## Intro: HE SPEAKS THROUGH IMPRESSIONS

Posted by [ [swauthor](#) ] Sept 4th 2005 - 4:26PM Posts to date: 3080

Impressions are very similar to gifts of inspiration, where you feel led, or drawn, or have some kind of a perception of something. Impressions draw your mind to a certain idea, they can draw your emotions to a certain place, they can draw your interpretation to a certain place, they can draw your understanding to a certain idea or scripture or story. They are subtle, but the more that you begin to hear Him in this manner, the more you will be confirmed that indeed the Lord was giving you an impression, gently birthed through the mind of Christ.

“Draw me, we will run after thee...” (Song of Solomon 1:4 KJ)

“No one can come to Me unless the Father who sent Me draws him...” (John 6:44 NKJV)

Impressions of His Holy Spirit are not the Lord's still small voice. Impressions are similar to notions, senses, perceptions, inklings. When pausing before Him as I read His Word, sometimes I turn to a certain book in the Bible and am impressed by a particular chapter or verse number. Sometimes I have a notion to read a small section in a devotional book. I sense page numbers and I have been blessed to read exactly what I needed. My joy of fellowship with the Lord was increased, because I paused to give Him the opportunity to draw me before reading His Word.

The Lord will give you impressions as you reach out in ministry of prayer. I have learned to pray the things that I sense through subtle impressions. I pray prophetic prayers instead of actually prophesying them. It is much easier that way, and the gift of prayer helps open people's hearts as they turn to the Lord, to receive from Him. I find out after the prayer that what I was perceiving through tiny impressions were His Spirit leading me in the right directions.

## Entering In - Bob Jones

Posted by [ [swauthor](#) ] Sept 4th 2005 - 4:29PM Posts to date: 3080

QUOTES FROM BOB JONES ABOUT ENTERING IN  
<http://www.bobjones.org/>

"... Don't talk to Him with the religious jargon. Just talk to Him with the truth, He already knows what's in your heart. If you had a bumner day, tell Him about it. If you are having problems, tell Him about it. You enter into the Presence of the Lord with faith, truth and inner honesty. These are 3 things that get you in there. First faith, then truth and being totally honest. And you are going to come into the Presence of the Lord. But I like to cultivate it. Through the years. It took me a while to get into it. But I believed and I kept seeking until I found. If you seek you will find. If you knock, the door will be opened to you. And sometimes my greatest knocking was silence. Shutting this off(head.) And you can, and listen. When it first starts, all these other phones in your mind are ringing all the time. And sometimes you

don't hear until about 3: o'clock at night when all the other phones have gone off. At 3: o'clock at night this mind of yours is not doing the last day's work anymore and it hasn't started doing the next day's work. And your flesh has already rested from the last day. And it isn't hurting so bad you can't hear. Then is when you begin to get the light impressions. Then is when you need to listen. At first you need to write them down.

And you will say, "Well I got this last night. I know I am going to step out in quick sand. But I believe this is what you needed that I got last night. And you will find that is exactly what they needed. And you will say, "Whew! Thank You Lord for getting me by that one! And what do You mean You got another Word for somebody else?"

The next thing you know that every time you are obedient in light impressions, they get stronger, faith grows, the Words increase and you get over your timidity. Listen. One thing that the body does too much, it judges the prophet instead of the prophesy. You must never do that. Prophets have got permission to miss. There shouldn't be a judgment put on them. Cause the thing is, I've learned more in my missing than I ever did in my hitting. I learned what not to do. If you love you get past that timidity and the shame of your missing. And you grow up to where you don't feel it. Where there is no oxen, the stalls are clean. But you have no increase. So learn to shovel and make compost. ..

### BEING PLUGGED IN

"...You may feel like a little bitty wire, but there weren't any big wires in that, they were all little bitty ones. But through that little bitty wire, the power of heaven flows. And you don't know what you can do until you get up and find out. Until you get up in faith and begin to pray for people and begin to do the things that you have an impression on the inside to do..."

## Hard Lesson on Listen to Impressions!

Posted by [ [swauthor](#) ] Sept 24th 2006 - 9:35AM Posts to date: 3080

**RHEMA 7/31/97: TRAINING ON IMPRESSIONS OF HIS SPIRIT**

**EXPERIENCE:** This morning I paused before turning with anointed in my 101 Ways God Speaks book to see if I would be impressed with a page number. Although it was not His Still small voice, a number floated into my mind. So I turned to it.

My eyes fell on this line: "sense page numbers and I have been blessed to read exactly what I needed." It was the section on He Speaks Through Impressions. That was cool!

**IMPRESSION TRAINING:** A few minutes later I went on deliveries and just as I was getting into my car I turned around to ask the customer for her full name and phone number. An Indian lady interrupted and I was unable to ask. I stood there a minute or so waiting and felt

awkward just standing there so I over-rode that impression with my will.

I said to myself, her full name and number is on the last receipt, I'll just get it from that when I get home. When I got home there was no phone number and the name of the business was their trademark name, not business name so I could not call her when Wayne found a discrepancy with what they ordered and the sample they turned in. So I had to drive back to town, taking an additional hour of my time when it was to be a 7 hour day of filling orders. When I arrived back at their location, they had already left for the day. I was able to get their number from a neighbor, but it was all quite a hassle. I was not able to make contact with them via phone for 4 more hours of which Wayne could not finish their order until we heard back from them.

On the way home I was thinking about the fact that my wanting their name and number was an impression from the Holy Spirit and I should have listened. This is very hard training to learn to be so sensitive. I have been begging the Lord for this training and He was answering my prayer.

**CONFIRMATION:** On the way home I was listening to a tape where the speaker suddenly mentioned that his friend had a small impression from the Lord that he was not to take a motor cycle ride that day, even though his wife wanted to. He went on the ride and the enemy almost killed him in a bad cycle accident. The speaker strictly mentioned that this was not His Still small voice, but merely an impression. I was really stunned by this whole day of realizing how much depends upon our being sensitive to the Holy Spirit and how everything is not going to come by His Still small voice or seeing angels! It was very disconcerting, and yet I realized that we need the training. Especially during ministry situations where we need to be sensitive to ideas that float into our thinking.

1 Cor 2:14-16 AMP

But the natural, nonspiritual man does not accept or welcome or admit into his heart the gifts and teachings and revelations of the Spirit of God, for they are folly (meaningless nonsense) to him; and he is incapable of knowing them [of progressively recognizing, understanding, and becoming better acquainted with them] because they are spiritually discerned and estimated and appreciated.

15 But the spiritual man tries all things [he examines, investigates, inquires into, questions, and discerns all things], yet is himself to be put on trial and judged by no one [he can read the meaning of everything, but no one can properly discern or appraise or get an insight into him].

16 For who has known or understood the mind (the counsels and purposes) of the Lord so as to guide and instruct Him and give Him knowledge? But we have the mind of Christ (the Messiah) and do hold the thoughts (feelings and purposes) of His heart. [Isa 40:13.]

## Listen to Those Impressions

Posted by [ [swauthor](#) ] Aug 28th 2006 - 6:30PM Posts to date: 3080

### RHEMA 5/11/00: ANGEL EXPERIENCE

**EXPERIENCE:** Last night as I was working on the Baptism of the Holy Spirit file I suddenly was strongly aware of a presence standing behind me. I looked over my shoulder and felt it was an angel. Then when I went to bed Wayne said that he had prayed tonight that the Lord's angel would manifest to me, and I felt this was the experience I'd had.

**HEARD:** Strong impression. They don't have this. Spiritual knowledge. The Lord is speaking through His voice. And teaching me. The Holy Spirit has been there.

**CONFIRMATION:** Just as I am reading the above, Wayne said that the speakers he is listening to on tape are all saying that when the Lord speaks to them it is in short and to the point lines. The second way He speaks to them is through strong impressions.

**WORD TO PONDER MINISTRY THROUGH IMPRESSIONS 5/11/00**

I am teaching you that even when you do not have direct knowledge of My will in hands on ministry, that one way I will speak to you is through gentle impressions. As you seek My face and heart for others, I will softly woo your heart with delicate thoughts, feelings, drawings and impressions that are Holy Spirit led. My Spirit is as gentle as a dove and gently draws your heart with notions that will kindle to a warm glow as you consider the application of such. Learn to listen to these moments of inspiration and give freely what I bestow upon your heart.

“The same heard Paul speak: who stedfastly beholding him, and perceiving that he had faith to be healed...” (Acts 14:9 KJV)

CONTINUED HEARD: He is God. I assure you, Trinity. We recognize Him. Power. It’s a lot more than just being baptized. Explosion. Holy Spirit. Bubble forth. And in the end, Holy Spirit, I am He. Among you. Establish. Counselor. Freedom. I AM with you.

## Clothed with Meekness

Posted by [ [taojin](#) ] Apr 26th 2006 - 1:07PM Posts to date: 425

In the past couple of days, Lord impressed me with the word "meekness".

First of all, I saw someone riding a "colt" in a vision, gradually I understand "colt" represents "meekness", I knew that our Lord rode on a "colt" to go to Jerusalem.

Two scriptures were quickened to me about "meekness".

1. Matthew 5:5 Blessed are the meek, for they will inherit the earth.
2. Psalm 37:11 But the meek will inherit the land and enjoy great peace.

From the quoted scriptures above, I can see "meekness" is related to "inheritance". I sense that we need be clothed with "meekness" in order to receive our inheritance and dwell in it.

Yesterday Lord told me to be clothed with "meekness" for he would bring me to a wonderful place in the spirt realm to dwell there. I feel "meekness" is the requirement for me in order to dwell in that new place. Then I was led to read a message titled "Liquefied Ones" posted by Sandy on 7/24/04. Lord blessed a lot when reading this again, it contains timely words for this season. Let's encourage with each other with:

Colossians 3:12 (New International Version)

12Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.

With Love and Blessings

## HURRICANE KATRINA

Posted by [ [swauthor](#) ] Nov 11th 2005 - 5:34PM Posts to date: 3080

{ 3 days before the hurricane }

### HURRICANE KATRINA GROANING PRAYER 8/26/05

I was overcome with the deepest agony and groaning burden.... lack of peace, pit of the stomach fear, deep weight on my chest. I left for my walk and prayed it through. I was released finally and flooded with His Presence which sets the captives free and releases the heavy restraints and yokes from off the spirit, mind, body and soul.

Now that I am back to the computer, I feel a residue- still embedded of groanings and longings of His Spirit.

Abba have Your way and bring the drudges of what is buried to the surface. Those hidden

places be washed and cleansed. Abba we are mere men without Your empowering mercy. Oh God come and set us free from the depths of dark voids that whisper in our ears and magnetize us back into the dark star.

Oh God send Your deliverance this day and set us free from that which holds us in restraint. Set our feet to walk upon the high places and set them surely and securely that they would no longer fall.

Have Your way oh Lord as we consecrate our bodies to You, wholly and holy set aside to house Your Presence. In Jesus Name.

UPDATE: I did not know, but Hurricane Katrina came through New Orleans on 8/29. 3 days later and it put the 80% of the town homeless.

RHEMA 8/27/05 MOVE AND SURVIVE - 2 days before:

FLASH VISION AND IMPRESSION: I had a flash picture impression of 2 identical scenes, along with the emotions that I had while watching the scenes in 2 movies. One was a family who survived the elements of a plane crash in the snowy mountains, while waiting to be rescued. The other was the scene from Jurassic Park-3; about surviving the dinosaurs, while waiting to be rescued.

From the first Impression: The family of two parents and two children; had to leave the warmth and security of the cabin they found.

The family had to climb to the top of the mountain in order to reach help. The mother and her children voted to stay put. [ They out-voted the Dad who wanted to leave and climb to the top of the mountain. They would have had to battle the elements in order to reach help. The dad left without them, so they were forced to follow.] When the entire family arrived at the top of the mountain, they were rescued from the top of the mountain.

In Jurassic park, two people were in an old truck filled with supplies. They were located at the center of the island. The two people had go through the dinosaurs in order to reach the ocean, where help would arrive.

In both scenes I had the same nurturing feeling. ... YES stay put, don't move, wait til help comes. Don't risk, just hole up and stay warm. I wanted the emotional security of the nest. When I saw the vision of the 2 scenes back to back, I had that feeling, that longing to hold onto the secure enclosed place. That is where so many are now, and they do not understand that in their immobility, they are becoming surrounded by the elements rising against them. It is time to move towards deliverance.

PERFECT CONFIRMATION: I turned with anointed hands to this scripture.

2 Kings 7:3-4 NLT

Now there were four men with leprosy sitting at the entrance of the city gates. "Why should we sit here waiting to die?" they asked each other. "We will starve if we stay here, and we will starve if we go back into the city. So we might as well go out and surrender to the Aramean army. If they let us live, so much the better. But if they kill us, we would have died anyway."

The city was surrounded in terrible famine and their supplies were growing smaller and smaller with each day's supply. If they wanted to survive, they had to break out.

I realized all 3 stories were in the same identical places. They had to be willing to leave their place of comfort and travel to where the help was. They had to battle the elements in order to reach help.

WORD TO PONDER: LET GO AND MOVE OUT 8/27/05

Many of My own have been stuck within the confines of dwindling resources with limited

freedom to change difficult circumstances. They have been waiting to be rescued. The remote places in which they find themselves, is causing them to be cut off from the help they need. There is a window of time, a window of escape opened to find greater expanse, freedom and promotion, but they have to be willing to move to be delivered from the tight and narrow place.

Be willing to let go of the comfort zone and move. Change positions, change locations, change mind-sets. Find your courage and desperation to be willing to move out of the cave dwellings and move through the obstacles in order to find the help that you need for a greater future and greater provision. Natural and spiritual help is coming towards you, but you have to change positions to be in the right place to receive.

2 Kings 7:3-4 NLT

Now there were four men with leprosy sitting at the entrance of the city gates. "Why should we sit here waiting to die?" they asked each other. "We will starve if we stay here, and we will starve if we go back into the city. So we might as well go out and surrender to the Aramean army. If they let us live, so much the better. But if they kill us, we would have died anyway."

NOTE: I did not know Hurricane Katrina was brewing, as I had not watched the news until after it happened on 8/29/05. I realized in applying this rhema that each person had to decide whether or not they were going to leave town for deliverance, or stay put.

---

#### VERY GOOD PERSPECTIVE ABOUT HURRICANE KATRINA:

August 30, 2005

By Steve Shultz, publisher of Elijah List

[www.elijahlist.com](http://www.elijahlist.com)

This may come as a surprise to many of you, but even among prophets, prophetic people, and intercessors, we ask among ourselves what we are discerning about such tragedies as what is now taking place in New Orleans, Louisiana; Mississippi, and Alabama.

Our questions are the same as your questions:

- \* "Is this judgment from God, or is this an attack of Satan?"
- \* "Could God have stopped this, or did He choose to allow it for HIS purposes?"
- \* "Have we sinned in certain ways that opened this door for this attack?"
- \* "Are we reaping what we have sown, either through blatant sin or through a sloppy and unholy Christian walk?"
- \* "Is this related to Israel -- or other people groups -- and how the USA has responded to them?"
- \* "Is God answering the prayers of the Saints by allowing this, because we have prayed for revival?"
- \* "Is God giving a prophetic word through this event?"
- \* "Is God showing mercy, grace, and compassion that none of us even deserve in the midst of all of this?"
- \* "Which of these is true -- if we only knew?"

I've developed an exact answer to the questions above. But are you ready for it?

Here is the answer I have gotten, I believe, from the LORD . . .

**IT'S ALL TRUE!!**

Every question can be answered by the answer, "Yes, that's true."

"How can that be?" you may ask.

Here is the Scripture that most epitomizes what I'm hearing:

Romans 11:33-36

"Oh, the depth of the riches of the wisdom and knowledge of God! How unsearchable his judgments, and his paths beyond tracing out! 'Who has known the mind of the Lord? Or who has been his counselor? 'Who has ever given to God, that God should repay him?'

**"FOR FROM HIM AND THROUGH HIM AND TO HIM ARE ALL THINGS. TO HIM BE THE GLORY FOREVER! AMEN." (NIV)**

If a thing -- a catastrophe -- is allowed by God, in one sense it is from God, because He could have stopped it, either by His sovereignty, or our prayers, or our choices.

But we can, and we **MUST**, still fervently pray and repent to avert future tragedy.

But it **IS** an attack of Satan, or why else would Jesus have **REBUKED** the wind and calmed the sea?

But we **HAVE** asked God for revival, and we **WILL** see revival out of this.

God's judgments are not always His punishment, but rather, in Romans (above) we see that all of His judgments are **UNSEARCHABLE . . . they are HIS DECISION.**

For instance, if God decides that it's time for you to move to a new city, He has made that **"JUDGMENT,"** but that does not necessarily mean you've done one thing wrong . . . He has simply made a decision, and His decisions -- His judgments -- are just and true.

But, we are also told that whatever we sow, we will also reap:

Galatians 6:7, 8

"Do not be deceived: God cannot be mocked. A man reaps what he sows.

"The one who sows to please his sinful nature, from that nature will reap destruction; the one who sows to please the Spirit, from the Spirit will reap eternal life." (NIV)

**DISCLAIMER:** The mentioning of any movie in this post is not a recommendation or promotion. The ministry of The Quickened Word does not promote going to movies and tv as receiving the pure Word of the Lord. However God speaks through anything in the world to get people's attentions, including stories, no matter how much mixture. It is up the mature listener to take the good and spit out the bones of every story in life. Sandy tries very hard to follow scripture in not "fellowshipping" with carnal language, sexual suggestion, and other material promoting drugs, fear, violence, magic, or any other thing that is not edifying.

One of my favorite ways to hear the Lord is knowing that He brings all things into remembrance. (John 14:26) I heavily rely on Him to bring things that I have forgotten into the focus and quicken Words and experiences of my past that are pertinent for now. And if I misplace something in the house, I have learned to always ask Him to bring it back to remembrance.

So I am getting ready for my walk and almost out the door. I had the flash impression to pick up some of my little Bible scripture cards from the bread box and take them with me. So I grabbed some to quote along my way. I could not resist looking at the first one before I got out the door. I turned to "He that believes on Me shall never thirst." (John 6:35)

REVELATION!!! I had forgotten to get my water bottle out of the fridge to take with me on my

hot walk. He was reminding me!
