TAO VISIONS 4/08/07 MUDDY MAZE

Vision 1: I saw that I walked around in a narrow place, turning the directions quickly and wanting to find an exit, however I couldn't see the exit. I looked at the ground; it was just soil, no green plants or trees at all. It seemed like that I was in a small maze.

After seeing the Vision 1, immediately I was led in the following vision:

Vision 2: I saw that I did exactly the same in the same place as described in Vision 1. The only difference was that the ground I walked on was muddier than the ground in the first vision; therefore it made me more difficult to walk on.

INSERT SANDY'S POEM: RUBIK'S MAZE 10/07/05

What was My Word? What was absurd?
What did you hear? What did you fear?
What was assured? What was a lure?
What was real? What was surreal?

Sorting life is like cryptograms
Letters move around that are jammed.
Rubik's cubes are hard to solve
One affects another with resolve.

Sometimes it's people, sometimes it's words
Sometimes it's circumstances gone absurd.
Never ending circles up and down
Smiles and laughter turned to a frown.

Sometimes people are hard to fit
One is at peace, the other's in a snit.
Sometimes words make no sense
Until they are washed and recompensed.

No matter what is unsettled this day.
I weave My will in your life to stay.
I make order out of pure chaos
I take the gold and remove the dross.

Give Me your riddled rubik's cube.
Flowing formulas down the tube.
There is a way the pieces fit.
Release to Me and recommit.

My answer is simple, under your nose.
I make manifest and expose.
Lives are coded in DNA.
But passion from vision is here to stay.

Every choice has repercussions
Facing the truth can't be out run.
Independence, pride and control wont work.
Faith, humility and love don't shirk.

Confess, apologize, forgive a lot.
And I will reveal the answers you've sought.
Relationship must be a two way street.
Or all will go down in painful defeat.

Turn your Rubik's cubes round and round.
What was lost, will be found.
Talk to Me and talk to others.
Talk to your family, pray with your brothers.

As you talk and pray about what hasn't worked
Demonic strongholds fall from what did lurk.
The warps in your puzzle will become un-kinked.
Chains will fall and old patterns unlink.

It is not as hopeless as in times past.
From despairing patterns set in dyes cast.
Don't give up or quit or run away.
Talk and pray it out yet another day.

Before you know it, changes will appear
It's not as bad as in the past you feared.
One thing remains and is simple to solve.
My love never quits, My love resolves.

1 Cor 13:11-13 NKJV

When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things. For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known. And now abide faith, hope, love, these three; but the greatest of these is love.

ANDREA'S PUZZLE WORD SAME DAY AS TAO'S Dream of 04/08/07 The Flight Attendant

In this dream I was a flight attendant in a big airplane. I was teaching others sitting there what to do in certain situations. These situations could be either positive or negative. To demonstrate my points I had a puzzle picture of the airplane in a box with me. As I shook the box and the pieces got all mixed up I seemed to have the skills and ability to instantly find the pieces that were relevant in that situation and quickly put the whole picture together.

CONFIRMATION: At the beginning of the week I sent a gift of a puzzle to Sandy. After the dream, in the morning, I received this e-mail from Sandy:

"When I picked up the box at the PO, I shook it and heard that puzzle. I was laughing before I ever opened it. How can anyone disguise a puzzle? "

=====

TAO VISION (4/11/07): I found out a box from a hidden place and handed it over to a servant of the Lord who was good at interpreting the visions, dreams and revelations of the Lord. The box was called "Dark City".

INSERT SANDY WORD STUDY: DARK SPEECH, RIDDLE, PARABLE

OT:2420 chiydah (khee-daw'); from OT:2330; a puzzle, hence, a trick, conundrum, sententious maxim:
KJV - dark saying (sentence, speech), hard question, proverb, riddle.

OT:2330

OT:2330 chuwd (khood); a primitive root; properly, to tie a knot, i.e. (figuratively) to propound a riddle:
KJV - put forth.

Numbers 12:8

8 With him will I speak mouth to mouth, even apparently, and not in dark speeches; and the similitude of the LORD shall he behold: wherefore then were ye not afraid to speak against my servant Moses?

INSERT PAST WORDS TO PONDER ON THE WORD PUZZLE

MYSTERIES WILL DOVE TAIL 2/20/97

I have been speaking to you through dark speech, riddles, and allegories which are puzzles in the making. For many years, these have been coming to you a piece at a time. I know you have felt like a blind person seeing as well as hearing in the dark. But there will come a day after you turn a prophetic corner when all the pieces will come together and dove tail beautifully. This shall bring a great increase to your faith. You shall see clearly and the mysteries will be manifested and understood.

"All these things spake Jesus unto the multitude in parables; and without a parable spake he not unto them: That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world." (Matt 13:34-35 KJV)

PUZZLE PIECES AND THE BIGGER PICTURE 8/30/03

Like small puzzles pieces falling from the sky, I speak little glimpses of My Words into your life. Gather and collect these precious gems of revelation and quickened Words, for I will help you build a larger picture of understanding. Be open to hear Me in all the ways I speak, for I speak through many facets and multilevels. If you are tuned into Me, I will quicken My Words to you and they will bring you life and application.

Do not become discouraged in trying to understand what is not quickened. Feel free to put it on the shelf and at rare times even throw it out. If you have a pure heart in desiring My pure Words and you throw out what you perceive is mixture, yet it really is My Word, I will circle My Words until you do understand. I will confirm and undergird you to swallow all the Words I have sent.

If it is not My Word, it may look like the right shape yet when enough pieces have come together, you will clearly see that the piece is warped and does not fit into My picture. The more you know Me, the more you will more easily discern what is good and applicable. Sometimes you become discouraged when you try to understand things that are too close to visualize. Step back a bit and look at the long range view of your life and apply My Words at a distance. If you look at the overall view, you will not become confused by the smaller details and the overall view becomes more simplified and to the point.

HEARD: *Making the issue the issue. The way I fed her without being direct. It is called being polite. To draw into a performance. As to obey. Really dangerous.*

Ask Me what and I will tell you. My gift to you is understanding. Purpose, I should have told you. I am in agreement with you. To let you know if you are ever off the page. Immediately, if not sooner.

If we had only shared. The way was very clear, had I known. It would have been so much easier. Relationship.

INTERPRETATION AND TEACHING: In other cultures, it is common to speak in carefully chosen words that are not direct speech. It takes a humble and listening hearer to pick up the nuances of the language and understand the fullness of what is being said. I have noticed many times in the terminology and flavor of the things that I see and hear, that when the Lord is wanting me to be obedient about something, He is very gracious and doesn't come out and tell me directly that I am being strong willed and stubborn. He shows me motives and the right way and then lets me see in subtle ways where I am not lining up. It is His way of being gracious and not so directly confrontational.

However there are other times when He is very direct and when I hear those things I know He has spoken to me about them many times and I have ignored them and He is stepping up the "heat." I have been chewing on the above dark speech as to how it relates to obedience and suddenly saw a deeper understanding as to why He speaks to me more subtly in the areas that I resist Him. It has to do with honoring free will and wanting our volunteer loving relationship. God doesn't want puppets and slaves or servants and Master type relationship where we "perform" well; He wants to win us through His love so that He can call us friends.

However when we resist Him over and over again, there are times when He hooks us like a fish and we are kicking and wrestling Him the whole way as He unrelentingly draws us back to Him. He lets us struggle the fight out of us and then finally when we see His love as it really is, we relent and melt before His loving gaze.

Obedience without love is not to understand the heart of God. To obey Him is to be His friend. In His loving kindness He gives good gifts. But some good gifts without the character to steward them can ultimately corrupt the receiver. Obedience trains our character and matures the fruits of the Spirit within our lives so that we are prepared for greater gifts in greater measure. Obedience, for obedience sake is like going to school as children until we learn how to live in self discipline. When parents use control in raising their children to obey, it produces rebellion and slaves with defiant and resentful hearts. But when parents through reciprocal relationship, lovingly teach their children through wisdom and understanding the consequences of their decisions, it helps the children grow up to become self disciplined instead of God disciplined.

The fear of God is the beginning of wisdom. To obey Him is to hold His Word in great reverence for the truth that it is. The fear of God is accepting the laws He placed within the earth, and abiding accordingly. It is walking in the fear that we reap

what we sow and that we truly are accountable for everything we say and do. To walk in the fear of God is to choose to walk in maturity.

God spoke to Moses face to face and not with parables and riddles as He did with other prophets. That is something I have always wanted and it is the strongest passion I have is to live in that place with God. I am not there yet and I still wrestle, fight and kick, although my fight is remarkably less than it used to be. The intimacy of face to face and direct speech is won through a relationship of mutual love, trust and communion where 2 hearts are one. Until we are walking in the maturity of obedience to His Word through volunteer love, we simply are not one.

Jer 16:16-18 NKJV

"Behold, I will send for many fishermen," says the LORD, "and they shall fish them; and afterward I will send for many hunters, and they shall hunt them from every mountain and every hill, and out of the holes of the rocks. For My eyes are on all their ways; they are not hidden from My face, nor is their iniquity hidden from My eyes.

Hos 2:14-16 NKJV

Therefore, behold, I will allure her, will bring her into the wilderness, and speak comfort to her. I will give her her vineyards from there, and the Valley of Achor as a door of hope; She shall sing there, as in the days of her youth, as in the day when she came up from the land of Egypt. "And it shall be, in that day," Says the LORD, "That you will call Me 'My Husband,' and no longer call Me 'My Master.'

John 15:14-17 NKJV

You are My friends if you do whatever I command you. 15 No longer do I call you servants, for a servant does not know what his master is doing; but I have called you friends, for all things that I heard from My Father I have made known to you. 16 You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you. 17 These things I command you, that you love one another.

Ex 33:11 NKJV

So the LORD spoke to Moses face to face, as a man speaks to his friend.

Num 12:6-8 NKJV

"Hear now My words: If there is a prophet among you, I, the LORD, make Myself known to him in a vision; I speak to him in a dream. Not so with My servant Moses; He is faithful in all My house. I speak with him face to face, Even plainly, and not in dark sayings; And he sees the form of the LORD. Why then were you not afraid to speak against My servant Moses?"

UPDATE HEARD 1/05/08 As I was thinking about the above teaching on obedience through love:

HEARD: *It's My loving restrictions on your life that gives you safe boundaries.*

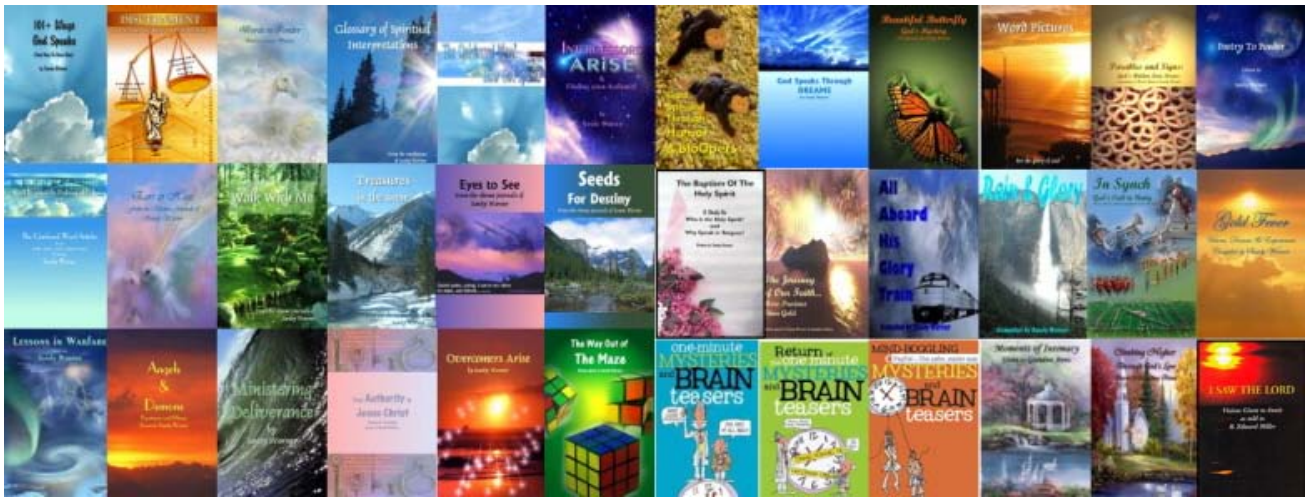

Rom 7:4-6 NLT

When we were controlled by our old nature, sinful desires were at work within us, and the law aroused these evil desires that produced sinful deeds, resulting in death. 6 But now we have been released from the law, for we died with Christ, and we are no longer captive to its power. Now we can really serve God, not in the old way by obeying the letter of the law, but in the new way, by the Spirit.

Rom 8:13-15 NKJV

For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. 14 For as many as are led by the Spirit of God, these are sons of God. 15 For you did not receive the spirit of bondage again to fear, but you received the Spirit of adoption by whom we cry out, "Abba, Father."

HEARING THE HEART OF ALL LIVING THINGS

RHEMA 3/27/01 ABBA HEARS THE HEART OF ALL LIVING THINGS

HEARD: *Missionary. God loves me. Face to face. Witnesses to the King. Of what they have seen and heard. Ordained. Life line. Pour out Your zealously and Your mercy.*

[Lord will You please help me understand how I hear. I get so mixed up with all the pronouns of Who is speaking to me?]

HEARD: *It's YOU. I never knew that before. Abba Daddy. He loves her with an everlasting love. That's a long time. Hearing the heart of all living things. A very rare gift.*

INTERP: As we are plugged into the Father through the Holy Spirit, we will hear what

He hears, to whatever degree He chooses to make manifest in His light.

Heb 4:12-13 NKJV

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. 13 And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account.

1 Cor 4:4-5 NKJV

Therefore judge nothing before the time, until the Lord comes, who will both bring to light the hidden things of darkness and reveal the counsels of the hearts.

Jer 17:10 NLT

But I know! I, the LORD, search all hearts and examine secret motives.

1 Cor 4:5 NLT

When the Lord comes, he will bring our deepest secrets to light and will reveal our private motives.

1 Chron 28:9 NKJV

for the LORD searches all hearts and understands all the intent of the thoughts.

2 Chron 6:30 NKJV

then hear from heaven Your dwelling place, and forgive, and give to everyone according to all his ways, whose heart You know (for You alone know the hearts of the sons of men),

Ps 44:21 NKJV

Would not God search this out? For He knows the secrets of the heart.

Rev 2:23 NKJV

I am He who searches the minds and hearts. And I will give to each one of you according to your works.

RHEMA 2/1/00 HEARING THE INTENT AND MOTIVES

DREAM: HEARING THE HEART OF ALL LIVING THINGS

I was considering a trip to rescue someone. I had a very rare gift in which I could read or hear the hearts of all living things. I met someone else who had a similar gift, although not identical. I was so blessed to know that someone else heard the Lord in a similar manner.

As I was explaining to some accuser about this gift, they said, "Well if that is the Lord, then do this with the Word." The Words were on the wall and they did something with them that made them like sticky glue. I said, "No, you need to listen very carefully. I chose my words very carefully. I said I can hear the HEARTS of all living things." I

explained that the whole earth was the Lord's. This was true whether or not it was under demonic influence or not. Therefore, I could hear the hearts of all living things, including good and bad. It was a very rare gift.

NOTE: This gifting is not selective where I can turn it on and off at will. It occurs when the Lord wants to bring something to my ears and only then. For years I struggled with pronouns being juggled and struggling with who the speaker is or whom it is speaking of. I finally understood that most of the time when I hear it is corporately. Many times "she" means His bride. And "he" means the chosen sons, etc.]

The emphasis was on the word HEART. That means that when I hear it is the heart, motive, desires, etc and not the actual words of a person. That gifting is kind of like the interpretation of tongues, not necessary word for word, but the intent of the message. Although I have occasionally heard specific words too and it is prophetic to do so.

2 Kings 6:12 NKJV

And one of his servants said, "None, my lord, O king; but Elisha, the prophet who is in Israel, tells the king of Israel the words that you speak in your bedroom ."

1 Cor 14:24-25 NKJV

But if all prophesy, and an unbeliever or an uninformed person comes in, he is convinced by all, he is convicted by all. 25 And thus the secrets of his heart are revealed; and so, falling down on his face, he will worship God and report that God is truly among you.

Jer 23:23-24 NKJV

"Am I a God near at hand," says the LORD, "And not a God afar off? Can anyone hide himself in secret places, So I shall not see him?" says the LORD; "Do I not fill heaven and earth?" says the LORD.

Dan 2:22 NKJV

He reveals deep and secret things; He knows what is in the darkness, And light dwells with Him.

Dan 2:28-30 NKJV

But there is a God in heaven who reveals secrets, and He has made known to King Nebuchadnezzar what will be in the latter days. Your dream, and the visions of your head upon your bed, were these: 29 As for you, O king, thoughts came to your mind while on your bed, about what would come to pass after this; and He who reveals secrets has made known to you what will be. 30 But as for me, this secret has not been revealed to me because I have more wisdom than anyone living, but for our sakes who make known the interpretation to the king, and that you may know the thoughts of your heart.

Dan 2:47 NKJV

The king answered Daniel, and said, "Truly your God is the God of gods, the Lord of kings, and a revealer of secrets, since you could reveal this secret."

Dan 4:9 NKJV

"Belteshazzar, chief of the magicians, because I know that the Spirit of the Holy God is in you, and no secret troubles you, explain to me the visions of my dream that I have seen, and its interpretation.

Eph 5:11-13 NKJV

And have no fellowship with the unfruitful works of darkness, but rather expose them. 12 For it is shameful even to speak of those things which are done by them in secret. 13 But all things that are exposed are made manifest by the light, for whatever makes manifest is light.

MANY VOICES 8/13/05

Tonight while on IM (instant message) I chose the audibles called: "Echo, echo, is anybody there?" A couple hours later I turned on a tape of Howard Morgan:

"There are voices all over. Voices of the world, voices of counterfeit, voices of the demons, voices in the body of Christ. And many of you are here tonight wanting to hear what God is saying to you and you are hearing echoes.

And I tell you that if you put yourself where the Holy Spirit wants you to be - the amplifications of those echoes will reside and resonate inside of you. So that you will know what the Holy Spirit is saying uniquely and specifically to you. Because there is inside your spirit a receptor to the echo of God as He is speaking broadly to the body of Christ."

RHEMA 3/13/07 THANK YOU FOR LISTENING

[Holy Spirit good morning.]

HEARD; *Good morning friend.*

HEARD; *First you need to check with the radio. I dont know about you, but I LIKE the radio.*

COMMENTS: For years I wrestled with the Lord in how I hear in different pronouns. He calls my hearing Him being tuned to His frequency like a radio.

Many times it overlaps as a 3-way mirror where it represents my heart, His family's heart and the Lords heart at once. It is a true blend of oneness. I know that I am on the forefront of this and it is all related to becoming one in Him. In heaven people hear one another's hearts. It is not necessarily thoughts or speech, but hearts. This will be common place in the millennium when we will be one with Him and one another. It truly is a 3 way mirror as I read so much of how I have heard for so many years.

I know this will eventually overlap into hearing creation. Bobby Conner has mentioned several times about hearing the bird talk to him in His still small voice, when he was sitting on his deck. It was fully backed up with what the bird did each time the bird spoke. And I have a lot of rhema about animals talking to me in dreams

and visions. Bob Jones says that in heaven everything has a voice and a song. Even the flowers and rocks.

Luke 19:40 NKJV

But He answered and said to them, "I tell you that if these should keep silent, the stones would immediately cry out."

Rom 8:22-23 NKJV

For we know that the whole creation groans and labors with birth pangs together until now. Not only that, but we also who have the firstfruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body.

RHEMA 7/12/07 PHONE OPERATOR

DREAM: *I had a brand new job working for a company called Cat. I am a phone operator and dont know how to use the switch board yet. I saw a huge double loaded truck pull around the building and getting ready to dump gravel or something for building. There was a man who was showing me how to type in this key pad to connect all the voices I was hearing on the switchboard, and connect them properly. He told me I would be learning the process in no time at all and showed me with his hand how fast I would be typing on this pad, making the connections. His hand was going really fast on the keys. I knew he was an angel.*

Then someone sent me to Steindecker's desk to get some white feathers that were just recently purchased.

COMMENTS: In my dark speech vocabulary Cat sometimes means many tongues, which is a riddled word for speaking mysteries and many languages. Cats stay clean by licking themselves. We wash ourselves when we speak in tongues and let His Spirit flush out our wells and prime our pipes with His living water.

At other times Cat to me represents a nurturing mother as I have had a lot of fun rhema about the cat we adopted who had kittens in our barn. She was a coddling mother and nursed them 3 months, instead of weeks. She taught them how to hunt for food and stay safe.

Cats are represent small lions and Jesus is the Lion of Judah.

Stein is German for stone. Maybe all of the rocks in the truck were the stumbling stones I had picked up and overcome in the words I heard for years and the Lord was going to use them to build. I need some white feathers (angelic help) to give me the connections for what I hear. I understand most of it, and receive daily confirmations to the point my faith is solid. But there is still much I dont understand and want to learn. Stones also represent us, His living stones.

1 Peter 2:4-8 NKJV

Coming to Him as to a living stone , rejected indeed by men, but chosen by God and precious, 5 you also, as living stones, are being built up a spiritual house, a holy

priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ. 6 Therefore it is also contained in the Scripture,

"Behold, I lay in Zion a chief cornerstone, elect, precious, And he who believes on Him will by no means be put to shame." 7 Therefore, to you who believe, He is precious; but to those who are disobedient, "The stone which the builders rejected Has become the chief cornerstone," 8 and "A stone of stumbling And a rock of offense." They stumble, being disobedient to the word, to which they also were appointed.

READER QUESTION

I received the following question and I am sure others continue to wonder also. Sandy,

I love these. They teach me so much. Would you mind telling me what you mean when you say: Heard:?????

Did someone say it? or did you hear this in the Spirit?

Please explain as I want to learn all I can about how to hear and understand what the Lord is saying.

Thank you,
{Name}

SMILE, that is not an usual question!

It is the Lord's still small voice. He hears people's hearts, motives, souls, spirits, thoughts, angels, and all living things. He is ONE with who He has created. The closer we come into Oneness with Him, the more we will hear the snip-its of what He hears and thinks about what He hears.

Heb 4:12-13 NKJV

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. 13 And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account.

RHEMA 3/03/07 HEARING HIS STILL SMALL VOICE

PRAYER: Lord I would like to understand more about Your still small voice when I hear words like "You, I, etc" or people. It is like speaking in 3rd person, and not directly from You to me, but somehow about others. Can you please explain? The only thing You have told me before is that it is Your Word speaking to me and discerning the thoughts and intents of the heart:

Heb 4:12-13 NKJV

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account.

DREAM: *I had this green plant that was connected to my outer lip somehow and I pulled it off my lip and then noticed my whole head and shoulders were canopied with green leaves from this plant. I saw the root system of the plant, etc. When I pulled it out and off my lip, I saw a tiny root like thread stringing from it to my ear and it went down into my ear. I was not grossed out by it by quite puzzled as to what it meant, especially the thread like root that went into my ear.*

PIX: *I saw my son sitting in the corner of the kitchen counter and he was puzzled about how I heard the Lord in His still small voice.*

PIX: *I saw my 2004 rhema book on the kitchen counter sitting next to the fridge.*

[Of all the years I have heard the Lord, 2004 was by far the most stretching I had ever experienced in hearing His still small voice.]

HEARD: *It's not all that bad.*

[Lord who IS it when I heard "I"?)

HEARD: *It's YOU. It's what you say to Me in tongues. Interpretation.*

CLOCK TIME: 12:38 {to pour out as a fruitful vine; a diadem or crown}

OT:1238

OT:1238 baqaq (baw-kah'); a primitive root; to pour out, i.e. to empty, figuratively, to depopulate; by analogy, to spread out (as a **fruitful vine**): KJV - (make) empty (out), fail, utterly, make void.

NT:1236

NT:1238 diadema (dee-ad'-ay-mah); from a compound of NT:1223 and NT:1210; a "diadem" (**as bound about the head**): KJV - crown. Compare NT:4735.

1 Cor 14:13-19 NKJV

*Therefore let him who speaks in a tongue pray that he may interpret. 14 For if I pray in a tongue, **my spirit prays**, but my understanding is unfruitful. 15 What is the conclusion then? I will pray with the spirit, and I will also pray with the understanding. I will sing with the spirit, and I will also sing with the understanding. 16 Otherwise, if you bless with the spirit, how will he who occupies the place of the uninformed say "Amen" at your giving of thanks, since he does not understand what you say? 17 For you indeed give thanks well, but the other is not edified. 18 I thank my God I speak with tongues more than you all; 19 yet in the church I would rather speak five words with my*

understanding, that I may teach others also, than ten thousand words in a tongue.

MY

NT:3450

NT:3450 mou (moo); the simpler form of NT:1700; of me:

KJV - I, me, mine (own), my.

SPIRIT

NT:4151

NT:4151 pneuma (pnyoo'-mah); from NT:4154; a current of air, i.e. breath (blast) or a breeze; by analogy or figuratively, a spirit, i.e. (human) the rational soul, (by implication) vital principle, mental disposition, etc., or (superhuman) an angel, demon, or (divine) God, Christ's spirit, the Holy Spirit:

KJV - ghost, life, spirit (-ual, -ually), mind. Compare NT:5590.

1 Cor 14:22-25

Therefore tongues are for a sign, not to those who believe but to unbelievers; but prophesying is not for unbelievers but for those who believe. 23 Therefore if the whole church comes together in one place, and all speak with tongues, and there come in those who are uninformed or unbelievers, will they not say that you are out of your mind? 24 But if all prophesy, and an unbeliever or an uninformed person comes in, he is convinced by all, he is convicted by all. 25 And thus the secrets of his heart are revealed; and so, falling down on his face, he will worship God and report that God is truly among you.

[WOW. So to try this out, I spoke a sentence in tongues]

HEARD: *I am trying and I need help understanding this process.*

CONFIRMATION: JUST LOOKED UP CLOCK TIME WHEN I HEARD THE ABOVE SENTENCE

CLOCK TIME: 12:43 {To seek out; a distinction}

OT:1243

OT:1243 baqqarah (bak-kaw-raw'); intensive from OT:1239; a looking after: **-seek out.**

NT:1243

NT:1243 diairesis (dee-ah'-ee-res-is); from NT:1244; a distinction or (concretely) variety:

KJV - difference, diversity.

EXPERIENCE VISION: *As I was standing at the kitchen counter, an angel touched me very gently on the back of my left shoulder in a goodbye gesture as to say he was leaving me now and I would be fine sorting these things out in my rhema.*

PIX: *I saw a pile of laundry. They were all wet and had been washed. I was separating the shocking pink clothes from the whites. The pinks were my clothes. I did not see the whites and dont know whose they were, I only knew that was what I*

was separating the pinks out of.

HEARD: *Shocking. Approval.*

QUICKENED MEMORY: I had prayed recently that the Lord would grant me a brand new gift, something I had never known before.

UPDATE CONFIRMATION 3/13/07: I had just glanced at this above entry and was pondering that some of the words I hear are interpretation of tongues, then as I got up, I glanced at my rhema books on the shelf. My eye glanced at the purple one and I reach out and touched it. There are 9 books there, I could have chosen any one, but my eye glanced at the purple one, then noticed it was the 2004 rhema book. Later when I returned, I noticed that book was the same one I saw in the vision above. I had not even remembered I saw this vision when I was pondering it. It was very special to me because I had asked for confirmation of this new revelation.

**WORD TO PONDER: WHEN YOU HEAR MY VOICE IN THIRD PERSON SPEECH
3/03/07**

As you grow up into maturity of hearing My voice, you will encounter new and stretching Words. Sometimes when you hear My still small voice, you may hear heaven talking about you with you being a third party just listening in to what is spoken about you. Sometimes when you hear, you will hear conversations that are not heaven talking about you, but are interpretations of your tongues, the mysteries that you speak to Me. Sometimes they are manifestations shining My light upon the intents and motives of men's hearts. Dear one, try not to be puzzled over who is speaking what, merely allow My Spirit to flush through and quicken how it applies to your situation. Sometimes this takes prayer, and waiting upon Me to cause the understanding to manifest in My timing. What matters is that you stay plugged into My Spirit and remain at your post and abide in Me.

Heb 4:12-13 NKJV

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account.

RHEMA 9/17/00 GOD TALKING!

GOD TALKS ANY WAY HE WANTS: This was really precious to me. This morning at prayer meeting I asked pastor if he had seen any pictures. He often sees them and then doesn't share because he gets worried they may not be the Lord since he doesn't understand them. The Lord so far has always given me a clear gift to interpret them for the body.

Pastor's wife heard the Lord say, "What leg?" She felt she was supposed to ask me that question. It hit me between the eyes as I put the pieces together.

The first piece: I heard the Lord today during a nap. He said, "Language and boxes." Lately I have been wrestling with the Lord about how I hear Him. I hear the strangest things and I can piece them together, but sometimes they apply to several people all at once, and each mean something different. I know that sounds OK, but the phrases are sometimes really strange until you think them through. I have just wanted to hear Him in normal every day language and have it be a nice conversation... but it is in dark speech and sometimes I wonder if it is the Lord until after it is confirmed.

Bobby Conner said tonight that we put God in a box and try to make Him talk like we want Him to!!!! God told him, "I CAN TALK ANY WAY I WANT TO." I was blown away when he said that. Then Bobby said, we are the clay, He is the Potter. I get that scripture all the time about arguing with the potter and have been wondering what I have been arguing about!!!

So God, in His hilarious and strange way, says to Pastor's wife, "What leg?????" That is PERFECT language for how He talks to me!!!! The answer is. NO LEG. I do not have a leg to stand on in how He chooses to speak to me.

WORD TO PONDER: RIDDLES SOON TO BECOME CLEAR

For years, I have heard your prayers and your longings for a deeper walk with Me. I know you have wanted to know My heart and to hear Me more clearly. It has been a long road and we have traveled a great distance together. I have spoken to you in parable form, for it was all that you could bear.

It was exactly the same when I shared My secrets with the disciples. At times I told them plainly, and yet they still were unable to hear the truth until after My Words came to pass. After the fulfillment, they were able to look back as My Spirit taught them with light and clarity all that I had spoken to them. Nothing was lost, and neither shall My Word be lost in your life.

There are many reasons why I have spoken in a strange language of bits and pieces, with dreams and even Words needing interpretation. Knowledge has a power all its own, and can lead to independence. Every part of a relationship with Me needs your utter dependence upon Me, to not only hear My Word, but to also understand it, then apply it.

I promise that I shall soon come and confirm that you have been hearing Me, and you will know that you have followed My pathway and listened as I have walked beside you. At that time, I will begin to open My Words plainly to you, and you shall have your heart's desire, which is clearer revelation and face to face intimacy. Hope deferred makes the heart sick, but when the desire comes, it is a tree of life.

"Jesus always used stories and illustrations like these when speaking to the crowds. In fact, he never spoke to them without using such parables. This fulfilled the prophecy that said, "I will speak to you in parables. I will explain mysteries hidden since the creation of the world." (Matt 13:34-35 NLT)

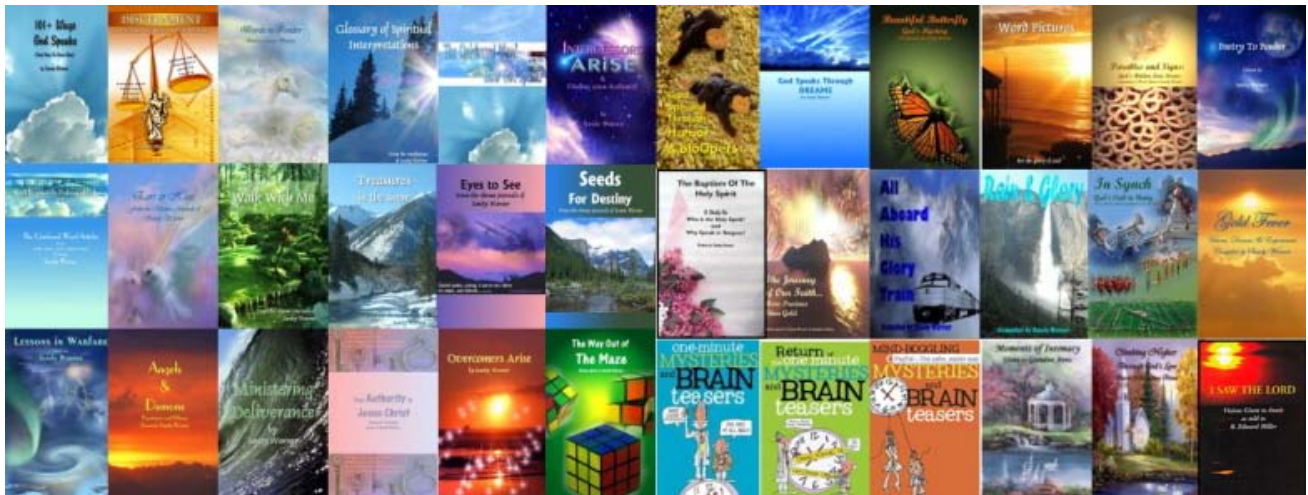

QUICKENED WORD: Wayne just sang a funny song. "I wonder where the chocolate

went when you brush your teeth with Sandy mint?"

So I asked, "What exactly IS Sandy mint?"

He replied, "I wonder what Sandy meant?"

BUILDING PUZZLES THROUGH RIDDLED SPEECH 3/01/08

HEARD: *It is my delight to watch you build your puzzles.*

PIX: *I saw a framed border that was a shimmering color of blue sapphire.*

QUICKENED SCRIPTURE:

Ezek 1:26 NLT

Above the surface over their heads was what looked like a throne made of blue sapphire.

COMMENTS: I think that all of my life has been reduced to passion for hearing and seeing what the Lord is doing.

John 5:19 NKJV

Then Jesus answered and said to them, "Most assuredly, I say to you, the Son can do nothing of Himself, but what He sees the Father do; for whatever He does, the Son also does in like manner.

And He speaks to me in a 3 fold kind of way. The outer court is when He speaks to me His parables, signs, quickened eye glances, etc. He helps me see how they relate to and confirm His Words that He speaks to me. They are my joy as I am living my daily life and He opens my eyes of my heart to understand these are His loving signposts planted just for me to see.

Eph 1:18-19 NKJV

... the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, and what is the exceeding greatness of His power toward us who believe ...

The inner court is when He speaks to me in riddles and dark speech. It is all about learning to build puzzles, where He uses unique wordage, phrases, terms, within a certain setting. And then when I search the data base, it pulls up all the other times He has spoken using that exact term or phrase. He has taught me to pull these pieces together like puzzle pieces to form a bigger and bigger picture of where He is going and what He is speaking into the earth.

Within each puzzle piece there are perfect common denominators that connect with other pieces through time. As I walk His road map and journey through building puzzles, He builds my faith because I am able to see how these things were meant to connect together and expand the picture. It is totally incredible the language in which He speaks and to let Him do the driving and just send me each piece to study, then apply. The pieces are like little road signs that say, "You are here! " This builds my spiritual faith to trust Him for the next sign.

I am totally in love with His Word puzzles. His puzzles are multidimensional, ministering on many dimensions and applications. I have been chewing His puzzles for 24 years now and learned how to be carried by Him in the process. Riddles are strong meat that has a unique way of teaching us how to lean on Him and relinquish our independence!

RHEMA 2/29/08 DEVELOPING AN APPETITE FOR MEAT

HEARD: *If you are going to riddles dot com. They are too hard to decipher without help. Rabbit trails. Let's keep our wits about us. Back at the starting gate. One, try to keep them simple. Rabbit food is not exactly my favorite. I'm a meat and potatoes guy. For all of our trying, it isnt for the lack of it. Strong meat.*

And the holy place is when He speaks to me in clear speech without any question at all as to what He means. In that place is the communion of our hearts in reciprocal intimacy and it is very precious. He is allowing me to go there more and more, but the cost has been great. I find the more I live a consecrated life, the more I am able to enter into that most holy place to hear Him in clear speech. When I am the most

broken, He ministers to me directly, rebuilding me with His love, comfort, passion, and tenderness. If I have questions, although I rarely ask them unless He brings them up Himself, He will answer me directly. Although I am doing my best to leave a transparent legacy for others to learn how He speaks, I rarely share my holy place times.

Num 12:6-8 NKJV

Then He said, "Hear now My words: If there is a prophet among you, I, the LORD, make Myself known to him in a vision; I speak to him in a dream. Not so with My servant Moses; He is faithful in all My house. I speak with him face to face, Even plainly, and not in dark sayings.

=====

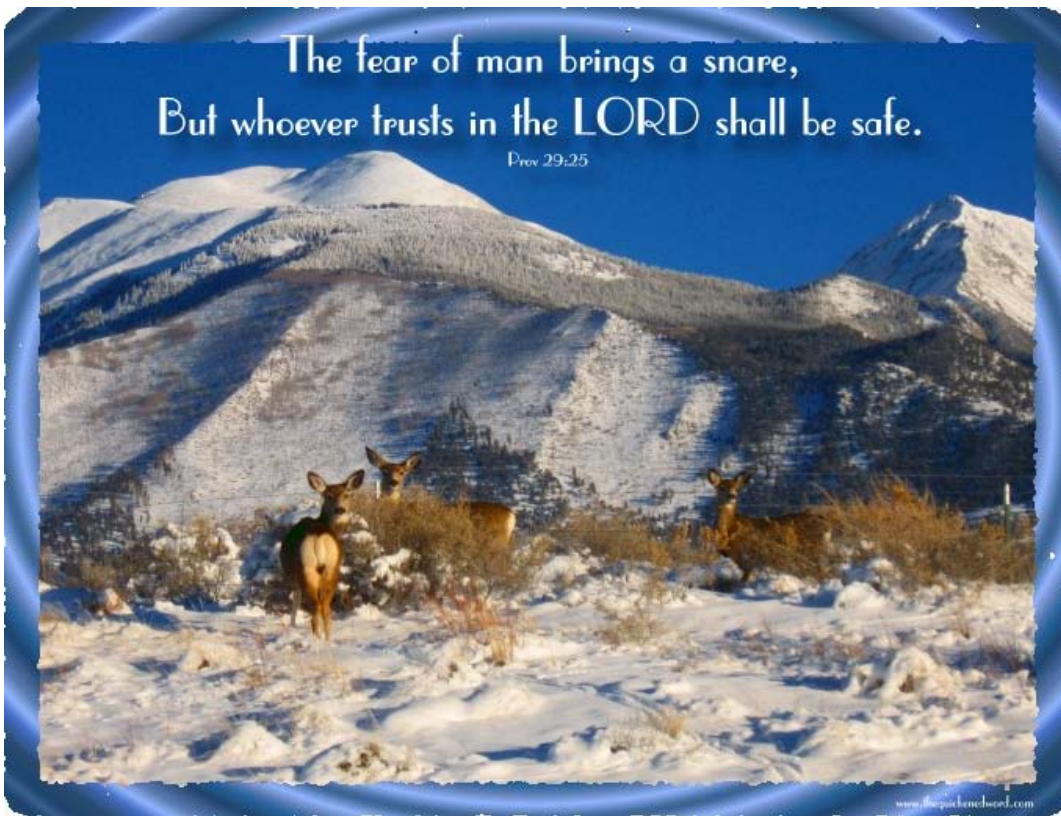

QUICKENED VISION FROM AN INTERCESSOR 1/30/08: She had a wonderful vision of a bucket of puzzle pieces and people would shake them all up and then throw them out like Yawtzee. They would look at the pieces and say, that wasn't it, so they would scoop them up and do it again. She said the Lord was saying that they needed to take some effort with the pieces and put them together.

TONIGHT'S CONFIRMATION 3/01/08 SAPPHIRE BLUE FRAME

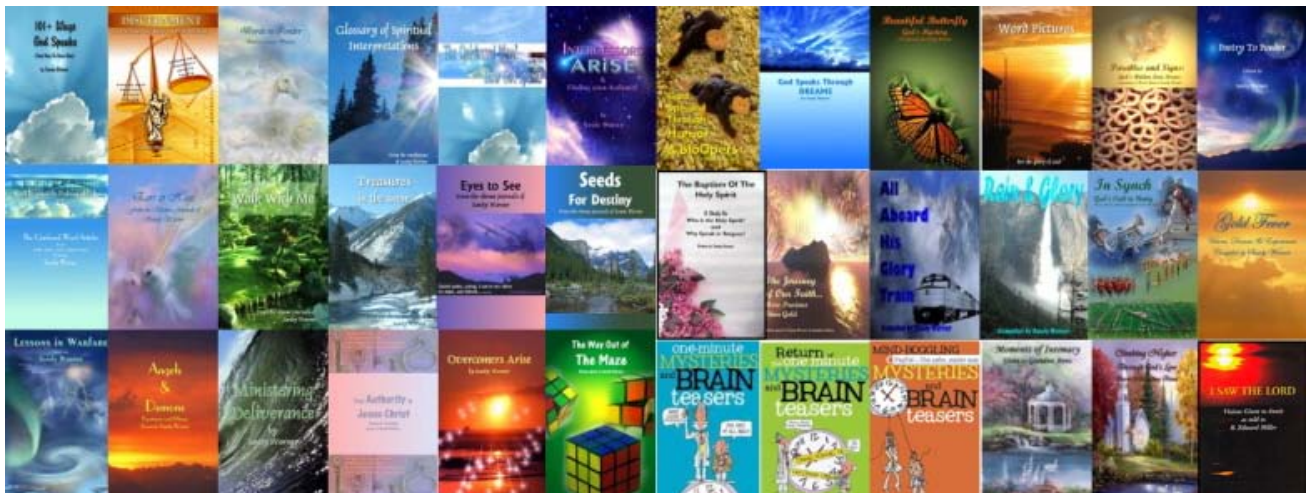

He continues to amaze me how He circles and confirms His Words. The following WordPicture came out tonight. My manager posts her choice of WordPictures from my gallery, to come out once a week and I dont know what she chooses until it comes. The frame of this photo is the same frame I saw in the vision above.

It's scripture is exactly what I needed from the Lord tonight. He is so precious to love us in so many creative ways. Thank You Papa!

HEARD: *I AM with you.*

OLD MEANIE

I HEARD THE LORD SAY (5/6/95): First of all, throw nothing away. It must have been a mean bush.

This was a dark speech riddle. I knew immediately what He meant! The Lord often speaks to me in riddles. They are mystery Words that take some time to chew all His different applications; kind of like chewing jerky!

PAST VISION: In 1984 I had a vision where I saw Moses and the burning bush. In later revelation, I understood that the Lord was going to take the body of Christ in a journey out of spiritual Egypt, just as He did the Israelites. When Moses was sent with the good Word that the Lord was going to deliver them from their taskmasters, life only became worse. This made God appear to be quite mean to them!

=====

During one of the rough times in her life, Grandma Anna once heard the Lord say to her that she thought He was an old meanie. She said, "He was right; I did!" But looking back on it, she says it was one of the most fruitful times of her life. It changed her dramatically, and brought her into a loving intimacy with Him.

=====

INTERPRETATION: It all has to do with overcoming darkness and leaving it behind. To be overcomers, we all pass through a great dark storm. We just want to toss away that time in our life and walk away. But the Lord plants some very important foundations in our lives during that time, and He does not want us to disregard our training. When we come out the other side of the storm we are able to discern Him for Who He is and His priorities. When He spoke, "Throw nothing away," personally He was referring to my rhema journals. I was so disheartened at the time, I just wanted to throw it all away and give up in one big heap.

=====

UPDATE APPLICATION: "It must have been a mean Bush." In the present world-wide events, that statement does not need an interpretation. To the world, the Lord would say, "Don't throw Bush away, I have placed him in authority for My purposes."

=====

CONCLUSION

=====

{Words to Ponder are summaries of His quickened Words of prophetic revelation, punched with the word of wisdom and written under inspiration.}

WORD TO PONDER: THROW NOTHING AWAY

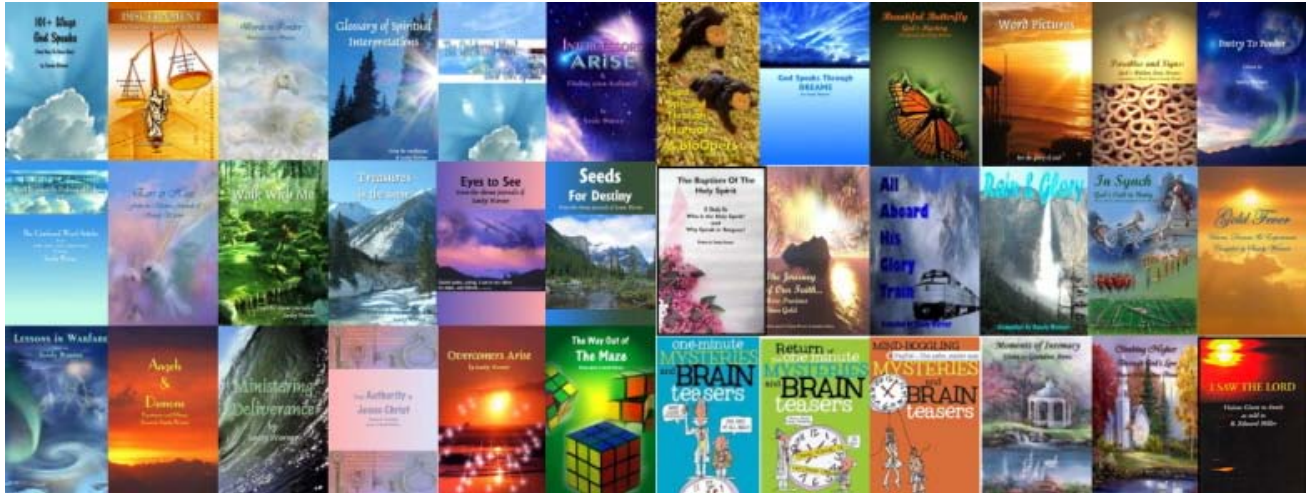

Because you are being raised in an environment of warfare, your perception of Me is that I am an old meanie. In your discernment of life, circumstances, and events, please do not dismiss anything until after your storm, and then you shall not only see things as they really are, but also know Me as I AM.

"The LORD is merciful and gracious, slow to anger, and abounding in mercy. He will not always strive with us, nor will He keep His anger forever. He has not dealt with us according to our sins, nor punished us according to our iniquities. For as the heavens are high above the earth, so great is His mercy toward those who fear Him; As far as the east is from the west, so far has He removed our transgressions from us. As a father pities his children, so the LORD pities those who fear Him. For He knows our frame; He remembers that we are dust." (Ps 103:8-14 NKJV)

ABOUT SPIRITUAL BLINDNESS

BELOW IS RHEMA ABOUT THE PARABLE OF BEING **BLIND** - Consider that God uses "dark" speech in our lives so that we will lean upon Him and thus have "see" the "light" of revelation... past our mind-sets, assumptions and self sufficiency.

RHEMA 11/13/03 LEARNING TO ABIDE

QUICKENED EXAMPLE: I was thinking of an example of abiding where a **blind** man is in a new city and has a companion who takes him around.

CONFIRMATION: As I had just been TA that example, I got out of the shower and Don Potter's CD said, bring all the **blind** who have eyes but do not see.

WORD TO PONDER: A PARABLE OF ABIDING 11/13/03

You have often wondered what it means to abide and how to do it. You question where you are, where you are going, and haven't a clue. Relax dear one, I AM teaching you how to abide.

Consider the **blind** man who has moved to a new city. As he listens to the sounds, experiences the smells, and deposits what he touches into memory... He is leaning upon another who has eyes to see. His companion walks with him giving him understanding and insight into what his senses are experiencing.

Every move he makes, everything he experiences... he listens, learns and remembers. His daily life is a safe refuge because he clings to his companion. And that is abiding in Me. Abiding is living in a constant state of expectancy where your whole being is leaning upon Me for your sight, your hearing, your discernment, your understanding and all your needs. Abiding is a constant state of friendship and intimacy in all that you are and do. So precious, when you question what is going on in your life, cling to Me and learn.

John 15:4 NKJV

Abide in Me, and I in you. As the branch cannot bear fruit of itself, unless it abides in the vine, neither can you, unless you abide in Me.

HARVEST OF THE PHRASE, "BLIND MAN"

RHEMA 3/14/04 LEADING THE BLIND

DREAM: *I was walking or maneuvering a blind person on a college campus to a class. We were on a sidewalk and there were a bunch of lavender umbrellas, all the size for outdoor picnic tables. They were laying all in a large pile on the sidewalk. There was a tiny place to walk around them and still remain on the sidewalk.*

RHEMA 4/08/04 FEAR OF BLINDNESS & TRIBULATION

PIX: *I was taking some green like felt and pressing it on a flat surface with some kind of liquid. It was becoming damp and saturated.*

HEARD: *You are NOT going to that place.*

PIX: *I saw a blind man with dark glasses standing in the back of a black van.*

CLOCK TIME: 8:16 {to be punished; to behold, gaze, set the eyes

OT:816

'asham (aw-sham'); or 'ashem (aw-shame'); a primitive root; to be guilty; by implication to be punished or perish:

KJV - X certainly, be (-come, made) desolate, destroy, X greatly, be (-come, found, hold) guilty, offend (acknowledge offence), trespass.

NT:816

atenizo (at-en-id'-zo); from a compound of NT:1 (as a particle of union) and teino (to stretch); to gaze intently:

KJV - behold earnestly (stedfastly), fasten (eyes), look (earnestly, stedfastly, up stedfastly), set eyes.

HEARD: *Your mindset has cursed you over the next 3 years. It's not so. Recover habits. Restore such a person.*

{Restore the one who fears being sent into tribulation}

Rev 3:14-21 NKJV

"And to the angel of the church of the Laodiceans write,

*'These things says the Amen, the Faithful and True Witness, the Beginning of the creation of God: 15 "I know your works, that you are neither cold nor hot. I could wish you were cold or hot. 16 So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth. 17 Because you say, 'I am rich, have become wealthy, and have need of nothing' - and do not know that you are wretched, miserable, poor, **blind**, and naked - 18 I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. 19 As many as I love, I rebuke and chasten. Therefore be zealous and repent. 20 Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. 21 To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne.*

RESTORING THE **BLIND PERSON:** If you are earnestly seeking the Lord, this is for you:

1. First of all you are not lukewarm.... your desire and flame for Him grows stronger as He draws you. Lukewarm believers simply don't care or respond - they think they already have enough of Him. If you have been crying out for more of Him, then you are "disqualified" from being lukewarm. 
2. You do not say you have need of nothing because you are keenly aware of your lacks and continue to ask the Lord for more. You are not satisfied with what wealth and natural gifts give you. You appreciate them, but they do not fulfill you and instead you are wanting more of the Lord. One of the reasons the Lord chose you for wealth, IQ, natural gifts and talents is because He could trust you with them. He knew the teachableness of your heart and that you would lay ambition and idolatry down at the cross. That is very rare for one so gifted.
3. You are not naked; He has told you that you are already dressed in white.
4. The Lord is not rebuking and chastening you. He is affirming, teaching and training you. Sometimes training means correction, but there is a big difference to that versus rebuke.
5. "Be zealous and repent." The foundation of repentance is the fear of God, atleast what I know so far. I repent almost every day because I see my lack of measuring up to His standards. On the days that I do not repent, I have that veil between us of condemnation until I finally realize it and climb back into His lap. Repentance to me is a willing heart. If there is something I am **blind** to,

then He points it out, I say I am sorry then with His help, I point myself in a different direction and begin to change. There comes a place where the tug-a-war of rebellion stops and we come into a great place of favor... not because of our works or what we accomplish and "do" for Him (although He GREATLY appreciates those things), but because of our tender, vulnerable and pliable places in our hearts towards His correction and training as a proud Papa Who loves His child.

He is wanting to bring you into the rest of His favor, where no matter what happens with the alarms, that you are so deeply settled in His love with His scepter extended ... that He becomes Papa, the One Who will always open His arms and heart to draw you to His lap. He hears all your doubts of disqualification and it brings a veil between you two and it sorrows Him. There is nothing worse than one sided love where one reaches and reaches and is not able to break through the barrier of doubt.

It is my earnest desire that you rip away the veil of disqualifying fear from Rev 3:17, and come into His arms of love... and stay there.

Papa I pray that You will heal this fear that is so deeply rooted. I ask that You will pull out any roots of self rejection and bitter roots. I ask that You will do this so gently by Your love that there will be no trauma. I ask that as these thorns are removed that You pour Your warm healing balm into their holes and let them heal naturally through time and experience. Fill them with Your Spirit of adoption Lord. He cries Abba Father.

BLIND MEN HAVE SPECIAL GIFTS:

There is a place deep inside of us that is deeper than skin deep. It is past being able to look at someone's body language, face expressions and demeanor. When a **blind** man sees with the eyes of his spirit, he has developed instincts that are very perceptive. He does not have the same security blankets that most people do, in learning who they can trust and how to get along in an unstable world. A **blind** man sees things differently and he picks up things that others do not, simply because he is not distracted by the outward appearance. He sees and hears with different antennas. That is what it is like to pick things up in the Spirit.

1 Sam 16:7 NKJV

But the LORD said to Samuel, "Do not look at his appearance or at his physical stature, because I have refused him. For the LORD does not see as man sees; for man looks at the outward appearance, but the LORD looks at the heart."

EXPERIENCE 4/5/06: ASSUMPTION = BLINDNESS

Tonight I spent 3 solid hours on the phone in tech support helping a man work through a problem he was having. Tech support is like helping a **blind** person "see" their answer and yet being **blind** yourself since you can not see

their screen. It is a parallel of being **blind** as you are trying to see the problem through their **blinded** eyes. If they do not communicate properly, it becomes a real problem of maneuvering.

So the day before the tech support appointment, I gave him one simple instruction that he was to do in preparation for the phone call. The first thing I asked him when we spoke was if he had completed that task. He said he forgot so I waited until he said it was completed and then we began. No matter what angle I tried with him, we came up with the same problem. I was getting really weary and he was feeling guilty for taking my time and suggested he could take it from there. But I was not willing to let his problem go until I saw him through to victory.

After many ideas in trouble shooting, I started to think about my original instruction and so we started testing to prove to me that he had really done that instruction. Every test showed that he had not, and yet he was positive he had. In the end his **blind** eyes were opened as he realized that my original diagnosis was correct, he needed to have completed the simple instruction I had given him the day before and he assumed he had done it, but he had not. His assumption was his **blind** spot.

[LESSON: God sometimes has to walk us through a patterned cycle of problems, until we are finally able to “see” our areas of presumption and assumption that hold us in **blindness**.]

POEM: DO NOT HARDEN YOUR HEART 10/11/04

When to listen and when to speak
Is a matter of integrity and remaining weak.
As you lay down your flesh, I will do the rest
As you buck and kick I remain silent at best.

Tis your choice to receive My voice as it speaks.
Whether you like it or not, is not for critique.
I have loved and walked with you from afar,
I have loved you with detailed sidebars.

I have brought your path to full circle
That you would receive your miracle.
Grow up and receive what I have to say.
And you will prosper in all your way.

Mind-sets keep you from receiving strong meat.
Tis no more milk, but solid food to eat.
Is it fear and shame that keep you away?
Or is it stubborn minds that rule your day?

I have walked your circles right from the start.
I will give you over to the desire of your heart.
Where you walk from here is your choice.

The condition of your heart determines My voice.

Oh My God have mercy, how I pray!
Give us not over to our rebellions this day!
Remember that we are **blind** in our sin
We have not a clue in how to enter in.

Our parts are sick unwilling to receive
We cushion our lives to give us reprieve.
We push away what you send to us
Thinking we have the right to discuss.

But it is not our rights that matter in the end.
It is what You want that brings us to blend
With Your will and image stamped upon our life,
We lay at Your feet and lay down our strife.

Forgive us for our **blind** stubborn ways.
Forgive us that we refuse Your say.
We spit and sputter, we kick and buck
We try to move on with good luck.

But You are Sovereign in all the earth.
If You are silent, life has no worth.
Give us not over to our desires to run.
But embrace us fully as Your Son.

Rebuke us if You want dear Lord.
Transform our hearts with Your powerful Sword.
But leave us not to the folly of our souls.
Rather turn again and make us whole.

Heb 4:6-7 NKJV

Since therefore it remains that some must enter it, and those to whom it was first preached did not enter because of disobedience, again He designates a certain day, saying in David, "Today," after such a long time, as it has been said: "Today, if you will hear His voice, Do not harden your hearts."

Heb 12:5-6 NKJV

"My son, do not despise the chastening of the LORD, Nor be discouraged when you are rebuked by Him; For whom the LORD loves He chastens, And scourges every son whom He receives."

Prov 28:13-14 NLT

People who cover over their sins will not prosper. But if they confess and forsake them, they will receive mercy. Blessed are those who have a tender conscience, but the stubborn are headed for serious trouble .

RHEMA 6/11/06 QUICKENED SCRIPTURE ABOUT **BLINDNESS AND JUDGMENT:**

Mark 4:11-12 NKJV

"To you it has been given to know the mystery of the kingdom of God; but to those who are outside, all things come in parables, so that 'Seeing they may see and not perceive, And hearing they may hear and not understand; Lest they should turn, and their sins be forgiven them.'"

REVELATION: I saw that He is such a God of forgiveness, if someone asks Him for forgiveness, He has to forgive. So He turns them over to be **blind** and deaf so they won't repent. Because if they repent, He forgives and then must heal them. The key word is "LEST" they should turn and be healed. To be given over to **blindness** can be a judgment and the way to be released from that is to repent of having a hard heart against His Word. The way to tell the difference if one is **blind** as a judgment is whether or not they can repent or see the need to repent.

John 9:39-41 NKJV

*And Jesus said, "For judgment I have come into this world, that those who do not see may see, and that those who see may be made **blind**." Then some of the Pharisees who were with Him heard these words, and said to Him, "Are we **blind** also?" Jesus said to them, "If you were **blind**, you would have no sin; but now you say, 'We see.' Therefore your sin remains."*

Ex 34:5-7 NKJV

Now the LORD descended in the cloud and stood with him there, and proclaimed the name of the LORD. 6 And the LORD passed before him and proclaimed, "The LORD, the LORD God, merciful and gracious, longsuffering, and abounding in goodness and truth, 7 keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation ."

WORD TO PONDER: UNDERSTANDING THE SPIRITUALLY **BLIND AND DEAF 6/11/06**

I AM the LORD, the LORD God, merciful and gracious, longsuffering, and abounding in goodness and truth, keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation.

When I judge a people **blind** and deaf, it is so they will not repent. For if they repent, I must heal them. This is Who I AM. Do you understand?

Confess now your **blindness** to My ways, to My truths and to your knowledge of Who I AM. Confess now your deaf ears to hear My voice. Confess your errors of presumption and I will heal you. I will open your eyes to know Your God, the Creator Who loves His children and only wants volunteer love to fill His house.

Precious one, do not misunderstand this truth. If you know you are deaf and

blind without My help, then you are not given over to this judgment. Those who are given over do not have the ability to repent, because they do not know they are deaf and **blind**. True sight is in seeing your dependence upon Me for all things. It is in your repentance of independence that releases My blessings to heal.

Mark 4:11-12 NKJV

"To you it has been given to know the mystery of the kingdom of God; but to those who are outside, all things come in parables, so that 'Seeing they may see and not perceive, And hearing they may hear and not understand; Lest they should turn, and their sins be forgiven them.'"

John 9:39-41 NKJV

*And Jesus said, "For judgment I have come into this world, that those who do not see may see, and that those who see may be made **blind**." Then some of the Pharisees who were with Him heard these words, and said to Him, "Are we **blind** also?" Jesus said to them, "If you were **blind**, you would have no sin; but now you say, 'We see.' Therefore your sin remains.*

Rev 3:17-20 NKJV

*Because you say, 'I am rich, have become wealthy, and have need of nothing' - and do not know that you are wretched, miserable, poor, **blind**, and naked - I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. As many as I love, I rebuke and chasten. Therefore be zealous and repent.*

WORDS TO PONDER ABOUT BLINDNESS

WORD TO PONDER: DELIVERANCE 9/5/91

I have delivered you from a strong enemy. I have set you in a large place because I have delighted in you. Look in the distance and it belongs to you. I preserved David and I preserved you. Did I not say I bring recompense?

Do not think little of yesterday's invisible chains. I kept you **blind** to the degree of their strength so that you would not fear, for I planned a strong deliverance on your behalf. I kept a careful eye upon you and allowed portions of battle to strengthen your spiritual muscles. In the process, you grew strong and were able to overcome much. Now as you partake of freedom, understand much is what you earned by the sweat of your brow. But the enlarged expanse is My gift.

I promised multiplication of your work and I have given you the increase. Consider it a promotion, well deserved My faithful servant, and consider it a gift, larger than your own obtained portion. I delight in you.

"He brought Me forth also into a large place; he delivered Me, because he delighted in Me" (Psalm 18:19)

"And Moses said unto the LORD, O my Lord, I am not eloquent, neither

*heretofore, nor since thou hast spoken unto thy servant: but I am slow of speech, and of a slow tongue. And the LORD said unto him, Who hath made man's mouth? or who maketh the dumb, or deaf, or the seeing, or the **blind**? have not I the LORD? Now therefore go, and I will be with thy mouth, and teach thee what thou shalt say.” (Ex 4:10-12 KJV)*

WORD TO PONDER: MYSTERIES WILL DOVE TAIL 2/20/97

I have been speaking to you through dark speech, riddles, and allegories which are puzzles in the making. For many years, these have been coming to you a piece at a time. I know you have felt like a **blind** person seeing as well as hearing in the dark. But there will come a day after you turn a prophetic corner when all the pieces will come together and dove tail beautifully. This shall bring a great increase to your faith. You shall see clearly and the mysteries will be manifested and understood.

“All these things spake Jesus unto the multitude in parables; and without a parable spake he not unto them: That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world.” (Matt 13:34-35 KJV)

WORD TO PONDER: ANOINTED SHEPHERDS WILL SEE 3/11/00

My Anointed Shepherds, you who dwell in My Presence. You are **blinded** and without understanding. I have placed you in My capsule of love, surrounded by My loving Presence that you might grow and become holy bold. That you might grow to speak forth My Word in the power of My Spirit. I will open your eyes to see and understand.

I send you My written invitation that you shall come to birth and be baptized in My power. I AM sending you help and you shall help others. For your intercession is birthing a nation of rulers. And these shall be lifted up and see Me in My temple. They shall behold My glory and know the train or mantle of My authority. They shall rule the earth with the rod of iron and serve the King of all kings.

*“Hear, you deaf; And look, you **blind**, that you may see. Who is **blind** but My servant, Or deaf as My messenger whom I send? Who is **blind** as he who is perfect, And **blind** as the LORD's servant? Seeing many things, but you do not observe; Opening the ears, but he does not hear. The LORD is well pleased for His righteousness' sake. (Isa 42:18-21 NKJV)*

WORD TO PONDER: BEFORE THE SECOND WIND 5/21/00 & 4/6/00

O My dove, let Me hear your voice; for I have set My Name upon you and chosen you for My very own. My wife, My dear one. I hear your sighs by reason of heavy taskmasters. Your weight is heavy. The burden of your load is extremely difficult. I groan as I know and feel your pain!

Dear Father I pray for My beloved. I love My bride! I want to breathe upon her a second wind of refreshing. Even as in the days of Your first wind, I want to endue her with power. The battle has been long and under the strain of her load she has fallen, not knowing which way is up. Hear her cries for help and send her mercy. For I long to send her mercy, I long to bless her with My second wind of refreshing.

Father help her to choose the right path - the pathway of holiness. For only in that path can she overcome the insurmountable odds sent against her. Even now the deceiving antichrist spirit is in the world. The only way she can overcome this is to cut off its luring passions and lusts. My bride has been lured into carnal entertainment and this deceptive spirit is stealing the heart of My wife! Instead of being washed pure by the water of Your Word, she has fallen into compromise through the brainwashing of carnal filth.

Give her mercy and operate on the cataracts that **blind** her vision. Let her see the deception and return to Me, her Husband. Give her grace to turn from her appetites for self gratification For the pain from her taskmasters is great and she knows no way out but to comfort her own flesh. Oh Father she is so close to death! Help her to sever this, for this same spirit that is mesmerizing her to sleep and compromise is also the same spirit that will one day trodden her under foot. The only way to escape that day is the pathway of holiness.

Even now We are measuring the temple that encompasses those who dwell in My most holy place; those who have separated themselves from the outer courts of the world. Even now You are offering this same grace to others, to cut off the death grip of carnality. And even now You are offering access for those to come into Your most holiest place.

My bride can not hunger for the spirit of the world and also hunger for the Holy Spirit. She can not have one foot in the outer court and one foot in the holy place. She must choose. I long to endue My wife with My power! Help her to choose the One Who loves her with eternal passion!

I long to endue My wife with My power! I longingly wait for My bride! I want to roll away the reproach of her sins. I want to empower her for service. I want to breathe upon her and send her reversal - where she is no longer the tail but the head. Where she tramples on the head of the enemy and she delivers the captive and heals the sick! She longs for My touch! She longs for My wind of refreshing. She longs for My power! Father hear My prayer and give mercy to My beloved bride. Please help her to climb up upon the highway of holiness and come to Me. And as she chooses Me, breathe upon her and let the enduement of Your power come!

"A highway shall be there, and a road, And it shall be called the Highway of Holiness.

The unclean shall not pass over it, But it shall be for others. Whoever walks the road, although a fool, Shall not go astray." (Isa 35:8 NKJV)

"The voice of one crying in the wilderness: "Prepare the way of the LORD;

Make straight in the desert A highway for our God.” (Isa 40:3 NKJV)

“Go through, Go through the gates! Prepare the way for the people; Build up, Build up the highway! Take out the stones, Lift up a banner for the peoples! Indeed the LORD has proclaimed To the end of the world: "Say to the daughter of Zion, 'Surely your salvation is coming; Behold, His reward is with Him, And His work before Him.'" And they shall call them The Holy People, The Redeemed of the LORD; And you shall be called Sought Out, A City Not Forsaken.” (Isa 62:10-12 NKJV)

“Behold, I send the Promise of My Father upon you; but tarry in the city of Jerusalem until you are endued with power from on high.” (Luke 24:49 NKJV)

WORD TO PONDER: DO YOU NEED SURGERY OR FAVOR? 4/14/04

When the enemy has made plans against you for your destruction, always remember that I hold the wind and the waves within boundaries. Sometimes I allow the enemy access to rebuke and chasten the ones I love who have burned their consciences and are **blind** to their own rebellions. Yes, a time of surgery is coming for those who are **blind**, naked and lukewarm. They have tested Me through their love for compromising worldly entertainment and fallen short. This has opened the door to embracing plastic counterfeit spirits into their lives.

Those of you who have yielded to Me in earnest repentance, those who are humble, willing, teachable and yielded to Me, you have nothing to fear. As you bow low before Me with fearful hearts, not because you fear the demonic plot, but because you want to please Me, I completely canopy you with My grace and favor. Anything the enemy says becomes a false alarm, for you are safely preserved. He may accuse you of being slimed from the counterfeit and the storm may appear violent but it will pass you without harm.

I do allow the wind and the rain to touch your soul and flesh. I will use the storms in life to draw out and separate that which does not belong to Me. I separate between the soul and the Spirit that My living water may run clear and pure without mixture in your life.

Yes I ask you to stand and say no to the enemy slime and uncertainties. Yes it is vital that you learn to read the signs of the times and stay within the boundaries of safety that I have prescribed. As you stand in the reality of My generous covering, you will find, dear one, that no matter what you see coming against you, it will turn to mere smoke that is swept right past you. Let Me carry you and your burdens. No matter what the alarm, do not worry precious one. It is your choice to rest in My favor and stand against the alarming signs of the times.

John 17:15 NLT

I'm not asking you to take them out of the world, but to keep them safe from the evil one.

WORD TO PONDER: WHAT GOES AROUND COMES AROUND 8/26/04

Plant a seed and reap a harvest. Always know that My mercy covers you when you continually humble yourself and seek Me concerning your failures of flesh. If My people were to truly reap the crop of what their flesh has planted, no one would be able to endure it, let alone you.

So trust Me, dear heart. I may grant you a small portion of reaping in order to help you break free from a continual fleshly pattern that has been stuck in the rut. Sometimes this has to be a learning process through experience. You may know the right way, but until you live it, you remain **blind** and only fool yourself. There are times when I allow you to stay **blind** and walk through a painful experience, just for that climaxing moment of revelation. It is that moment when suddenly you see the way you were treated are the seeds you, yourself, have planted in your flesh. When the **blind**ers are taken from your eyes and the moment of revelation impacts you, it is in that place of learning that you will be able to stay committed to resist your flesh and make a different decision to stay out of the rut.

Gal 6:7-10 NKJV

Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap. For he who sows to his flesh will of the flesh reap corruption, but he who sows to the Spirit will of the Spirit reap everlasting life. And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.

WORD TO PONDER: OVERCOMING MIND-SETS 10/03/04

Precious, I want to teach you about mind-sets. Mind-sets are fortified opinions that are set in their ways. Mind-sets are strongholds. Mind-sets lock everything into an unchanging place. Mind-sets keep truth from coming in and they keep lies from being removed.

When I send My Truth, and you are **blinded** against receiving it, it is because of your mind-set. If you will partner with Me to identify a mind-set when I shine light upon it, then we can work together to remove it and set you free to change and become free.

You also have mind-sets about your loved ones and this is keeping them locked in the same old patterns. These mind-sets are expectations. They have behaved in circled patterns for years and therefore you expect them to continue such. Their behavior and your mind-set has given you much grief and hopelessness when you pray over your loved ones. Even when I AM changing them and setting them free one day at a time, you are unable to see this because of your mind-set about them.

Please understand, when you have expectations, whether they are good or bad ones, that expectations are faith. It is your negative and positive faith that sends both demons and angelic hosts to the person for whom you have faith. The mind-sets of your expectations can actually bind or loose your loved one

into further captivity or increased freedom. So repent dearest, repent and openly confess your failed mind-sets in your life and watch Me set you and your loved ones free from your past. Free at last, free from your past.

2 Cor 10:4-6 NKJV

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ, and being ready to punish all disobedience when your obedience is fulfilled.

PROTECTION AND SIGHT RECOVERED

RHEMA 12/5/03 SIGHT PROMISED FOR OBEDIENCE

HEARD: *Strengthen and shore up her walls. It is necessary. Discipline takes its toll. I will help you. Shield up. Canopy over.*

PIX: *I saw something come up from the ground and go up towards heaven.*

PIX: *I saw something like a canopy tent go over the top of me.*

HEARD: *He's there. A warrior.*

QUICKENED REMEMBRANCE: I remembered that I'd had the impression the other day of a very tall warrior angel standing directly behind me.

HEARD: *Have a home. A booth. Rock solid. Kind of like a fortress. Only better. Wife. Tucked inside. Right here.*

PIX: *I saw the cleft of an arm pit and arm.*

HEARD: *Crevis. Wing.*

HEARD: *Here's one, ready to devote herself to Him. To come through the door, a way out. Shielded from the heat. Impossibility. It was yacking in my ear. We stopped it. Umbrella. All right now. Most high interest rates. Leave. Safe. Help. Living one, come in please. Now what? See.*

PIX: *I saw someone peering into the distance.*

HEARD: **I will give you glasses.**

QT: 5:55.

HEARD: *February. See the real world. Just do as I say. Covering.*

WORD TO PONDER SHORE UP YOUR WALLS 12/15/03

Precious one, My discipline in your life has taken its toll upon your faith. Now that you have chosen to totally devote to Me that which was running away, I want to recover and strengthen you.

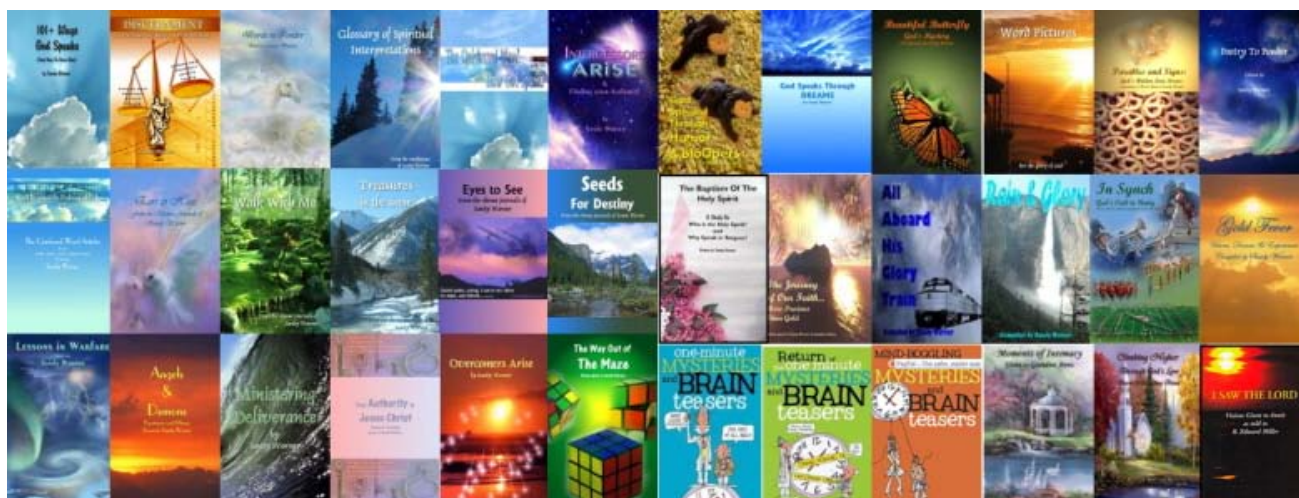

Be comforted that as you have totally yielded to Me, you are quite safe. Standing before you is a large shield, raised from the ground to heaven. Standing behind you is a tall warring angel to cover your backside. Directly over your head is a large canopy. This is your home, like a tent, only this booth is a rock solid fortress, and even better. The better part is that I have safely tucked you into this rock crevis. This is in the crevis of my arm, right next My heart. You are safely shielded from the heat, dear one.

And now as you have earnestly prayed to receive a promotion in your seeing gifts, I AM preparing a new pair of glasses for you. You shall see things as they really are. Rejoice for that which was lame is now put back into joint.

Heb 12:11-13 AMP

For the time being no discipline brings joy, but seems grievous and painful; but afterwards it yields a peaceable fruit of righteousness to those who have been trained by it [a harvest of fruit which consists in righteousness--in conformity to God's will in purpose, thought, and action, resulting in right living and right standing with God] So then, brace up and reinvigorate and set right your slackened and weakened and drooping hands and strengthen your feeble and palsied and tottering knees, [Isa 35:3.] And cut through and make firm and plain and smooth, straight paths for your feet [yes, make them safe and upright and happy paths that go in the right direction], so that the lame and halting [limbs] may not be put out of joint, but rather may be cured.

MIXED WITH FAITH

SANDY RHEMA

HEARD: Faith comes by hearing, the hearing by the Word of God. And so we listen.

=====

GRANDMA ANNA RHEMA

HEARD: Listen little one. In patience possess your souls. Faith cometh by hearing, and hearing by the Word of God.

=====

GRANDMA ANNA RHEMA

HEARD: Stocking up. It's the season. Faith and trust. Learning to listen in all the ways I speak.

=====

SANDY RHEMA

I was reading the following section of scripture that popped out at me with personal application.

John 10:26-27 NLT

But you don't believe me because you are not part of my flock. My sheep recognize my voice; I know them, and they follow me.

HEARD: Mixed with faith.

Heb 4:2 NKJV

For indeed the gospel was preached to us as well as to them; but the word which they heard did not profit them, not being mixed with faith in those who heard it.

=====

SANDY RHEMA

"To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God." (Eph 3:10)

REVELATION: As I read that scripture, I knew the key was for it be mixed with faith. I wrote the following Word to Ponder and heard the Lord say:

HEARD: I agree with you. Manifold wisdom of God.

WORD TO PONDER: MANIFOLD WISDOM OF GOD

When I speak in riddles and dark speech, the enemy does not clearly understand My Word as to how it is interpreted or applied. Therefore, he sends spies to listen to My people. When My own receive My Word through revelation and faith, knowledge is imparted into the spiritual realm. Once the knowledge is released, it belongs to the heavenly realm. Until then, the enemy waits upon the church to make known the mysteries that I speak.

"To me, who am less than the least of all the saints, this grace was given, that I should preach among the Gentiles the unsearchable riches of Christ, and to make all see what is the fellowship of the mystery, which from the beginning of the ages has been hidden in God who created all things through Jesus Christ; to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places, according to the eternal purpose which He accomplished in Christ Jesus our Lord, in whom we have boldness and access with confidence through faith in Him." (Eph 3:8-13 NKJV)

Oxygen is used as a rapid healing therapy, because germs can not live in 100% pure oxygen.

HEARD SONG: *Mercy abideth in Him.*

HEARD: *And hunt me up a really bad lupus flare. Mercy triumphs over judgment and that's what we did.*

In March of 08, I got out of bed and could hardly walk. It was excruciating pain on the bottoms of my feet that felt like I was walking on fiery hot, sharp rocks. I hobbled to the kitchen having no idea what was wrong with me. Little did I know this was the beginning of a lupus flare where the inflammation went all over my body. I fought for my life and for my body to stay mobile. The flare lasted almost 2 full years before it cooled.

SANDY RHEMA 11/23/01 WAX IN YOUR SHOES

HEARD: *When you have wax on your shoes, the candles have it.*

"Wax in your shoes" is a dark speech riddle about being confirmed, set up and fortified like wax. Shoes speaks of our walking out our callings in the Lord. We crush the demonic under our feet and we walk in the gospel of PEACE. The God of PEACE shall crush satan under foot. We do NOT fear the demonic, we fear the Lord. When we walk to please the Lord, we have nothing to fear and simply use our authority to break the powers of witchcraft and curses off ourselves and loved ones. (Eph 6:15 and Roman 16:20)

BOB JONES QUOTE: YOU WONT BRUISE YOUR FEET 10/10/10

From Morning Star Harvest Conference on God TV
www.bobjones.org

"I am going to lay a carpet in the desert. It is not going to be a hard trip, you won't bruise your feet. Your wilderness trip is coming to an end, because of what I wanted to accomplish in you in the wilderness. The wilderness is a place where you learn your Father's voice. Where we would quit listening to anyone else, but listen to our Daddy's voice. Coming out of the desert in unity and in an army so that you are not going to be defeated anymore."

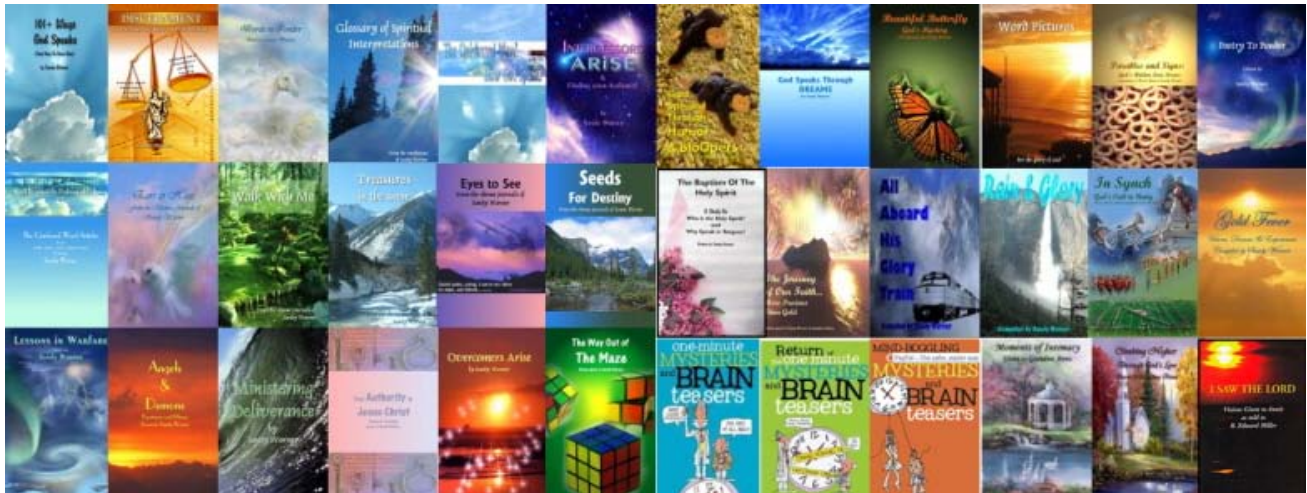

COMMENTS: I know 3 people that are dealing with major foot problems right now. I discerned in each of these, they were curses of witchcraft.

PRAYER: Lord we ask that You will have mercy upon us and cover our sins. Where we have failed you, please grant us Your grace to walk worthy of Your calling. Where the demonic has attacked us and broken through breeches in our walls, we ask that You will repair our breaches and fortify us to stand in Your Name. We bind the powers of witchcraft over our lives and break every curse against our feet. We command every demonic assignment against our feet to be null and void in Jesus Name.

We thank You, Lord, for giving us total triumph so that we may walk in complete freedom, crushing the deeds of darkness under our feet.

POLKA DOTS, POLKA DOTS, LOT'S OF POLKA DOTS!

PRE-SERVICE PRAYER 9/15/07

I love how God talks in so many unusual ways. Tonight as people were gathering for pre-service prayer, I noticed there were 3 of us who were wearing polka dots. It was strongly quickened to me as a Word from the Lord and I had no idea why.

QUICKENED TIMING: About 10 seconds before one of our intercessors stood up to declare that the Lord was going to restore our joy, I prayed, "Lord I want you to bring back my joy."

QUICKENED MEMORY: Then I remembered that on the way to church tonight I noticed my bottle of water was filled with tons of tiny bubbles all over the inside of the bottle. I had about 3 inches of clear pop and had filled the rest with water and somehow the mix made masses of tiny bubbles that collected and clung to the inside of the bottle. I was thinking "Joy bubbles" as I prayed that the Lord restore my joy. The scripture promises us that in His Presence is the fullness of joy.

QUICKENED HEARING: Then an intercessor on the other end of the room prayed over someone, "**Connect the dots.**" This was strongly quickened to me as relating to the polka dots.

CONFIRMATION: About 10 minutes later pastor was praying in tongues and he said the following sentence 3 times; Oka-dotta, Oka-dotta, Oka-dotta. I was flabbergasted, I knew he was declaring something about polka dots and he had no

idea I had been praying about the polka dot Word that the Lord was bringing together.

CONFIRMATION: One of the intercessors shared during quiet time that he saw a field that was all red and it had circles of white sprinkled in it. Two of us in the prayer room were immediately quickened by the blouse I was wearing. It was an all red blouse with white polka dots.

UPDATE CONFIRMATION: The next day Anna wrote me an email that she would put names to the faces who were in a family photo I had put in our album. She said it was the photo where she had worn the shocking pink polka dot dress!

UPDATE CONFIRMATION: I received the following email from a friend. We were talking about some confirmations to the above Word on Learning a New Language that came out on the list this week. He had no idea how beautifully his comments wove together with this Polka Dot Word.

He said, "This goes well with your good word on Learning the Language of a new Anointing that came out today. That word sure goes along with a bunch of bits and pieces that I have gotten over a long time. It is always amazing and fun when our Lord gives you bits and pieces over such a long time and then all of a sudden He starts putting them all together into one picture. Most times it is not something that you can show someone in black and white, but you just know how it fits and goes together. Thoughts that gel. They are not abstract words or thoughts they are actually all part of a bigger picture. Learning a new language as we go. What wonderful training."
{end quote}

CONCLUSION: I believe the Lord is saying that He is bringing us into a season of great joy where He will suddenly be filling in the missing pieces and giving us joyous bursts of revelation and understanding and we will clearly see His wonderful hand in so many details of our lives as He has woven them all together with great purpose and plan.

COMING TO CONCLUSIONS 1/2/00

You are the one I love to talk to. I have spoken secret treasures in the dark. This is the mysteries of dark speech. I have given you much strong meat and it has required a thorough chewing to understand and interpret. This has been your joy and also your wrestling. Trust Me that I AM building within you exactly what you need. Now work towards drawing summaries and conclusions to what I have shared and bring closure to some of these things.

You can do this through keeping My Word by recording what you see and hear, and then begin to connect the dots with reference points of understanding. You will soon discover that it is really I Who have spoken to you and each morsel is carefully placed by My loving hand. There will come a day when you are proficient in interpretation and it will not be your independence, but your training through leaning upon Me, your divine Teacher.

"Let those who are wise listen to these proverbs and become even wiser. And

let those who understand receive guidance by exploring the depth of meaning in these proverbs, parables, wise sayings, and riddles.” (Prov 1:5-6 NLT)

CONNECT THE DOTS 8/27/03

I have trained you with My wisdom, knowledge and many Words. However you need to understand in greater detail what I have given you. Just like learning a language, you will learn to do this through relying upon Me to help you put two and two together. Look at things from My perspective. Be patient as you grow in this new language. Do not worry over what you do not know, merely ask and I will help you connect the dots one to another. Instead of dreading your lack, you will experience joy as I open your eyes to understand how to connect them all together. Your confidence shall grow as we work this out together.

“With him is wisdom and strength, he hath counsel and understanding.” (Job 12:13 KJV)

WORD TO PONDER: LEARNING THE LANGUAGE OF A NEW ANOINTING 5/05/07

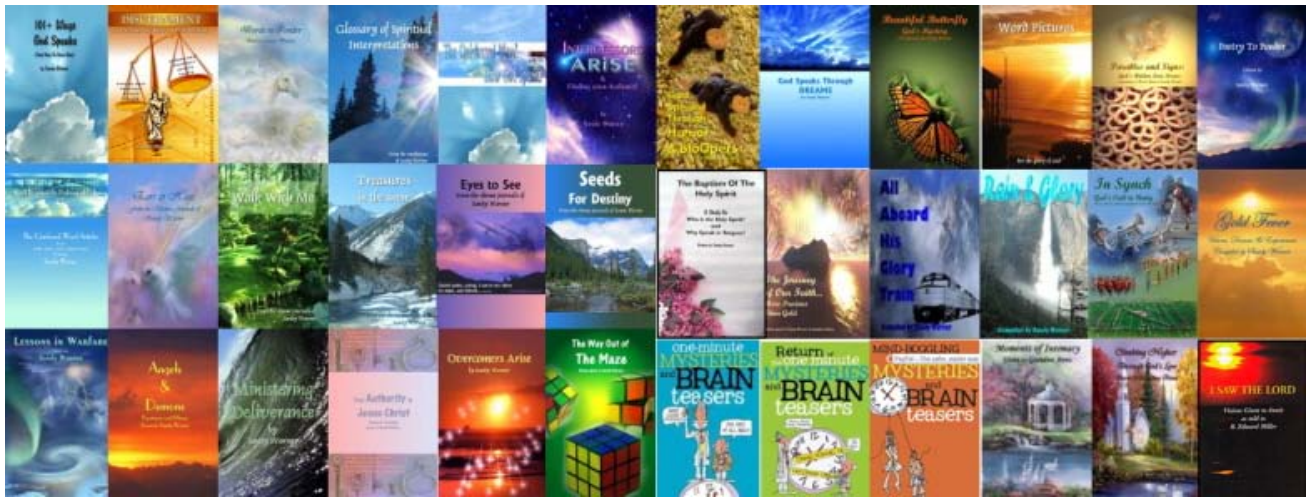

I AM distributing new anointings that encompass new gifts. You will be maintaining the maturity of your other gifts and at the same time learning new ones as you go. Cast away all worry and concern over how insecure you might feel in exercising these new gifts. You may feel awkward and not confident because it is walking in shoes that you don't normally wear. It's OK, I have prepared an environment that is just right for you to learn and practice and become acquainted with the ABC's of learning the language.

You will be crossing old religious boundaries, cultural differences, comfort zones and mindsets, but I have given you great grace in occupying this new anointing. I AM preparing hearts, even as I prepared Cornelius and Peter to receive one another according to My will.

Acts 10:3-4 NKJV

About the ninth hour of the day he saw clearly in a vision an angel of God coming in and saying to him, "Cornelius!" And when he observed him, he was afraid, and said, "What is it, lord?"

RHEMA 9/23/07 SAGE GREEN IN 2008 AND JESSE'S ROD IS GROWING UP

I LOVE how God talks! I have prayed for a couple months about the color that the Lord wanted to emphasize for the year 2008. After I sent out yesterday's [Day of Atonement message about the year 2008](#), I said, "Lord You never did give me a color for the year." Then this morning at church I received the most hilarious Word, and only God can talk this way!

HEARD: *Asparagus!*

QUICKENED COLORS: Before I had time to roll my eyes and wonder what on earth (or heaven) He was talking about, a husband and wife team on our staff got up to do the announcements. Immediately I noticed a divine sign: They both were wearing baby blue and sage green. A couple nights prior I had taken a photograph of my husband and grandson, they were wearing identical matching outfits: Sage green shirts and Blue pants. It was so amazing to me that they matched so perfectly, that I knew it was a divine sign.... And this took place on Day of Atonement, and I had been praying for His quickened color for a couple of months. So I had the strong impression that the color for the year was Sage green, and I said to myself.... (and God must have heard me).... "I am not going to say Sage green is the color of the year, that is a weird color and I have no idea that it is prophetic what-so-ever!" (oh dear....)

So here I am in church and have heard "Asparagus!"
As I am gawking at this couple's baby blue and sage green outfits, and not listening

to one word of their announcements, I say, "Lord WHAT are You saying???? This must be a divine setup!"

VISION: I see a picture of my Mom's garden. She has TONS of Asparagus that comes up every year in her garden and she picks them when they are still young with tender shoots. After they are grown to adult size, they are tough and stringy and not near as good to eat. I saw her garden with all these young sprouts and immediately He planted the following scriptures in my heart:

QUICKENED SCRIPTURES:

Job 14:7-9 NKJV

"For there is hope for a tree, If it is cut down, that it will sprout again, and that its tender shoots will not cease. Though its root may grow old in the earth, and its stump may die in the ground, yet at the scent of water it will bud and bring forth branches like a plant.

Isa 11:1 NKJV

There shall come forth a Rod from the stem of Jesse, and a Branch shall grow out of his roots.

Isa 11:1-2

There shall come forth a Rod {2415} from the stem of Jesse,

And a Branch {5342} shall grow out of his roots.

The Spirit of the LORD shall rest upon Him,

The Spirit of wisdom and understanding,

The Spirit of counsel and might,

The Spirit of knowledge and of the fear of the LORD.

OT:2415

OT:2415 choter (kho'-ter); from an unused root of uncertain signification; a

twig;

KJV - rod.

OT:5342

OT:5342 netser (nay'-tser); from OT:5341 in the sense of greenness as a

striking color; a shoot; figuratively, a descendant:

KJV - branch.

INTERESTING CONFIRMATION: At the end of pastor's sermon he was speaking about the Word of Comfort is not supposed to be snuggly, cuddly words to console in agreement with misery. He said that the Holy Spirit is the Comforter and the Comforter also plants RODS down the backs of people's souls, so they will align, be strengthen and fortified with the Word of God, in order to remedy the misery and take that soul out of the pit!!

=====

INTERPRETATION: The colors of Sage green and Asparagus are in the same family of green nuance. So when you see the vegetable Asparagus or when you see Sage green and BABY blue this year, know that His eye is upon the generation that is being birthed. These are the tender, young sprouts that are coming forth from the

Jesus Christ is the Way, the Truth, the Life ... and He died for you.

RHEMA 1/14/08 A NEW CHAPTER AWAY FROM MINDSETS

PIX: *I saw a car door open and then close again tighter.*

HEARD: *Make it tight and shut. More than enough.*

PIX: *I saw a page turning.*

HEARD: *I have closed a chapter in your life. Brain dance. Brain fix.*

PIX: *I saw a lady's hand on a forehead as though in prayer.*

INTERPRETATION: Brain dance is a dark speech riddle based on other Words He has given me. There was a period of several years I heard the term, "Rain Dance." It was in reference to praying for the Lord to break the power of the curse of the famine for hearing His Word.

Brain dance is similar, in that He sends His rain upon our brains, so that our thoughts are washed from the demonic and line up with His thoughts and He grants us the mind of Christ.

Part of the chapter that is being closed is the wrestling with those minds who have "brain fixes" or whose minds are set and not open and teachable to change and embrace more of Him. Their perspectives are too small and limit God. They have closed the doors of their minds against Him and so He is closing doors to them and said "Enough."

HEARD: *You lost something precious. And it was hard to face. Canopy forward*

march.

PIX: *I saw my green travel bag half way full of protein bars and then someone stuffed it full and overflowing with protein bars.*

HEARD: *Your wealth is extraordinary. I have redeemed all that you spent. Purchased. Redeem all. All. Seeing it all through new eyes.*

VISION: *I saw myself airlifted up higher and so I saw the bigger view of what I was hearing and walking out and realized it included a much bigger picture than just my personal life or what I had lost in battles in sharing the protein of strong meat.*

HEARD: *She GOT it!!*

HEARD: *Planted. You finally see it from another perspective. Much greater. Than your immediate view. Parallel. Comfort many. Redeemed. You are so dear to me. Medicine. Stay put in your intercession. I love you.*

**WORD TO PONDER: A NEW CHAPTER AWAY FROM STUBBORN MINDSETS
1/14/08**

Many of My own were sent with the protein of strong meat to those who have wrestled strongly against My ways, My Words and My methods. I sent them into a season of strong knocking so that many would open the doors of their minds. My sent ones have paid a great price for their knocking on such limited doors. I have trained them how to recognize the stubbornness of an unteachable spirit and how to politely walk away from all debate, having suffered the fruit and loss of such labors.

Precious ones, you walked out a season much bigger than your own lives; My Words and promises are vastly intricate and bigger than you understand. As you give me your own limited understanding of what you lost, what you spent, and how you followed Me through it, I shall lift you up above your own circumstances to see the perspective much greater, much higher than your immediate view. This understanding shall bring much healing to you.

Beloved ones, I have closed this chapter in your life and you shall no longer be sent to those who are blinded by their limited mindsets of Who I AM. Instead, be faithful in your intercessions over such people. I have redeemed all that you spent and all that you lost during that time, and you, My sent ones shall be stuffed to the brim with recompense.

Prov 17:14 NKJV

The beginning of strife is like releasing water; Therefore stop contention before a quarrel starts.

Prov 29:23 NKJV

A man's pride will bring him low, but the humble in spirit will retain honor.

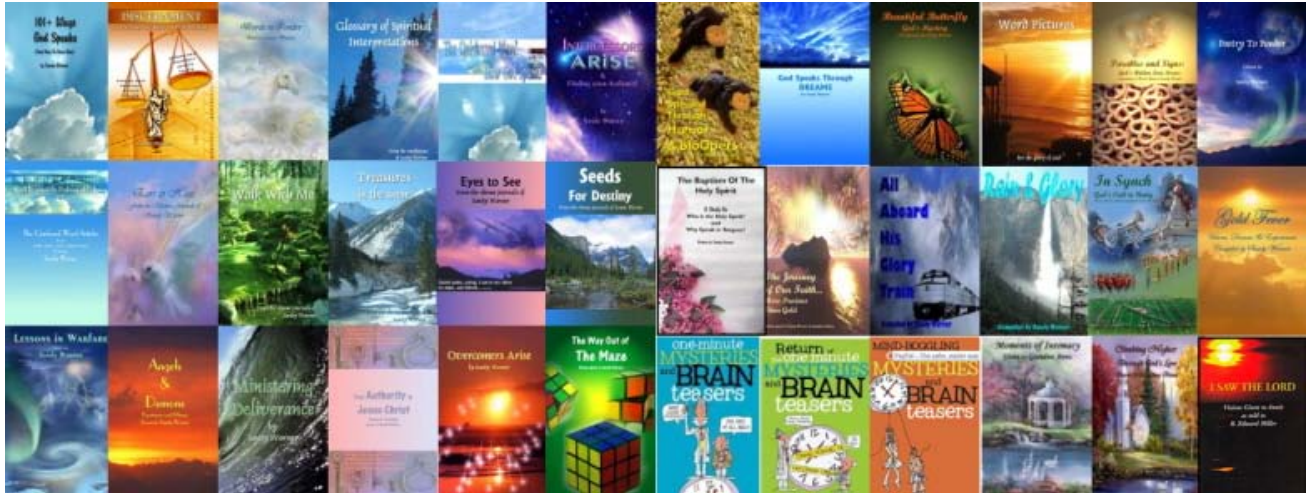

Ps 32:8-9 NKJV

I will instruct you and teach you in the way you should go; I will guide you with My eye. Do not be like the horse or like the mule, Which have no understanding, Which must be harnessed with bit and bridle, Else they will not come near you.

TO "HEAR" THE FULLER UNDERSTANDING 3/01/09

A couple months ago a lady prophesied over me that the Lord had taken me through many layers of revelation. She said it was now time to have the full understanding of what He had given me. She had no idea what she was talking about, but just obediently shared this in prophesy.

A couple weeks later the Lord asked me to build a file of just the Words of His still small voice, visions and dreams. I took out all interps, Words to Ponders, confirmations and all the extra things I gather that connect with what I hear and see. This file is going to be easy and fast for me to search keywords from now on. It's going to be a great help. In order to build this file, I have had to read every entry in order to title it and put them into paragraphs. I have been totally astounded at what I have discovered. It has built my faith like nothing I have ever known before.

We all hear and see in part, as that is scriptural until the fullness comes. And so my rhema is in snipits and parts. I have had enough confirmations along the years to know it is the Lord, but it has stretched me too because of the dark speech, riddles, and parts and pieces.

Well this time when I read it, everything has made total sense to me!!! I have been very shocked. I had no idea when I heard most of it that it was foreknowledge and it had not happened yet. But now that I am reading it, it is all hindsight and fulfilled. He left me special buzz words throughout, that were little remembrances of instances and so I suddenly had a frame of reference of what time, circumstance or issue He was speaking about. This has totally astounded me to now read it all in hindsight and with understanding, just as the lady's prophesy said would happen. It didnt make

sense because it hadn't been fulfilled yet. But it sure does now. This experience has removed some obstructions I have had in my spiritual ears and also faith level.

This incident is also a manifestation of the Word the Lord gave me for 2009: that it would be the year our fruit was manifest of what we have been nurturing for many years.

Today Anna sent me what she saw last night and it was a confirmation to what the Lord has been doing in my reading the rhema in hindsight.

ANNA RHEMA 3/01/09: T HORN OF MISUNDERSTANDING ABOLISHED

SAW: *I saw my uncapped jar full of q-tips that I use to clean my ears.*

CT: 6:20 AM Thorn abolished. To leave behind.

KJV 2 Timothy 4:13 The cloke that I left <620> at Troas with Carpus, when thou comest, bring *with thee*, and the books, *but* especially the parchments.

SANDY INTERP: There is no longer a thorn of misunderstanding or stumbling blocks in your ears. You understand the Words I have spoken to you and are walking that path now. Bring your books with you, but especially the rhema that I have spoken to you!

UPDATE CONFIRMATION 3/07/09

I smiled when I read the following email! It was a confirmation to the Lord clearing the obstructions out of our spiritual hearing!

Hi Sandy, just thought that I would share a new product that I got last week. It's called Ear Candles and I had never heard of them before. You put them in your ear and burn them very slowly and the slight heat from the candle pulls all the gunk in your ears out! When you take the candle out you can cut open the tip and see what has come out, you'll be surprised at how much there is! A friend who is a nurse told me about them and says everyone should use them once or twice a year.

WORD TO PONDER: TO REMOVE WHAT STUMBLES YOUR FAITH IN HEARING MY VOICE 3/01/09

Beloved ones, as you have been faithful to keep your candle lit to hear Me, I AM being faithful to answer your prayers to open your ears to hear My voice more. I AM removing the stumbling blocks that have held you back from hearing My voice. I want you to have complete access to hear Me clearly. Rejoice as your long time prayers are being answered!

1 Kings 19:11-13 NKJV

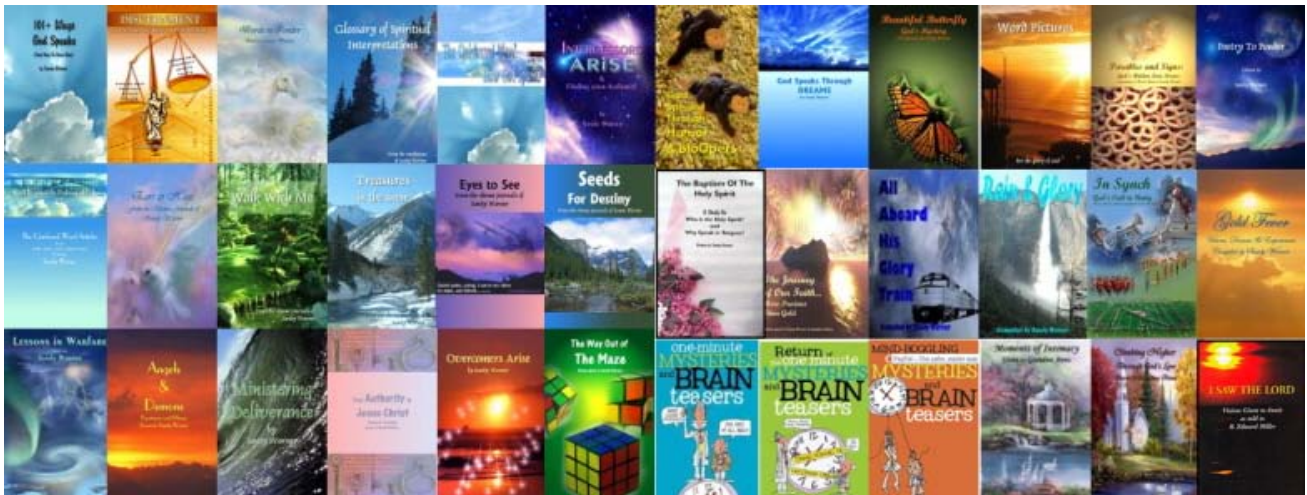

Then He said, "Go out, and stand on the mountain before the LORD." And behold, the LORD passed by, and a great and strong wind tore into the mountains and broke the rocks in pieces before the LORD, but the LORD was not in the wind; and after the wind an earthquake, but the LORD was not in the earthquake; and after the earthquake a fire, but the LORD was not in the fire; and after the fire a still small voice. So it was, when Elijah heard it, that he wrapped his face in his mantle and

went out and stood in the entrance of the cave. Suddenly a voice came to him, and said, "What are you doing here, Elijah?"

Luke 10:23-24 NKJV

Then He turned to His disciples and said privately, "Blessed are the eyes which see the things you see; 24 for I tell you that many prophets and kings have desired to see what you see , and have not seen it, and to hear what you hear, and have not heard it."

PUZZLE PIECES AND THE BIGGER PICTURE

DREAM: Then I had a dream about someone trying to understand a mystery. A lady told the person, "If that's all the notes you keep, you'll never understand it. The Lord likes lengthy puzzles."

VISION: I saw puzzle pieces in the sky.

HEARD: Gathering.

INTERPRETATION: Building prophetic puzzles require time and journaling. That is because the Lord speaks to us line upon line, precept upon precept.

In the OT, the Hebrew word for dark speeches means puzzle. (Num 12:8)

=====

HEARD: It's a matter of discovery. Hold My hand, Precious, we are going somewhere. Interpretation, what you did not know.

NOTE: My daily journal entries come from His still small voice, quickened lines from signs while driving, quickened thoughts, visions, a line from what someone said, and all of life. Often these threads mean a whole story in themselves. At the time they are quickened to my heart, but later when I read them all together in one paragraph at the end of the day, an amazing story appears. This story is clearly His Word to me about something else that He has been wanting to speak to me about. This is very

amazing to me and happens regularly. It is like I have been blind to what He is REALLY saying, and then when I read it as the day's story line, it comes to life once again and my eyes are opened and I hear another perspective. His Word is multidimensional.

=====

QUICKENED ARTICLE

Today an article in the paper was quickened. A fellow had asked his beloved if she would marry him in an unusual way. He went to the New York Times crossword puzzle maker and they put his proposal in the puzzle. At the end of the article, the New York Times fellow said that usually puzzles are two dimensional, but this one was 3 dimensions only made for a few people's eyes. This really hit me because I had been talking about the concepts of hearing God in multi level dimensions along with hearing His still small voice. He speaks in so many different levels in our lives, some obvious, most not obvious unless we have that special love language built between two who love each other.

=====

GRANDMA ANNA VISION: I saw someone sitting at a table working on a puzzle. The puzzle was very difficult. I knew the person was not to get discouraged in putting it together and give up.

=====

HEARD: The ministry of angels helps you watch for puzzles. Here's one.

VISION: I saw something dropping out of the ceiling, like a puzzle piece. It was dropping onto my head!

HEARD: We like puzzles too. Helping you build. Sometimes training is difficult. Work. War. Grace. We will help you. Angels.

VISION: I saw someone or something very close. It was just too close to see it well.

HEARD: Sometimes it's easier when you are not so close. Like far away. They line up. They connect. One, two, three.

HEARD: To smell. This one is out of place. Knock out. Grace to delete what is not quickened. Mold. Take the potters wheel. Shape.

Discern you. Smell. Hummm, smells good. I will help you. Rhema. What can be done. How do you apply this? What's the common denominator? How hard can it be? Puzzles, no harder than that.

The ABC's School. Downward into something more simple. Its impact is better.

=====

CONCLUSION

=====

{Words to Ponder are summaries of His quickened Words of prophetic revelation, punched with the word of wisdom and written under inspiration.}

WORD TO PONDER: PUZZLE PIECES AND THE BIGGER PICTURE

Like small puzzles pieces falling from the sky, I speak little glimpses of My Words into your life. Gather and collect these precious gems of revelation and quickened Words, for I will help you build a larger picture of understanding. Be open to hear Me in all the ways I speak, for I speak through many facets and multilevels. If you are tuned into Me, I will quicken My Words to you and they will bring you life and application.

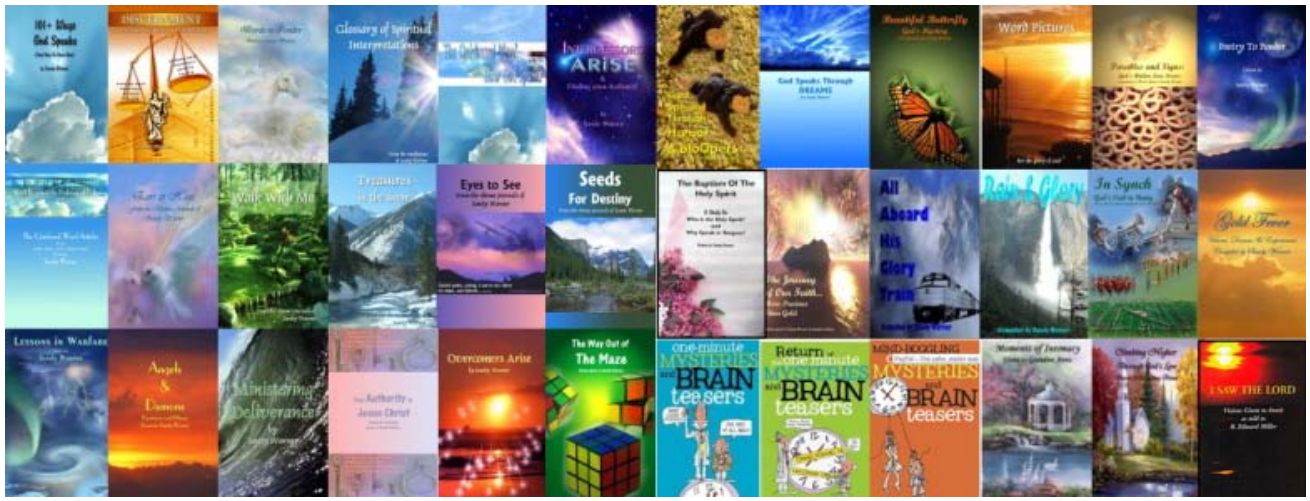

Do not become discouraged in trying to understand what is not quickened. Feel free to put it on the shelf and at rare times even throw it out. If you have a pure heart in desiring My pure Words and you throw out what you perceive is mixture, yet it really is My Word, I will circle My Words until you do understand. I will confirm and under gird you to swallow all the Words I have sent.

If it is not My Word, it may look like the right shape yet when enough pieces have come together, you will clearly see that the piece is warped and does not fit into My picture. The more you know Me, the more you will more easily discern what is good and applicable. Sometimes you become discouraged when you try to understand things that are too close to visualize. Step back a bit and look at the long range view of your life and apply My Words at a distance. If you look at the overall view, you will not become confused by the smaller details and the overall view becomes more simplified and to the point.

How do you build puzzles for understanding? It's simple, just look for the common denominators. Those Words which have common patterns and matching boundaries are meant to connect. And when they do, the eyes of your understanding are enlightened and your boundaries grow in confidence and stability. Enjoy the process, I love to confirm you.

"And the word of the LORD came unto me, saying, Son of man, put forth a riddle, and speak a parable unto the house of Israel." (Ezek 17:1- KJV)

THE "SCHOOL" OF FISH

DREAM: Wayne was an adoptive parent for a child who wanted to learn to fish. Wayne taught him how to fish on the computer.

My dad had not taught me how to fish so Grandma Anna took his place and helped me learn the various fishing skills.

HEARD: You also have been taught in a learning place. Having been there yourself.

SANDY COMMENT: This dream and phrase is riddled dark speech. The meaning is that as I have been learning from the Lord by experience, I also am a teacher passing on what I have learned. As I am teaching, I am also learning.

=====

DREAM: Someone asked me where my son was. He had taken the other fork of the same river that I was on. Suddenly I was at my destination and I saw a small group of teenagers swimming under water with the current and quite fast. They looked just like a school of fish. My son was with them. I stuck my right big toe in the water and waved it to him as he was swimming by. The youth all popped up to see me and my son grinned because he just knew that was my big toe!

The right big toe (and right thumb) represents those who are set apart for the Lord.

[Ex 29:20-21]

CONCLUSION

=====

{Words to Ponder are summaries of His quickened Words of prophetic revelation, punched with the word of wisdom and written under inspiration.}

WORD TO PONDER: ADOPTIVE PARENTS

I am raising up godly teachers who will be like adoptive parents. There will be a huge demand for their teaching gifts when the fish net is full of new believers and is emptied out. You have heard the old adage, "Give a person a fish, and he has food for a day. Teach a person to fish, and he has food for a lifetime." This is My heart.

This teaching concept is the opposite of lectures and theories. Instead it is "how to learning," by being teaching examples and letting the students learn by having their own similar experiences. The young will learn My ways and voice by watching these parents model their own relationship with Me, then they will mimic it themselves until they develop their own skills. My precious fish will learn quickly and be able to maneuver in fast waters.

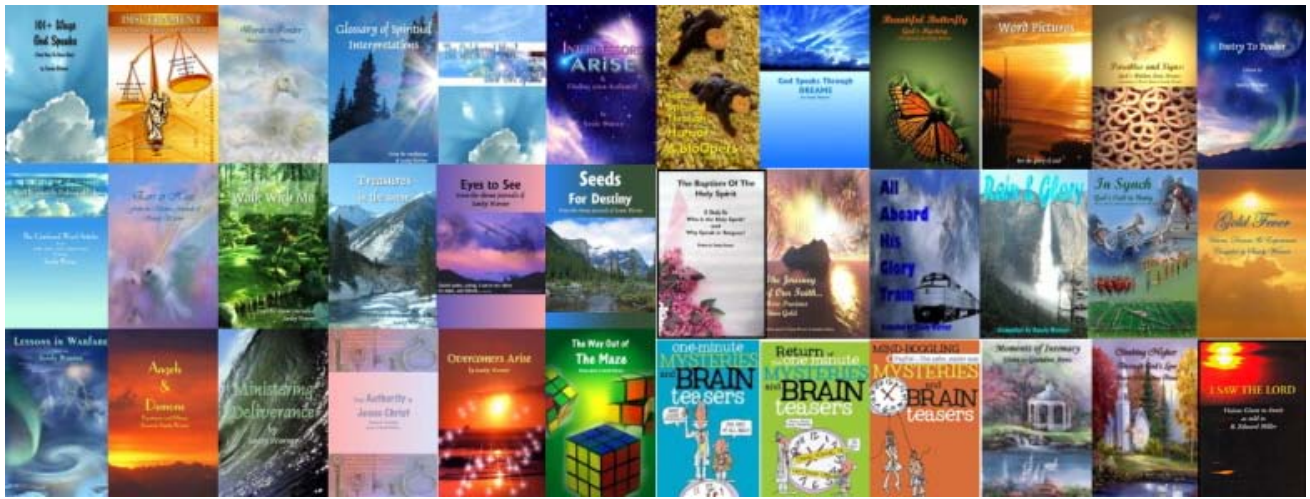

I will bond the adoptive parents with their children and visa versa. There will be great nurturing and appreciation sent straight from My own heart and living through My own ones.

"Listen, my child, to what your father teaches you. Don't neglect your mother's teaching. What you learn from them will crown you with grace and clothe you with honor." (Prov 1:8-9 NLT)

CONFIRMATION JOEL OSTEEN QUOTE 10/10/10 GOD TV

"I want to talk to you today about how valuable you are. One of the greatest needs we all have is to feel a sense of self worth. Deep down we need to know that we are important, that our life matters and that we have something great to offer..."

"...We should not receive our value from how somebody else treats us, or what we

own or what we have accomplished. Our value should come solely on the fact that we are children of the most high God. And the value that God put in you is permanent. Nothing you can do or anyone else can do can ever change that value."

**CONFIRMATION BOBBY CONNER QUOTE: 10/20/10
THE PRINCIPLES FOR ASSESSING VALUE**

Seattle Revival Center Podcast on Pentecost Sunday 2010

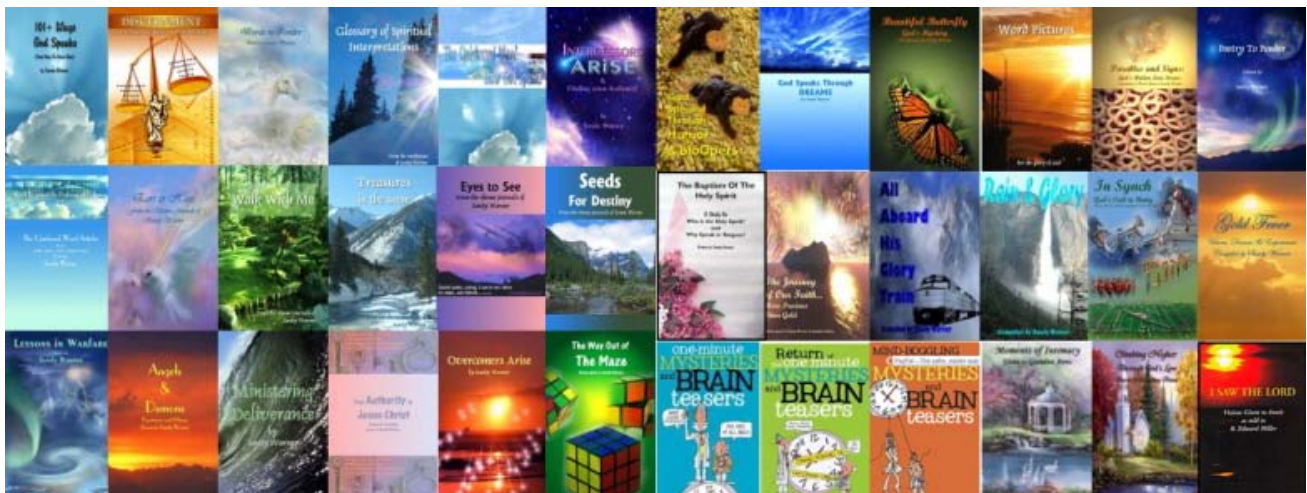

"The number one criteria for setting value to an object is how rare it is. Do you qualify? 6.6 billion people alive. Not a single person on earth like you. They have never found any 2 DNAs a perfect match. Do you know why? You are divinely unique. There is only one you. There will never be another you. You are absolutely one of a kind. I would take my pen and check that one off. Rare. That makes you priceless."

"The next way you assess value to an object is this: What's somebody willing to pay for it? What did heaven pay for you? You are not redeemed with corruptible things such and gold and silver, but with you are redeemed by the precious blood of the Lamb."

1 Peter 1:18-20 NKJV

YOUR OWN SHOES

=====

I HEARD: "I want to encourage you. Your destiny is like this."

VISION: Then I saw a hand in a glove, pushing the fingers to a perfect fit.

I HEARD: "It fits!"

=====

VISION: I saw a pastor's foot inserted into a bridal shoe. It was made out of white satin with pearls on top. It looked quite funny to me as his foot was so big. However the shoe did fit him perfectly.

=====

DREAM: I went to JC Pennys to try on some shoes to go with my wedding gown. They brought out some high heels, and I said, "No I

did not want high heels." So they brought out some white satin shoes that had silver and sparkled diamonds all over and on the top was a precious fluffy white feather. They were absolutely darling shoes, I was thrilled!

DREAM INTERPRETATION: I have had several dreams about JC Pennys which is dark speech. In my personal language vocabulary in which He was taught me, JC stands for Jesus Christ. And a penny is "one sent (cent)." High heels represents exalting one's self above others, which is pride. It is easy to stumble in high heels. Low heels is a humble walk. White is walking in holiness, silver is redemption which means the way is paid, and diamonds means hard pressed. The white feather means a ministry that is accompanied by angels.

WORD TO PONDER: YOUR DESTINY

The destiny I have prepared for you is like a glove, tailor made. You worry and fret over My promises, wondering how it will all come together. What you have not seen is that I have been preparing every nuance and every fiber. I AM using every situation in your life to help shape you for your destiny.

Do not look at the callings and destinies of others. For theirs, like yours, are meant only for them. Do not compete, do not force their shoe to fit your foot. You may push and cram, but in the end the shoe will not fit and you will be sorry you tried. If you do manage to wear their shoe, you will only get blisters in the trying.

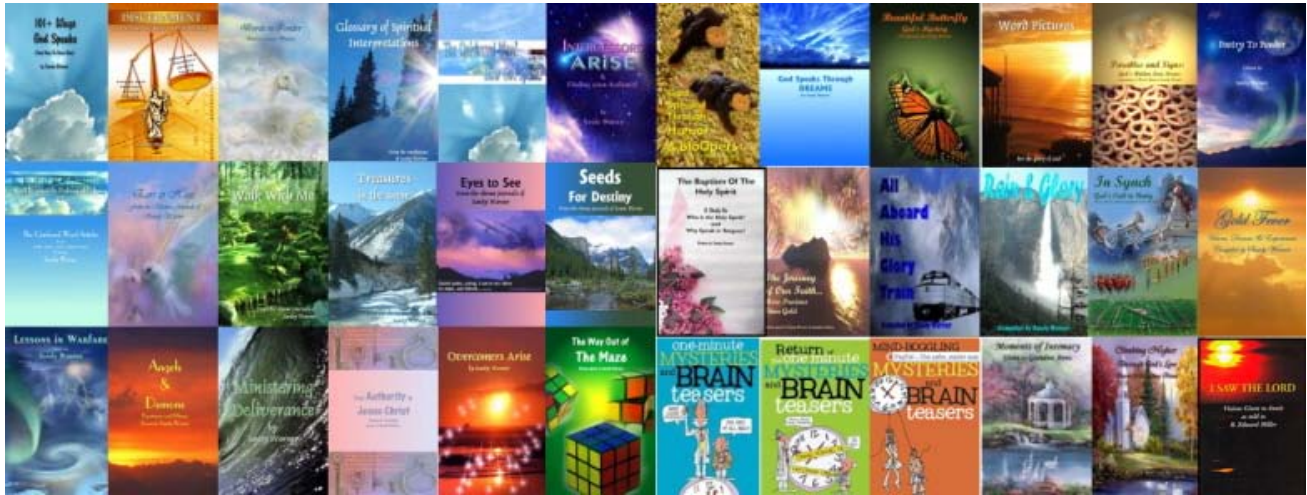

Relax and let Me do My perfect work in your life. Have patience that I AM tailoring a shoe that is meant just for you. I look forward to the day when with delight in your eyes, you will see how it all comes together, fitting you perfectly. Tailor made, just for you!

"For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope."

RHEMA 10/26/07 HELLO THIS IS GOD SPEAKING

PARABLE: Today I was awakened by a reminder call from my husband's doctor. I had been awake for several hours in the middle of the night and just got back to sleep and I wasn't very happy to hear her call. I have asked her before if there is any way she could write it down on his chart to call after lunch, but they just can't bend. So I asked Wayne this afternoon if he could soften the ringer on my bedroom phone, or stuff cotton in it somehow. He said, "I tried that already. We have at least 13 phones stuffed on the garage shelf because you don't like the ringers." That hit my funny bone and I started laughing and laughing. The parable was SO funny to me! I had the impression that the Lord was saying to me, you keep wanting to change your spiritual phone, because you don't like the way I call you! And then I fondly remembered the story called, "What leg?"

RHEMA 9/17/00 GOD HAS A SENSE OF HUMOR!

CONFIRMATION: This was really precious to me. This morning at prayer meeting I asked pastor if he had seen any pictures. He often sees them and then doesn't share because he gets worried they may not be the Lord since he doesn't understand them. The Lord so far has always given me a clear gift to interpret them for the body.

Pastor's wife heard the Lord say, "What leg?" She felt she was supposed to ask me that question. It hit me between the eyes as I put the pieces together.

The first piece: I heard the Lord today say, "Language and boxes." Lately I

have been wrestling with the Lord about how I hear Him. I hear the strangest things and I can piece them together, but sometimes they apply to several people all at once, and each mean something different. I know that sounds OK, but the phrases are sometimes really strange until you think them through. I have just wanted to hear Him in normal every day language and have it be a nice conversation... but it is in dark speech and sometimes I wonder if it is the Lord until after it is confirmed.

Bobby Conner said tonight that we put God in a box and try to make Him talk like we want Him to!!!! God told him, "I CAN TALK ANY WAY I WANT TO." I was blown away when he said that. Then Bobby said, we are the clay, He is the Potter. I get that scripture all the time about arguing with the potter and have been wondering what I have been arguing about!!!

So God, in His hilarious and strange way, says to Pastor's wife, "What leg?????" That is PERFECT language for how He talks to me!!!! The answer is. NO LEG. I do not have a leg to stand on in how He chooses to speak to me.

WORD TO PONDER: RIDDLES SOON TO BECOME CLEAR

For years, I have heard your prayers and your longings for a deeper walk with Me. I know you have wanted to know My heart and to hear Me more clearly. It has been a long road and we have traveled a great distance together. I have spoken to you in parable form, for it was all that you could bear.

It was exactly the same when I shared My secrets with the disciples. At times I told them plainly, and yet they still were unable to hear the truth until after My Words came to pass. After the fulfillment, they were able to look back as My Spirit taught them with light and clarity all that I had spoken to them. Nothing was lost, and neither shall My Word be lost in your life.

There are many reasons why I have spoken in a strange language of bits and pieces, with dreams and even Words needing interpretation. Knowledge has a power all its own, and can lead to independence. Every part of a relationship with Me needs your utter dependence upon Me, to not only hear My Word, but to also understand it, then apply it.

I promise that I shall soon come and confirm that you have been hearing Me, and you will know that you have followed My pathway and listened as I have walked beside you. At that time, I will begin to open My Words plainly to you, and you shall have your heart's desire, which is clearer revelation and face to face intimacy. Hope deferred makes the heart sick, but when the desire comes, it is a tree of life.

"Jesus always used stories and illustrations like these when speaking to the crowds. In fact, he never spoke to them without using such parables. This fulfilled the prophecy that said, "I will speak to you in parables. I will explain mysteries hidden since the creation of the world." (Matt 13:34-35 NLT)

UPDATE: My son asked me last night if when Bobby said that if it was quickened to me. I have never said anything to him about my fussing about how I hear the Lord. And I said yes that it blew me away. He nodded as

though he knew that.

I asked him why he asked, and he said that it was quickened to him that it was a Word for me, although he did not know why, since I wrote the book on God talking in different ways!

RHEMA 5/4/01 LEARN TO STAND IN HOW YOU HEAR

HEARD: *Once you get the hang of it, you'll understand.*

PIX: *I saw an angel with an invisible needle. She was making threading movements as though weaving the needle in and out, stitching something.*

HEARD: *Just a minute. **What kind of leg do you want? Legs down. First.** That was amazing. A bush. Hiding in a bush. Just see your way clear. Come out, come out, wherever you are. She is not capable of doing things on her own. Oh, do I talk about you. It's a joy to watch you unfold. My Loved one. Their temperamental. Designated driver. Gaps. We are closed.*

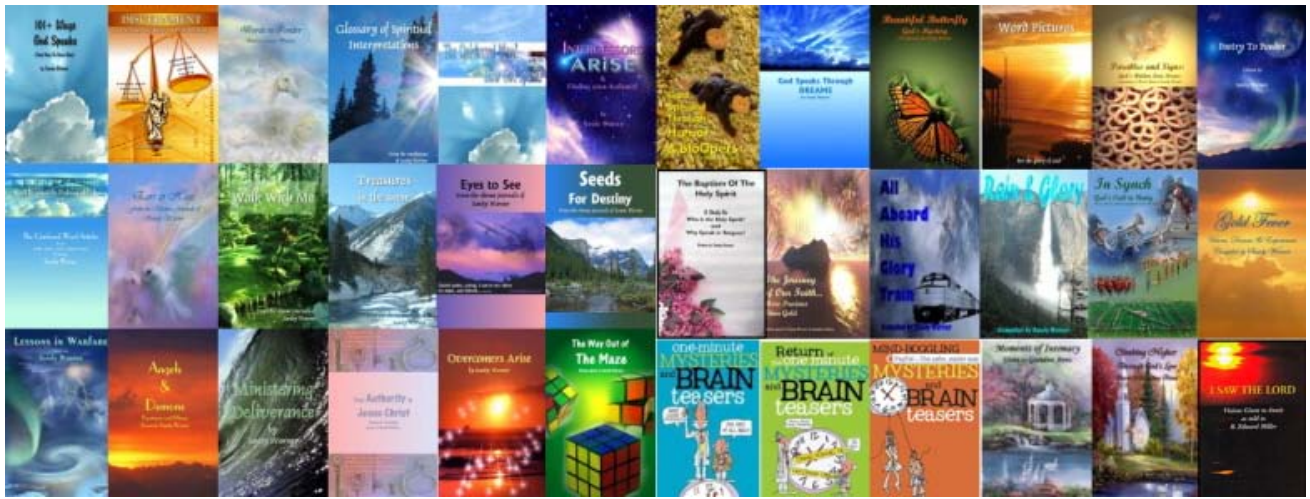

JOYFUL BLOOMING 5/4/01

My daughter, My Loved One, I find such joy in watching you bloom. I see you hiding in the bushes, hoping no one will notice! We all laugh with tickled hearts because nothing is hidden up here. All of heaven rejoices to see you open the petals of your heart and give forth the fragrant nectar to those around you.

Do not fear old wounds from old places. The gaps have been sewn shut and sealed. Trust Me to drive you safely to your destination. Wherever you go, you will bring the sweet perfume of My Presence with you.

"How fair is thy love, my sister, my spouse! how much better is thy love than wine! and the smell of thine ointments than all spices!" (Song 4:10 KJV)

WEAVING IN THE CLOUDS

[Joining Revelations]

VISION [3/21/04]: I saw a lady sitting up in bed. There was a giant loom that was over her and the bed. This giant machine ran on some kind of power, covering both she and the bed. She could just rest and do things here and there and the machine did all the work. It was huge and making beautiful tapestries with threads.

VISION: I saw the same loom and this time it was making a gorgeous knitted blanket. There were transparent, clear bags revealing the yarn strung along the side of her bed. The yarn fed automatically into the machine.

SANDY RHEMA

I think it was Grandma Anna who told me there was an angel in the clouds in the photo I am using as a background for my website. I was delighted with the news. As I was thinking about this, the Lord said I could nickname her Penelope. I chuckled at that, thinking He was being humorous. But then, it was quickened to me to look up the name Penelope in my book of names. It means to weave. I was very blessed

because we have lots of rhema about weaving threads together and doing Word puzzles. The Lord simply does not run out of ideas in how to delight us and how to reaffirm His precious Word promises.

Here is the photo:

[You need to be on line to view this link]

She is lying across the top of the sky, face down. Her head is pointing towards the left side of the photo. Her position is also meaningful to us because we have rhema about being a bridge for others to cross over. (I have posted articles in the past about the intercessors who are bridges.)

WORD TO PONDER: WEAVING MY WORD

Look up! You never know when I will delight you by painting My Word in the sky. When you find a picture in the sky, ask Me to build upon it and bring you understanding. I will weave My Words to you through all of creation, if you would but listen.

Psalm 19:1 NKJ

GRANDMA ANNA RHEMA

KNITTING DREAM: There were things that needed to be done on the computer and I was doing my part to knit our mountain of rhema together. While I worked, I was given a very pretty, turquoise colored, cable knit sweater to wear while I worked.

POSSIBLE DREAM INTERPRETATION:

Cable knit has the appearance of being braided. This is dark speech for the Hebrew word qavah (#6960), which means to bind together perhaps by twisting.

OT:6960

qavah (kaw-vaw'); a primitive root; to bind together (perhaps by twisting), i.e. collect; (figuratively) to expect: KJV - gather (together), look, patiently, tarry, wait (for, on, upon).

The Lord often gives me the word qavah in relation to being intertwined with Him. Just as the sweater hugs me and keeps me warm, so He lovingly comforts and keeps me, as I continue on with this rhema assignment.

The color turquoise is a combination of blue and green. The blue represents the heavenly or spiritual, and the green portrays verdant growth. This speaks of the years and years of our journalizing His Words which are now being shared and producing verdant growth in His Kingdom.

The word qavah is also translated as wait. Through the riddle of the cable knit sweater, my Beloved is also responding to my longing for more intimacy with Him and my having to wait for that final fulfillment. In the meantime, His Word says as I wait, I will find new strength and soar like an eagle.

Isa 40:31 KJV

But they that wait (#6960) upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

[I had heard the following about Grandma Anna's participation in The Quickened Word ministry.]

HEARD: One step at a time. Go forth. All under one roof. A witness. I don't think I'll get to be a part of it. Guess again. What about this? World wide. Radio tuned in. Help build. Fun. Pretty amazing. How it all dovetails. Grandma. Assignment rocker. Worldwide evangelism. Everything comes full circle.

HILARIOUS CONFIRMATION: I read a cartoon where Grandma Duck (to Huey, Luey and Duey) was busy knitting in her rocking chair. She falls asleep and is still knitting. The knitting trail goes out the house and down the street. When she wakes, her room is filled with knitting up to the ceiling and she says, "Oh no! I've been sleep-knitting again!"

=====

SANDY RHEMA

HEARD: Rest in His love. The song of the Holy Spirit says. How often? All the time.

HEARD: The mouthpiece of My glory. Pencil this.

VISION: I saw a writing pencil.

HEARD: Breakthrough. Through the clouds. Destiny. My witness. Of what you see and hear. You have a green light. Exceedingly abundantly.

=====

GRANDMA ANNA RHEMA

While I was writing the Selah Words of the Lord, I glanced out the window and saw a cloud formation of a perfect woolly sheep whose mouth was flared out like a trumpet! That was fun! I love His precious confirmations.

=====

UPDATE CONFIRMATION: Today I was talking with Anna on the phone and expressing my concern about a church where the Lord's presence was flowing.

They'd had a subtle change of focus the past few weeks and it was growing increasingly obvious. Their focus was changing away from the Presence of the Lord with worship and prayer toward warfare. I was sad about this, concerned they would become distracted and plundered. Anna said that we need to tend to our own knitting and not become distracted by their distractions. I laughed, because I had just written this Ears2hear post about our knitting and weaving in the heavens.

WORD TO PONDER: KNIT TOGETHER IN A TEAM MINISTRY

I have called many to connect in team ministries. These teams gifts shall weave in and out and bring forth My Word-pictures as signs to light the way. A little here and a little there, I shall delight all who participate in teamship, with confirmations and increased gifts as I shed additional light and understanding upon what I AM speaking.

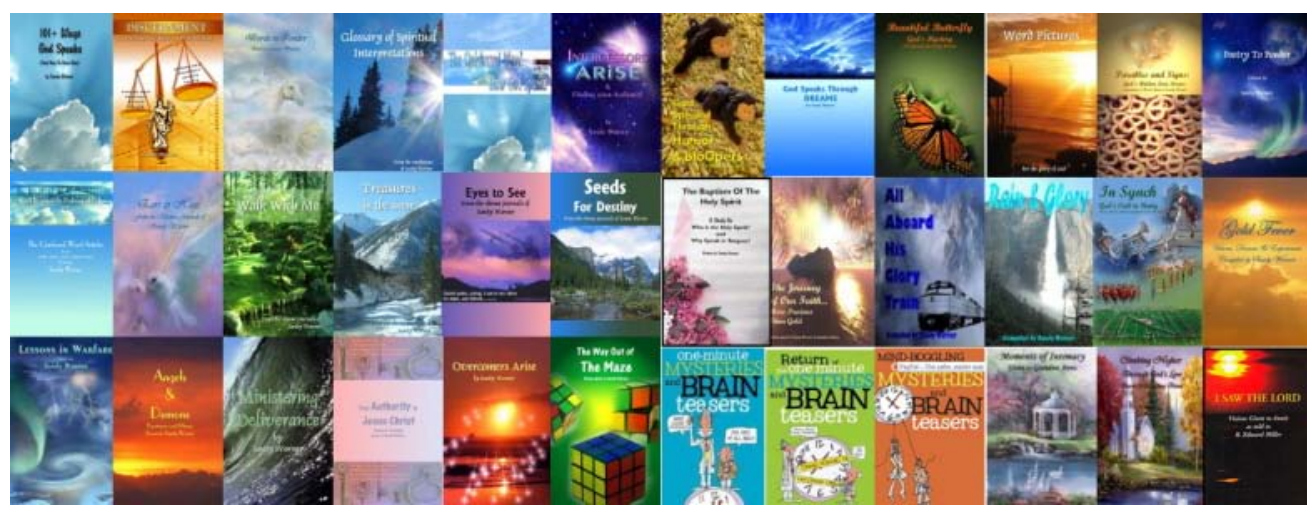

Colossians 2:2 NLT

My goal is that they will be encouraged and knit together by strong ties of love. I want them to have full confidence because they have complete understanding of God's secret plan, which is Christ himself.

READER QUESTION: GLORY TRAIN 2/21/10

Do you think that the glory train that Bob Jones [prophesied](#) will come in 2012, is the fulfillment of the manifested sons of God in Romans 8?

THE MANIFESTATION OF GOD'S SONS

According to the context of Romans 8, the revealing of God's glory in His sons will be an experience whereby they are fully adopted and redeemed, and not just with a down payment of the Holy Spirit. The earth will be redeemed at that time too, into the same liberty, and probably because of the authority given to His sons. When these things take place, His sons will be walking in the greater works prophesied by Jesus and they will be fully walking in miracles, signs and wonders. They will also be walking in the kind of body Jesus had after His resurrection upon the earth. This will happen because of the seriousness of the times and the need.

Rom 8:14-23 NKJV

For as many as are led by the Spirit of God, these are sons of God. 15 For you did not receive the spirit of bondage again to fear, but you received the Spirit of adoption by whom we cry out, "Abba, Father." 16 The Spirit Himself bears witness with our spirit that we are children of God, 17 and if children, then heirs — heirs of God and joint heirs with Christ, if indeed we suffer with Him, that we may also be glorified together. For I consider that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. 19 For the earnest expectation of the creation eagerly waits for the revealing of the sons of God. 20 For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope; 21 because the

creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God. 22 For we know that the whole creation groans and labors with birth pangs together until now. 23 Not only that, but we also who have the firstfruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body.

ADOPTION

Eph 1:5

Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will...

NT:5206 ADOPTION

NT:5206 huiiothesia (hwee-oth-es-ee'-ah); from a presumed compound of NT:5207 and a derivative of NT:5087; the placing as a son, i.e. adoption (figuratively, Christian sonship in respect to God):
KJV - adoption (of children, of sons).

NT:629

NT:629 apolutrosis (ap-ol-oo'-tro-sis); from a compound of NT:575 and NT:3083; (the act) ransom in full, i.e. (figuratively) riddance, or (specially) Christian salvation:
KJV - deliverance, redemption.

NT:3083

NT:3083 lutron (loo'-tron); from NT:3089; something to loose with, i.e. a redemption price (figuratively, atonement):
KJV - ransom.

NT:3089

NT:3089 luo (loo'-o); a primary verb; to "loosen" (literally or figuratively):
KJV - break (up), destroy, dissolve, (un-) loose, melt, put off. Compare NT:4486.

Eph 4:13-16

...till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; 14 that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting, 15 but, speaking the truth in love, may grow up in all things into Him who is the head — Christ — 16 from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love.

Eph 3:19-21

... to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God. 20 Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, 21 to Him be glory in the church by Christ Jesus to all generations, forever

and ever. Amen.

VISION: MANIFESTATION OF THE SONS OF GOD

On 3/13/85, I was given a trance vision of the revealing of the sons of God. *The music, "The Battle Hymn of the Republic" was heard in the throne room and suddenly ears of corn fell from heaven. I saw them plunge into the ground like spears, head first. As I gazed at the corn, I saw a turtledove inside each ear. They appeared lifeless and immobile. Just as I was wondering if they were dead, the husks peeled away and out of each ear popped a turtledove. It was as though they had waited until the right time to come forth. When they came forth, each popped out in their own timing, however they all came forth in the same SEASON. I heard the Lord say to me the Word, "Shibboleth."*

He referred me to Song of Solomon, 2:12 "The flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle (dove) is heard in the land."

SHIBBOLETH

These turtle dove sons were inside corn husks, and that is dark speech that the Lord has spoken much about in years past, regarding the mystery word, shibboleth. Shibboleth is like a woman's bridal train being fully extended and flowing. It is also related to an ear of grain fully growing out. The scripture shares the process of a seed, the blade, the head and then the full grain in the head with the harvest. He has shared this process in past rhema in the parable of watching corn fields grow up and become fully mature.

Zech 4:12

And I answered again, and said unto him, What be these two olive branches {7641} which through the two golden pipes empty the golden oil out of themselves?

OT:7641 SHIBBOLETH

shibbol (shib-bole); or (feminine) shibboleth (shib-bo'-leth); from the same as OT:7640; a stream (as flowing); also an ear of grain (as growing out); by analogy, a branch:

KJV - branch, channel, ear (of corn), ({water-}) flood, Shibboleth. Compare OT:5451.

OT:7640

shobel (show'-bel); from an unused root meaning to flow; a lady's train (as trailing after her):

Because these manifested sons will be walking upon the earth as Jesus walked, they will do so in the fullness of the Holy Spirit. Jesus walked the earth in the fullness of the Spirit and He was the firstborn among many brethren. This fullness is also connected to our awaiting the fulfillment of the feast of Tabernacles where God fully dwells within us, which will be an experience just as salvation and the baptism of the Spirit are experiences that fulfilled the feasts of Passover and Pentecost. All 3 experiences will be available for all men to receive as they grow up in the maturity of Christ. The parable of this is also related in the 30 fold, 60 fold and [100 fold fruit](#).

If this all takes place with the glory train in 2012, I would be so happy! But in my past rhema, the glory train releases a double portion power of God upon the earth, and that is still not His fullness. So my best guess is that the glory train and the manifestation of the sons of God in Romans 8 are 2 different experiences in Him.

Eph 3:19 NKJV

to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God.

Rom 8:29-30 NKJV

For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He predestined, these He also called; whom He called, these He also justified; and whom He justified, these He also glorified.

Mark 4:26-29 NKJV

And He said, "The kingdom of God is as if a man should scatter seed on the ground, 27 and should sleep by night and rise by day, and the seed should sprout and grow, he himself does not know how. 28 For the earth yields crops by itself: first the blade, then the head, after that the full grain in the head. 29 But when the grain ripens, immediately he puts in the sickle, because the harvest has come."

THE DOUBLE PORTION

Many years ago Bob Jones saw the word ichabod written over the churches and it meant the glory had departed. Evidently they were clearing out hospitals by praying for the sick and then after Bob saw the vision, it all stopped and hasnt been like that since. Bob told the Lord he didnt want to live anymore, if that was the case. And the Lord said that His glory would return to the earth when Bob was old and white haired and it would never again depart from the earth.

I have had rhema in the past about the glory train and I interpret His glory train to be the fulfillment of His promises of double portion anointing, (220 power) and that the radical power and Presence of God will manifest. And yes, I believe this train is the full return of His glory that the Lord promised Bob. Thus far, we have had pockets of glory, but the fullness of His glory has not been released in our meetings and lives.

In the 90's I received rhema that I would attend a meeting of His glory that would change my life and then I was given the days to count down. It came to pass and I have never been the same since. Even my face became sunburn from having been in the glory. He told me that meeting was a foretaste of what was coming in the glory train. When I fell in His power, I shook violently for 3 months every time I heard Him speak to me, or heard His quickened Word. In the middle of the night I would hear His voice and my hands and legs pounded on the mattress so hard you could hear it. The power of God was like nothing I had ever known existed before. We are in for some very radical times as He pours His power out upon us and through us to desperate people in desperate times. COME HOLY SPIRIT, WE WELCOME YOU INTO OUR LIVES AND MEETINGS, IN JESUS NAME!

TO SPILL THE BEANS

Blessings When Sharing Our Testimony

1/24/03

Hi Loved Ones,

I once had a dream when I saw a beloved man of God dancing in heaven. I heard the Lord say he had been a martyr. That shocked me because I knew this man had died of cancer. I did not understand until the Lord clarified that the enemy had placed cancer upon him because he was a Christian! That sure opened my eyes to a new way of thinking.

We are persecuted when the demonic world pursues us as well as when we are accused, judged, cursed and misrepresented by man. And often we do not realize that when we are facing persecution by men, it is actually the demons manifesting in response to the anointing of Christ Jesus and the Holy Spirit. More often than not, when a Christian loses his job, loses his health, or when he loses anything, it is caused by persecution. Whether we see it with our natural eyes or not, we have an enemy of our soul that hates the One we love. And that enemy is an arch opponent to Jesus Christ. By our very name, CHRISTian, we have the promise of being persecuted for righteousness sake.

Some of the meanings of the word persecute (dioko {dee-o'-ko}) is to pursue and follow after. If you can picture the long story of Saul chasing David, that is persecution. It is an interesting fact that this word has its roots in the following words: fearful, timid servant of the Lord! So, I draw the conclusion that the root or motive of persecution is to cause fearful and timid servants. Interesting. We all know the opposite of fear is faith. Since we are being persecuted, we need to know our

promises and stand upon them.

JESUS PROMISED THAT WE ARE BLESSED AND REWARDED

"Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven. "Blessed are you when they revile and persecute you, and say all kinds of evil against you falsely for My sake. Rejoice and be exceedingly glad, for great is your reward in heaven, for so they persecuted the prophets who were before you." (Matt 5:10-12 NKJV)

That word reward, (misthos {mis-thos'}) means to be paid for services, thus it is our wages for "standing" against persecution.

DAVID HOPED FOR BLESSINGS TO REPLACE THE CURSES

"If the LORD has told him to curse me, who am I to stop him?" Then David said to Abishai and the other officers, "My own son is trying to kill me. Shouldn't this relative of Saul have even more reason to do so? Leave him alone and let him curse, for the LORD has told him to do it. And perhaps the LORD will see that I am being wronged and will bless me because of these curses." So David and his men continued on, and Shimei kept pace with them on a nearby hillside, cursing as he went and throwing stones at David and tossing dust into the air." (2 Sam 16:10-13 NLT)

GOD TURNED THE CURSES AGAINST ISRAEL INTO A BLESSING

"Nevertheless the LORD your God would not listen to Balaam, but the LORD your God turned the curse into a blessing for you, because the LORD your God loves you." (Deut 23:5-6 NKJV)

PARABLE OF BLESSING OUR ENEMIES

Recently I was walking down the street and silently, in my thoughts praying blessings upon those who persecute. Through the above scriptural principals, I knew I would be blessed. What a deal!

Anyway, I was so busy praying blessings, that when I passed a particular house, and heard a dog growl behind the fence, I instinctively prayed, "Bless the dog." The dog quietly sat down in that same instant. I was chuckling at this and believing that this really was a supernatural experience, when I walked passed the next house. I already knew the reputation of that loud dog behind the fence and just as he took a lunge I silently prayed, "And bless this dog too!" I heard the strangest sound from this throat. It was not a growl, it was like he swallowed his bark. I have never heard a sound like that. The bark never came out, it went back in! (How do you describe a sound like that?) He was instantly quiet, he turned around and didn't peep a sound until I was one block away. Then I heard the 2 dogs snipping at each other behind their fences. I don't know if those dogs got blessed, but I sure was.

MARTYRS - TO WITNESS WHAT WE HAVE SEEN AND HEARD

Did you know the word martyr in the Greek means witness? {martus {mar'-toos}} I always thought it meant death. So, as a Christian, any time we share or witness to others the relationship we have with Jesus, we are a martyr. Now that's a thought!

I once had a real fear about "coming out of the closet" with the news of my relationship with Jesus. After I had written the first draft of my first book, "101 Ways God Speaks (And How to Hear Him) I had some stretching times. I shared it with a couple of people, and they popped my bubble really fast. "It reads like an encyclopedia." "Add some spice to it, add your life and how God talks to you!" YIKE. That hit me hard. We were talking about my privacy, which was a sacred word in my vocabulary. "What will people THINK, and most of all my family???"

Well I didn't like their suggestion at all, and decided I would take some writing classes instead. Maybe I needed something more than anointing, like more education...

SHOW IT - DON'T TELL IT

In the first class, the teacher said the only way you are ever going to get people to read what you have to say is if you "Show it, don't tell it." Then she explained to us the difference between passive writing and action. The teacher talked about adding action and life into the facts, so they move with a pace. She wanted living stories, not dead ones. Then she explained to us the difference between passive writing and action. Passive writing is like this to me: "I went to the store, walked down the aisle and found what I needed. The store looked like a mess and I went home." And I picture active writing like this: "I stepped into the store and my foot halted abruptly at the door jam. Massive chaos. Boxes everywhere. The place looked like Christmas morning, after the fact. "Is that one item I need worth surviving this obstacle course?" I wasn't too sure.

I left that class in a daze. "He anointed me to write, I want to write, but He wants me to use examples in my own life?????" "You've got to be kidding Lord. Please say You are kidding."

STRRRRRRRRREEEETCH

For the next several years (yes years) I had stretching lessons. For people like me, I made Moses' conversation at the burning bush seem pretty dull. After all, Moses only made a few excuses.

When the Lord calls us and anoints us, it isn't a sudden flash of perfection and whamo, we are this super dude who has it all together and ready or not, "Here we come world!" Rather, it is a journey, where He speaks into our lives one step at a time. He knows His own Word about us, He knows us, and He carefully nurtures us through the process until we finally are FREELY walking in the calling He designed.

Somehow my candle managed to stretch up around the bushel once in a while and I could stay there for a few moments with peace in my heart and no fear or reluctance. A step at a time I was managing to re-write the book, this time with my personal life added. But this is how it went: "Trance visions? You want me to tell the world, let alone my family (!) that I have had trance visions? WHAT are they going to THINK?? ???" We had a lot of conversations like that but mostly it was all one sided conversations. Saying nothing, He was winning the contest while I wrestled inside my own shell.

REPUTATIONS

I finally yielded my wrestlings to Him and chose to rest in the fact that God alone holds the reputations of men in His hands. To some He has chosen honor, to some dishonor. To some He gives to misunderstanding and accusation for a season, to some He favors and promotes. For us to try and protect ourselves is a futile effort. The best we can and should do, is live holy and righteous lives for Him and Him alone and share when and what He prompts us to share. Then we can safely trust that He brings us exactly what we need and always filtered through His love.

While I was still wrestling and stretching inside my shell, all the while I was growing in the Lord and having inklings of knowledge of what was waiting for me on the outside. TRANSPARENCY. "Oh no! Somehow that word is worse than privacy, I think I will stay in here a while longer!" "Transparent? You want me to be transparent? Please say You're kidding."

BREAKTHROUGH VISION

I had a vision where I was inside this big egg. It got to be pretty confining and so I took my pink baby bottle and started cracking away at the shell from the inside. When I finally got out, I was about 4 years old and dressed in a darling little, puffy pink, party dress. As I climbed out I saw that I was surrounded by all these other eggs. As I looked at them, I knew it was not their time yet. But, I was so excited that I finally got out of my shell, I started to run saying, "I'm going to go tell my Heavenly Father what I just did!"

And that is the beauty of growing in the Lord and coming out of our shells. We each have callings, a purpose, and we each have something to share with others that will make a difference in their lives. The Lord wants us to walk in freedom from the inside out and not be reluctant and fearful givers, afraid of persecution. So He anoints us, draws us to stretch past our own abilities and then lets us war through our own insecurities.

If the mother bird pecks at the shell of her children, helping them break out, then the baby bird has not developed the muscles it takes to survive on the outside world. The baby in the fullness of time does this by himself. It is God's way in all of us. By the end of the book, I had waited so long, that my wrestlings had changed to groaning about the confinement. I wanted out, released and sent. He certainly knows how to change our tune!

During that time, He gave me one of His "dark speech" promises that in His perfect timing I would "spill the beans." Little did I know how joyous it would be. I was looking through my journal and came across the following story. I think it is a living parable of many things. For me it was like the first version of my book versus the final one. It is also a parable of our own wrestlings in sharing our lives in the Lord with others. At first we are very "allergic" to the concept and follow the old role models of boring religion, but finally as a real relationship with the Lord wins out, we begin to share our real stories of how we know of Him in our personal lives.

HERE IS THE BEAN BAG STORY...

Somewhere I got the idea we all needed beanbags. We found some on sale at WalMart. So, we bought one to try it out, and it smelled really bad... like paint thinner. The beads were made out of some material that had a strong inhalant in them but we

decided it would fade in time. As I tried it out at home, I was coughing that night, but decided it would be OK, so we went back and bought 2 more. Then we decided that the bags were stuffed too full. That was a mistake. Since the zippers wouldn't open, I ripped a hole in the seams to let some of the beans out. The beans were not beans at all but shredded flakes. And they had static electricity in them, so they CLUNG. What a mess.

Somehow, we managed to pour some of them out of the bags, and repair the holes. That night I was coughing so bad I thought my lungs were going to fall out. I had the paint thinner like dust in my lungs from all the pouring, and I was miserable. When Wayne finally put the bag in the other room, I stopped coughing. So we had spent \$60 on bean bags we couldn't use, and had the smell in all the bedrooms, down stairs and in our car. Boy was that a cleanup. And I still had no bean bags.

In spite of all the hassle, I didn't give up and decided to make them myself. After I made the sacks with some nice soft material, I found some non smelling, and real styrofoam beans at Freddie's. It was time to pour them into the sacks and Wayne was in the other room. Insert brainy idea. I made the wonderful decision to pour them all by myself.

The first try, the bag slipped, and I had the equivalent of 2 large king size pillows of beans all over the floor. I just stood there and gawked. After all the hassle with the last bean bags, I was undone. The pressure mounted inside and it was either laugh or cry. All I could think of was "I love Lucy." I started to giggle at such a huge pile all over and bent down to scoop. The beans had static electricity in them, and they traveled up my arms, in my hair, all over the table, all over the floor and I started to hysterically laugh and laugh. I laughed so hard I cried and there I was in the midst of this huge pile laughing and laughing all by myself. As I was both laughing and crying, suddenly I heard the Lord say, "Spilled the beans!!!" That was my undoing. I was laughing so hard I just couldn't get them back in the bag. So I left them scattered all over and went into the other room to cool down.

A couple of hours later my son came home from school and I could hear him in the other room, yelling, "AAAAHHHHHHHHHHKKKKKKKK!!! I'M NOT CLEANING UP THIS ONE!!!" By the end of the night I managed to clean up most of them without using the vacuum and wasting several cases of bags.

One week later I found beans in the hall, in the laundry, in the washer, in all the bedrooms, in my bathroom, in the living room, and in the kitchen. How they traveled there is a mystery. Each time I found one, it was like finding a treasure and I'd laugh all over again. Well that is my bean bag story and I'm "sticking" to it. I think the Lord is very funny. I think it is a parable of coming out of the closet with publishing the book and the website and the seeds are scattering everywhere!!! {end of journal entry}

SUMMARY

So beloved in the Lord, fear not when your beans are spilled and your testimony goes before mankind. Know that every seed that scatters has a marvelous blessing attached and even if you are persecuted, you have blessings and rewards coming. It's a promise!

"And we know that all things work together for good to those who love God, to those who are the called according to His purpose." (Rom 8:28-29 NKJV)

"God blesses you when you are mocked and persecuted and lied about because you are my followers." NLT Matthew 5:11

I will close with the Word to Ponder written from that particular day's rhema.

Lovingly,

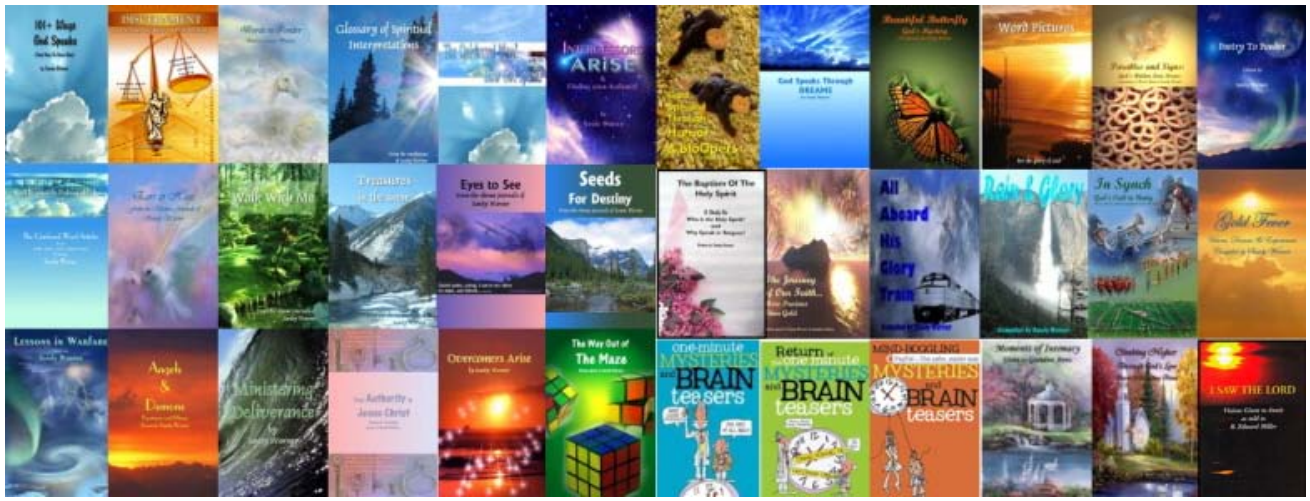

Sandy

WORD TO PONDER - MY PILE OF WORD TREASURES

You think that you are going nowhere fast in walking through your daily life, and wondering if My promises will ever come to pass. But I tell you My child, that every day I am building My Word within you. You are growing a step at a time and one day you will be so stuffed, you will be completely full and spilling over. In that day, you shall have My Word, Word, Word and it shall spill, spill, spill, and I shall scatter it as seed everywhere. There shall be so many seeds in the wind, that you will not be able to track them or retrieve them as they shall spill out upon the earth in one wonderful pile. So you may think weary thoughts right now, but I promise you that one day you shall laugh with joy and delight as you romp in the pile. And your heart will twinkle as I give them back to you, placing them in your daily life one by one. They shall be like hidden treasures when suddenly I shall open your eyes and you shall hear My voice speak back to you. My Word lives on and on and on and I love to feed My loved ones liberally.

"I rejoice at Your word as one who finds great treasure." (Ps 119:162 NKJV)

RHEMA 1/6/99: THE LITTLE PINK MOUSE SPEAKS

HEARD: *What's next? Pretty pink.*

PIX: *I saw my baby pink beanie mouse on my key chain.*

HEARD: *Wait I say. Wait on the Lord. It has begun. The whole thing, climax.*

QUICKENED PARABLE: Today, as I was walking into a store, I stuffed my pink beanie mouse keys into the front outside pocket of my purse. As I glanced at the pink mouse upside down, my heart was quickened that this mouse should not be upside down. As I turned it right side up and safely tucked it inside the pocket, its head and hands were sticking out of the pocket. Then I

HEARD: *So what do you have to say today? FINALLY!!*

I laughed and laughed at that. I have often thought of myself as a little mouse who hides in the back pocket and peeks out and rarely says a word. Being up side down represents not standing in our faith, but having gone through a sifting and you dont know which is right side up.

When I heard FINALLY I laughed so hard because I knew exactly what He was talking about. I belong to about 5 or so e-mail lists and have silently read them, deleted and kept the best. True to nature, I have NEVER responded to any of them, just been a silent observer. I read one that so inspired me that I finally responded.

A few days later it came out on the Internet and other lists picked up my response and it was sent around the world. The Lord finally gave me a voice!!

UPDATE: As a result, the Lord launched me into starting an internet email list and the rest is history!

RHEMA 1/9/99: THE PINK MOUSE FINALLY HAS A VOICE

FUNNY EXPERIENCE: Today as I passed my computer, I heard the Lord say,

HEARD: *Hug.*

I decided to read any new e-mail and found one title that stirred by heart. I felt the Lord's drawing upon me to open it and read it as a Word from the Lord and clicked on it to read. Imagine my surprise when it was my own e-mail I had sent as a response to a list a few days ago! The Lord is SO FUNNY. He has finally given me a voice, just like the mouse said when I put her upright in my purse pocket. She was exposed and had her head sticking out.

HEARD: *Do not be afraid. I am with you. Hug. Building.*

Hag 2:19 NKJV

Is the seed still in the barn ? As yet the vine, the fig tree, the pomegranate, and the olive tree have not yielded fruit. But from this day I will bless you."

Isa 66:9 NKJV

Shall I bring to the time of birth , and not cause delivery?" says the LORD. "Shall I who cause delivery shut up the womb ?" says your God.

RHEMA 1/21/96 WAITING UPON THE LORD TO POP OUT

BOWLING PARABLE: *I saw an unusual thing happen to my ball today, and when it happened I immediately recognized the parable. The ball was caught in the pit, turning circles and spinning over and over. It was supposed to roll towards the spout and travel back to the chute where the bowler picks up the ball. I watched other balls come back, but not mine, it was still spinning its shocking pink halo round and round.*

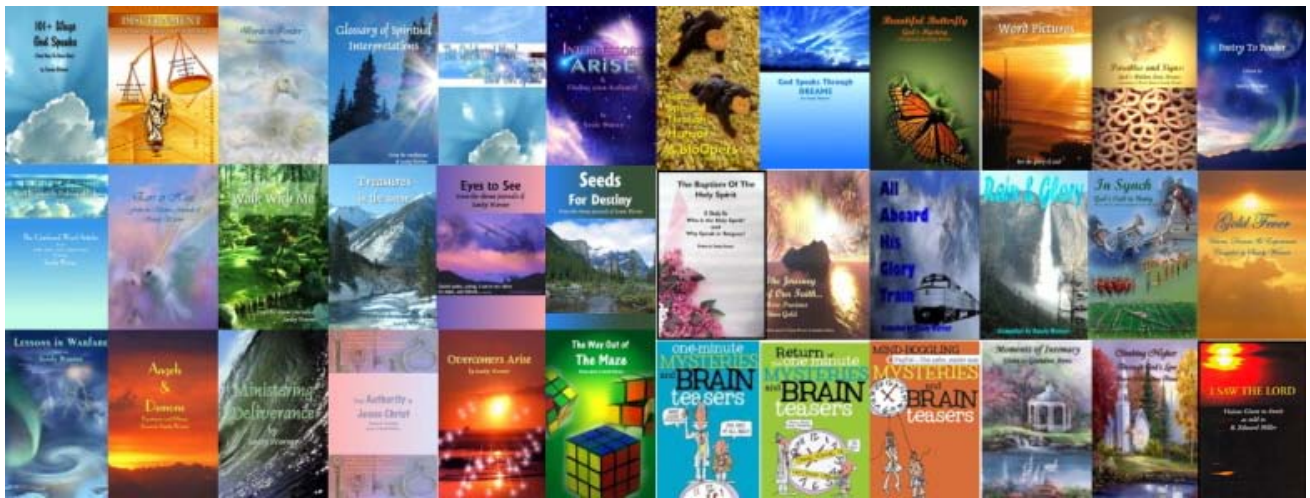

As I was still thinking about the parable of waiting upon the Lord for His right timing, my ball finally went into the spout, traveled back to me, and then did the same thing right at the chute. Instead of popping out and rolling into the tray, it began to spin and spin, as a 2nd confirmation that I understood what the parable was. I finally had to reach in the chute and bump the ball a few times to get it to pop out.

Spinning is dark speech for waiting upon the Lord, coming from a Hebrew word meaning to twist.
