## TRADE IN YOUR "NOT FAIR" FOR "NO FEAR"

Posted by [ [blackopal](#) ] Jan 11th 2010 - 8:07AM Posts to date: 198

**ENTER YOUR NEW BEGINNING: TRADE IN YOUR "NOT FAIR" FOR "NO FEAR!"**

**DREAM OF 01/02/10 DON'T MISS YOUR NEW BEGINNING!**

I was trying to catch bus #8. ( I grew up in a street which was the rout of bus #8 in our city.) #8 represents new beginning. But before I could reach the bus stop a huge boulder/ piece of rock appeared before me. I had to go around it [through it?] if I ever wanted to get to the bus stop.

By the time I finally got there the doors of the bus had just closed before me. I knew the driver was able to see me but I DID NOT DO ANYTHING. This is actually not completely true! I did do something: I GRUMBLED inside and kept saying to myself, "THIS IS NOT FAIR!" "THIS IS NOT FAIR!" Thinking to myself that if the driver could see me why didn't he just opened the door for me? But since I didn't do anything else (like banging on the door and shouting!) the bus just pulled away. I felt very hurt and angry.

---

But then I began to run after it, thinking about possible shortcuts to get ahead of it and catch it at an other stop. I ran faster and faster, gaining more and more momentum and hope to catch up with it. I woke up still running.

After this dream I REALLY began to pray what that big boulder was that came between me and my new beginning. I felt stronger and stronger that it represented my FEARS, INTIMIDATION. In the dream I went around it and because of this I wasted time and the doors were already closed. "Going around" means that I did not FACE them so when I needed to be bold and strong I felt still intimidated and just grumbled. Now I know if I had "gone through" it (even if it seemed impossible to me!) I would have arrived on time the first place, not missing anything!

\*\*\*\*\*

**CONFIRMATION:**

A few days later I began to read a book by James and Michal Ann Goll, called God Encounters. James shares a vision of his on page 26.

"I've had a vision that has materialized; I've seen eight women carving out a new beginning. If the women will shed their apparel called 'No Fair,' they will be given something from Heaven- something that some have said only men can wear: a name that says 'No Fear.' trade in the old "No Fair' deal, and cash in where there is nothing to fear. No fear!"

{end of excerpt}

When the Lord takes away the confining walls and limitations of our former season, when He enlarges our territory, there is a big chance that we might get a "little bit" overwhelmed, fearful. Our fears are rooted usually in the "unfair" things of the past. Are we willing to let them go?

NAS Joshua 10:8 And the LORD said to Joshua, "Do not fear them, for I have given them into your hands; not one of them shall stand before you."

NAS Ruth 3:9 And he said, "Who are you?" And she answered, "I am Ruth your maid. So spread your covering over your maid, for you are a close relative." 10 Then he said, "May you be blessed of the LORD, my daughter. You have shown your last kindness to be better than the first by not going after young men, whether poor or rich. 11 "And now, my daughter, do not fear. I will do for you whatever you ask, for all my people in the city know that you are a woman of excellence.

NAS 2 Timothy 1:7 For God has not given us a spirit of timidity, but of power and love and discipline.

## TAKING THE PROACTIVE STANCE

Posted by [ [blackopal](#) ] Jan 22nd 2009 - 5:42AM Posts to date: 198

### TAKING THE PROACTIVE STANCE 01/19/09

I feel the Lord would like to transition us more and more from a defensive, only responding position into an offensive, proactive one.

The last few months the Lord has been strongly quickening to me the word, PROACTIVE. Wherever I turned I found this word there. At my son's parent-teacher conference, in advertisement of the Proactive facial care products that I received in the mail and which now started to appear even on my Yahoo e-mail page. Seeing a new Proactive store at the mall was an other confirmation.

The last few weeks were also very hard for me spiritually, emotionally, physically. I felt overwhelmed even paralyzed by the many attacks. It seemed I was fighting a dark, menacing cloud that just wanted to swallow me. It took all my strength just to stand. I wondered if there had been any proactive actions that I missed, which could have prevented my current

---

struggles. Soon I came to understand that the Lord was dealing with areas in my life, of my soul that have kept me always from being proactive. He was making sure that in the future I could more and more take the proactive stance.

---

## THE MEANING AND HISTORY OF THE WORD PROACTIVE

The dictionaries give very similar definitions:

- acting in anticipation of future problems, needs, or changes (Merriam-Webster)
- (of a policy or person or action) controlling a situation by causing something to happen rather than waiting to respond to it after it happens (WebDictionary)

According to Wikipedia, the online encyclopedia,

The word proactive sometimes also written pro-active was used by the Austrian existential neuropsychiatrist Dr. Viktor Emil Frankl, in his 1946 book *Man's Search for Meaning* to describe a person who took responsibility for his or her life, rather than looking for causes in outside circumstances or other people. Frankl stressed the importance of courage, perseverance, individual responsibility and awareness of the existence of choices, regardless of the situation or context. Much of this theory was formed in Nazi concentration camps where Frankl lost his wife, mother, father and family, but decided that even under the worst circumstances, people can make and find meaning.

## PROACTIVITY IN DECISION MAKING

Scientists describe a decision-making framework to increase awareness of the freedom of choice and stimulate team innovation and creativity. According to this framework in every situation we have four options:

- \* **Wait-and-see options:** There are situations where the stay-put stance is strategically justified. Going for the status quo and remaining purposely and consciously inactive or adopting a wait-and-see attitude can be desirable by choice or by necessity.
- \* **Compliance options:** The compliance stance is to do only what is necessary to get by. It can also be a temporary strategy to deal with a sudden crisis.
- \* **Active options:** This stance is to play the game, adopt the best practices or do what is normally expected or commonly accepted in your community or sector.
- \* **Proactive options:** The proactive stance builds on foreknowledge (intelligence) and creativity to anticipate and see the situation (even a conflict or a crisis) as an opportunity, regardless of how threatening or how bad it looks; and to influence the system constructively instead of reacting to it. The objective is to create an unmatched opportunity and a leading competitive advantage. The proactive stance considers the contribution each stakeholder can make to the issue. While the active option is to play the game, the proactive choice is often to change the rules of the game, especially when the rules of engagement are unfair.

( Alain P. Martin:Think Proactive: New Insights into Decision-Making )

## THE SAME ATTITUDES IN THE SCRIPTURE

\* There are times when we wait for a Word, for instructions from the Lord or wait for the spoken Word to come to pass, our answer to be manifest. But this waiting is not a laying down to die in despair and hopelessness like Elijah wanted to!

NAS Psalm 37:34 Wait for the LORD, and keep His way, And He will exalt you to inherit the land; When the wicked are cut off, you will see it.

---

NAS Micah 7:7 But as for me, I will watch expectantly for the LORD; I will wait for the God of my salvation. My God will hear me.

NAS Psalm 119:81 My soul languishes for Thy salvation; I wait for Thy word.

NAS 1 Kings 19:4 But he himself went a day's journey into the wilderness, and came and sat down under a juniper tree; and he requested for himself that he might die, and said, "It is enough; now, O LORD, take my life, for I am not better than my fathers."

\* The compliance stance; living from crises to crises, like Israel did many times, especially during the time of Judges. They went through the same cycle over and over again.

NAS Judges 3:7 And the sons of Israel did what was evil in the sight of the LORD, and forgot the LORD their God, and served the Baals and the Asheroth. 8 Then the anger of the LORD was kindled against Israel, so that He sold them into the hands of..... 9 And when the sons of Israel cried to the LORD, the LORD raised up a deliverer for the sons of Israel to deliver them,

\* The active stance, adopting the best practices or do what is expected or accepted.

NAS Proverbs 3:1 My son, do not forget my teaching, But let your heart keep my commandments; 2 For length of days and years of life, And peace they will add to you.

NAS Exodus 23:25 "But you shall serve the LORD your God, and He will bless your bread and your water; and I will remove sickness from your midst. 26 "There shall be no one miscarrying or barren in your land; I will fulfill the number of your days. 27 "I will send My terror ahead of you, and throw into confusion all the people among whom you come, and I will make all your enemies turn their backs to you.

\* And finally the proactive stance. Gathering knowledge ( prophetic revelations ), knowing who we are in Christ, everyone contributing to the common goal, we move forward in unity.

NAS Isaiah 42:9 "Behold, the former things have come to pass, Now I declare new things; Before they spring forth I proclaim them to you.

NAS Luke 1:17 "And it is he who will go as a forerunner before Him in the spirit and power of Elijah, to turn the hearts of the fathers back to the children, and the disobedient to the attitude of the righteous; so as to make ready a people prepared for the Lord."

NAS Matthew 11:12 "And from the days of John the Baptist until now the kingdom of heaven suffers violence, and violent men take it by force.

NAS Ephesians 4:11 And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, 12 for the equipping of the saints for the work of service, to the building up of the body of Christ;

KJG Matthew 16:18 And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

## QUICKENED NUMBER: 770 - THE STRENGTH STEALERS

The proactive stance requires strength. A lot of inner, spiritual strength. More than what it takes just to wait, to respond to a crises, or to keep going as usual. It means that we are on the offensive, we have the initiative.

Quickened number:770

---

Hebrew 770 Arnan = "lion of perpetuity: or a wild goat: I shall shout for joy"

1) a descendant of David

from H769 Arnon = "rushing stream"

from H7442 ranan to overcome, to cry out, shout for joy, give a ringing cry, rejoicing

NAS Nehemiah 8:10 Then he said to them, "Go, eat of the fat, drink of the sweet, and send portions to him who has nothing prepared; for this day is holy to our Lord. Do not be grieved, for the joy of the LORD is your strength."

We are called to be overcomers in Christ, to shout for joy, to rejoice. The joy of the Lord is our strength. Letting the enemy steal our joy drastically reduces our strength and our ability to be proactive.

\*\*\*\*\*

Greek770 astheneō to be weak, feeble, sick, to be without strength, powerless

The final root of this word is G2476 histemi & G1, a negative particle

G2476 HISTEMI

to cause or make to stand, to place, put, set

to stand in the presence of others, in the midst, before judges, before members of the Sanhedrin

to make firm, fix establish

to stand, be kept intact (of family, a kingdom), to escape in safety

to uphold or sustain the authority or force of anything

to set or place in a balance

to stop, stand still, to stand immovable, stand firm

to continue safe and sound, stand unharmed, to stand ready or prepared

to be of a steadfast mind

of quality, one who does not hesitate, does not waiver

When we are weak, sick, it means that we can not stand firm, we can not establish and advocate our cause before God's throne, we can not uphold the authority and power of the Kingdom, we are not ready and prepared, we are not steadfast in our minds, we hesitate, waiver. To be "sick" in our inner man- to deal with sins, and even demonic oppression- weakens us. A proactive attitude requires a healthy soul – the spots and blemishes, and demons must go.

No wonder we find prayers like this in the Bible:

NAS Ephesians 3:16 that He would grant you, according to the riches of His glory, to be strengthened with power through His Spirit **in the inner man**; 17 so that Christ may dwell in your hearts through faith; and that you, being rooted and grounded in love, 18 may be able to comprehend with all the saints what is the breadth and length and height and depth, 19 and to know the love of Christ which surpasses knowledge, that you may be filled up to all the fulness of God.

**FREEDOM FROM THE FOREBODING SPIRIT AND THE HEALING OF A PASSIVE SPIRIT**

As I asked the Lord about the causes of my weakness this time, He led me to two revelations.

1) Deliverance from the foreboding spirit:

One day, I was listening to a sermon by Chris Vallotton who is a wonderful man of God at Bethel Church in Redding, CA. ( [www.ibethel.org](http://www.ibethel.org) ) He felt led to pray for the people that the Lord would set them free from "foreboding spirits." He said that this spirit convinces us, that what is to come surly will be negative, bad. Because of the current state of the world these spirits are very active. But many of us, especially if we have witnessed a lot of suffering and hardship in the past, have been living with this spirit maybe even from the time when we were

---

still in our mother's womb.

## 2) Healing of a passive spirit:

The next revelation came through an article written by Frances Frangipane. It's called **Breaking the Bondage of a Passive Spirit**. ( [www.frangipane.org](http://www.frangipane.org) ). If we have suffered a lot of blows in our lives, if we are beaten down, we can deal with a "passive spirit syndrome" in our life. But the Lord is more than able to heal that. Confessing our own sins, sinful reactions to the sins of others or suffering ( like unforgiveness, resentment, anger, bitterness, blaming God or/and others, unbelief, doubting God's love and goodness, etc. ) we open our heart for the Holy Spirit to come in and revive, restore us.

NAS Job 17:1 "My spirit is broken [ H2254 – to be bound, destroyed, ruined, offended, broken ] , my days are extinguished, The grave is ready for me.

NAS Job 42:1 Then Job answered the LORD, and said, 2 "I know that Thou canst do all things, And that no purpose of Thine can be thwarted. 3 'Who is this that hides counsel without knowledge?' "Therefore I have declared that which I did not understand, Things too wonderful for me, which I did not know." 4 'Hear, now, and I will speak; I will ask Thee, and do Thou instruct me.' 5 "I have heard of Thee by the hearing of the ear; But now my eye sees Thee; 6 Therefore I retract, And I repent in dust and ashes."

Pray Into the Curve

Posted by [[swauthor](#)] Oct 28th 2008 - 10:36AM Posts to date: 3742

RHEMA 10/08/08 PRAY INTO THE CURVE

HEARD: Graduated. I prepared you. What a day.

PIX: I saw a ball coming and then a curve coming on the freeway.

HEARD: Pray about it.

WORD TO PONDER: PRAY INTO THE CURVE 10/08/08

Sometimes a curve ball will come to you out of nowhere and changes are moving so fast you dont know where you are going. Be careful to make decisions in the midst of rapid movement and pace. Beloved your protection is prayer. If you pray, you are inviting My help, My leading, My support, and My grace to bring you safely to your destination. Pray always, for this is My will for you.

Luke 21:34-36 NKJV

"But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly. 35 For it will come as a snare on all those who dwell on the face of the whole earth. 36 Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man."

QUICKENED: Pray for your leaders, for when it goes good with them, it goes good with you.

1 Tim 2:1-5 NKJV

Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, 2 for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence. 3 For this is good and acceptable in the sight of God our Savior, 4 who desires all men to be saved and to come to the knowledge of the truth.

Jer 29:7 NKJV

And seek the peace of the city where I have caused you to be carried away captive, and pray to the LORD for it; for in its peace you will have peace.

## Fast Moving Events

Posted by [ [swauthor](#) ] Oct 28th 2008 - 10:08AM Posts to date: 3742

### RHEMA 10/05/08 FAST MOVING EVENTS

**VISION:** I saw the scrolling down of a newspaper that was scrolling down so fast that you could barely read one line.

**HEARD:** Repeat. This is a matter of group effort. Take them with you. Transition.

**PIX:** I saw children and adults sign up for an event.

**PIX:** I saw the space shuttle rocket.

### WORD TO PONDER: WHEN THINGS ACCELERATE TOO FAST 10/05/08

Worldwide events are moving at a very fast rate of fluctuation and change. Do not be caught up in the trauma of change, rather secure your stability in Me.

Beloved when you are moving at a pace where you can no longer appreciate the scenery, or

---

take time to understand or ponder what is going on around you, you are moving too fast. Always remember that where you are going, you are taking your loved ones with you. I AM strongly moving My people to where they will be launched and catapulted into a brand new position in Me. I move you forward as one people.

Ps 3:3-4 NKJV

But You, O LORD, are a shield for me, My glory and the One who lifts up my head. I cried to the LORD with my voice, And He heard me from His holy hill.

About Crossing Over

Posted by [[swauthor](#)] Apr 23rd 2008 - 11:16AM Posts to date: 3742

RHEMA 4/19/08 ABOUT CROSSING OVER

HEARD: Everybody's family.

VISION: I saw a wheelbarrow. It had people inside and they were crossing over the Jordan river.

HEARD: I will carry you. And you shall laugh with joy to see the other side of the river. Crossing over in stages.

HEARD: Release you. Landed. Join the party. The door opens. Favor. My favor is upon you. My appointment. You are fully chosen.

John 15:15-17 NKJV

No longer do I call you servants, for a servant does not know what his master is doing; but I have called you friends, for all things that I heard from My Father I have made known to you. You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you.

WORD TO PONDER: ABOUT CROSSING OVER 4/19/08

When you cross over the river Jordan, it is death to self in leaving your old life behind. Some must make this journey in stages in your maturation to let go of what you cling to of your old nature. Many are crossing over as families joined as one. Beloved crossing over to a new land is letting go and leaving behind the past. It is dying to all that did not glorify Me and trusting that I have an inheritance on the other side. Deep joy is waiting for you, but the decision to move forward is your choice and not to be taken lightly. Joyous favor to occupy is waiting for you, dear one!

Deut 11:10-12 NKJV

For the land which you go to possess is not like the land of Egypt from which you have come, where you sowed your seed and watered it by foot, as a vegetable garden; but the land which you cross over to possess is a land of hills and valleys, which drinks water from the rain of heaven, a land for which the LORD your God cares; the eyes of the LORD your God are always on it, from the beginning of the year to the very end of the year.

INSERT WORD TO PONDER

WORD TO PONDER: CROSSING OVER (1991)

You stand before the river Jordan, wringing your hands in indecision. Your heart knows the risk, it feels the unseen dangers. Yet I AM on the other side beckoning you to come. Come. Come. Here My voice like the wooing of the dove, calling you to follow Me into a land of new beginnings.

In order to cross over, you must let go of all that is precious to your heart. Every last thing, person, dream and goal on earth. You must leave it all behind and pray only that of eternal value follow you over to the other side. Be willing to give it all up if need be to follow Me.

I AM there on the other side, willing, wishing, wanting you to come. But the decision remains yours. No one can make this decision for you. It is My gift of choice to you, for I only want those who will serve Me in love. I do not want obedient robot-like slaves, but dedicated, willing, desirous hearts to be one with Mine. Will you partner with Me in what I long for on this earth? Will you be a part of that which I have prepared and ready to usher in on earth? There is a place for you if you want to join Me.

Crossing over the river Jordan is 100% commitment. Total dedication. Total surrender to the One Who love and cherishes you, but also has a last day plan to defeat all the works of the devil. There will be sacrifices to be made. I would not ask My children for such without their own desire to be so. Understand this is totally your choice. And no condemnation will upon you either way. None whatsoever. You will always belong to Me. I treasure you exactly as you are.

"Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ." (1 Peter 2:5)

## JUMP INTO THE NEW!

Posted by [ [blackopal](#) ] Jan 11th 2008 - 6:22PM Posts to date: 198

### QUICKENED MESSAGE: JUMP TO LIFE!

A couple of weeks ago I listened to a sermon. He was speaking about going after our dreams and taking the risk to enter new areas. He was encouraging his listeners to dare to "jump", to get out of the boat, to act upon the Word we have received.

=====

### QUICKENED SENTENCE ON TV: THE JUMPERS

Yesterday as I was heading to bed I heard from the living room:

"There are people out there who have the power to go anywhere. They are called Jumpers! "

=====

## DREAMS OF 01/11/08 ENJOY THE JUMP!

### Dream #1

I am a gymnast on the uneven bar. I am doing my exercise – that I was never able, never dared to do in high school 😊 - with the greatest ease and joy. I am flexible, confident, able to gain speed, let the bar go and jump, then grab it again safely.

### Dream #2

I am jumping out of a plane with a parachute. But I am not alone. I am jumping with a group of people. We form a circle, kind of a big group hug. There is thrill, joy, speed and lots of fun.

---

## BROKEN BREAD : JUMP INTO THE NEW! 01/11/08

You have received My Word, My vision for what's next, what's on the other side of this door. You have been dreaming about the new things I AM calling you into, about the new places I AM opening up before you. I see you fighting, struggling with your fears, holding onto the old that gives you security, confidence. But I also sense the excitement, the curiosity, that adventurous spirit becoming stronger and stronger in you that has propelled you into the unknown many times before.

You have been here before. You know, that it takes only one moment to let it go, to step out of the safety of your boat, to jump. Trust My goodness, My love. I know you Sweetheart very well and what I have prepared for you will give your soul the joy, the thrill, the satisfaction that you hunger for so much.

I have not called you to be a loner. I have called you to be part of a team, a family. Many others will jump with you and follow your example. Hold onto each other and enjoy the flight!

NAS Matthew 14:29 And He said, "Come!" And Peter got out of the boat, and walked on the water and came toward Jesus.

NAS 1 Corinthians 2:9 but just as it is written, "Things which eye has not seen and ear has not heard, And which have not entered the heart of man, All that God has prepared for those who love Him."

NAS Acts 27:43 but the centurion, wanting to bring Paul safely through, kept them from their intention, and commanded that those who could swim should jump overboard first and get to land, 44 and the rest should follow, some on planks, and others on various things from the ship. And thus it happened that they all were brought safely to land.

NAS Judges 18:9 And they said, "Arise, and let us go up against them; for we have seen the land, and behold, it is very good. And will you sit still? Do not delay to go, to enter, to possess the land.

## A NEW SEASON OF GREATER SPEED

Posted by [ [blackopal](#) ] Apr 9th 2007 - 3:20PM Posts to date: 198

03/30/07 Quicken ad: " Get on the road to a fulfilling carrier!"

---

Vision of 04/01/07 The New Car

I see a brand new dark red SUV with 4WD. Right after that I see a hand laying aside an old red bicycle.

---

04/06/07 Change for the Better

---

Two of my friends made the same comment- with different words but the same point- in two separate conversations during the day about things happening in my life.

Word #1 " You are not moving into an other desert but into your promised land!"

Word #2 " This is not a move backward but forward and higher!"

---

#### Dream of 04/08/07 Ready To Drive

I am coming out of a big store with lots of things in my shopping cart. I put everything in the trunk of our blue Toyota then take a bike and start pedaling home. The bike is extremely big and I am going really fast. As soon as I get home I am standing at the gate and wondering. Why did I take the bike and did not just drive home? I decide to go back, drop the bike off ( I have the feeling that it is not mine) and pick up our car.

I start first pushing the bike. It looks like winter but the snow is already melting and my next door neighbor is busy cleaning. I see doors, windows open and him doing some spring cleaning. He is telling his crying little girl to calm down that they have to finish the cleaning and then they can go away for this holiday that is just coming up. The little girl is mad for her daddy is using her little broom to sweep away some dirt. I go over and tell the girl that it is going to be OK and she needs to stop crying.

As soon as I leave their house I decide to sit up on the bike and pedal although I have to go uphill. I think that this way I can get back to the store quicker.

-----

#### Confirmation:

As soon as I had finished typing the above words I opened the Yahoo site in an other window. This is the first article on the page:

"Spring cleaning your job. Organizing your work life can give you- and your career – a boost." WOW!!!

#### BROKEN BREAD: A NEW SEASON OF GREATER SPEED 04/09/07

My Little One, I AM telling you that spring has finally come! Let My fresh breeze blow on and through your life. Open up your heart and do not be scared of the new coming to you. There is a little bit of cleaning left for Me to finish, but as soon as all the dust of the past winter is swept away we are ready to go for I have great places to show you that really flow with milk and honey. I AM just so exited about it! You are not going backward but I AM taking you forward and even higher. It is time for your Sabbath rest and just to have some fun together! So, would you stop crying? I know this little broom belongs to you since I was the One who blessed you with it the first place. Believe Me, as soon as I AM done I will give it back to you!

I AM upgrading your way of transportation. You used to pedal a lot and you have become really good and strong at it. I have seen that you are responsible and that I can trust you so I AM handing you brand new car keys to a brand new family car. It's time for all the four of you to drive together! I know how much you enjoy driving with great speed. So buckle up Dear One, and let's go for a test ride!

NAS Song of Solomon 2:10 "My beloved responded and said to me, 'Arise, my darling, my beautiful one, And come along.11 'For behold, the winter is past, The rain is over and gone.12 'The flowers have already appeared in the land; The time has arrived for pruning the vines, And the voice of the turtledove has been heard in our land.13 'The fig tree has ripened its figs, And the vines in blossom have given forth their fragrance. Arise, my darling, my beautiful one, And come along!"

**NAS Joshua 1:6 "Be strong and courageous, for you shall give this people possession of the land which I swore to their fathers to give them.7 "Only be strong and very courageous; be careful to do according to all the law which Moses My servant commanded you; do not turn from it to the right or to the left, so that you may have success wherever you go.**

A Tear Drop Inside the Cave

Posted by [[swauthor](#)] Oct 15th 2006 - 1:52PM Posts to date: 3742

RHEMA 10/04/06 A TEAR DROP INSIDE THE CAVE

VISION: I saw a drop of water go into the deep, blue water and it caused a ring of water to resound from the drop. Then I heard a sound and realized the water drop was from inside a cave. The drop was a tear drop.

1 Kings 19:9-10 NKJV

And there he went into a cave, and spent the night in that place; and behold, the word of the LORD came to him, and He said to him, "What are you doing here, Elijah ?"

So he said, "I have been very zealous for the LORD God of hosts; for the children of Israel have forsaken Your covenant, torn down Your altars, and killed Your prophets with the sword. I alone am left; and they seek to take my life."

HEARD: I need you too, precious one. Will you go with Me? Let us go together. Take My hand.

PIX: I saw a hand reach out to me.

WORD TO PONDER: TEARS INSIDE THE CAVE 10/04/06

There are times in life, when after a heroic struggle, you retreat to a cave of isolation and weep. Always know that you are never alone, and I AM there with you. Beloved, yes shed your tears and die to self will. Then after having visited this place, listen for My voice, for I do not want you to live in the cave. My voice calls you to come out to the light and rise in the triumph of what you have planted through your tears.

Ps 126:5-6 NKJV

Those who sow in tears shall reap in joy. He who continually goes forth weeping, Bearing seed for sowing, shall doubtless come again with rejoicing, bringing his sheaves with him.

UPDATE CONFIRMATIONS:

And then when I clicked Send Now to publish it to this forum the banner logo changed to this graphic. The Lord opened my eyes and I realized the scene was taking place in front of the polar bear's cave.

### Taken to a New Place

Posted by [ [swauthor](#) ] Dec 4th 2006 - 3:35PM Posts to date: 3742

**RHEMA 10/10/06 TAKEN TO A NEW PLACE**

**VISION:** I saw an eagle's talons.

**HEARD:** Taken to a new place. This will not be taken from you.

**Ex 19:4 NKJV**

I bore you on eagles' wings and brought you to Myself.

**UPDATE CONFIRMATION 10/21/06** One of our intercessors saw a pair of eagle's talons that had a firm grip tonight in the prayer room. This is the same day that I heard we were in the river of channels and pressures being taken swiftly to a new place.

**HEARD:** As I was thinking about what she saw, I heard: A safe place. I will not be silent any more.

**Isa 62:1-5 NLT**

---

Because I love Zion, because my heart yearns for Jerusalem, I cannot remain silent. I will not stop praying for her until her righteousness shines like the dawn, and her salvation blazes like a burning torch. 2 The nations will see your righteousness. Kings will be blinded by your glory. And the LORD will give you a new name. 3 The LORD will hold you in his hands for all to see — a splendid crown in the hands of God. 4 Never again will you be called the Godforsaken City or the Desolate Land. Your new name will be the City of God's Delight and the Bride of God, for the LORD delights in you and will claim you as his own. 5 Your children will care for you with joy, O Jerusalem, just as a young man cares for his bride. Then God will rejoice over you as a bridegroom rejoices over his bride.

It is quickened to me that the church has been birthing a new generation of anointed youth. And now she is being moved to a safer place in the Lord, as the world goes through its throngs of its own birth pains.

Rev 12:13-13:1 NKJV

Now when the dragon saw that he had been cast to the earth, he persecuted the woman who gave birth to the male Child. But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she is nourished for a time and times and half a time, from the presence of the serpent. So the serpent spewed water out of his mouth like a flood after the woman, that he might cause her to be carried away by the flood. But the earth helped the woman, and the earth opened its mouth and swallowed up the flood which the dragon had spewed out of his mouth. And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of God and have the testimony of Jesus Christ.

## [1] TRANSITION

By Sandy Warner (June 98)

Recently I had the hair brained idea I was going to add a mini waterfall to our mini outdoor fish pond. I somehow accomplished the feat without removing or killing the fish. They definitely knew something was up, because amidst all my commotion they were hiding as far from me as possible. After it was done, I had a beautiful mini waterfall with gorgeous, cascading, sludgy-muddy water. Have you ever tried to clean the sludge out of a fish pond without removing the fish? I did and I learned something in the process: God is in the same dilemma, and He has been using the same process to clean our ponds...Only He's a lot smarter than I was...

At first, so as to not disturb the fish, we submerged a little pump that quietly and slowly pumped the water out of their safe haven. Slowly the water level went down, and so did the fish. (I do not know if they noticed their pleasant surroundings were shrinking, they never told me.) As I peered into the murky water, I was surprised that the color pumping out was a clear green - I thought it would be dirtier than that. Slowly as the water disappeared, I could see the bottom of the pond. It was gross. How was I going to get that junk out without removing the fish? It was then that a glorious revelation occurred.

Being a professional dishwasher (what Mom isn't?) I started thinking about cleaning a bottle that is full of soap suds. The only way to clean the soap out is to pour clean water in. All the soap comes to the surface, pours out the top and if you wait long enough, the soapy water is replaced by the clean water. When the soap is gone, the bottle is clean! Marvelous! What would I do without these sudden blasts of Holy Spirit genius?

Unlike myself, my husband had thought ahead and filled 3 large buckets with water, so as to evaporate the chlorine to once again help the fish make the easiest possible transition into a clean environment. I looked at those buckets (which hadn't any time for evaporation) and grabbed the first one and heaved it in the pond with the pump still running. While my husband was running for cover, I realized I'd struck pay dirt. You should have seen the dark, forest green sludge that came out of the pump hose!!! That was truly inspiring, so I heaved the other 2 buckets in, then turned on the garden hose and let it pour in. That little ol' pump was working over time, and the poor fish... well we won't talk about the fish. At least they survived.

Later I started thinking about heaving that water in and how the Lord sometimes dumps a large portion of His Holy Spirit upon us. It stirs all kinds of things to the surface, and all the while He is pumping and pouring, pumping and pouring. I recently heard the Lord say to me, "It's going to be a wild ride." Just think if you were that fish and suddenly this huge gust of water blasts your cozy little haven and not only are you swirling and twirling around wondering what hit you, but scum also comes from everywhere at once, and you are wondering if you'll ever be able to see clearly again.

Likewise, God decided He wasn't going to take us fish out of the pond-world, rather, He was going to take the pond-world out of us. He slowly, with careful intent pumped our Holy Spirit filled swimming havens and they shrunk in size. Just about the time when some of us fish were flopping and we didn't think there was any water left in the world, in comes the Holy Spirit renewal.

But it doesn't end there. It has only begun. Our pond mentality is limited to our own lives, and at the most, to the life of our church. But God's pond is the world. Think about that a moment.

---

It's not just our muck He's separating, it's the world's. And there's a whole lot of sludge out there. Things are going to get really stirred up before we start seeing clearly again. Therein comes the word, "transition."

Transition is an unsettling time when we desperately crave roots... a settled place of any kind... something peaceful and safe and reliable and fixed and not moving...when we crave something steady and trust-able and established where we have our feet on dry land and don't have motion sickness. Transition is like riding the Hammer at the fair, where the loose change falls out of our pockets with every loop. Anything not tied down falls away. Transition is a moving, unstable time. Transition shakes foundations.

God uses transition to compel people into making decisions. If ever there was a time to make haste and return to intimate roots with the Lord, it is now before the wild ride. Now is the time for each of us to seriously question our values, our foundations, our priorities. The Lord is clearly giving us final warnings that we still have a choice before this occurs as to how deeply this transition will affect our personal lives. If we have nothing in the world, and the world has nothing in us, His grace will sustain us and we will actually ride out whatever comes on top of the Holy Spirit wave.

If we have any roots in the world, they will be suddenly torn away and we will be left deeply shattered wondering what hit us. If we are not living holy lives, pleasing to Him, we will be caught in the muck with the rest of the world, and be suffering painful losses. No one will escape the effects of world wide losses. The manner in which the losses affect us will depend totally upon our values and our priorities.

If we can rejoice that God is actually cleaning up a very great mess, and He is actually going somewhere amongst the flurried storm of fish sludge, then we will take the wild Holy Spirit ride and go with His flow. Even in the midst of great sludge flurries, He is still God and is still in control over what touches our personal lives. He will keep us in and through it and we will rise triumphant on the other side...swimming in a nice clean pond, with glorious crystal clear water.

**[3] The Corner**

**A Word to Ponder From the book, Words to Ponder, by Sandy Warner**

**Whether you have noticed or not, through the years you have been approaching a corner. Your ability to plan has become more and more limited, as your vision for the future unfolds. The reason why, is that in turning a corner, you are not able to see around the bend. The closer you have come to this bend, the shorter your ability to envision plans to come. Do not fret over this temporary inability. I give all good things in the perfect time and season. Understand that this corner is a change in direction, a change in focus. This is a major corner and many things need to culminate to bring you to this place. Trust Me to lead you when the time comes. In the mean time, do not fear your future even though in times past you have been able to see farther ahead.**

---

"For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end." (Jeremiah 29:11)

#### [4] Insights into His Corner from Sandy Warner

For over 10 years, we have received rhema having to do with turning a great prophetic corner. For lack of space and extra printing cost, I decided not to print the corner rhema. Let it suffice to say that the Lord said this was a world-wide corner, a new beginning would occur after the corner, and the greatest show on earth would occur after turning the corner. Personally I have seen pictures of myself in the process of turning this corner for several years. I finally completed the turn as of February this year. I believe this is the "turn in the Spirit" Rick speaks of in the following:

#### [5] Quotes from Rick Joyner

Excerpt March Tape 1998

"There's another level that the body of Christ seems to be going to now. There's an intensity that's just been building for some years, but it seems like we've shifted gears again... shifting is a key word. There seems to be some kind of shift in the Spirit this year. With the joy and everything else, there's also an increased seriousness... There seems to be some kind of turn in the Spirit. One of things we believe the prophetic ministry is given to the body for, is to help us to see those turns coming up so that the church is prepared for them and can make them instead of missing... we feel like there's a major change in the Spirit, there's a turn of some type... I feel like in some ways we're getting near the end of our time of preparation. Some of the things that have been prophesied for thousands of years now really are about to come upon the world. But you know these are going to be the best of times for the body of Christ... this will be our finest hour if we are indeed heading into the times of trouble that do mark the end... we need to all be as close to the Lord as we can... Let's become addicted to the Presence of the Lord so that we just can't bear to go to bed at night without having an encounter with Him, where we have to have Him the first thing when we wake up in the morning, where we have to have Him, where we feel compelled that we have to have Him."

#### [6] Transition - Fear of Transformation

Author unknown

[Note from Sandy Warner: This was written by a student at LCC in the late 70's. I do not know if the writer is a Christian, but the article is so excellent I wanted to share it with you.]

Sometimes I feel that my life is a series of trapeze swings. I'm either hanging on to a trapeze bar swinging along or, for a few moments in my life, I'm hurling across space in between trapeze bars.

Most of the time, I spend my life hanging on for dear life to my trapeze-bar-of-the-moment. It carries me along at a certain steady rate, and I have the feeling that I'm in control of my life. I know most of the right questions and even some of the right answers. But once in a while, as I'm merrily (or not-so-merrily) swinging along, I look out ahead of me into the distance, and what do I see? I see another trapeze bar swinging toward me. It's empty, and I know, in that place in me that knows, that this new trapeze bar has my name on it. It is my next step, my growth, my aliveness coming to get me. In my heart-of-hearts I know that for me to grow, I must release my grip on this present, well known bar to move to the next one.

Each time it happens to me, I hope (no, I pray) that I won't have to grab the new one. But in my knowing place I know that I must totally release my grasp on my old bar, and for some moment in time I must hurtle across space before I can grab onto the new bar. Each time I am

---

afraid that I will miss, that I will be crushed on unseen rocks in the bottomless chasm between the bars. But I do it anyway. Perhaps this is the essence of what the mystics call the faith experience. No guarantees, no net, no insurance policy, but you do it anyway because somehow, to keep hanging on to that old bar is no longer on the list of alternatives. And so for an eternity that can last a microsecond or a thousand lifetimes, I soar across the dark void of "the past is gone the future is not yet here." It's called transition. I have come to believe that is the only place that real change occurs. I mean real change, not the pseudo-change that only lasts until the next time my old buttons get punched.

I have noticed, that in our culture, this transition zone is looked upon as a "no-thing" a no-place between places. Sure, the old trapeze-bar was real, and that new one coming towards me, I hope that's real too. But the void in between? That's just a scary, confusing, disorienting "nowhere" that must be gotten through as fast and as unconsciously as possible. What a waste! I have a sneaking suspicion that the transition zone is the only real thing, and the bars are illusions we dream up to avoid the void, where the real change, the real growth occurs for us. Whether or not my hunch is true, it remains that the transition zones in our lives are incredibly rich places. They should be honored, even savored. Yes, with all the pain and fear and feelings of being out-of-control that can (but not necessarily) accompany transitions, they are still the most alive, most growth-filled, passionate, expansive moments of our lives.

And so, transformation of fear may have nothing to do with making fear go away, but rather with giving ourselves permission to "hang-out" in the transition between trapeze bars. Transforming our need to grab that new bar, any bar, is allowing ourselves to dwell in the only place where change really happens. It can be terrifying. It can also be enlightening, in the true sense of the word. Hurling through the void, we just may learn how to fly.

#### [7] Hanging in the Balance

A Word to Ponder from the book, *Words to Ponder*, by Sandy Warner

You have much concern over impending judgments, for the velocity of these judgments hang in the balance and are slippery as eels. Yes band together with other believers and stand in the gap against impending judgments. For the greater the stand against unrighteousness and the greater the commitment to Me, the lesser the judgments will be.

However, I have an announcement to make. What the enemy plotted to take advantage of this time, has been completely averted. What he planned for God's people was ultimate destruction, and that plan is completely defeated. It's over, he's defeated! The enemy has no authority to destroy My people. Already there stands a great wall against him, formed by those willing vessels who are sold out to Me. They have pushed his territory back and taken that which he sought to obliterate.

The earth must shake and tremble and go through it's impending storm. Yet I am now drawing near to hover over My people in abiding Presence. Like those in the wilderness, protected with the cloud by day and the fire by night, I draw near and protect My own. This is the time to draw near to Me and commit to My call. Pursue righteousness and you will not be caught in the storm. You will rise above it and walk through it untouched. At that point, you will no longer be hanging in the balance.

" And the LORD went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night: He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people." (Exodus 13:21 & 22)

#### [8] Transition into Birth

Article by Shirley

---

The birthing process was the most rewarding experience of my 27 years as a registered nurse. I spent eighteen years of my nursing career working in labor and delivery. I never ceased to marvel each time a new babe was brought into the world. Some times the transition period was so short the babies arrived before the physician. I would be faced with bringing the baby into the world. I even was privileged to deliver one of my grandsons.

In describing the birth process, transition is the shortest phase of labor but probably the most painful, emotional and physically exhausting. The reason is the birth muscles are transitioning from one job to another. This can be very confusing as a double message is being sent to the body, by the double duty of the muscles. Strong forces are going on at once. There is a great urgency to push. Before one contraction ends another one begins. This phase of intense pressure is the time of the most pain. It is very hard to keep your muscles relaxed. When the tolerance level becomes unbearable, that seems to be when the highest hurdle is leaped.

In our walk with the Lord we go through a period of transition. — A time of change from the carnal to the spiritual man. As with the normal birthing process, for some it is a much longer and more stressful time; a change we are not always prepared for. In the delivery room many times I experienced those who screamed and fought, while others quietly worked with the contractions to bring forth birth. Likewise, in spiritual transition, some may freely give themselves to the Lord, yielding all control over the circumstances. Others may fight the process which makes the circumstances even more unpleasant.

When we allow the Spirit to work in and through us our transition can be bearable. We must relax and allow the Holy Spirit to complete the work. This is a change like we have never experienced before. We may reach a point in time when we feel that we have reached the end of ourselves. But as with the normal process of birth we are given the strength to complete the task. Many times the husband can be of great help and assistance. In our spiritual transition the Lord is that help and Assistant.

NKJ Ephesians 4:24 and that you put on the new man which was created according to God, in true righteousness and holiness. ## [9] WE HAVE A FUTURE AND A HOPE

Prophesy from Bob Jones

(Given at Cross Roads, Hamilton, Ontario March 8, 1998) The following are excerpts from the Internet via Wayne and Evelyn MacKay, International Christian Centre and Harvest Time Cafe located in Toronto, Ontario Canada (solution@arcos.org).

[Note from Sandy Warner: This prophesy gives an overall understanding of where the body of Christ has been and where we are going. It is lengthy but worth the time if you want to understand the Lord's plans. I believe this Word is very important and feel that we are privileged to have access to it. A Quick Overall Glimpse from 1950's Through the 2030's

"And so the fifties, the 19 and 50's - What goes around comes back around, you see. So the anointing of the 50's is coming back your way. So the 50's reveal My power that's coming back your way but I'll not give My power to any that have not shed the things that displease Me. And unresolved anger is one of the things that greatly displeases Me and that's what I've been doing in thee this day - To get the unresolved anger out of you that My glory might rest

upon you so that no root of bitterness or anything might defile many, if I anointed thee with My glory. So the fifties revealed My power. And it came in a mighty way.

And the sixties revealed My Holy Spirit and the baptism that then began to fall and produce the mighty songs that were lifted up to Me.

And the seventies began to reveal the great teachers. And this is where many of you I began to bring forth to Me. In the seventies My teachers began to bring My Word, for My Kingdom is based upon My Word and My Spirit. These are the two pillars that I started back in the seventies.

The eighties revealed the Spirit of God and My prophets.

The nineties revealed My government. And now My government is in place and in a time of great stress I shall bring forth My next step. Toronto was a step. Brownsville was another step.

My next step will be My glory. And signs like you have never seen before. And ever since you have, you'll see, become golden among thee. You'll smell the fragrance of heaven. You'll taste the goodness of God. You'll feel the Presence of God and angels in awesome ways. You'll hear the songs of heaven and the praise. And you'll see the angels and His working mightily bringing your five senses, sanctifying them so that He can show you Himself and all of your soul your way. For what I have just described you see is your soul. So yes, He's been dealing in your spirit and He has for a while. But now He is after the rest of you; the soul, that He might use it to bring a new day. So yes, get ready for God's glory.

And the 2010's will bring, you see, the faith of God. To speak creative miracles, to change the storms, to shut up the heavens or loose up the heavens.

And the 2020's, you see, that worketh by faith shall bring a new day. And it shall be an army of love and a maturity and a brand new way. For it shall be called the family of God joined together in a unity. The most powerful force that the world has ever seen and shall ever see in all her days.

And still time will go on for you have time for your children and your grandchildren. So don't get in any hurry, for I'm not. So I'm calling thee to begin to represent Me. Be My ambassadors, be My goodwill ambassadors to all the nations upon the earth, you see.

**1990's - A Glimpse of Nine Years of Judgment within the Church**

'89 means the end of what God was doing in the 80's and a beginning of 9 years of literally judging His church. So you are the remnant seed because you came out of 9 years of judgment. You here tonight are the survivors. You are the remnant seed and the Lord is getting ready to sow again the remnant. So you are literally in the time of death and the remnant seed, you sow the remnant seed with travail and weeping.

For yes, My assuredly and My security is there in My Word, you see, and I put you through 9 years so that I might uproot some things out of thee, and break thee until you please Me. For, you see, brokenness without understanding brings hopelessness. Brokenness with understanding brings hopefulness. I've been breaking you and destroying your wrong nature, you see, to bring you into My family so that I might be the Father over thee. For I do say, get ready for a new canopy. It's in Isaiah 4:4, 5 and 6, you see, for I'm getting ready to purge the church with fire and to destroy the filthiness of Zion in an awesome way so that My glory might come to stay. And that My peace might rest in each one of thee.

---

So this is the purpose that I have been doing in these last days. These 9 years in your failure, I have destroyed your human strength and weakened you as I did My servant Jacob, you see, so that I might change your nature, and that you might be willing to wait for Me as I waited for My Father in My day. And so you have failed so much that you are coming to your own end and you are willing to wait for Me to tell you what to do and where to go and what to say. So that you would fail no longer but would be a success in Me.

For these 9 years I worked in thee was to root out the things that displeased Me. So I sent you into the desert after awaking thee and you carried all of your baggage with you. So the first couple of years you began to throw some of it away. The next couple of years you threw a little more away. You kept on going until all you had left, you see, was a couple of water jugs and your idols of gold, your ideals of what you wanted done in Me. And the last couple of years I have just been working beautifully in thee. Your golden ideals and idols lay out there in the desert, you see, and all you've got left is a water bottle and it less than a third full so I had you shedding and when you thought you were going to die out there you decided to pray and try it My way and that's where your prayer is at today. In your desperation you began to pray - not until you had to that is, not until you couldn't figure it out. So now I've called you to think it out in this last days. And now I will give you My mind and show you My way and you'll not fail any more. For I'm not in My church failures in any way.

I began to plow you as an ox does and I began to test you. And for the last few years, you see, have been plowing, for the ox is My beatitudes. And any movement that I will do will go through My beatitudes. Let My beatitudes be your attitudes. You want Me to move then let My attitudes dwell in thee. For, you see, I gave you a hunger and a thirst for Me and I kept guiding you by My Holy Spirit even both night and day in your barrenness. And so yes, I've been plowing you to bring you to a place called meekness. For the meek, they shall inherit. For, you see, meekness is teachable and those who are teachable, My Holy Spirit makes disciples out of them and begins to bring My divine nature into them.

And so you are My disciple, you see, so long as you are teachable and allow Me to show you My way. In My beatitudes in thee, I called you to be peacemakers in these last days. For they shall be called My sons and daughters. They shall be close to Me but I'm going to tell you what a peacemaker is, it's one that can confront the issues and can bring a righteous judgment, you see. And the first one that I wanted you to confront is the enemy between your eyes, that you would confront those things that does keep you from embracing Me. Only when you are peaceful within your soul can you rest so that My rest might come into thee and bring you My way so if you are not able to rest and are continually striving, then turn around and sit down and begin to love Me. And I'll bring you into that place of peace within that you might make peace with yourself. For that is what My peacemakers first do, you see, is get rid of all that garbage that the fallen nature has put on thee so that you can come forth and be that son and daughter for Me. So yes, let My beatitudes be your attitude in Me but I do say that now the plowing is coming to an end.

#### A Glimpse Past 1998

In Isaiah 28:24 it says that I don't plow all the time, you see. For I plowed thee for 9 years. I broke up your hard hearted nature, the clods, and I have smoothed My fields and now I am going to cast My Seeds into them - My Sperm Seed words will now come to My body and it will begin to grow harvest in different ways. Even as there are different things that I sow to bring forth into harvest, will I sow these things in thee. Different in each one of thee for I'm bringing forth the harvest of grain in people that My body might consume this grain that I'm bringing forth. So that the body can eat your lives up and become a healthy body of Christ.

And in My Word, it says that I will show you the wisdom you need for this. So yes, I'm sowing you back the remnant seed. The drought is over now in the church and it will rain and My God Sperm Seed I placed in your heart will begin to grow. By the falls of the season you will begin to come forth in an awesome harvest. And you'll begin to see that the grain is out there and it will be where My body can eat your life up and be healthy enough to go into the world and take the lands for Me.

---

And now He is after harvest and everyone of you is called to harvest and harvest begins with prayer. Job 22:30, He will even deliver the one for whom you intercede who is not innocent. He will be delivered through the cleanness of your hands. Job 42:7, 8. When you begin to pray and first you should begin in your own family, pray for those who are not innocent and who do not have clean hands, those that aren't saved, those that are giving you the worst words and the worst headache.

You see what Job did here. After the Lord had spoke the previous words to Job the Lord said to Eliphaz the Temanite, 'My wrath is kindled against you and against your two friends. For you have not spoken of Me the things that are right as My servant Job has. Now therefore take seven bulls and seven rams and go to My servant Job and offer up for yourself a burnt offering and My servant Job will pray for you for I will accept his prayer that I deal not with them after your folly in that you have not spoken of Me what was right as My servant Job has.' So these men, did as the Lord commanded them and the Lord accepted Job's prayer and the Lord turned the captivity of Job and restored his fortune.

I'm trying to show you something here. It's time your fortune be restored to you. And the Lord turned the captivity of Job and restored his fortune, then he prayed for his friends also and the Lord gave Job twice as much as He had before.

I'm in My son's growth, in bringing him forth to inherit, you see, for even now men and women in this body in the time of exchange of great finances I'm raising him up to possess and give millions into My evangelism and into My church. I'm going to let them spoil Egypt again. Not only Egypt but the world system of marketing. Even now, I'm moving upon the minds of men and women and giving them this knowledge. And in their heart for Me, will be to see My Word exported over all the earth in these last days.

1998, The Pivotal Year - A Glimpse into the Coming World Judgments

For yes, you have now come to '98, you see, the end of My judgment and a new beginning in this last day...For I will send the rains upon thee in an awesome way and it will rain and rain upon your brain and I will heal the lame, the maimed, the cripple, the halt, and the blind that got that way in My church, in My body for I do say to thee, it is a brand new day.

I'm telling you, you are coming to the end of My church judgment and when it ends in My church it will begin in the world. And I want your light shining bright for they will be heading your way in the great night. For it is time that you rise and shine, you see. And let My glory rest upon thee. For great darkness over all the earth will be, but not in My church for it will dwell in My glory.

And like the Ark of old will it be when Noah was lifted up high and close to Me. When I closed the door in that time so that none might find Me in that time of judgment as I rained My justice upon them in that day. But this time you are My Arks and the doors of your hearts will not be closed, you see. And all those who dwell in darkness in My time of judgment can flee to thee, and find refuge in Me. And there will be no dark in My Arks. But they shall dwell continually in the noon day sun and brightly will they shine. Those who will bring forth at this time to accomplish My divine purpose and harvest, you see.

For I have a vision of youth that is awesome and mighty. And youth is My purpose but I need others to stand behind them, you see. Ones that have been wounded and healed. Ones that have suffered persecution and has had to bow to the will of Mine. But now I bring forth My will in a mighty way, so that the harvest might come and ever be - for I say this to you, yes, the trials of the earth shall increase in an awesome way. And the things of Revelation they shall be increasing and increasing until they come to that day. But what you don't understand is that the book of Revelation, you see, is a love letter to My bride in preparing her to ever be joined to Me. And you are My bride. Your soul is so beautiful to Me. And I call out to thee for

---

you to hear My voice and to respond to My wooing and My cooing. Even this day for I come to those whose ears are open that they might hear what I have to say.

For you see, judgments will be inconsistent in these last days. They will fall on one town and not another you see. And those who hear from Me will be vacationing there, rejoicing with their children. Wrapped in the cocoon of My anointing as Noah and their children were in their day.

So I waited 6000 years for thee. Do you think that I am going to let the devil take you out in any way? For I've already had victory over him, you see. And the victory I give to thee. For do you know who you are seated with in heavenly places this day? Do you know that you have a Friend in high places — that will be there through eternity? And I seek friends that will come and talk with Me. That was the purpose you were created for, you see. So that we could be a family. For My Daddy is a family man, you see. And has great jealousy for His family — those who grew up and have come to acknowledge Him as their Daddy, and no longer stray into the darkness but stay in His light of His abode.

#### A Glimpse Into the Coming Shepherds

The '80's revealed My prophets, you see, and the '90's revealed My government and My justice even improving upon this day. But now My heart cries in another way. For I will now raise up My shepherds and My shepherds will love the sheep. My shepherds, you see, will die for the sheep, they will stand between the enemy and My body. For now I work on bringing forth My body. I have brought forth My head. My leadership I have already got upon the earth and My purpose now, you see, is for My leadership to feed My body. For My body is like a baby and My leadership is like a grown head upon a babies body. So everything I do now in My leadership will be to feed My body of Christ so that they may grow up and possess the gates of the enemy, for have I not said continually in My Word that their children would inherit the earth? And the earth in that day, when My justice comes in a mighty way will bless them, for I will only destroy the world, you see, and its corruption, but the earth will remain and I will bless it. And your children will inherit it. So you must learn My Word and believe it, you see, for have I not said, "That once I was young but now I am old, but I have never seen the righteous forsaken or His seed begging for bread."

So I call you to a new intimacy with Me a new covenant with Me that you quit doing all those things that you are doing and do only that which you see with Me. So I've called you to open the eyes of your heart, and the ears of your understanding, and your discernment and your love for Me. So that our love can be upon the earth again in these last days. For, you see, My shepherds will be shepherds of love they will not harm the sheep for they have failed so much, they have learned to love. They have been broken so they know what brokenness is. And My sheep will know Me. Each one will know Me and My voice in this last day.

So the good shepherd is coming into your life, you see. To make you lay down and be still in green pastures. And make your soul be still and know that He is God. And yes, My good shepherds that are coming out of the back woods, out of the slums, out of many places, they will put to rest the troubled waters in the church. They will still the waters in the church, they will have the authority to speak against those that lie - the gossips, the slanderers, those that trouble the waters of the church, they will put them silent and they will bring the still waters. So that My sheep, My body may drink deep of Me.

#### A Glimpse in the Coming Power

For I say this day, that I call forth deep unto deep. And I shall bring thee by the new way that you know not. So get ready for My power to see in an awesome new way, and it will be called forth by prophecy, get ready for the creative Word of God to come forth through My prophets. This is according to scripture you see, Isaiah 48:6, 7 is what it says. For I am still a creative God and when I give My Word to My children, and to My prophets and they proclaim it upon the earth it comes to pass, you see.

---

For three years ago a great famine in the south west of the United States did reign over all the land. And I spoke to a prophet and I told him to command, proclaim rain. To not pray for it, you see, but to proclaim it and to command the angels to bring rain. And three times on a Sunday this was done, you see. I doubt that many understood in any way but they know this that within three days, it rained 7 inches in places that hadn't seen rain for 3 years.

That's proclaiming, you see, that's agreeing with God and speaking His Words that He wants proclaimed. So yes intercede, seek God — but once you hear, proclaim, command, so when you drive your streets in your cities pray over them and wait for My Word to come to thee. So that you might speak into the heart of that city and bring forth life. And so this has happened often lately, but it shall happen even more now that the times have become even more severe, you see. So if you don't like the tornado coming your way, loose the angels and command it to split. And this has happened before, you see, so it's time that My church rise up and become My body - My body of Christ that takes the authority that I've given, you see. For I didn't make you pussy cats, I made you lions. I made you to take the prey in these last days. I made you to take those who are your enemies to fall away to thee when I give you the Words.

I'm getting you ready for My fire and the baptism of fire which is a Spirit of holiness, which is the fruit of the Spirit maturing you up. For you do not cry out for revival but you cry for more and more every day for My mercy and My grace and My light. For I have come to this area to stay. I didn't come for My glory to pass away and fade as it has in past days. I've come for My glory to abide upon thee continually and to rest upon your children in eternity.

For it is the last days but it is not immediately. You'll see the 2000's, the 2010's, 2020's, 2030's. So make long range plans. Yep. For I tell you, you're not going to fly away right away. But you're coming and going to raise up the body of Christ that will inherit, and that My glory will abide upon thee. And sickness, sin and poverty will not be able to stand in your presence, you see. And the gods that men have worshipped will fall down and bow down to thee including doctors and lawyers and psychologists and philosophers, they shall come to acknowledge Me in thee.

#### A Glimpse into the Next Move

And so the next move of the Spirit you'll see will be the eagle. And My Rhema Words falling in thee. Get ready for vision like you have never seen before. Get ready for My picture. For I'm getting ready to give My vision to My body. So that they no longer perish but each and every one of you have a picture, a vision for your life and a purpose in Christ.

All of you join neatly together for when I crush My grain to feed My body, you can't tell one from another. I'm going to mix you that well so that you'll just have to say, "We're just a part of the body of Christ and we are literally ministry without a face and the face you'll see, is the face of Christ."

Yes, now is My seasons and My eagle, you see, is in Mark 16. For I've been going throughout all the earth, preparing My people to go and obey My commandment. For as I have been bringing you into that meekness so that I could sow you, then so will I send you as I did My Son. So send I you into the world that you will begin to fulfill My great commission and go into all the nations, into all the ethnic groups of which are right here in this city. Start there, and that you might begin to make disciples of all of the ethnic groups. For I will tell you this, My Son didn't die on the cross needlessly for the whole world to glorify death and sin in the last days. I am going to have the mightiest church you have ever seen and over a billion souls will come in one great wave. And all who will can come and find both bread and wine. So I am going to begin to give the revelation, especially the revelation of My true common union communion. For My body had been fragmented, broken apart and now I will begin to bring it back together. For I will begin to pour My wine upon My broken fragmented body and begin to bring it again into one body, one lump.

And I say this to you, it won't be grape juice I pour upon it, because grape juice has no spirit

---

in it. It will be the best of My wine with real spirit in it, a wedding wine, a unity wine. And I shall join My body together by My Spirit. And My blood shall flow through their veins.

For this is the inheritance of the saints, you see, to not be defeated in the last day. I'm not coming for a bride that has been pinched by the devil on the backside, and bruised and defeated and crying out to Me. I won't come until that bride does say, "The Holy Spirit and I are ready." And then it will be no surprise for My body for they will be the ones who will send for Me and it will be because they are victorious in every way. And put on all of My nature and so it will only be a surprise to the world, you see, but it won't be a surprise to My body.

I'm not going to cut anything off in the last days. For it grows darker and so shall it grow lighter in thee. And My light shall shine greater and farther in thee. For I am calling forth My body of Christ to walk upon the earth where the very earth itself does tremble at their footsteps. And to where the heathen does tremble at their Words because they will have power over life and death, over storm and fire and all the things of nature, and by their Word, by their Word, that they speak, as they mature in Me, will there be life or death as they do say, 'rain or drought'. That's what will happen as they learn to literally loose My prayers in a brand new way.

But now after you I say, a new anointing of My Rhema, and binding and loosing shall shortly be on thee and you shall begin to loose the yoke of bondage of religion that has held you back in these last days. For a religious spirit is legalism, opinion, debate, judgment and criticism. And none of that is of Me for I am of love and they are of works. So these things I do say. You don't have any right to any of these, you have only a right to love and to dwell in My Presence both night and day. So yes, a door I open to thee, so walk in it and live your life for Me and possess everything that your foot does walk on in these last days."

[10] Prophecy - His Still Small Voice

Given to Grandma Anna on 4/5/89

DREAM: The Lord came to me in a vision as a young man, very, very excited, happy and vibrant, saying, "I'm blowing the trumpet little one!" I literally heard His voice as though He were in the room with me. Then later I heard His still small voice say the following:

Hear ye, Hear ye, Soon it comes.

Off comes the cover. Dazzling. Amazing.

Hear ye, Hear ye. Off it comes.

Will you not know it? Will you not see it?

A ha! Will you not hear it?

What hath God wrought? What is this?

My son. My son. Hear ye him.

My son. My son. Hear ye him.

Yes, I shall have a generation.

I shall have a seed.

Hear ye, Hear ye, Off it comes.

No more cover over My glory.

Hear ye. Hear ye. My son.

---

Yea, it's My generation. Yea, it's My seed.

To him give you heed.

For he shall speak wondrous things.

He shall do wondrous things.

He is he. He is Me. He is them.

A city on a hill cannot be hid.

Jerusalem, Jerusalem, My Bride.

Glorified. Glorified.

It's done. It's done. My victory is won.

Hear ye. Hear ye. The victory's won.

Hear ye, Hear ye, The victory is won.

What do you think? What do you see?

A people. A generation.

My people. My generation. All of Me.

The victory is won. Your will is done.

Finished. Completed.

The enemy at My feet. Nothing to impede.

Soon I'm coming to your side.

Wait little one. Soon. It's here.

Be of good, good cheer.

Make merry and be glad. No longer be sad.

This is the day.

This is the hour.

Awake! Awake!

Put on your beautiful garments.

The sword is furbished.

It is also ready.

A two edged sword in the hands of My saints.

This is the hour. This is the gain.

The victory is coming now. Come Lord Jesus.

Come with Your power. No more delay.

This is the hour. Blow the trumpet in Zion, Zion.

---

Sound the alarm in My Holy Mountain.

Sound the trumpet in Zion, Zion. Sound the alarm.

The snow. It's covered My mountain.

A ha! It melts. Down come the rushing torrents.

The streams thereof shall make glad.

Rejoice O ye hills. This is the mountain

where I desire to dwell. The name of that city

shall be "My God is there."

Surely God is in thee. A city on a hill cannot be hid.

A faithful scribe writing my words.

Surely I do nothing before I reveal it to My prophets.

A new thing do I declare. A new thing on this earth.

A people born. A holy nation.

A holy nation do I declare.

All changed. All made new.

Death come to life. Begin anew.

A new thing on the earth.

Off comes the lid. Nothing is hid.

It's My glory. Been there all along.

But you couldn't see it. Now sing a new song.

The earth is full of My glory.

Bright shining after rain.

The former and latter rain. Altogether.

Yea Joseph shall have two portions.

My servant among them.

Turning the heart of the children to the fathers.

A victorious day. Nothing. No, nothing

shall stand in its way. Satan taken to the pit

by a mighty stand. Satan taken to the pit

when My glory fills the land.

A people strong and mighty. Running as a troop.

My army. My army. My very own group.

---

I have done a work under the hill.

Its brightness and glory. No longer hid.

[11] Dream from Cherie - June 15, 1995  
Cherie - Cornerstone Church

A group of us (believers) were on an island, We were attempting to establish something for the Lord. In the midst of our efforts we were divinely warned of a rising opposition and we were to prepare ourselves. We didn't get any weapons, such as guns or arrows or anything like that, we found our defense in standing together. Things seemed to be going well, then a thick fog fell over the entire land mass around us. We couldn't see each other but we were linked by kindred spirits. When one of us fell into doubt or worry, whomever was closest would pull that person in closer and speak encouragement and prophetic truth (like the angel spoke to Gideon).

As we were standing in anticipation of the opposition, the beach became visible and I could see a huge wave approaching. It was like a tsunami, I called to the others to stand firm, that our strength together could withstand it's force. I looked again and saw there were three consecutive waves of the same size. They were at equal distance from each other. The waves began to hit the beach, there was tremendous destruction, most of us were able to hold on where we were, some were swept away, others were weakened, but held on. As the second wave was about to hit I saw a change in the pattern of waves. The first three had been spaced apart enough that we had time to check in with each other and make quick assessments of damage. However, following the first three waves came a set of waves, close together and equal in size to the previous three single waves.

It was then I saw the fog lift from around the entire land mass. I could see a mobile home type building hidden behind some trees, near the beach. I knew it was the headquarters of Satan and his team. They had been camped among us all along and we'd never noticed their camp, or their workers. I was momentarily disheartened to think that we had been deceived, we didn't have a clue they had been here since the beginning of this endeavor. Now it seemed too late to campaign against them. How foolish we had been. Then the Lord drew my attention back to the coming set of waves. I could see the spirit in charge of this campaign riding above the waves mocking us and calling on more power to destroy us. I sent word through the kindred spirit for us not to be distracted, or to divide our attention toward the enemies camp. That would be taken care of, I knew God had exposed it for our benefit, not our demise.

As the set of three waves hit one after another, there was great destruction and some of us were separated from our kindred spirit. One by one we reestablished communication. There was a lot of damage, all that we had built was destroyed. Some of the people were swept away, most of them remained. We saw the evil one who was in charge, we grabbed hold of him. When we touched him, his strength began to dissipate. We took him to the beach, he was weak and unable to resist us. Some wanted to kill him, but I stopped them. I had all who were able to help, carry him near the surf. We laid him down, I told him, and the others, that we were to let the surf, which he had empowered to destroy us, carry him away to his own destruction. We walked away and left him lying on the sand, knowing he was unable to escape.

Later, as the evening came, we had all been working to salvage what we could of the structures and grounds of our settlement. Our kindred spirit was once again strong, but it had changed. We were all doing individual tasks and yet, there was a sense of singlemindedness, one to another. Our hearts weren't connected in the same way as they were during the battle. I saw a young woman, sitting alone, outside the courtyard of our colony. I made my way over to her. As I came close to her, I could see she was reading her Bible but she was not happy, not sad, rather numb. As I came closer, I came to the back corner of a building and as I moved forward the dimness of the area got lighter and a dark figure, I knew to be a demon, immediately flew away. I realized there was a danger in any of our people spending time alone, isolated from the rest. It was imperative that we stay united, not only in our kindred spirit, but in our practical duties. Some were not strong enough to stand alone, and as I had seen the enemies' camp emerge from the fog in our midst during battle, truly none of us were strong enough to stand alone.

THE BUTTER IS CHURNING

SANDY NOTE: Bobby Conner mentioned that he saw the face of a sunflower in his Shepherd's Rod 2004. Sunflowers are rich in oil and oil in scripture represents the anointing.

BOBBY CONNER QUOTES - OIL & BUTTER

"Brown represents servanthood and yellow represents the shining glory of the Lord. The moment the Lord gave this to me, I passed by a field and there was a whole field of sunflowers. What do sunflowers do? Point their heads straight to their source. God is going to give us great grace to point our face to the Source of life."

Job 29:6

When I washed my steps with butter, and the rock poured me out rivers of oil.

"Butter is the best of the milk. The deepest part of the anointing. When that comes to the surface in your life, the deepest richest part of the anointing comes to the surface and then guess what happens? The hardest places pour forth oil."

"How do we get butter? I'm going to tell you something. Do you believe that we have been asleep too long and God is about to churn? There's going to be a whole lot of shaking going on." {End Bobby Quote}

GRANDMA ANNA RHEMA

HEARD: Slow turn. Butter. Good for the tummy. Eat a little honey. Eyes opened. More and more.

Questions. Why is this? A little here. A little there. Answer me please. It's not your fault. There's a wait around here. Why can't it happen sooner? Wait and see. Not time yet. Growing. Going to make a difference. Eaters of God's Word.

Why do you falter? Why don't you sing? A whole new order. It has a pleasant ring. Whistling in the dark. Isn't any. I do all things well.

=====

GRANDMA ANNA RHEMA

HEARD: You are special to Me. I know your love and I trust it. Will you trust My love? It's a bowl full of cherries. Minus the pits. It's a rose garden. It's everything. It's a blessing. Stop churning tummies. Yours especially. Even when they jump.

=====

GRANDMA ANNA RHEMA

HEARD: The enemy is defeated. The enemy is defeated. We vanquished him, little one. Never have I seen such faith.

VISION: I saw four pats of butter on a plate.

CONCLUSION

=====

{ Words to Ponder are summaries of His quickened Words }

WORD TO PONDER: AWAKE AND CULTIVATING THE ANOINTING

Precious one, when you stand upon My Word, it can not be shaken. As I have spoken, everything else will shake. I AM using this shaking to awaken the world to their need for Me. I AM using everything in this hour to buzz their alarm clocks that it is time to wake up.

You, My love, are awake and standing upon My Word, My goodness and My love. So trust Me with your safety and provision. Trust Me with your loved ones. I have separated and cultivated the anointing that dwells in your life. This is the rich cream that arose from your times of ingesting the milk of My Word. And now there is a gentle churning of My anointing inside your circumstances. The world may shake, but My own will only produce more and more butter.

My Own are covered in My great grace. As they trust Me, they will overcome all fear and anxiety and defeat the enemy of unrest. I will produce a spreadable anointing in those who have found peace in Me through their churning circumstances. They shall yield great grace as they liberally spread forth their lives upon the world that is searching for answers. A whole new order will be birthed through this and My kingdom shall reign.

Ps 57:1 NKJV

Be merciful to me, O God, be merciful to me! For my soul trusts in You; And in the shadow of Your wings I will make my refuge, until these calamities have passed by.

Isa 7:15 AMP

Butter and curds and wild honey shall he eat when he knows [enough] to refuse the evil and choose the good.

## Batting down the hatches - Stay safe

Posted by [ [swauthor](#) ] May 4th 2006 - 11:59AM Posts to date: 3742

**RHEMA 3/7/03 STAY SAFE INSIDE THE TABERNACLE**

**HEARD:** Today had a whole new day of formatting. Family. Circle. But I'm upset. Stay within the circle.

**VISION:** I saw a large tent where it was being cinched down by the ropes pulling through the holes and bringing it close to the ground. It was like batting down the hatches. When I saw this tent, I realized that was the circle the Lord meant, stay within the safety of His tabernacle.

**WORD TO PONDER A NEW LOOK, YET CONTINUE TO ABIDE 3/7/03**

The old ways are old and outdated. I AM bringing My people into a new look. Remain flexible as I move you through the transition process. Stay close to Me, for as I gently take you through these outward changes, the world is going through radical changes. Its atmosphere is charged with unrest. Draw upon My assurance that even though you too are going through

---

transition, this is to bring My good gifts into your life. It is also to help what I have given to you to be better dispatched to others.

Step away from the whirlwind of wordly cares. Come into My tent, and let Me bat down the hatches. You may hear the wind, but I will cinch the ropes tight and secure. I will fasten our relationship down in confidence and confirmation, so that you will feel safe as you draw aside and abide within our tabernacle.

“One thing I have desired of the LORD, that will I seek: that I may dwell in the house of the LORD all the days of my life. To behold the beauty of the LORD, and to inquire in His temple. For in the time of trouble He shall hide me in His pavilion; in the secret place of His tabernacle He shall hide me; He shall set me high upon a rock.” (Ps 27:4-5 NKJV)
