there were steep cliffs on both sides. On the road I saw a huge, strange vehicle that was as wide as the highway. It looked like an eighteen-wheeler (I actually heard this expression) and a big RV combined. It seemed to be a place of comfort where the needs of the people traveling in it were met on a luxurious level. There were other kinds of transportation vessels attached to it: there was a big ship on one side, smaller boats, kayaks, motor cycles, bicycles. I knew it carried a lot of people and this was the vehicle that had gotten into that accident.

I started to wonder how and then suddenly a man appeared next to me. He told me the whole story. He was riding his bike in front of that big truck-RV. He tried to keep close to one side but at one point the road was broken, part of it was missing. He had two choices: to keep going without changing his position and fall/ die or move towards the middle of the road and save his life. This is what he did and when the driver of the big vehicle saw this he turned the steering wheel in order to not hit the man but because of this the whole thing tumbled into the deep.

The big truck-RV represents who we are in Christ. Each and every one of us has a great destiny, calling as God's children.

NAS 1 Corinthians 2:9 but just as it is written, "Things which eye has not seen and ear has not heard, And which have not entered the heart of man, All that God has prepared for those who love Him."

NAS Jeremiah 29:11 'For I know the plans that I have for you,' declares the LORD, 'plans for welfare and not for calamity to give you a future and a hope.'

But our greatest calling is "to be found in Him."

NAS Philippians 3:8 More than that, I count all things to be loss in view of the surpassing value of knowing Christ Jesus my Lord, for whom I have suffered the loss of all things, and count them but rubbish in order that I may gain Christ, 9 and may be found in Him, not having a righteousness of my own derived from the Law, but that which is through faith in Christ, the righteousness which comes from God on the basis of faith,

That means that our whole self, soul is integrated in Him, saved, redeemed. We are not "walking alongside of ourself [our real self in Christ] " anymore but we can say with the apostle:

NAS Galatians 2:20 "I have been crucified with Christ; and it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me, and delivered Himself up for me.

That man in the dream represented that disintegrated part of the soul that wasn't under the control of the Lord and that was unwilling to die. It has been said many times that we are our own greatest enemy, the only one who can frustrate the Lord's plans for our life. As long as part of our soul is frozen, icy we are missing the use of important "tools" in our being that can keep us safely on the track.

NAS 2 Corinthians 13:5 Test yourselves to see if you are in the faith; examine yourselves! Or do you not recognize this about yourselves, that Jesus Christ is in you-- unless indeed you fail the test?

The dream clearly showed me how much I am still "walking alongside of myself." After surrendering my soul completely to the Lord's dealings I have been watching with greater and greater amazement how carefully and lovingly He is healing, mending me. He speaks shalom, peace to my soul : " nothing missing nothing broken." It is only the peace of God that can keep us in Jesus:

NAS Philippians 4:7 And the peace of God, which surpasses all comprehension, shall guard your hearts and your minds in Christ Jesus.

His covenant is the covenant of peace. Shalom, nothing missing, nothing broken.

NAS Isaiah 54:10 "For the mountains may be removed and the hills may shake, But My lovingkindness will not be removed from you, And My covenant of peace will not be shaken," Says the LORD who has compassion on you.

Favor, prosperity is connected to righteousness and peace:

NAS Isaiah 60:17 "Instead of bronze I will bring gold, And instead of iron I will bring silver, And instead of wood, bronze, And instead of stones, iron. And I will make peace your administrators, And righteousness your overseers.

NAS Isaiah 66:12 For thus says the LORD, "Behold, I extend peace to her like a river, And the glory of the nations like an overflowing stream; And you shall be nursed, you shall be carried on the hip and fondled on the knees.

NAS Psalm 147:14 He makes peace in your borders; He satisfies you with the finest of the wheat.

Shalom

Coming Out of my Shell to Communicate

Posted by [[swauthor](#)] Sept 12th 2006 - 8:36AM Posts to date: 3947

RHEMA 8/20/05 Connecting His Body Together

HEARD: True dependency. I will go with you. I will trust you.

1 Cor 12:15-26 NKJV

If the foot should say, "Because I am not a hand, I am not of the body," is it therefore not of the body? 16 And if the ear should say, "Because I am not an eye, I am not of the body," is it therefore not of the body? 17 If the whole body were an eye, where would be the hearing? If the whole were hearing, where would be the smelling? 18 But now God has set the members, each one of them, in the body just as He pleased. 19 And if they were all one member, where would the body be?

20 But now indeed there are many members, yet one body. 21 And the eye cannot say to the hand, "I have no need of you"; nor again the head to the feet, "I have no need of you." 22 No, much rather, those members of the body which seem to be weaker are necessary. 23 And those members of the body which we think to be less honorable, on these we bestow greater honor; and our unpresentable parts have greater modesty, 24 but our presentable parts have no need. But God composed the body, having given greater honor to that part which lacks it, 25 that there should be no schism in the body, but that the members should have the same care for one another. 26 And if one member suffers, all the members suffer with it; or if one member is honored, all the members rejoice with it.

COMING OUT OF MY SHELL AND LEARNING TO COMMUNICATE

MY BACKGROUND

I was born in 1953, the 4th generation of single children with no brothers or sisters. I was an only and lonely child without the social skills of learning to verbalize in the midst of chatter and clatter. Growing up in school, I was the last person to even consider raising my hand to answer a question, and spoke only if spoken to. All my life I have hidden behind keyboards. The first half was the piano keyboard. I learned to express the deepest parts of my heart through my fingers on the keys. In 1984 I found another keyboard, and since then have played the Lord's music through the computer via writing.

Though I have lived a forerunner's life - even through my upbringing, it seems I am a late bloomer. But within each of us is a genetic spiritual DNA code that governs our times and seasons. When it is time to burst through the walls of our restraints and limitations, there is nothing that will stand in its way. That is because we grow from the inside out and one day find that the old skin can no longer contain what is inside.

BECOMING TRANSPARENT

Through my knowing the Lord and my understanding of what heaven is really like, I have learned that there is nothing hidden. In heaven we are known even as we know. Our thoughts, our motives, our hearts, every one knows everything. All things are made manifest in His light. We are laid bare and exposed and the wonder of such a place, we are not condemned, only loved.

We are surrounded by His great cloud of witnesses who have known the trappings of men and cheer us on with such love and zeal for us to come into our complete inheritances in Christ Jesus. We are here to bring His kingdom on earth; it starts within us and grows as we grow. We are literally His touch of heaven on earth, and are destined to become those same transparent vessels; becoming so clear that nothing will hide the light of the love that Christ Jesus has for the world.

FACING OUR WALLS

It is a fact, that like little pearls inside a oyster shell, each of us have walls we hide behind so that we do not become transparent. We safely live inside our shells protecting ourselves in self preservation. The more we have to hide, the stronger we clam up and hold onto the walls of self preservation. I know it is a fact that the thicker the walls, the deeper we dwell in darkness and the less we bare the light of Christ Jesus.

We may feel safe inside our walls, but there is a counterpunch that grows as a result of withholding ourselves. We become barricaded from loving and being loved. As a result, isolation, loneliness, separation, abandonment, rejection, fear, depression, hopelessness and despair... unforgiveness, anger, rage, violence... deviations of lust (counterfeit love) ... these and more hide behind the walls and they grow thicker the more we hide. Yet even in the midst of that pain, there is a pain that is much, much worse than these. It is called the pain of independence.

Independence is a thickened callous, manufactured to bring self comfort from bitter and unexpected loss. The higher the expectation, the greater the loss and pain - thus the greater the callous that develops as a result. The lie of an independent spirit is that it feels no pain. Independence is the thickened shell that imprisons the pain of what is inside. That shell is a way of soothing and numbing all else, until the tender spirit inside has grown so cold, that it can no longer shed tears, feel emotion or even understand it. Independence says I can do it by myself, I don't need people and I don't need God. Independence keeps us from trusting and leaning on God and people. Independence is the enemy of faith, hope and love. The dead end destination of the journey of an independent spirit is separation from God.

It is true that buried deep within the heart of the worst criminals is the most tender of spirits and that is why they are so calloused. Most criminals suffered the loss of bonding with their mother or father as children. They have known the pain of rejection and abandonment early in life and they have not known the fulfillment of the most powerful force in this world: the need for love.

God is love and within the depths of every human being is the cry to be loved and to love in return. It is no wonder that the bottom line of all demonic plots is to attack our ability to receive and give love. The Holy Spirit is our Comforter, the One Who intimately holds us and soothes us in our sorrows. Every demonic vice known on earth is a substitute self comfort. Self comfort is housed within the independent spirit.

THE REVELATION ABOUT CHURCH ORPHANS

One day I was thumbing through a magazine and came across the following quote. It hit me between the eyes. "Orphan comes to town. Like most foster children, he has developed a quirky charm, an unattached air, a ruddy survival complex, and a deeply ingrained sense of independence."

That little quote encapsulates the heart of what has been birthed in the Quickened Word Community. An orphan has no brothers or sisters. An orphan has no support system or role models from loving parents. An orphan has no family. Orphans arrive in our lives every day and we need to see them as God sees them, behind their walls of self assurance into the heart of their deep need to belong and to be loved. The bottom line truth, is that we need to adopt orphans of all ages, size and color and embrace them as our own family.

Scripture says that He will not leave us comfortless or abandon us as orphans. Scripture also

says that pure religion is to care for the widows and the orphans.

John 14:16-18 AMP

And I will ask the Father, and He will give you another Comforter (Counselor, Helper, Intercessor, Advocate, Strengtheners, and Standby), that He may remain with you forever-- The Spirit of Truth, Whom the world cannot receive (welcome, take to its heart), because it does not see Him or know and recognize Him. But you know and recognize Him, for He lives with you [constantly] and will be in you. I will not leave you as orphans [comfortless, desolate, bereaved, forlorn, helpless]; I will come [back] to you.

James 1:27 NKJV

Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world.

TAPPING ON PRISON WALLS

Orphans come incased in muddy shells. They are ashamed because they do not belong and they don't fit anywhere. Orphans are locked inside the prison walls of steel hearts and God wants to reach them. One of the ways He is going to reach them is by tapping on walls. Orphans of every race are going to be inside their clam shells tapping and tapping to see if anyone is out there hearing their taps. Others will respond, from within their own taps. All the while this tapping is going on, God is going to knock and knock until they open the doors of their hearts and let Him in.

One day a friend told me about an old book called, "In the Presence of Mine Enemies" published by Fleming H. Revell Co. It is a man's story about his POW experience for seven and a half years in captivity by the North Vietnamese. In this little book, he describes the most awesome story of how over 400 men survived the agony of separation and isolation, locked alone inside their cold concrete cells. They learned to tap on walls and become a community of loving, bonded, caring people who grew to know one another by the heart without seeing their faces or hearing their voices. Through their laboriously learning the alphabet by various taps, they grew into a family who knew eachother's strengths and weaknesses, joys and sorrows. Their community of tapping became their means of not only surviving but healing.

They spent months teaching the new ones how to communicate and care for one another. Isolation was one of the enemy's biggest weapons, and together they defeated it and walked away as free men. The following are some of my notes and quotes from their incredible experience.

NOTES & QUOTES FROM THE BOOK IN THE PRESENCE OF MINE ENEMIES

by Howard Rutledge

"...The enemy knew that if he could isolate a man, make him feel abandoned, cut off and forgotten, he could more easily destroy his resistance.

In other wars, some of the POWS in solitary confinement laid down in a fetal position and died.

Isolation is a terrible weapon and strong men have been destroyed by it. I was constantly amazed how the loneliness could break my own willingness to resist. Physical torture can be vented but there is still no torture worse than years of solitary confinement. Our successful struggle to communicate with eachother turned prisoners isolated by steel and cement, into a group and a community ... and through that community we survived.

When one man went to interrogation, we all knew immediately and sent waves of support in his direction. We were working at maximal existence and had one united goal... release with honor. We want to leave that place as men, standing tall and proud, not broken and bent. Our goal was to produce more than men who had survived, but men who had conquered.

The enemy was more than abusive guards, the enemy was loneliness, fear and death. We would survive and we would survive with honor.

If each of us could take 30 days in that torture room, only 12 men would suffer in a year and some of them might be spared. (Their goal was to last as long as they could in that room before confessing information.)

The enemy knew that our communication system was beating them. We were organized and the whole camp was informed.

Soon we were sharing intimate details about eachother's family life, military career and religious faith. There may have been cement and iron walls separating each man from the next, but by now we each had learned how important each man was to the other. Our circle of friendship grew strong and intimate. I think I can honestly say the more we knew about eachother's strengths and weaknesses, the more we loved eachother.

If a man got a bottle of vitamins, every one in the camp would get a vitamin that day until the bottle was empty. Our motto was unity before self. We shared and in the sharing, we kept eachother alive.

(After receiving a room mate) ... after spending a year and half alone, those wild nights we

spent sharing made me realize how much we need eachother.

(After they were all brought together on Christmas day for the first time)... Other men had spent over 4 years in solitary too, and here we were milling around in a big room, shaking hands with men we had known and loved for years. Men we knew intimately yet had never seen. For years it had taken as much as 24 hours to get a message around that crowd and 24 hours to get the answer back. Men had risked and suffered much to communicate a sentence in a day... now suddenly we were face to face.

It took prison and painful reflection how much I needed God and the community of believers.

If I can help it, I will never try again to go it alone.

(And on the plane on the way home)... Third, I cant remember praying with Phyllis during our entire married life. In fact the more involved I got in my career and she in our family, the less we ever really talked with eachother, let alone God. This had to change and change fast. In prison I had to work months trying to get another man "on line" communicating (teaching him the language codes), and now I had to get my wife and family "on the line" with me. Prayer seemed the perfect way to start. So I resolved to end each day with Phyllis talking over the day's activities and thanking God for the love we felt for eachother and from Him..."

{end quotes from book}

To bring this story full circle, by the time I read the above story of the POWs, I had already spent a long time tapping on walls through the internet. In my God given journey of inner healing and release from my own prison walls, I had shared with trusted friends my life story and the Lord began to unwind the many layers I held in reserve behind closed doors. God met me there in my pain and ministered life and healing and acceptance, all through tapping on walls.

Because I have experienced this joy and in turn helped bring others through the same journey of tapping their way out of prison, I have the passion for communications among the body of Christ. The world is full of church orphans who face the podium but not one another. They have no family. Those who are locked within the worst walls of isolation are stuck at home, unable to reach out, or too sick to reach out. The internet, through Email, Instant Message, Chat rooms, Forums and Blogs is making a difference and helping people tap their way towards freedom and healing. Kindred hearts are connecting all over the world and are communicating on levels rarely reached face to face.

This is because these are desperate times and the need to connect is real. This is because God Himself is invoking the deep and passionate call to tap on walls and break through to freedom. God is teaching us that we cannot survive independently and that we desperately need one another. He is calling us out of our orphan shells and into His adoption of sons. He is teaching us what it really means to be one body, a family unit where each member belongs, is needed and valued.

Matt 25:37-40 NKJV

"Then the righteous will answer Him, saying, 'Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see You a stranger and take You in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?' And the King will answer and say to them, 'Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.'

MARCH OF THE PENGUINS

Posted by [[swauthor](#)] May 18th 2006 - 7:53PM Posts to date: 3947

MARCH OF THE PENGUINS

We received a precious gift from a friend on our prayer team, it was the DVD of the March of the Penguins. That movie was one of the most incredible stories I have heard in a long time. It is a real living example of what intercessors go through in bearing children and bringing them to birth and then raising them up.

PROPHETIC GESTURE: I experienced an amazing prophetic gesture while watching it.

I was watching it on my lap top in bed and in my moving around, the pute slipped down my legs and ended up on my feet. The pute was balancing on my feet with the covers over them like the pouch of the penguin and I was moving my feet up and down with my pute on top. It looked like my lap top was walking on my feet. I had no idea what I was doing. The Lord opened my eyes to what I had involuntarily done and it astonished me. I was pantomiming the prophetic parable of carrying others on my feet through my writings, just like the penguins do!!!! God never ceases to amaze me.

THEIR STORY: In the Antarctica the Emperor Penguins migrate as far as 70 miles from the ocean onto frozen land to lay their eggs. They mate for that season, and then the males hold the egg on their feet, covered with their pouch to keep it warm. They balance the egg on their feet so that it never touches the frozen ground, lest it freeze immediately and die. All the while, the female mates walk back to the ocean and feed for up to 3 months, and their male partners endure the wait with their young upon their feet. With swollen bellies, finally the

females return in a united army, marching back in one long enduring line. Sometimes they slip and slide, sometimes they drop to their bellies in order to save their feet, paddling like swollen boats with their flippers and toes pushing the ice. No matter what - they keep going. Every moment of delay means that the new born chicks will starve and the mates too weak to make the return to feed themselves.

It is a very difficult time for both mother and father as they endure famine and the cold elements of wind and storms. They must always keep moving lest they freeze too. They huddle together during the storms with their backs to the wind and they take turns moving to the center of the huddle, so they have respite from the outer most cold.

After the chick is born, it too rides on the feet under the pouch until it is finally mature enough to start walking and surviving the elements. Their little swollen bellies are just darling after the fathers have returned from their time at the ocean to feed them from their own digested food. When they are old enough, the whole family take the long walk back to the ocean together and the parents jump in. The chicks hang around until they too finally take the plunge. They stay in the ocean for 5 years, until it is their time to return to this place of migration to mate and bear their young at the same place they were born.

Isa 40:10-11 NKJV

Behold, the Lord GOD shall come with a strong hand, and His arm shall rule for Him; Behold, His reward is with Him, and His work before Him. He will feed His flock like a shepherd; He will gather the lambs with His arm, and carry them in His bosom, and gently lead those who are with young.

CONCLUSION

{ Words to Ponder are summaries of His quickened Words of prophetic revelation, punched with the word of wisdom and written under inspiration. }

WORD TO PONDER: INTERCESSORS BRAVING THE ELEMENTS 12/23/05

Within the womb of My intercessors, I have placed the God seed of My promises, My plan, My Word, My glory, My gathering together the remnant, bringing My kingdom to earth even as it is in heaven. These are My beloved hardy souls, who press on, enduring the cold elements that directly oppose My vision! Thank you, dear ones, for your faithful labors. Thank you for nurturing the seeds in which I have planted within you. Thank You for pressing through and never giving up. Thank you for standing with Me and abiding. I will not stop until My house is full of children, and your walking with Me through your cold world bears great, great fruit for your labors.

Isa 40:10-11 NKJV

Behold, the Lord GOD shall come with a strong hand, and His arm shall rule for Him; Behold, His reward is with Him, and His work before Him. He will feed His flock like a shepherd; He will gather the lambs with His arm, and carry them in His bosom, and gently lead those who are with young.

The ministry of The Quickened Word does not promote going to movies and tv as receiving the pure Word of the Lord. However God speaks through anything in the world to get people's attentions, including stories, no matter how much mixture. It is up the mature listener to take the good and spit out the bones of every story in life. Sandy tries very hard to follow scripture in not "fellowshipping" with carnal language, sexual suggestion, and other material promoting drugs, fear, violence, magic, or any other thing that is not edifying.

CARRIED IN YOUR BOAT

Posted by [[swauthor](#)] May 17th 2006 - 8:16PM Posts to date: 3947

CARRIED IN YOUR BOAT

[Let the Wind Move you, Let the Boat Carry you, and Lean back onto your Captain]

=====

HEARD 3/20/04: My daughter. Can I have a minute? What have I asked you to carry? Advancement. Do you think an advancement requires you to carry more? The supplies, if you ever have a full house... it's on the boat. Your boat goes with you. You're in the boat.

HEARD: Where is the following word?

VISION: I saw the word "Faith" written out.

Luke 18:8b KJV

Nevertheless when the Son of man cometh, shall he find faith on the earth?

=====

ANSWER TO HIS QUESTION 4/07/04: Today I read the above rhema and was thinking about His questions. There are many who are stretched to the point of wanting to quit and the thought of accepting more responsibility is overwhelming. Then tonight I turned with anointed hands to the following Word to Ponder:

THE CAPTAIN OF YOUR SHIP 8/4/02

I have heard your prayers asking for guidance in charting the course and help in piloting the ship through the waters of life. Others are aboard to assist you, and yet you only want one thing and that is My reassurance and help. How your faithful heart touches My own!

Come My love, come to` Me. Take another look at the wheel, for I AM here beckoning you to come. What you do not know is that all this time I have been with you. See, My hands are on top of your hands, as together we hold onto the wheel. Lean your weight back upon Me, for My back is to the wind and I AM your shield. The wind of My Presence will fill the sails and bring you safely to your destination. My arms are around you, as I encompass you completely in your position at the wheel. With My hands over yours, the weight of moving the wheel is in My care.

As you go through the movements of leadership, it is I Who carries you, Who pilots your way, Who shields you, Who empowers you to move forward, Who carries the weight of change and Who comforts you everywhere you go. Now rest, My love, as you lean back upon Me and snuggle in to hear My heart beat for you.

"But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God." (Acts 20:24 KJV)

CONCLUSION

{ Words to Ponder are summaries of His quickened Words }

[Note: The following Word to Ponder was written based upon a vision when I saw a line of ships coming into the harbor. The line was in single file, and stretched far out to the horizon. It was a shocking to see all these ships that were finally coming in and there was great joy in seeing them.]

WORD TO PONDER: YOUR SHIP IS COMING IN

Yes dear ones, you have suffered hardship. These have been necessary for your training in leadership. Your ships are coming!

Friendship, fellowship, worship, relationship, kingship... leaders see with your very own eyes, your ships are coming in! Many ships are filling the horizon, laden with fruitful gifts, supplies,

answers to prayer, launched ministries, home runs, more grace and more power than ever imagined. My angels have been collecting the prey and are bringing these ships overloaded with what has been taken back from enemy territory. You are about to receive a bountiful harvest.

"And David recovered all that the Amalekites had carried away: and David rescued his two wives. And there was nothing lacking to them, neither small nor great, neither sons nor daughters, neither spoil, nor any thing that they had taken to them: David recovered all...And when David came to Ziklag, he sent of the spoil unto the elders of Judah, even to his friends, saying, Behold a present for you of the spoil of the enemies of the LORD;" 1 Samuel 30:18-19, 26)

I AM SETTLING YOU

Posted by [[swauthor](#)] May 17th 2006 - 7:48PM Posts to date: 3947

I AM SETTLING YOU

[Encouragement For Those Waiting for Loved Ones]

HEARD [2/02/04]: I am answering your prayer, sweet one. I am giving them understanding. Your sacrifice and commitment. To be there for them. Alone. If you only knew. How I appreciate you.

HEARD: It's already been done. Set in motion. What's happening? Those you love. I am settling you.

VISION: I saw a picture frame on a wall. It was being mounted, as though settled in its place. I saw a measuring tape that went from the middle of the picture up to the ceiling in order to line it up and center it. The tape said 17 inches. [Number 17 means victory.]

ANOINTED HANDS: I opened my Words to Ponder book to the following entry:

"My faithful servant, My joy, My friend. You have remained behind while others ascend, and chosen to serve rather than leave your loved ones behind. While you wait, I see you rightfully dividing My Word and releasing hope to those in the same place of waiting. Thank you, beloved, for your faithful labors."

=====

WORD TO PONDER: I WILL REACH THEM

Do not fear, the ones you are wanting so badly to reach with the truths you discovered long ago, I have drawn to other rivers and will use other ways to reach them. I know how this has been an unsettling time for you. Honey, I am so proud of you! Your prayers and heart's desires are answered and I will see to their needs.

Ephesians 6:18 KJV

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

=====

HEARD: I will reward you. I know you're hurting. My darling bride. And so we separate the good from the bad. Cling to Jehovah. Settling the differences. Something wonderful is happening. A transformation taking place right before your eyes. Plan.

=====

HEARD [as I was clicking on a file called "Establish"]: I heard the Lord say, "Parallel walk." [In context I was thinking about a loved one whom I had been praying over and wanting to reach.]

HEARD: I will settle you.

QUICKENED EYE GLANCE: My eye fell on the following phrase:

"Go on home. What you have believed has happened." (From Matthew 8:13 NLT)

=====

GRANDMA ANNA RHEMA

HEARD: It doesn't make any difference. You are what you are. Brought to a door. Ended. In your place. You were settled.

=====

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER: ALREADY DONE

I know you have felt unsettled and out of alignment as you have earnestly waited upon Me for those you love. Thank you for your intercession, My precious one. The Words that I speak into your life and you speak back to Me are already set in motion as you stand upon them. I view them as already done.

Thank you, My dear friend, you who wait upon Me and want only My point of view for those you love. How you honor Me as you lay your life down and serve as you wait for them to come into their destinies. I know your sacrifice and commitment behind the scenes. Your intercession bears fruit for so many, even more than you know. How you have touched My heart to be so willing to wait for what matters to Me the most. Thank you for not giving up. You really are not alone. You have all of heaven yearning with you, dear one.

Isaiah 46:10-11 NLT

Only I can tell you what is going to happen even before it happens. Everything I plan will come to pass, for I do whatever I wish.

IT'S A MATTER OF DISCOVERY

Posted by [[swauthor](#)] May 17th 2006 - 7:47PM Posts to date: 3947

IT'S A MATTER OF DISCOVERY

[Practical Teaching About Revelation]

NOTE: When the Lord speaks to us, it is always in part. Once we swallow what little He has said, He builds upon it with another part. I apply this in a practical way by using the computer search features to find common words He had already spoken. For instance, at the time of writing this post, this first entry is what I heard:

HEARD [2/01/04]: I will go with you. It's a matter of discovery. Go gifted one. Soar.

=====

SEARCHING FOR COMMON WORDS

When pondering the above phrase the word "discovery" was quickened to me. I typed in the word discover and the rest of these entries are excerpts of some of the things I had already heard about the concept. As you will see, each entry has a little more light shed on the quickened word "discovery." By the end, we have a fuller picture of exactly what we are discovering.

=====

HEARD: Delivered.

ANOINTED HANDS: I opened to the scripture:

Luke 10:18-19 NKJV

And He said to them, "I saw Satan fall like lightning from heaven. Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.

Then I turned to 2 Words to Ponder with the titles: Ruling Authority and Fruit of Deliverance.

HEARD: Say now ruling hands. He brought me forth into a large place. Gifted. You have yet to discover how truly gifted you are. Personality. Rainbow. Instinct.

WORD TO PONDER: INCREASE A STEP AT A TIME

I AM constantly delivering you from a strong enemy, when you use the gifts I give. As you grow and grow in your gifts and authority, I will bring you into larger and larger territory. You have yet to discover how truly gifted you are. I have planted a great wealth of My anointing within you, and in the days to come you shall recognize it as "instinctive intuition" which is actually My Holy Spirit within.

"They demonstrate that God's law is written within them, for their own consciences either accuse them or tell them they are doing what is right." (Rom 2:15 NLT)

=====

HEARD: It was a long war. Stand. Overcomer. Did you let it slide? Not at all. Resist. There's a change coming. Valiant ones. Kept My watch. Beauty for ashes. Equipped. Things will never be the same. I AM with you says the Lord. A new alignment. Broader, expanded territory. Front lines. Defeated. Move into your place. Be free.

I kept you. Strong, unyielding and resistant. A long war effort and then some. Neighbors "Intimidation and Bullying" towering over you. I took them. It's true says the Lord. Defeated. Penalty. I drew a line. A line that says halt. And now you have room to expand.

Test the waters. Sweet medicine. There's healing. Loose them. Dead ones on the cross. Yielded to Me. It's a sacrifice says the Lord. Willing ones. Erase your sins. Forgotten. I only see glory. My Love for you. Kept. Do you understand? You will. Let Me carry you to the finish line. Well done, My servant. Thank you. Let's see what we can do for her. She's Mine. She will shine. My glory in her midst. I laugh with joy. As she discovers.

VISION: I saw myself spreading my hands and then looking at my palms.

HEARD: I AM with you says the Lord. New beginning. Effectively immediately. Now begin. Rejoice. Such joy.

VISION: I saw my Beloved. He slipped in beside me and we did a little twirly dance together.

WORD TO PONDER: DELIVERED MY VALIANT ONES

My valiant ones, keeping My watch, you have been through a very, very long war lasting many years. You faced strong, unyielding forces. They towered over you in strength, intimidation and bullying. And yet you stood and did not give an inch of territory. Through it all, you yielded to Me, and became My sacrifice for whatever purpose I chose. Thank you, faithful friends.

The towering giants who were too strong for you, I have spoken against them and drawn a line. I said, "Halt, you can not pass My divine restraint." And now I AM removing them from your midst, so that you will have a broad and free territory in which to expand. These giants

are like hewn trees in a forest, cut and stripped for a pathway out of the battle. I AM removing them with My mighty hand.

I know you are tired from such a long battle, but remember loved ones, expanded borders beckon. Yes, they are bought and won with a price. But oh what joys await you as you test the waters for yourself! Stretch forth your hands to heal. Shine with My glory. Dance and twirl with joy, for I AM delivering My valiant ones.

"I will love You, O LORD, my strength. The LORD is my rock and my fortress and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold. I will call upon the LORD, who is worthy to be praised; So shall I be saved from my enemies." (Ps 18:1-3 NKJV)

HEARD: It's a matter of discovery. Justice going to bat for you. Hold My hand, precious, we are going somewhere. Move you up a notch.

=====

FINAL NOTE: As you can see by my search using the word "discover" there was quite a revelation of where we have been, where we are, and where we are going. This post is a relevant Word for us today, because I started with the most recent Word the Lord gave to me, then I circled around the concept to add further detail, then bringing it back to the last Word given in chronological order. In example, where we are at right now, is the God of Justice is going to bat for us! Praise Him!

If this concept of connecting words is new to you, it might take a stretch of faith to accept that all these specific entries with the word "discover" were meant by the Lord to join together. I have been keeping daily records for 20 years and have thousands of examples of Him joining common Words to pinpoint exactly where we are. He has thoroughly planted this as a foundation in my life in how He speaks. His Words and ways are very intricate, weaving in even the tiniest details. His works are a movement of His Spirit and not a skill of the mind or brain, however He gives us signposts to help us stay on track and confirm our journey along the way. These signposts are little common denominator words that continue to build revelation into an ever increasing and expanding circle.

CONCLUSION

=====

{Words to Ponder are summaries of His quickened Words}

WORD TO PONDER: REVEALED AS YOU GO

Yes, your Lord God of Justice has gone to bat for you, dear ones! You have suffered so much at the hands of the giants. As you have yielded to your own personal crosses and died to self, this has touched all of heaven. A great expanse of territory has been bought and won with great price. You shall go forth conquering that which stands in your way. Go forth, My faithful ones. You will not go alone, no, - not ever. I will go with you. My light shall shine before you as you move forward. I hope you will enjoy your trip, for it will be a road of discovery. Wonderful healing is awaiting you in your new land.

Deut 29:29-30:1 KJV

The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law.

Heb 11:8 NLT

It was by faith that Abraham obeyed when God called him to leave home and go to another land that God would give him as his inheritance. He went without knowing where he was going.
